**Sabiduría en zapatillas** Marcelo Laffitte,2020-09-22 ¿Qué es Sabiduría en zapatillas? Las reflexiones espirituales como las que encierra este libro tienen una particularidad: pueden ser leídas muchas veces y cada vez arrojarán una inspiración nueva. Esto, le aseguro, le ocurrirá con este libro. Fue diseñado y escrito para ser abierto en cualquier momento del día y recibir una palabra de aliento, de conocimiento, de consuelo o de orientación. El diseño permite que en tres minutos podamos leer cada uno de los mini capítulos que lo componen y sentir la satisfacción de comenzar y terminar, evitando esa culpa que genera dejar libros a medio leer. Si hubiese podido colocarte otro título a este escrito, lo habría llamado Inspiración para gente ocupada. Muchas veces una palabra puede cambiarle el color a nuestro ánimo, a nuestro espíritu y a nuestro día. Comience a leerlo por donde quiera. Está preparado para eso. Aquí se cumple aquello de que el orden de los factores no altera el producto. Pero este libro contiene más que inspiración y mini capítulos. Dentro de lo cotidiano está nuestro trabajo, lugar donde pasamos tantas horas a la semana (muchas más, incluso, que las que pasamos en nuestra casa). Y allí encierro el gran desafío: ¿sigue siendo usted un cristiano comprometido en la esfera laboral? ¿O es de los que piensan que Iglesia y trabajo no deben mezclarse? Es muy posible que después de leer *El cristiano en su lugar de trabajo*, se sienta honestamente movido a cambiar su actitud en su lugar de trabajo.

*The Dialectics of Liberation* David Cooper,2015-06-09 A revolutionary compilation of speeches which produced a political groundwork for many of the radical movements in the following decades The now legendary Dialectics of Liberation congress, held in London in 1967, was a unique expression of the politics of dissent. Existential psychiatrists, Marxist intellectuals, anarchists, and political leaders met to discuss key social issues. Edited by David Cooper, *The Dialectics of Liberation* compiles interventions from congress contributors Stokely Carmichael, Herbert Marcuse, R. D. Laing, Paul Sweezy, and others, to explore the roots of social violence. Against a backdrop of rising student frustration, racism, class inequality, and environmental degradation—a setting familiar to readers today—the conference aimed to create genuine revolutionary momentum by fusing ideology and action on the levels of the individual and of mass society. *The Dialectics of Liberation* captures the rise of a forceful style of political activity that came to characterize the following years.

**The Historiography of Modern Architecture** Panayotis Tournikiotis, 2001-02-27 The history of modern architecture as constructed by historians and key texts. Writing, according to Panayotis Tournikiotis, has always exerted a powerful influence on architecture. Indeed, the study of modern architecture cannot be separated from a fascination with the texts that have tried to explain the idea of a new architecture in a new society. During the last forty years, the question of the relationship of architecture to its history—of buildings to books—has been one of the most important themes in debates about the course of modern architecture. Tournikiotis argues that the history of modern architecture tends to be written from the present, projecting back onto the past our current concerns, so that the beginning of the story really functions as a representation of its end. In this book the buildings are the quotations, while the texts are the structure. Tournikiotis focuses on a group of books by major historians of the twentieth century: Nikolaus Pevsner, Emil Kaufmann, Sigfried Giedion, Bruno Zevi, Leonardo Benevolo, Henry-Russell Hitchcock, Reyner Banham, Peter Collins, and Manfredo Tafuri. In examining these writers' thoughts, he draws on concepts from critical theory, relating architecture to broader historical models.

*Women, Race & Class* Angela Y. Davis, 2019-10-03 Ranging from the age of slavery to contemporary injustices, this groundbreaking history of race, gender and class inequality by the radical political activist Angela Davis offers an alternative view of female struggles for liberation. Tracing the intertwined histories of the abolitionist and women's suffrage movements, Davis examines the racism and class prejudice inherent in so much of white feminism, and in doing so brings to light new

pioneering heroines, from field slaves to mill workers, who fought back and refused to accept the lives into which they were born. 'The power of her historical insights and the sweetness of her dream cannot be denied' The New York Times

Psychiatric Power Michel Foucault,2008-06-24 In *Psychiatric Power*, the fourth volume in the collection of his groundbreaking lectures at the Collège de France, Michel Foucault addresses and expands upon the ideas in his seminal *Madness and Civilization*, sketching the genealogy of psychiatry and of its characteristic form of power/knowledge. *Madness and Civilization* undertook the archeology of the division according to which, in Western Society, the madman found himself separated from the sane. That book ends with the medicalization of madness at the beginning of the nineteenth century. *Psychiatric Power* continues this discourse up to the end of the nineteenth century, and the double depsychiatrization of madness, now dispersed between the neurologist and the psychoanalyst. Presented in a conversational tone, *Psychiatric Power* brings fresh access and light to the work of one of the past century's preeminent thinkers.

**Iraq, Syria, and the Antichrist** Armando Alducin,2015 Since the Gulf War (1991), the nations of Iraq and Syria attracted the attention of the whole world, because these two nations began to destabilize the Middle East. It is also interesting that in Iraq, Iran and Saudi Arabia over 60% are reserves of Global oil. What role will these nations play at the end of time? Do we really will be in the preamble the second coming of Jesus Christ? What role will these two nations play in World War II, also it is known in the Bible as the Battle of Armageddon?

Blood Power Dag Heward-Mills,2019-09

The Little Gipsy Girl Miguel de Cervantes Saavedra,2016-01-31 It would almost seem that the Gitanos and Gitanas, or

male and female gipsies, had been sent into the world for the sole purpose of thieving. Born of parents who are thieves, reared among thieves, and educated as thieves, they finally go forth perfected in their vocation, accomplished at all points, and ready for every species of roguery. In them the love of thieving, and the ability to exercise it, are qualities inseparable from their existence, and never lost until the hour of their death. Now it chanced that an old woman of this race, one who had merited retirement on full pay as a veteran in the ranks of Cacus, brought up a girl whom she called Preciosa, and declared to be her granddaughter. To this child she imparted all her own acquirements, all the various tricks of her art. Little Preciosa became the most admired dancer in all the tribes of Gipsydom; she was the most beautiful and discreet of all their maidens; nay she shone conspicuous not only among the gipsies, but even as compared with the most lovely and accomplished damsels whose praises were at that time sounded forth by the voice of fame. Neither sun, nor wind, nor all those vicissitudes of weather, to which the gipsies are more constantly exposed than any other people, could impair the bloom of her complexion or embrown her hands; and what is more remarkable, the rude manner in which she was reared only served to reveal that she must have sprung from something better than the Gitano stock; for she was extremely pleasing and courteous in conversation, and lively though she was, yet in no wise did she display the least unseemly levity; on the contrary, amidst all her sprightliness, there was at the same time so much genuine decorum in her manner, that in the presence of Preciosa no gitana, old or young, ever dared to sing lascivious songs, or utter unbecoming words.

**Jesus Is Coming Soon: Discern the End-Time Signs and Prepare for His Return** Guillermo Maldonado, 2020-09-29 Shakings, Signs, and the Return of Christ You are mentioned in biblical prophecy. You may not be mentioned by name, but you are included there. End-times prophecies speak of faithful followers of Jesus--called the remnant--who are ready for the last days and His return, but they also speak of those who are unprepared or fall away before His appearing. Which prophecy will you fulfill? Jesus Is Coming Soon: Discern the End-Time Signs and Prepare for His Return will help you be certain you are part of God's remnant. The signs of the end of the age and Jesus's appearing are evident in the physical and spiritual worlds. But most people, including Christians, have not recognized them. What signs has God given to announce the culmination of His purposes for the world? How can we discern them? How can we prepare? This book will unfold: The reason for the unprecedented natural and spiritual shakings in our world What the signs tell us, including unusual signs such as blood moons How God works according to seasons, eras, and the fullness of time How Jewish feasts point to the ages of man, accurately showing us God's time clock Which imminent biblical signs and promises have yet to be fulfilled The judgments God is bringing to the earth God has given prophecies concerning Israel, the church, and the world. And His Spirit is disclosing His last-days purposes right now. We need to know how to receive the vital revelation and prophetic knowledge He wants to share with His people. When we have this foreknowledge, we can understand the times and prepare for His final plans for the earth. God intends the church to be a community of hope, revival, and supernatural power in the midst of dark

times. There is a spirit of confusion in the world today. People must turn to God for the answers only He can give, and the church needs to be ready to provide those answers. In these end times, you do not need to be fearful, discouraged, or distracted. Instead, you can know your true position in God before Christ's appearing. You can be joyfully prepared, watching and waiting in expectation, with your spiritual eyes open. Live in God's perfect will for your life and participate in His supernatural, last-days purposes!

Chayil John Eckhardt,2019 FROM BEST-SELLING AUTHOR OF PRAYERS THAT ROUT DEMONS Influence and power are not just for men. The fight was never intended to be man vs. woman. Both men and women are strong and mighty in the Lord. Chayil is a Hebrew word that is connected to strength, wealth, power, influence, wisdom, and military might, and it happens to be the word translated virtuous in Proverbs 31. Since the beginning of time chayil, or virtuous, women have been created to fight for and defend their homes, families, and other kingdom entities against evil influences. Chayil women have been empowered to organize and activate those under their authority so that everything to which they are assigned runs smoothly and with excellence. A chayil woman is strong, mighty, and efficient; valiant, virtuous, and victorious. We were created to war together, man and woman, side by side, tearing down demonic strongholds of wickedness and advancing the territory of the kingdom of God. If you want to be empowered to accomplish your kingdom destiny and purpose in Christ, this book is for you Using numerous examples from Scripture, this book shows women how to tap into the essence of the chayil anointing so they will be endued with power to defend and take back what is theirs; strengthened and motivated to tap into their God-given abilities and power to build and influence the areas they occupy; activated with supernatural wisdom and power to get wealth and to overtake the thief that comes to steal, kill, and destroy; able to take authority and defend their families, possessions, destinies, property, and dignity; encouraged to have an edge against the forces that try to destroy their vision and success in business or ministry. The chayil anointing manifests in the woman who is anointed for ministry, business, and marketplace influence.
