Killing Sacred Cows Garrett B. Gunderson, Stephen Palmer, 2008 Our culture is riddled with destructive myths about money and prosperity that are severely limiting our power, creativity, and financial potential. In *Killing Sacred Cows*, Garrett B Gunderson boldly exposes ingrained fallacies and misguided traditions in the world of personal finance. He presents a revolutionary perspective that can create unprecedented opportunity and wealth for individuals. Our financial lives are intimately connected to our societal contributions, and we must be financially free in order to achieve our fullest potential. Yet most people are held captive in their financial lives by misinformation, propaganda, and lack of knowledge. Through well-reasoned arguments and pitiless logic, Gunderson attacks these sacred cows with revelatory insights, such as: High returns without high risk; Security without a corporate job; Debt that increases your financial productivity; Enjoying your money instead of waiting for retirement. *Killing Sacred Cows* is a must-read for brave individuals willing to question common assumptions and teachings, overcome the herd mentality, break through financial myths, and live a purposeful, passionate, and prosperous life. Investors seeking financial advice in *The Little Book That Makes You Rich* will find this to be a must-read for anyone who wants to achieve their financial potential today.

Oral Tradition and Book Culture Pertti Anttonen, Cecilia af Forselles, Kirsti Salmi-Niklander, 2018-09-28 A new interdisciplinary interest has risen to study interconnections between oral tradition and book culture. In addition to the use and dissemination of printed books, newspapers etc., book culture denotes manuscript media and the circulation of written

documents of oral tradition in and through the archive, into published collections. Book culture also intertwines the process of framing and defining oral genres with literary interests and ideologies. The present volume is highly relevant to anyone interested in oral cultures and their relationship to the culture of writing and publishing. The questions discussed include the following: How have printing and book publishing set terms for oral tradition scholarship? How have the practices of reading affected the circulation of oral traditions? Which books and publishing projects have played a key role in this and how? How have the written representations of oral traditions, as well as the roles of editors and publishers, introduced authorship to materials customarily regarded as anonymous and collective?

Real Estate Investing in Canada Don R. Campbell, 2009-01-16 FREE DOWNLOAD OF PROPERTY ANALYZER SOFTWARE
Canadians in greater numbers than ever before are turning to real estate to build wealth. The Authentic Canadian Real Estate (ACRE) system is the first of its kind to show average Canadians how to profit from investing in residential real estate. In *Real Estate Investing in Canada*, you will discover how to cut through the hype and emotion of any real estate market and accurately assess the inherent risks and rewards. Whether you are buying your first property or your 100th, this book provides new-found tools, strategies and confidence to help you achieve your investment goals. WHAT CANADIAN INVESTORS SAY ABOUT REAL ESTATE INVESTING IN CANADA AND DON R. CAMPBELL: This is a great book. The information in just one of the chapters alone saved me over \$28,000. Michael Millenaar Full of practical Canadian content and presented in an organized and respectful system. It directly addresses how to get the money and financing you need to purchase real estate and achieve your goals. Tamara MacLaren One of Don Campbell's great gifts is his near-genius ability to take something that appears complex and break it down into a simple step-by-step system that anyone can follow. I am convinced that everyone will thoroughly enjoy, and more important, benefit financially, by reading this book. Russell Westcott The power of *Real Estate Investing in Canada* lies in the super simple, market-proven system that it offers you. It makes real estate dreams possible for any Canadian. If you are serious about learning the truth, cutting through the hype and being successful, this is your real estate bible! Valden Palm, MisterRRSP.com The markets across the country are continually shifting and you must keep on top of the latest information. So, as a bonus, every registered reader of *Real Estate Investing in Canada* will have proprietary access to critical forms and ongoing market research at www.realestateinvestingincanada.com.

Wind Vision U. S. Department U.S. Department of Energy,2015-03-18 This book provides a detailed roadmap of technical, economic, and institutional actions by the wind industry, the wind research community, and others to optimize wind's potential contribution to a cleaner, more reliable, low-carbon, domestic energy generation portfolio, utilizing U.S. manufacturing and a U.S. workforce. The roadmap is intended to be the beginning of an evolving, collaborative, and necessarily dynamic process. It thus suggests an approach of continual updates at least every two years, informed by its analysis activities. Roadmap actions are identified in nine topical areas, introduced below.

The Financial Freedom Guarantee Marco Robinson,2016-04-05 A practical, life-changing real estate investment guide by a #1 international bestselling, award-winning author and property tycoon. Are you tired of working for a living? Are you fed up with only JUST being able to pay your bills? Are you sick of thinking about work every single day? Are you going crazy thinking someone will take your job? Millions are in the same boat as you! There is no such thing as a job for life anymore. People are getting outsourced, paid less, told to work longer hours, and are being replaced with robots and imminently Artificial Intelligence. The Financial Freedom Guarantee is for people that really want to start doing what they LOVE to do instead of doing what they have to do to pay the bills. Inside you'll discover how to create enough passive income from four award-winning property investment tools that create enough positive cash-flow to replace your living expenses. Meaning you could quit your job and never have to rely on a salary ever again—and thousands of readers are doing it within ninety days! Never before has a body of work been so relevant and timely in a world full of debt and servitude. In nine months, Marco purchased ninety-six properties using other people's money and created millions of dollars in profit. More importantly, he has helped thousands of his students do the same. Now you can, too.

African Entrepreneurs - 50 Success Stories Iwa Adetunji,2017-06-08 *African Entrepreneurs: 50 Success Stories* is a celebration of notable achievements of select Africans and how they have managed to excel in their chosen fields despite all odds. Each profile showcases the entrepreneur and their area of endeavor, including an exclusive interview in a question-and-answer format. Whether you are young or old, already in business or aspiring to get your feet wet, *African Entrepreneurs: 50 Success Stories* will encourage you. Although this book focuses on African business leaders, you will find that the core-ingredients of successful entrepreneurs are universal. You will be inspired, enthralled and above all motivated by how these savvy men and women overcame their personal challenges to get to where they are now. While some people are natural entrepreneurs, anyone can pursue entrepreneurship successfully if they put in what it takes. If you have a goal, you have to go for it - don't wait for success to come to you.

Make Your Kid a Millionaire Kevin McKinley,2011-05-24 A step-by-step program that shows parents what to do at each stage of a child's life to provide wealth for the next generation. If you're like most parents, you know that you should start saving for your children's future but you're just not sure where to begin. Whether you earn six dollars an hour or six

figures a year, *Make Your Kid a Millionaire* helps your kids acquire everything that more money can provide: Time. Knowledge. Security. Stability. And it will grant you the peace of mind that comes with supplying your children with a financial head start.

The Real Book of Real Estate Robert T. Kiyosaki, 2016-12-06 Presents a guide to real estate with advice and techniques needed to navigate the fluctuations in the market.

One Rental at a Time Michael Zuber, 2019-01-17 Have you ever thought about real estate investing as a path to financial freedom? Have you kicked around the idea but felt you were too busy with work and family responsibilities? If so, *One Rental at a Time* will transform your life, just as it has transformed my life and the lives of thousands of others. This book reveals how buying and holding rental properties will create a second income that can, in time, allow you to quit your day job. It worked for me and it can work for you too. What's stopping you? Read the book and learn how *One Rental at a Time* can lead to financial independence.

Unfair Advantage Robert T. Kiyosaki, 2011 True financial education is the path to creating the life you want for yourself and your family. Kiyosaki challenges people to change the one thing that is within your control: yourself. He demonstrates how real financial education gives you an unfair advantage, and delivers measurable results.

Wake Up and Smell the Real Estate Tom McKay, 2020 Tom began building his real estate fortune with the purchase of his first property at age 19. Despite having no credit or money of his own, a deal presented itself and Tom was able to see the incredible potential profits in real estate. This was his wake-up call. He realized deals are born every day in nearly every city, big or small. The circumstances that create opportunities for buyers are not unique, but rather commonplace. Deals arise from divorce, disasters, death, bankruptcy, bad decisions, inheritances, and retirement. These are the roots of all deals and they happen everywhere in the world. Tom was lucky to learn at an early age that real estate investing is a business where everyone is equal, rich or poor. The person who has the deal in his hands-the contract-is the person who will make the money. Today, Tom owns and manages over 150,000 square feet of property rentals, houses, commercial centers, offices, industrial and flex properties. In this book, you will learn Tom's methods and see links to the top videos on his YouTube channel, *FlipAnythingUSA*, where he elaborates on exactly how to make money as a real estate investor. You will also learn how Tom developed tools to find the best deals in any community and how to out-negotiate the competition. This knowledge comes from years of experience and hundreds of wins and losses. All of Tom's lessons are explained here in a very conversational and easy-to-understand manner. This is your chance to learn from a friend. The book is based on real stories: the opportunities, decisions, success and-yes, even failures-that have made Tom McKay one of the shrewdest and savviest investors in the country. Tom takes you from the beginning, where he started out with nothing, looking for a deal first and the money second. Because as Tom would explain, when you have the deal you hold all the cards. Even if you are broke, as long

as you have a contract to buy a property at a great price, the rest is simple. Getting a deal on what someone has and what someone wants is where the easiest money is found. If you adopt Tom's method and attitude, you can follow in his footsteps, making millions on land, commercial and industrial buildings, apartments and houses. Regardless of whether you are a teenager, a senior citizen, or anywhere in between, it's not too late to change your life. You can make thousands-sometimes even tens or hundreds of thousands of dollars. Tom knows age and income are not a factor with his methods. Taking action is what is important. So, now is the time to wake up and smell the real estate! You'll be glad you did.

Money Secrets of the Rich John Burley, 2009-08-01 Burley found that the books on money either went one of two ways. They were either too technical that once you were done reading them, you had to do a bunch of research in order to even begin, or they were very motivational but didn't tell you what to actually do. *Money Secrets Of The Rich* strives to be a book that does both.

Urwind Bo Carpelan, 1998 *Urwind* comprises fifty-three letters from Daniel Urwind, an aging bookseller, to his wife, who has left him for an indeterminate spell of greater freedom and study in the United States. The wife's absence haunts the letters, which are often tales of Daniel's daily rituals. Yet Daniel's narration of such mundanities--changing the bookshop window dressing, or housekeeping--approaches magical realism; memories of his wife, fantasies, bad dreams, monologues, and dialogues with the living and the dead coalesce in a complex layering of experience, past and present. *Urwind* is a construct worthy of Bachelard's *Poetics of Space*, and a painful chronicle of the ending of a love.

Dirt Rich Mark Podolsky, 2018-04-17 Real estate investment is nothing new, but attaining financial freedom through property without ever having to deal with the headaches of renters, renovations, or rodents isn't something you hear about every day. Yet with Mark Podolsky's tried-and-true technique of raw land investment, you can become *Dirt Rich* without ever having to battle with a tenant, toilet, or termite. In this step-by-step guide, Mark breaks down his ultimate subscription model for creating passive income through the niche of raw land investment. Featuring details on common pitfalls, tips on cultivating an investor's mind, and advice on working smart instead of hard, this handbook will show you how to obtain a life of fiscal independence, with the flexibility to work where you want, when you want, and with whom you want. Financial freedom is within your reach. It's time to make your dreams a reality by starting to think dirty.

Arrival Cities Burcu Dogramaci, Mareike Hetschold, Laura Karp Lugo, Rachel Lee, Helene Roth, 2020-09-01 Exile and migration played a critical role in the diffusion and development of modernism around the globe, yet have long remained largely understudied phenomena within art historiography. Focusing on the intersections of exile, artistic practice and urban space, this volume brings together contributions by international researchers committed to revising the historiography of modern art. It pays particular attention to metropolitan areas that were settled by migrant artists in the first half of the 20th century. These arrival cities developed into hubs of artistic activities and transcultural contact zones where ideas circulated,

collaborations emerged, and concepts developed. Taking six major cities as a starting point - Bombay (now Mumbai), Buenos Aires, Istanbul, London, New York, and Shanghai -the authors explore how urban topographies and landscapes were modified by exiled artists re-establishing their practices in metropolises across the world. Questioning the established canon of Western modernism, *Arrival Cities* investigates how the migration of artists to different urban spaces impacted their work and the historiography of art. In doing so, it aims to encourage the discussion between international scholars from different research fields, such as exile studies, art history, social history, architectural history, architecture, and urban studies.
