

Fiction Books Written In Second Person

Ali Smith

Life's Lottery Kim Newman,2014-04-25 As rich and as revealing as you care to make it. Time Out At six years old you're asked to make a choice, the first of many in a multitude of possible lives. If you make the right decision, you may live a long happy life, or be immensely powerful, or win the lottery. If you take the wrong path, you may become a murderer, die young, make every mistake possible, or make no impression on life at all. The choice is yours. And by making the choices you do, you will change forever the lives of your family, your friends, your enemies, and your lovers. You can even change the fate of the world; all you have to do is choose... An adult role-playing novel where small decisions have monumental consequences.

Complicity Iain Banks,2002-11-12 In Scotland, a self-appointed executioner dispenses justice to fit the crime. Thus the lenient judge who let a rapist go is punished by being raped, while a man who killed is killed in turn. By the author of *The Wasp Factory*.

Second Person Singular Sayed Kashua,2012-04-03 An award-winning novel of love, betrayal, and Arab Israeli identity by the author of *Dancing Arabs*—"one of the most important contemporary Hebrew writers" (*Haaretz*). A successful Arab criminal attorney and a social worker-turned-artist find their lives intersecting under the most curious of circumstances. The lawyer has a thriving practice in Jerusalem, a large house, and a Mercedes. He speaks both Arabic and Hebrew, and lives with his wife and two young children. To maintain his image as a sophisticated Israeli Arab, he makes frequent visits to a local bookstore and picks up popular novels. But on one fateful evening, he decides to buy a used copy of Tolstoy's *The Kreutzer Sonata*, a book his wife once recommended. Tucked in its pages, he finds a love letter, in Arabic . . . in his wife's handwriting. Consumed with suspicion and jealousy, he decides to hunt down the book's previous owner—a man named Yonatan. But Yonatan's identity is more complex than the attorney imagined. In the process of dredging up old ghosts and secrets, the lawyer breaks the fragile threads that hold all of their lives together. Winner of the 2011 Bernstein Prize, *Second Person Singular* is "part comedy of manners, part psychological mystery" (*The Boston Globe*) that offers "sharp insights on the assumptions made about race, religion, ethnicity, and class that shape Israeli identity" (*Publishers Weekly*). "[Kashua's] dry wit shines." —*Los Angeles Times* "Kashua's protagonists struggle, often comically . . . making his narratives more nuanced than some of the other Arabs writing about the conflict" —*Newsweek* "Sayed Kashua is a brilliant, funny, humane writer who effortlessly overturns any and all preconceptions about the Middle East. God, I love him." —Gary Shteyngart,

author of Super Sad True Love Story

Master Assassins Robert V.S. Redick, 2018-03-06 2018 BookNest Fantasy Awards Finalist for Best Novel “This book has everything I love: Clean, crisp worldbuilding. Characters that live and breathe. A story that teases and surprises me. I like Master Assassins so much I wish I'd written it, but deep down, I know I couldn't have written it this well.”—#1 New York Times bestselling author Patrick Rothfuss Two village boys mistaken for assassins become the decisive figures in the battle for a continent in the thrilling new desert-based epic fantasy by the author of *The Red Wolf Conspiracy*. Kandri Hinjuman was never meant to be a soldier. His brother Mektu was never meant for this world. Rivals since childhood, they are drafted into a horrific war led by a madwoman-Prophet, and survive each day only by hiding their disbelief. Kandri is good at blending in, but Mektu is hopeless: impulsive, erratic—and certain that a demon is stalking him. Is this madness or a second sense? Either way, Kandri knows that Mektu's antics will land them both in early graves. But all bets are off when the brothers' simmering feud explodes into violence, and holy blood is spilled. Kandri and Mektu are taken for contract killers and must flee for their lives—to the one place where they can hope to disappear: the sprawling desert known as the Land that Eats Men. In this eerie wilderness, the terrain is as deadly as the monsters, ghouls, and traffickers in human flesh. Here the brothers find strange allies: an aging warlord, a desert nomad searching for her family, a lethal child-soldier still in her teens. They also find themselves in possession of a secret that could bring peace to the continent of Urrath. Or unthinkable carnage. On their heels are the Prophet's death squads. Ahead lie warring armies, sandstorms, evil spirits and the deeper evil of human greed. But hope beckons as well—if the “Master Assassins” can expose the lie that has made them the world's most wanted men.

The Sound of My Voice Ron Butlin, 2018-04-05 Morris Magellan wakes one morning to find himself stuck in a corporate job and living the suburban dream with a wife and two children, except this dream feels like a nightmare. Out of his depth and starting to drift from reality, we meet Morris at the precipice. Bit by bit he is losing his struggle with addiction - he just doesn't know it yet. His only solace and escape from suburban family life and corporate duties is music and alcohol. His life is soundtracked with symphonies and concertos, every note, and every drink, carries him from moment to moment hoping to salvage something of himself before that too slips from his grasp. Harrowing but compellingly written, with humour and compassion, *The Sound of My Voice* is a stylistic masterpiece that presents conflict between a man's cowardice and cruelty, and a desperate attempt to recover his humanity.

Story of My Life Jay McInerney, 1988 McInerney returns to the setting of his first novel, the phenomenal *Bright Lights, Big City*, to tell a young girl's story of a society consuming itself in reckless affluence.

Second Person Pat Harrigan, Noah Wardrip-Fruin, 2010-01-22 Game designers, authors, artists, and scholars discuss how roles are played and how stories are created in role-playing games, board games, computer games, interactive fictions, massively multiplayer games, improvisational theater, and other playable media. Games and other playable forms, from

interactive fictions to improvisational theater, involve role playing and story—something played and something told. In *Second Person*, game designers, authors, artists, and scholars examine the different ways in which these two elements work together in tabletop role-playing games (RPGs), computer games, board games, card games, electronic literature, political simulations, locative media, massively multiplayer games, and other forms that invite and structure play. *Second Person*—so called because in these games and playable media it is you who plays the roles, you for whom the story is being told—first considers tabletop games ranging from *Dungeons & Dragons* and other RPGs with an explicit social component to Kim Newman's Choose Your Own Adventure-style novel *Life's Lottery* and its more traditional author-reader interaction. Contributors then examine computer-based playable structures that are designed for solo interaction—for the singular you—including the mainstream hit *Prince of Persia: The Sands of Time* and the genre-defining independent production *Façade*. Finally, contributors look at the intersection of the social spaces of play and the real world, considering, among other topics, the virtual communities of such Massively Multiplayer Online Role Playing Games (MMORPGs) as *World of Warcraft* and the political uses of digital gaming and role-playing techniques (as in *The Howard Dean for Iowa Game*, the first U.S. presidential campaign game). In engaging essays that range in tone from the informal to the technical, these writers offer a variety of approaches for the examination of an emerging field that includes works as diverse as George R.R. Martin's *Wild Cards* series and the classic Infocom game *Planetfall*. Appendixes contain three fully-playable tabletop RPGs that demonstrate some of the variations possible in the form.

Suicide Edouard Levé, 2014-06-05 *Suicide* cannot be read as simply another novel—it is, in a sense, the author's own oblique, public suicide note, a unique meditation on this most extreme of refusals. Presenting itself as an investigation into the suicide of a close friend—perhaps real, perhaps fictional—more than twenty years earlier, Levé gives us, little by little, a striking portrait of a man, with all his talents and flaws, who chose to reject his life, and all the people who loved him, in favor of oblivion. Gradually, through Levé's casually obsessive, pointillist, beautiful ruminations, we come to know a stoic, sensible, thoughtful man who bears more than a slight psychological resemblance to Levé himself. But *Suicide* is more than just a compendium of memories of an old friend; it is a near-exhaustive catalog of the ramifications and effects of the act of suicide, and a unique and melancholy farewell to life.

Bunker 13 Aniruddha Bahal, Aniruddha, 2004-06-03 This slick, cynical adventure concerns one Minty Mehta who is involved in filming the Indian Army in Kashmir. Minty foolishly quadruple-crosses the Azerbaijanis, the Sikhs, the Indian Secret Service and the Indian Army.

The Reluctant Fundamentalist Mohsin Hamid, 2007-04-03 A NEW YORK TIMES BESTSELLER SHORT-LISTED FOR THE MAN BOOKER PRIZE OVER ONE MILLION COPIES SOLD WORLDWIDE The elegant and compelling novel about a Pakistani man's abandonment of his high-flying life in New York—an extraordinary portrait of a divided and yet ultimately indivisible

world in America post-9/11. At a café table in Lahore, a bearded Pakistani man converses with an uneasy American stranger. He begins to tell the story of a man named Changez, who is living an immigrant's dream of America. At the top of his class at Princeton, he is snapped up by an elite valuation firm. He thrives on the energy of New York, and his budding romance with elegant, beautiful Erica promises entry into Manhattan society at the same exalted level once occupied by his own family back in Lahore. But in the wake of September 11, Changez finds his position in his adopted city suddenly overturned, and his relationship with Erica shifting. And Changez's own identity is in seismic shift as well, unearthing allegiances more fundamental than money, power, and maybe even love.

The First Person and Other Stories Ali Smith, 2012-10-04 A form-bending and endlessly inventive collection of short stories - from the MAN BOOKER PRIZE-SHORTLISTED and WOMEN'S PRIZE-WINNING author of *How to be both* and the critically acclaimed Seasonal quartet 'A glorious collection that celebrates and subverts the short story form' Independent 'Hurrah for Ali Smith. The best short-story writers make it look as easy as making a cup of tea. Ali Smith is one of these... A bold and brilliant collection of stories by a writer unafraid to give it to us as it is' The Times A middle-aged woman conducts a poignant conversation with her gauche fourteen-year-old self. An innocent supermarket shopper finds in her trolley a foul-mouthed, insulting and beautiful child. Challenging the boundaries between fiction and reality, we see a narrator, 'Ali', as she drinks tea, phones a friend and muses on the relationship between the short story and a nymph. Innovative, sophisticated and intelligent, *The First Person and Other Stories* effortlessly appeals to our hearts, heads and funny bones in equal measure. One-of-a-kind Ali Smith and the short story are made for each other.

Diana Russell Smith, 2008-02-14 In the tradition of erotic confession (with a catch), Smith's pornographic novel explores female desire.

Between the Lines Jodi Picoult, Samantha van Leer, 2013-06-25 Told in their separate voices, sixteen-year-old Prince Oliver, who wants to break free of his fairy-tale existence, and fifteen-year-old Delilah, a loner obsessed with Prince Oliver and the book in which he exists, work together to seek his freedom.

Book Lovers Emily Henry, 2022-05-03 "One of my favorite authors."—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of *Beach Read* and *People We Meet on Vacation*. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation

for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

Bright Lights, Big City Jay McInerney, 2014-02-13 You are at a nightclub talking to a girl with a shaved head. The club is either Heartbreak or the Lizard Lounge. All might become clear if you could just slip into the bathroom and do a little more Bolivian Marching Powder. Then again, it might not... So begins our nameless hero's trawl through the brightly lit streets of Manhattan, sampling all this wonderland has to offer yet suspecting that tomorrow's hangover may be caused by more than simple excess. *Bright Lights, Big City* is an acclaimed classic which marked Jay McInerney as one of the major writers of our time.

The Winter Prince Elizabeth Wein, 2013-07-09 Brave Medraut is a fitting heir to the throne—but he can never be king—in this fantasy retelling of the legend of Mordred from the author of *Code Name Verity*. Medraut is the eldest son of High King Artos, and would-be heir to the British throne—if not for an unfortunate circumstance of birth. Instead, his weak and unskilled half-brother, Llew, is chosen as successor. Medraut cannot bear the thought of being ruled by the boy who has taken what he believes is rightfully his. Consumed by jealousy, he turns to Morgause, the high king's treacherous sister, who exploits Medraut's shame and plots to take over the throne. But when Medraut discovers Llew's inner strength and goodness, he finds his battle is not just with the kingdom, but with the demons inside himself. Now he must choose where his allegiances truly lie. Perfect for readers of Robin McKinley and Jane Yolen, *The Winter Prince* is an “engrossing” novel that “fantasy lovers and devotees of Arthurian legends will enjoy,” from an author who has won honors ranging from the Carnegie Medal to the Edgar Award (Booklist). This ebook features an illustrated biography of Elizabeth Wein including rare images from the author's personal collection.

Get to the Point! Joel Schwartzberg, 2017-10-16 *Champion Your Best Ideas!* Every time you communicate, you're trying to do something, change something, or move someone to action. You're trying to make a point. But the only way to make a point is to have a point. And the surprising truth is, very few communicators know their points or even understand what a point is, rendering them pointless. Communications expert Joel Schwartzberg says a point is not just a topic, an idea, or a theme. A real point is a proposition of value. It's a contention you can propose, argue, illustrate, and prove. In this concise and practical book, you'll learn to identify your point, strengthen it, stick to it, and sell it. Whether you want to improve your impact in speeches, staff meetings, pitches, emails, PowerPoint presentations, or any other communication setting,

Schwartzberg's novel approach teaches you how to go from simply sharing a thought to making a difference. Which would you rather do?

Molly Zero Keith Roberts, 2013-08-29 Raised, tested, trained and indoctrinated in the Blocks, Molly Zero is being groomed for the governing Elite. Rebellious against her fate, she flees. An innocent searching for truth, Molly finds the world outside the Blocks alien and frightening. Her flight plunges her first into the heart of a small community. Next, attracted by their eccentric gaiety, she joins the travelling gypsies, roaming the country in Commercial Air Cushion Vehicles. And then Molly gets caught up in urban terrorism...

Because of You Evgenia Iliopoulou, 2019 Evgenia Iliopoulou rethinks second-person storytelling, starting from the essentials of grammar and rhetoric. In its various forms and typologies, the second person amplifies and expands the limits of representation.

Writing in the Dark Tim Waggoner, 2020-09-16 In this comprehensive textbook devoted to the craft of writing horror fiction, award-winning author Tim Waggoner draws on thirty years' experience as a writer and teacher. Writing in the Dark offers advice, guidance, and insights on how to compose horror stories and novels that are original, frightening, entertaining, and well-written. Waggoner covers a wide range of topics, among them why horror matters, building viable monsters, generating ideas and plotlines, how to stylize narratives in compelling ways, the physiology of fear, the art of suspense, avoiding clichés, marketing your horror writing, and much more. Each chapter includes tips from some of the best horror professionals working today, such as Joe Hill, Ellen Datlow, Joe R. Lansdale, Maurice Broaddus, Yvette Tan, Thomas Ligotti, Jonathan Maberry, Edward Lee, and John Shirley. There are also appendices with critical reflections, pointers on the writing process, ideas for characters and story arcs, and material for further research. Writing in the Dark derives from Waggoner's longtime blog of the same name. Suitable for classroom use, intensive study, and bedside reading, this essential manual will appeal to new authors at the beginning of their career as well as veterans of the horror genre who want to brush up on their technique.

Fiction Books Written In Second Person Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital

age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Fiction Books Written In Second Person PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in

their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Fiction Books Written In Second Person PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who

make these resources available. In conclusion, the availability of Fiction Books Written In Second Person free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Fiction Books Written In Second Person Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility.
