Ernest Hemingway

A Farewell to Arms Ernest Hemingway, 2025-01-01T00:00:00Z "A Farewell to Arms" is Hemingway's classic set during the Italian campaign of World War I. The book, published in 1929, is a first-person account of American Frederic Henry, serving as a Lieutenant (Tenente) in the ambulance corps of the Italian Army. It's about a love affair between the expatriate American Henry and Catherine Barkley against the backdrop of the First World War, cynical soldiers, fighting and the displacement of populations. The publication of "A Farewell to Arms" cemented Hemingway's stature as a modern American writer, became his first best-seller, and is described by biographer Michael Reynolds as the premier American war novel from that debacle World War I.

Men Without Women Ernest Hemingway, 1927 First published in 1927, Men Without Women represents some of Hemingway's most important and compelling early writing. In these fourteen stories, Hemingway begins to examine the themes that would occupy his later works: the casualties of war, the often-uneasy relationship between men and women, sport and sportsmanship. In Banal Story, Hemingway offers a lasting tribute to the famed matador Maera. In Another Country tells of an Italian major recovering from war wounds as he mourns the untimely death of his wife. The Killers is the hard-edged story about two Chicago gunmen and their potential victim. Nick Adams makes an appearance in Ten Indians, in which he is presumably betrayed by his Indian girlfriend, Prudence. And Hills Like White Elephants is a young couple's subtle, heart-wrenching discussion of abortion. Pared down, gritty, and subtly expressive, these stories show the young Hemingway emerging as America's finest short story writer.

In Our Time Ernest Hemingway,2022-01-25 *In Our Time* is the title of Ernest Hemingway's first collection of short stories, published in 1925 by Boni & Liveright, New York, and of a collection of vignettes published in 1924 in France titled *In Our Time*. Its title is derived from the English Book of Common Prayer, Give peace in our time, O Lord. The stories's themes - of alienation, loss, grief, separation - continue the work Hemingway began with the vignettes, which include descriptions of acts of war, bullfighting and current events. The collection is known for its spare language and oblique depiction of emotion, through a style known as Hemingway's theory of omission (iceberg theory). According to his biographer Michael Reynolds, among Hemingway's canon, none is more confusing ... for its several parts - biographical, literary, editorial, and bibliographical - contain so many contradictions that any analysis will be flawed.

To Have and Have Not Ernest Hemingway,2014-05-22 *To Have and Have Not* is the dramatic, brutal story of Harry Morgan, an honest boat owner who is forced into running contraband between Cuba and Key West as a means of keeping his crumbling family financially afloat. His adventures lead him into the world of the wealthy and dissipated yachtsmen who swarm the region, and involve him in a strange and unlikely love affair. In this harshly realistic, yet oddly tender and wise novel, Hemingway perceptively delineates the personal struggles of both the “haves” and the “have nots” and creates one of the most subtle and moving portraits of a love affair in his oeuvre. In turn funny and tragic, lively and poetic, remarkable in its emotional impact, *To Have and Have Not* takes literary high adventure to a new level. As the *Times Literary Supplement* observed, “Hemingway's gift for dialogue, for effective understatement, and for communicating such emotions the tough allow themselves, has never been more conspicuous.”

Hemingway's Widow Timothy Christian,2022-03-01 A stunning portrait of the complicated woman who becomes Ernest Hemingway's fourth wife, tracing her adventures before she meets Ernest, exploring the tumultuous years of their marriage, and evoking her merry widowhood as she shapes Hemingway's literary legacy. Mary Welsh, a celebrated wartime journalist during the London Blitz and the liberation of Paris, meets Ernest Hemingway in May 1944. He becomes so infatuated with Mary that he asks her to marry him the third time they meet—although they are married to other people. Eventually, she

succumbs to Ernest's campaign, and in the last days of the war joined him at his estate in Cuba. Through Mary's eyes, we see Ernest Hemingway in a fresh light. Their turbulent marriage survives his cruelty and abuse, perhaps because of their sexual compatibility and her essential contribution to his writing. She reads and types his work each day—and makes plot suggestions. She becomes crucial to his work and he depends upon her critical reading of his work to know if he has it right. We watch the Hemingways as they travel to the ski country of the Dolomites, commute to Harry's Bar in Venice; attend bullfights in Pamplona and Madrid; go on safari in Kenya in the thick of the Mau Mau Rebellion; and fish the blue waters of the gulf stream off Cuba in Ernest's beloved boat Pilar. We see Ernest fall in love with a teenaged Italian countess and wonder at Mary's tolerance of the affair. We witness Ernest's sad decline and Mary's efforts to avoid the stigma of suicide by claiming his death was an accident. In the years following Ernest's death, Mary devotes herself to his literary legacy, negotiating with Castro to reclaim Ernest's manuscripts from Cuba, publishing one-third of his work posthumously. She supervises Carlos Baker's biography of Ernest, sues A. E. Hotchner to try and prevent him from telling the story of Ernest's mental decline, and spends years writing her memoir in her penthouse overlooking the New York skyline. Her story is one of an opinionated woman who smokes Camels, drinks gin, swears like a man, sings like Edith Piaf, loves passionately, and experiments with gender fluidity in her extraordinary life with Ernest. This true story reads like a novel—and the reader will be hard pressed not to fall for Mary.

Moveable Feast: The Restored Edition Ernest Hemingway, 2014-05-22 Published posthumously in 1964, *A Moveable Feast* remains one of Ernest Hemingway's most beloved works. Since Hemingway's personal papers were released in 1979, scholars have examined and debated the changes made to the text before publication. Now this new special restored edition presents the original manuscript as the author prepared it to be published. Featuring a personal foreword by Patrick Hemingway, Ernest's sole surviving son, and an introduction by the editor and grandson of the author, Seán Hemingway, this new edition also includes a number of unfinished, never-before-published Paris sketches revealing experiences that Hemingway had with his son Jack and his first wife, Hadley. Also included are irreverent portraits of other luminaries, such as F. Scott Fitzgerald and Ford Madox Ford, and insightful recollections of his own early experiments with his craft. Sure to excite critics and readers alike, the restored edition of *A Moveable Feast* brilliantly evokes the exuberant mood of Paris after World War I and the unbridled creativity and unquenchable enthusiasm that Hemingway himself epitomized.

Green Hills of Africa Ernest Hemingway, 2014-05-22 There are some things which cannot be learned quickly, and time, which is all we have, must be paid heavily for their acquiring. They are the very simplest things, and because it takes a man's life to know them the little new that each man gets from life is very costly and the only heritage he has to leave. In the winter of 1933, Ernest Hemingway and his wife Pauline set out on a two-month safari in the big-game country of East Africa, camping out on the great Serengeti Plain at the foot of magnificent Mount Kilimanjaro. "I had quite a trip," the author told

his friend Philip Percival, with characteristic understatement. *Green Hills of Africa* is Hemingway's account of that expedition, of what it taught him about Africa and himself. Richly evocative of the region's natural beauty, tremendously alive to its character, culture, and customs, and pregnant with a hard-won wisdom gained from the extraordinary situations it describes, it is widely held to be one of the twentieth century's classic travelogues.

Across the River and Into the Trees Ernest Hemingway,2014-05-22 In the fall of 1948, Ernest Hemingway made his first extended visit to Italy in thirty years. His reacquaintance with Venice, a city he loved, provided the inspiration for *Across the River and into the Trees*, the story of Richard Cantwell, a war-ravaged American colonel stationed in Italy at the close of the Second World War, and his love for a young Italian countess. A poignant, bittersweet homage to love that overpowers reason, to the resilience of the human spirit, and to the worldweary beauty and majesty of Venice, *Across the River and into the Trees* stands as Hemingway's statement of defiance in response to the great dehumanizing atrocities of the Second World War. Hemingway's last full-length novel published in his lifetime, it moved John O'Hara in *The New York Times Book Review* to call him "the most important author since Shakespeare."

The Torrents of Spring Ernest Hemingway,2023-04-12 In *The Torrents of Spring*, Ernest Hemingway crafted his disillusionments into a comedic satire aimed at Sherwood Anderson's *Dark Laughter* as well as other great writers of the day--

Another Country Mary Bray Pipher,2000 There are more older people in America today than ever before. They are our parents and grandparents, our aunts and uncles and in-laws. They are living longer, but in a culture that has come to worship youth--a culture in which families have dispersed, communities have broken down, and older people are isolated. Meanwhile, adults in two-career families are struggling to divide their time among their kids, their jobs, and their aging parents--searching for the right words to talk about loneliness, forgetfulness, or selling the house. *Another Country* is a field guide to this rough terrain for a generation of baby boomers who are finding themselves unprepared to care for those who have always cared for them. Psychologist and bestselling writer Mary Pipher maps out strategies that help bridge the gaps that separate us from our elders. And with her inimitable combination of respect and realism, she offers us new ways of supporting each other--new ways of sharing our time, our energy, and our love.

The Horns of the Bull Ernest Hemingway,1936

Hemingway on War Ernest Hemingway,2014-05-22 Ernest Hemingway witnessed many of the seminal conflicts of the twentieth century—from his post as a Red Cross ambulance driver during World War I to his nearly twenty-five years as a war correspondent for *The Toronto Star*—and he recorded them with matchless power. This landmark volume brings together Hemingway's most important and timeless writings about the nature of human combat. Passages from his beloved World War I novel, *A Farewell to Arms*, and *For Whom the Bell Tolls*, about the Spanish Civil War, offer an unparalleled portrayal of the physical and psychological impact of war and its aftermath. Selections from *Across the River and into the*

Trees vividly evoke an emotionally scarred career soldier in the twilight of life as he reflects on the nature of war. Classic short stories, such as “In Another Country” and “The Butterfly and the Tank,” stand alongside excerpts from Hemingway’s first book of short stories, *In Our Time*, and his only full-length play, *The Fifth Column*. With captivating selections from Hemingway’s journalism—from his coverage of the Greco-Turkish War of 1919-22 to a legendary early interview with Mussolini to his jolting eyewitness account of the Allied invasion of Normandy on June 6, 1944—*Hemingway on War* collects the author’s most penetrating chronicles of perseverance and defeat, courage and fear, and love and loss in the midst of modern warfare.
