*Essentials of Accounting for Governmental and Not-for-profit Organizations* Paul A. Copley, 2018 Thank you for considering the thirteenth edition of *Essentials of Accounting for Governmental and Not-for-Profit Organizations*. I have used the text with traditional three-semester-hour classes, with half-semester GNP courses, and as a module in advanced accounting classes. It is appropriate for accounting majors or as part of a public administration program. The Excel-based problems were developed to facilitate delivery through distance learning formats. The focus of the text is on the preparation of external financial statements. The coverage is effective in preparing candidates for the CPA examination--
