

Die Bacardis Der Kuba Clan Zwischen Rum Und Revolution 3593373181

R. H. Bruce Lockhart

Die Bacardis Ursula Voss,2005

1939 - the War that Had Many Fathers Gerd Schultze-Rhonhof,2011

A Century of Violence in Soviet Russia Anthony Austin, Paul Hollander, Aleksandr Nikolaevich Īkovlev,Aleksandr Nikolaevich Īkovlev,2002-01-01 He unhesitatingly names those individuals who bear responsibility for these catastrophic deaths, bringing into sharper focus than ever before the facts, the perpetrators, and the events of the Soviet Union's years of terror.--BOOK JACKET.

Legions of Death Rupert Butler,2014-02-01 The author reveals, in chilling detail, the plans for the wholesale killings and subjection of Eastern Europe, including the 'Final Solution' of the gas chambers. He also reveals Hitler's ruthless programme for France, the Low Countries and Scandinavia.This is a story not only of subjugation but also of heroism.This edition is a re-issue in one volume of Rupert Butler's

The Service Reinhard Gehlen,1972 So startling and dramatic are these memoirs, the entire history of World War II will have to be rewritten because of them. Gehlen's revelations cannot fail to embarrass governments, cast doubts on famous leaders and causes, frighteningly underscore the fantastic power of espionage in world affairs. The Service is the memoir of General Reinhard Gehlen, legendary spymaster-in-chief, Hitler's head of military espionage in Russia who, as the war ended, transferred his mammoth files and network of spies to the service of the United States, ultimately to become chief of the official West German intelligence agency.

Memoirs of a British Agent R. H. Bruce Lockhart,2011-04-30 When first published in 1932, this memoir was an immediate classic, both as a unique eyewitness account of Revolutionary Russia and as one man's story of struggle, and tragedy set against the background of great events. Aged 25, Lockhart became the British Vice-Consul to Moscow in 1912. With revolution in the air, it was dangerous, decadent posting. The 'Boy Ambassador' became an eyewitness to pivotal events and in 1918 was charged with establishing a diplomatic understanding with the Bolsheviks, to ensure that Russia remained in the war against Germany. It was a precarious mission: Whitehall could not be seen support revolutionaries; Lockhart grew

wary of his masters' secret machinations; while Lenin and Trotsky's cordial relations with the British agent never quite dispelled their mistrust of the nation he represented. When Lockhart met Moura Budberg, who became the great love of his life, he was in an increasingly vulnerable position. In September 1918 he would be falsely accused of a counter-revolutionary plot to overthrow the Bolsheviks, and sent to the Loubianka. His account even inspired a Hollywood movie. From his evocative descriptions of revolutionary Moscow, where the champagne flowed as the bourgeoisie trembled, to his audiences with Trotsky and his brushes with death, this is a vivid, unique memoir.

To Build a Castle Vladimir Konstantinovich Bukovskiï, 1988

Under the Sign of the Scorpion Jüri Lina, 1998

Revolutionary Women in Russia, 1870-1917 Anna Hilyar, Jane McDermid, 2000 This study is available in paperback for the first time. At no time in Northern Ireland's history did so many significant political initiatives occur as between 1972 and 1975, the most violent and polarised years of the region's conflict. Using archival sources, this book analyses the political events and processes that informed the British government's Northern Ireland policy at the time, the complex interactions between Northern Ireland political parties, and the importance of the British-Irish diplomatic relationship to the search for a solution to the Northern Ireland conflict. Focusing on the rise and fall of the power-sharing Executive and the Sunningdale Agreement, the book challenges a number of persistent myths, including those concerning the role of the Irish government in the Northern Ireland conflict. It contests the notion that the years 1972 to 1975 represent a 'lost peace process', but demonstrates that the policies established during this period provided the template for Northern Ireland's current, ongoing peace settlement.

Open Secrets Israel Shahak, 1997-02-20 Israel's foreign policy is perceived to be essentially a defensive one by the international community. Why then is it the only nuclear power which refuses to sign the Non-Proliferation Treaty? What are its true foreign and nuclear policies? Using the Hebrew press as his main source, veteran human rights campaigner Israel Shahak reveals Israel's strategic foreign policy as presented through its own domestic media: ie what other Israeli Jews are told. He argues that the Israeli government, with the support of the US Jewish lobby, are conducting a global policy aiming to control virtually the whole of the Middle East for their own purposes.

The Suicide of Europe Michel Sturdza, 1968 This book is an exceptional contribution to the story of a fateful plot: the plot for World War II, which could not have succeeded but for the mysterious consent to the collective suicide of nations and empires by so many of those who were responsible for their countries' military, political and social security. This plot which brought to its grave a powerful, dominating and culture-spreading Europe, a Europe that will be no more, was only a part of the great centuries-old conspiracy still at work today against all that remains of the old civilized order in other continents. May these Memoirs be a warning to this cancer's next intended victims, unsuspecting and narcotized, before the work of

insidious destruction of all their vital forces and spiritual values has gone so far that even resurrection would be inconceivable. /

The Brotherhood Stephen Knight,2010-08-19 A classic and highly controversial exposé of the secret world of the Freemasons reissued with an introduction by Martin Short, author of 'Inside the Brotherhood'.

Hitler's Traitor Louis C. Kilzer,2000 After providing the reader with the necessary background information, author Kilzer thoroughly examines all possibilities. Conclusively, he identifies Hitler's chief henchman as the traitor codenamed Werther.--BOOK JACKET.

Hitler Was a British Agent Greg Hallett,Spymaster,2005 Hitler was a British Agent covers Hitler's psychological training in Britain during his missing year (1912) and how this was activated throughout WWII to steer him as a puppet of British intelligence, carrying out their plan to destroy the European powers, particularly France, Germany and Russia. For the first time Operation WINNIE THE POOH is exposed: Hitler's escape out of Berlin on 2 May 1945 with the help of Ian Fleming of James Bond fame. It gives the time and circumstance of Hitler's real death. Rudolf Hess' flight to Britain is solved, as is the Duke of Kent's crash and apparent death. Both died in different countries and different decades from the official versions. Many crimes and mysteries of war are solved in Hitler was a British Agent.

Adolf Hitler - Found of Israel Hennecke Kardel,1996-06-01 On The Front Cover Are Seen Two Criss-crossed Runic Letters Eihwaz Symbolizing Yews Surrounded By Some Secret Inscription, Which As Trees Have The Property Of Immortality. In The Teutonic And Viking Lore They Had To Ease Life's Transition To The God Hel, Ruler Of The Land Of Death. There Humans Would Confront Their Deepest Fears And Rebirth With A New Wisdom, Which Cannot Be Taught But Must Be Experienced.

Nemesis at Potsdam Alfred M. De Zayas,1979 Nemesis at Potsdam is the moving and horrifying account of the expulsion after WWII of 15 million German-speaking men, women, and children from their ancestral homelands in Eastern Central Europe. Over 2 million innocent civilians, mostly women and child, died during the expulsion - one of the worst tragedies of the 20th century.

Cruel Britannia Ian Cobain,2012-11-01 The official line is clear: the UK does not 'participate in, solicit, encourage or condone' torture. And yet, the evidence is irrefutable: when faced with potential threats to our national security, the gloves always come off. Drawing on previously unseen official documents, and the accounts of witnesses, victims and experts, prize-winning investigative journalist Ian Cobain looks beyond the cover-ups and the equivocations, to get to the truth. From WWII to the War on Terror, via Kenya and Northern Ireland, Cruel Britannia shows how the British have repeatedly and systematically resorted to torture, bending the law where they can, and issuing categorical denials all the while. What emerges is a picture of Britain that challenges our complacency and exposes the lie behind our reputation for fair play.

Conjuring Hitler Guido Giacomo Preparata,2005-04-27 A concise history of how the US has used nuclear weapons to dominate the world.

The Budapest Protocol Adam LeBor,2013-12-01 Nazi-occupied Budapest, Winter 1944. The Russians are smashing through the German lines. Miklos Farkas breaks out of the Jewish ghetto to find food - at the Nazis' headquarters. There he is handed a stolen copy of The Budapest Protocol, detailing the Nazis' post-war plans. Miklos knows it must stay hidden forever if he is to stay alive. Present day Budapest. As the European Union launches the election campaign for the first President of Europe, Miklos Farkas is brutally murdered. His journalist grandson Alex buries his grief to track down the killers. He soon unravels a chilling conspiracy rooted in the dying days of the Third Reich, one that will ensure Nazi economic domination of Europe - and a plan for a new Gypsy Holocaust. The hunt is on for The Budapest Protocol. Alex is soon drawn deeper into a deadly web of intrigue and power play, a game played for the highest stakes: the very future of Europe. The Budapest Protocol is a journey into Europe's hidden heart of darkness.

The Zionist Connection II Alfred M. Lilienthal,1982 Rev. and updated ed. of: The Zionist connection. c1978. Includes bibliographical references and index.
