

Misfits James Howe

James Howe

The Misfits James Howe, 2011-11-01 Kids who get called the worst names oftentimes find each other. That's how it was with us. Skeezie Tookis and Addie Carle and Joe Bunch and me. We call ourselves the Gang of Five, but there are only four of us. We do it to keep people on their toes. Make 'em wonder. Or maybe we do it because we figure that there's one more kid out there who's going to need a gang to be a part of. A misfit, like us. Skeezie, Addie, Joe, and Bobby -- they've been friends forever. They laugh together, have lunch together, and get together once a week at the Candy Kitchen to eat ice cream and talk about important issues. Life isn't always fair, but at least they have each other -- and all they really want to do is survive the seventh grade. That turns out to be more of a challenge than any of them had anticipated. Starting with Addie's refusal to say the Pledge of Allegiance and her insistence on creating a new political party to run for student council, the Gang of Five is in for the ride of their lives. Along the way they will learn about politics and popularity, love and loss, and what it means to be a misfit. After years of getting by, they are given the chance to stand up and be seen -- not as the one-word jokes their classmates have tried to reduce them to, but as the full, complicated human beings they are just beginning to discover they truly are.

Totally Joe James Howe, 2011-11-01 Joe Bunch breaks down his life—and his secrets—for a school assignment in this second book of the funny, heartfelt, and beloved Misfits series by Bunnica author James Howe. What can I say? I'm a total original. Joe may only be twelve-going-on-thirteen, but he's known who he is from the time he was a little kid tottering around in his mother's high heels. Now in the seventh grade, he wears green high tops with pink trim, has a (secret) boyfriend, and tells it all from A to Z in the alphabiography assigned by his favorite teacher. The thing is, some of it is seriously private. It's one thing for Mr. Daly to read it, but what if it falls into the wrong hands? Will he be teased forever about those high heels...and even worse, what will happen if his secret boyfriend is no longer a secret?

Also Known as Elvis James Howe, 2015-04-14 Skeezie Tookis navigates a pivotal summer of first crushes and tough choices in this conclusion to the bestselling and acclaimed quartet that began with The Misfits. Skeezie Tookis, also known as Elvis, isn't looking forward to this summer in Paintbrush Falls. While his best friends Bobby, Joe, and Addie are off on exciting adventures, he's stuck at home, taking care of his sisters and working five days a week to help out his mom. True, he gets to hang out at the Candy Kitchen with the awesome HellomynameisSteffi, but he also has to contend with Kevin

Hennessey's never-ending bullying. And then there's the confusing world of girls, especially hot-and-cold Becca, his maybe-crush. And the dog that he misses terribly. And the dad who left two years before, whom Skeezie is convinced is the cause of all his troubles. In the words of the King, Skeezie Tookis is All Shook Up. Skeezie's got the leather jacket of a tough guy, but a heart of gold--and his story, the fourth and final chapter of the beloved Misfits series, is brimming with life's tough choices, love in all directions, and enough sweet potato fries to go around.

The Watcher James Howe,2012-01-24 A mysterious girl, dubbed The Watcher, spins tales of rescue from her lonely perch above the beach. She closely observes the actions of two people she has never met: a fourteen-year-old boy whose family seems perfect and a handsome eighteen-year-old lifeguard. Their lives become intertwined -- and their troubling truths are revealed.

Howie Monroe and the Doghouse of Doom James Howe,2013-01-15 Dear possible reader of this book, My editor asked me to write a third book in my series, Tales from the House of Bunnacula. And did I have trouble getting started! I was afraid I used up all my ideas. But faster than a writer can say "What if?" I came up with a story! It's about a lovable and smart (not to mention cute) orphan wirehaired dachshund puppy named Howie, who has a mysterious pain in his leg and is mysteriously invited to attend the Dogwiz Academy for Canine Conjurers. Together, Howie and his best friend, the very, very, very smart Delilah, who speaks in a British accent in this book for some reason, discover they must fight a sinister foe...The-Evil-Force-Whose-Nam-C'not-Be-Spoke!!! Your friend, Howie

Bunnacula Deborah Howe,James Howe,1999 This reissue of the classic story featuring the vampire rabbit celebrates the book's 20th anniversary. Includes an essay by co-author James Howe on the origins of Bunnacula. B&W illustrations throughout.

Scared Silly James Howe,2006-08 Harold, Chester, and Howie have a harrowing Halloween night worrying about Bunnacula as well as about a witch who comes into the house.

Horace and Morris But Mostly Dolores James Howe,2013-10-15 Horace, Morris, and Dolores do everything together and know that they will be Friends Forever...until one day, when Horace and Morris become part of an exclusive boys' club and Dolores finds herself left out. Soon, she, too, finds her own club, where no boys are allowed and girls are supposed to have fun doing girl stuff. But after a while, Horace and Morris and Dolores realize they aren't happy at all doing what everyone in their clubs seems to enjoy. They miss each other. Is it too late to be friends again? Join these three charming mouse friends as they learn to do what they like, rather than what others say they should like.

Bunnacula Strikes Again! James Howe,2011-12-20 Let's just say the matter is under control, Chester slyly tells his pals Harold and Howie. But what on earth does he mean? It seems that Bunnacula, the vampire rabbit, is back to his old ways -- or so Chester thinks, having found pale vegetables drained of their juices scattered about the Monroe family kitchen. And now,

once and for all, Chester is determined to save the world from this threat. But why has Bunnacula -- so frisky just a short time ago -- been so listless and tired of late? Is this part of Chester's scheme? Can Harold let Chester get away with hurting an innocent bunny, no matter what his harebrained suspicions are? It is not long before the Monroes notice Bunnacula's condition and rush him to the vet, and then the chase is on, ending up with a dramatic confrontation in a most unusual (and dangerous!) location.

Born Blue Han Nolan, 2001 Janie was four years old when she nearly drowned due to her mother's neglect. Through an unhappy foster home experience, and years of feeling that she is unwanted, she keeps alive her dream of someday being a famous singer.

Dew Drop Dead James Howe, 2012-01-24 Snooping around the mysteriously abandoned Dew Drop Inn, Sebastian Barth and his best friends, David Lepinsky and Corrie Wingate, are startled to come upon what they are certain is a dead body. Sebastian is the first to put into words what they all believe: A murder has been committed. When they return with the police, however, the body is gone! A homeless man sleeping off a drink, is the police chief's explanation. But Sebastian and his friends are not ready to believe that. They are sure the body they saw was dead, not unconscious. As the three undertake their own further investigation, more and more questions arise: Who was the man? Was he alone? And most important of all, is there a connection between the man they saw and one or more of the homeless people Corrie's father, a minister, is trying to help? The answers to the questions do not come until the three have made a number of discoveries, some of them more horrifying than they had expected. *Dew Drop Dead* is the fourth mystery in the Sebastian Barth series. Using rural Connecticut as a background, this tension-filled story is told with a unique blend of humor and seriousness, as it unravels a challenging puzzle and explores a difficult social problem.

There's a Monster Under My Bed James Howe, 2009-07-10 Certain that he no longer needs a night light, a little boy lies awake, terrified about the monsters who lurk under his bed

Return to Howliday Inn James Howe, 2012-01-24 First there is the omen: A relentless rain stops suddenly at 3:00 am and Chester shows Harold and Howie a cat carrier, open and waiting, by the front door. Chester, who has been reading avidly about the paranormal, predicts that they will soon be traveling someplace, and chances are they are not going to like it. Indeed they are not, as the very next day, with the sun shining bright and clear, the Monroes finally leave for their vacation, dropping Chester, Harold, and Howie off at the scene of some previous harrowing experiences -- Chateau Bow-Wow, the boarding kennel that Chester so aptly had dubbed Howliday Inn. And this visit promises to be no less harrowing than the last one. The three are greeted by a whole new group of temporary residents. There's Hamlet, the Great Dane, whose sadness grows deeper with his certainty that his beloved master Archie will never return to pick him up. And Bob and Linda, a pair of yuppie puppies from fashionable Upper Centerville who have been left at Chateau Bow-Wow with a more

than adequate supply of gourmet treats, also seem to have been left with a more than adequate supply of worries. Then there are Felony and Miss Demeanor, sinister sisters in crime who pride themselves as cat burglars, and The Weasel who tries almost too hard to make a good impression. Chester is certain that nothing bodes well and he is right. Unexplained voices, buried bones, a collar with the name Rosebud on it, and a secret code all make for a paranormal experience that none of the guests at Chateau Bow-Wow will ever forget.

Boy Meets Boy David Levithan,2013-08-01 The unforgettable debut novel by co-author with John Green of Will Grayson, Will Grayson

13 James Howe,2006-10-01 If thirteen is supposed to be an unlucky number...you would think a civilized society could come up with a way for us to skip it. -- from What's the Worst That Could Happen? by Bruce Coville No one will want to skip any of the twelve short stories and one poem that make up this collection by some of the most celebrated contemporary writers of teen fiction. The big bar mitzvah that goes suddenly, wildly, hilariously out of control. A first kiss -- and a realization about one's sexual orientation. A crush on a girl that ends up putting the boy who likes her in the hospital. A pair of sneakers a kid has to have. By turns funny and sad, wrenching and poignant, the moments large and small described in these stories capture perfectly the agony and ecstasy of being thirteen.
