**Christus Vivit** Pope Francis,2019-04-04 To young Christians of the world, Pope Francis has a message for you: Christ is alive, and he wants you to be alive! In his fourth apostolic exhortation, Christus Vivit, Pope Francis encapsulates the work of the 2018 synod of bishops on Young People, The Faith, and Vocational Discernment. Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment Christus Vivit is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us.

Singing the Congregation Monique M. Ingalls, 2018-09-17 Contemporary worship music shapes the way evangelical Christians understand worship itself. Author Monique M. Ingalls argues that participatory worship music performances have brought into being new religious social constellations, or modes of congregating. Through exploration of five of these modes--concert, conference, church, public, and networked congregations--Singing the Congregation reinvigorates the analytic categories of congregation and congregational music. Drawing from theoretical models in ethnomusicology and congregational studies, Singing the Congregation reconceives the congregation as a fluid, contingent social constellation that is actively performed into being through communal practice--in this case, the musically-structured participatory activity known as worship. Congregational music-making is thereby recast as a practice capable of weaving together a religious community both inside and outside local institutional churches. Congregational music-making is not only a means of expressing local concerns and constituting the local religious community; it is also a powerful way to identify with far-flung individuals, institutions, and networks that comprise this global religious community. The interactions among the congregations reveal widespread conflicts over religious authority, carrying far-ranging implications for how evangelicals position themselves relative to other groups in North America and beyond.

**Reclaiming Christianity** A.W. Tozer, 2009-05-01 Does the church use words that have lost their meaning? Are there Christian words and phrases that have lost their power to convict the human spirit and bring transformation to the world? One of the twentieth century's most renowned prophetic thinkers, A.W. Tozer, saw a dangerous trend gaining momentum even before his death--a trend that has become commonplace now in the twenty-first century. In this never-before-published book, Tozer sounds his alarm for the modern church: We must stop parroting words carelessly and instead allow the meaning that these words convey to empower, shape, and direct the work of the church. Yet Reclaiming Christianity is not just a warning; it is a spiritual guidebook for reconnecting to the deepest meaning of Christianity's sacred messages.

**When God Doesn't Make Sense** James C. Dobson, 2012-10-17 With more than one million copies sold, When God Doesn't Make Sense is an immensely practical book for those who are struggling with trials and heartaches they can't

understand. Why does disease, natural disaster, divorce, rejection, death, or some other sorrow seep into our lives when we are trying to serve the Lord? It just doesn't seem fair! This book deals unflinchingly with life's most troubling question—"Why?" Drawing on his long experience as a Christian psychologist and family counselor, Dr. Dobson brings hope to those who have almost given up. *When God Doesn't Make Sense* also helps believers avoid the "betrayal barrier"—the sense that God is abandoning them amid the storms of life. Now with a new foreword by R. T. Kendall.

**Jesus, Symbol of God** Roger Haight, 1999 Already hailed as a landmark in contemporary Catholic theology, *Jesus Symbol of God* surveys scriptural data, the key moments in the development of doctrine, and the distinctive horizons of our contemporary world to develop a comprehensive and systematic christology for our time. The task of christology is to explain what it means to say that Jesus is the bearer and revealer of God in the Christian community, the decisive mediation of God's salvation -- or, in other words, the symbol of God.

Music Through the Eyes of Faith Harold Best, 2013-12-17 Christian musicians know of the obligation to make music as agents of God's grace. They make music graciously, whatever its kind or style, as ambassadors of Christ, showing love, humility, servanthood, meekness, victory, and good example . . . Music is freely made, by faith, as an act of worship, in direct response to the overflowing grace of God in Christ Jesus. Co-sponsored by the Christian College Coalition, this thought-provoking study of music-as-worship leads both students and experienced musicians to a better understanding of the connections between music making and Christian faith. Christian music makers have to risk new ways of praising God. Their faith must convince them that however strange a new offering may be, it cannot out-reach, out-imagine, or overwhelm God. God remains God, ready to swoop down in the most wonderful way, amidst all of the flurry and mystery of newness and repetition, to touch souls and hearts, all because faith has been exercised and Christ's ways have been imitated. Meanwhile, a thousand tongues will never be enough. Best relates musical practice to a larger theology of creation and creativity, and explores new concepts of musical quality and excellence, musical unity, and the incorporation of music from other cultures into today's music.

**The Divine Comedy** Dante Alighieri, 1886

**God's Favorite House** Tommy Tenney, 2003 If God were ever to get homesick for any of the houses of worship on earth, where would that be? What events at that location would provoke the eternal mind of God to label that house as His favorite-to forever memorialize it in His own memory? Man seeks God encounters at what he calls God's house, but God seeks man encounters at what He calls man's house. Remember the names? Moses' Tabernacle, David's Tabernacle, Solomon's Temple? God has searched the earth for intimate worship since the Garden of Eden. What would happen if the ancient patterns and old blueprints were rediscovered? What if the anointed practices were refreshed and restored? If we could rebuild that house, would He revisit? With the landscape littered with multi-million dollar steeples piercing God's atmosphere and stained

windows coloring His sunshine, it would seem that the choice of His favorite house would be elaborate. Prepare to be surprised as you discover God's Favorite House. This expanded version of God's Favorite House, by best selling author Tommy Tenney, includes the never before released Study Guide.

*Lecciones Para Nuevos Creyentes Student* James D. Crane, Jorge E. Diaz, 1984-01-01

For the Glory of God Daniel I. Block, 2014-08-19 Current discussions about worship are often driven by pragmatics and personal preferences rather than by the teaching of Scripture. True worship, however, is our response to God's gracious revelation; in order to be acceptable to God, worship must be experienced on God's terms. Respected Old Testament scholar Daniel Block examines worship in the Bible, offering a comprehensive biblical foundation and illuminating Old Testament worship practices and principles. He develops a theology of worship that is consistent with the teachings of Scripture and is applicable for the church today. He also introduces readers to a wide range of issues related to worship. The book, illustrated with diagrams, charts, and pictures, will benefit professors and students in worship and Bible courses, pastors, and church leaders.

**The Blood Covenant** E. W. Kenyon, 2020-01-07 Legendary Bible teacher Dr. E. W. Kenyon unveils the meaning and miracles available to every Christian through a complete understanding of The Blood Covenant. The Bible is composed of two covenants, or agreements. The old covenant, between God and Abraham, was sealed by circumcision. The new covenant, between God and every believer, is sealed with the blood of Jesus Christ. As you understand your rights as a Christian stemming from this covenant, you will experience an incredible boost to your walk of faith as you lay hold of amazing blessings. The Blood Covenant brings all the power, victory, and miracles of God into the everyday life of the believer.
