New York Public Library. Research Libraries

The Conjugal Dictatorship of Ferdinand and Imelda Marcos Primitivo Mijares, 2016-01-17 Author's Foreword This book is unfinished. The Filipino people shall finish it for me. I wrote this volume very, very slowly. I could have done with it in three months after my defection from the conjugal dictatorship of Ferdinand and Imelda Marcos on February 20, 1975. Instead, I found myself availing of every excuse to slow it down. A close associate, Marcelino P. Sarmiento, even warned me, Baka mapanis 'yan. (Your book could become stale.) While I availed of almost any excuse not to finish the manuscript of this volume, I felt the tangible voices of a muted people back home in the Philippines beckoning to me from across the vast Pacific Ocean. In whichever way I turned, I was confronted by the distraught images of the Filipino multitudes crying out to me to finish this work, lest the frailty of human memory -- or any incident a la Nalundasan - consign to oblivion the matters I had in mind to form the vital parts of this book. It was as if the Filipino multitudes and history itself were surging in an endless wave presenting a compelling demand on me to San Francisco, California perpetuate the personal knowledge I have gained on the infamous machinations of Ferdinand E. Marcos and his overly ambitious wife, Imelda, that led to a day of infamy in my country, that Black Friday on September 22, 1972, when martial law was declared as a means to establish history's first conjugal dictatorship. The sense of urgency in finishing this work was also goaded by the thought that Marcos does not have eternal life and that the Filipino people are of unimaginable forgiving posture. I thought that, if I did not perpetuate this work for posterity, Marcos might unduly benefit from a Laurelian statement that, when a man dies, the virtues of his past are magnified and his faults are reduced to molehills. This is a book for which so much has been offered and done by Marcos and his minions so that it would never see the light of print. Now that it is off the press, I entertain greater fear that so much more will be done to prevent its circulation, not only in the Philippines but also in the United States. But this work now belongs to history. Let it speak for itself in the context of developments within the coming months or years. Although it finds great relevance in the present life of the Filipinos and of Americans interested in the study of subversion of democratic governments by apparently legal means, this work seeks to find its proper niche in history which must inevitably render its judgment on the seizure of government power from the people by a lame duck Philippine President. If I had finished this work immediately after my defection from the totalitarian regime of Ferdinand and Imelda, or after the vicious campaign of the dictatorship to vilify me in July-August, 1975, then I could have done so only in

anger. Anger did influence my production of certain portions of the manuscript. However, as I put the finishing touches to my work, I found myself expurgating it of the personal venom, the virulence and intemperate language of my original draft. Some of the materials that went into this work had been of public knowledge in the Philippines. If I had used them, it was with the intention of utilizing them as links to heretofore unrevealed facets of the various ruses that Marcos employed to establish his dictatorship. Now, I have kept faith with the Filipino people. I have kept my rendezvous with history. I have, with this work, discharged my obligation to myself, my profession of journalism, my family and my country. I had one other compelling reason for coming out with this work at the great risks of being uprooted from my beloved country, of forced separation from my wife and children and losing their affection, and of losing everything I have in my name in the Philippines - or losing life itself. It is that I wanted to make a public expiation for the little influence that I had . . . (more inside)

The Veiled Sceptre Anne Twomey, 2018-04-12 The extension to other Realms of the reserve power to refuse a dissolution

Why We're Polarized Ezra Klein, 2020-01-28 ONE OF BARACK OBAMA'S FAVORITE BOOKS OF 2022 One of Bill Gates's "5 books to read this summer," this New York Times and Wall Street Journal bestseller shows us that America's political system isn't broken. The truth is scarier: it's working exactly as designed. In this "superbly researched" (The Washington Post) and timely book, journalist Ezra Klein reveals how that system is polarizing us—and how we are polarizing it—with disastrous results. "The American political system—which includes everyone from voters to journalists to the president—is full of rational actors making rational decisions given the incentives they face," writes political analyst Ezra Klein. "We are a collection of functional parts whose efforts combine into a dysfunctional whole." "A thoughtful, clear and persuasive analysis" (The New York Times Book Review), *Why We're Polarized* reveals the structural and psychological forces behind America's descent into division and dysfunction. Neither a polemic nor a lament, this book offers a clear framework for understanding everything from Trump's rise to the Democratic Party's leftward shift to the politicization of everyday culture. America is polarized, first and foremost, by identity. Everyone engaged in American politics is engaged, at some level, in identity politics. Over the past fifty years in America, our partisan identities have merged with our racial, religious, geographic, ideological, and cultural identities. These merged identities have attained a weight that is breaking much in our politics and tearing at the bonds that hold this country together. Klein shows how and why American politics polarized around identity in the 20th century, and what that polarization did to the way we see the world and one another. And he traces the feedback loops between polarized political identities and polarized political institutions that are driving our system toward crisis. "Well worth reading" (New York magazine), this is an "eye-opening" (O, The Oprah Magazine) book that will change how you look at politics—and perhaps at yourself.

7 Rules for Positive, Productive Change Esther Derby,2019-08-06 Change is difficult but essential—Esther Derby offers seven guidelines for change by attraction, an approach that draws people into the process so that instead of resisting change, they embrace it. Even if you don't have change management in your job description, your job involves change. Change is a given as modern organizations respond to market and technology advances, make improvements, and evolve practices to meet new challenges. This is not a simple process on any level. Often, there is no indisputable right answer, and responding requires trial and error, learning and unlearning. Whatever you choose to do, it will interact with existing policies and structures in unpredictable ways. And there is, quite simply, a natural human resistance to being told to change. Rather than creating more rigorous preconceived plans or imposing change by decree, agile software developer turned organizational change expert Esther Derby offers change by attraction, an approach that is adaptive and responsive and engages people in learning, evolving, and owning the new way. She presents a set of seven heuristics—guides to problem-solving—that empower people to achieve outcomes within broad constraints using their personal ingenuity and creativity. When you work by attraction, you give space and support for people to feel the loss that comes with change and help them see what is valuable about the future you propose. Resistance fades because people feel there is nothing to push against—only something they want to move toward. Derby's approach clears the fog to provide a new way forward that honors people and creates safety for change.

From War to Genocide André Guichaoua,2015-12 A definitive account and analysis of the evolving genocidal violence in Rwanda in 1994, and of the judicial, political, and diplomatic responses to it.

The Spectator ,1887

Eyewitness to a Genocide Michael Barnett,2012-05-03 Why was the UN a bystander during the Rwandan genocide? Do its sins of omission leave it morally responsible for the hundreds of thousands of dead? Michael Barnett, who worked at the U.S. Mission to the United Nations from 1993 to 1994, covered Rwanda for much of the genocide. Based on his first-hand experiences, archival work, and interviews with many key participants, he reconstructs the history of the UN's involvement in Rwanda. In the weeks leading up to the genocide, the author documents, the UN was increasingly aware or had good reason to suspect that Rwanda was a site of crimes against humanity. Yet it failed to act. Barnett argues that its indifference was driven not by incompetence or cynicism but rather by reasoned choices cradled by moral considerations. Employing a novel approach to ethics in practice and in relationship to international organizations, Barnett offers an unsettling possibility: the UN culture recast the ethical commitments of well-intentioned individuals, arresting any duty to aid at the outset of the

genocide. Barnett argues that the UN bears some moral responsibility for the genocide. Particularly disturbing is his observation that not only did the UN violate its moral responsibilities, but also that many in New York believed that they were doing the right thing as they did so. Barnett addresses the ways in which the Rwandan genocide raises a warning about this age of humanitarianism and concludes by asking whether it is possible to build moral institutions.

The Gangs of New York Herbert Asbury,1928

The World Bank Legal Review, Volume 5 Hassane Cisse,2013-11-26 Today, no one doubts the importance of justice and the rule of law to development. Indeed, it is a topic that excites considerable discussion. But what exactly is the nature of the relationship between justice, the rule of law, and development? And how can such a relationship be harnessed to improve the lives of people around the world, sustainably? Volume 5 of *The World Bank Legal Review* tackles these crucial questions head on. The 32 chapters by distinguished scholars and practitioners offer myriad ideas on the interrelation between development and the rule of law. They also present a plethora of practical lessons about translating insights into real-life outcomes. Foremost among those lessons is that sustainable development both demands and delivers opportunity, inclusion, and equity. Regulatory innovation can help people secure durable economic opportunities. Access to justice can be a pathway for social inclusion and greater citizen engagement. Legal empowerment can promote greater equity in the distribution and enjoyment of public goods. As the international community reshapes its development agenda, this volume of *The World Bank Legal Review* reminds us that justice, when woven into sustainable development objectives and processes, can unlock endless opportunities.

Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries,1979

Red Shambhala Andrei Znamenski,2012-12-19 Many know of Shambhala, the Tibetan Buddhist legendary land of spiritual bliss popularized by the film, *Shangri-La*. But few may know of the role Shambhala played in Russian geopolitics in the early twentieth century. Perhaps the only one on the subject, Andrei Znamenski's book presents a wholly different glimpse of early Soviet history both erudite and fascinating. Using archival sources and memoirs, he explores how spiritual adventurers, revolutionaries, and nationalists West and East exploited Shambhala to promote their fanatical schemes, focusing on the Bolshevik attempt to use Mongol-Tibetan prophecies to railroad Communism into inner Asia. We meet such characters as Gleb Bokii, the Bolshevik secret police commissar who tried to use Buddhist techniques to conjure the ideal human; and Nicholas Roerich, the Russian painter who, driven by his otherworldly Master and blackmailed by the Bolshevik secret police, posed as a reincarnation of the Dalai Lama to unleash religious war in Tibet. We also learn of clandestine activities of the Bolsheviks from the Mongol-Tibetan Section of the Communist International who took over Mongolia and then, dressed as lama pilgrims, tried to set Tibet ablaze; and of their opponent, Ja-Lama, an "avenging lama" fond of spilling blood during his

tantra rituals.

Voting from Abroad Andrew Ellis ,Carlos Navarro ,Isabel Morales ,Maria Gratschew, Nadja Braun,2007-11-14 The constitutions of many countries guarantee the right to vote for all citizens. However, in reality, voters who are outside their home country when elections take place are often disenfranchised because of a lack of procedures enabling them to exercise that right. *Voting from Abroad: The International IDEA Handbook* examines the theoretical and practical issues surrounding external voting. It provides an overview of external voting provisions in 115 countries and territories around the world, including a map illustrating the regional spread.

Nanotechnology and Tissue Engineering Cato T. Laurencin,Lakshmi S. Nair,2008-06-16 Nanofabrication gives us the ability to mimic biological structures with molecular level precision. Offering a natural progression of topics, *Nanotechnology and Tissue Engineering: The Scaffold* provides a state-of-the-art account of groundbreaking research in this rapidly emerging area of biomedical engineering. Emphasizing the importance of scaffolds

Permanently Online, Permanently Connected Peter Vorderer,Dorothee Hefner,Leonard Reinecke,Christoph Klimmt,2017-07-28 *Permanently Online, Permanently Connected* establishes the conceptual grounds needed for a solid understanding of the permanently online/permanently connected phenomenon, its causes and consequences, and its applied implications. Due to the diffusion of mobile devices, the ways people communicate and interact with each other and use electronic media have changed substantially within a short period of time. This megatrend comes with fundamental challenges to communication, both theoretical and empirical. The book offers a compendium of perspectives and theoretical approaches from leading thinkers in the field to empower communication scholars to develop this research systematically, exhaustively, and quickly. It is essential reading for media and communication scholars and students studying new media, media effects, and communication theory.

Judaism Eternal Samson Raphael Hirsch,1967

Tabletop Wargames: A Designers' and Writers' Handbook Rick Priestley,John Lamshead,2016-11-30 Unlike chess or backgammon, tabletop wargames have no single, accepted set of rules. Most wargamers at some point have had a go at writing their own rules and virtually all have modified commercially available sets to better suit their idea of the ideal game or to adapt favourite rules to a different historical period or setting. But many who try soon find that writing a coherent set of rules is harder than they thought, while tweaking one part of an existing set can often have unforeseen consequences for the game as a whole. Now, at last, help is at hand. Veteran gamer and rules writer John Lamshead has teamed up with the legendary Rick Priestley, creator of Games Workshop's phenomenally successful Warhammer system, to create this essential guide for any would-be wargame designer or tinkerer. Rick and John give excellent advice on deciding what you want from a wargame and balancing 'realism' (be it in a historical or a fantasy/sci-fi context) with playability. They discuss the relative

merits of various mechanisms (cards, dice, tables) then discuss how to select and combine these to handle the various essential game elements of turn sequences, combat resolution, morale etc to create a rewarding and playable game that suits your tastes and requirements

Code of Good Practice in Electoral Matters European Commission for Democracy through Law, Council of Europe, 2003-01-01 This publication contains a set of guidelines for good practice in the conduct of elections, based on Europe's electoral heritage, as well as an explanatory report which explains the key principles on which they are based. The guidelines and report were adopted in 2002 by the Council for Democratic Elections and by the European Commission for Democracy through Law (also known as the Venice Commission); and approved in 2003 by the Parliamentary Assembly of the Council of Europe and by the Congress of Local and Regional Authorities in Europe.

My Mister President The Secret Mmp Vol 1 Introduction

In today's digital age, the availability of My Mister President The Secret Mmp Vol 1 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of My Mister President The Secret Mmp Vol 1 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of My Mister President The Secret Mmp Vol 1 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing My Mister President The Secret Mmp Vol 1 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, My Mister President The Secret Mmp Vol 1 books and manuals for

download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing My Mister President The Secret Mmp Vol 1 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for My Mister President The Secret Mmp Vol 1 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital

copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, My Mister President The Secret Mmp Vol 1 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of My Mister President The Secret Mmp Vol 1 books and manuals for download and embark on your journey of knowledge?

FAQs About My Mister President The Secret Mmp Vol 1 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. My Mister President The Secret Mmp Vol 1 is one of the best book in our library for free trial. We provide copy of My Mister President The Secret Mmp Vol 1 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with My Mister President The Secret Mmp Vol 1. Where to download My Mister President The Secret Mmp Vol 1 online for free? Are you looking for My Mister President The Secret Mmp Vol 1 PDF? This is definitely going to save you time and cash in something you

should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another My Mister President The Secret Mmp Vol 1. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of My Mister President The Secret Mmp Vol 1 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with My Mister President The Secret Mmp Vol 1. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with My Mister President The Secret Mmp Vol 1 To get started finding My Mister President The Secret Mmp Vol 1, you are right to find our website which

has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with My Mister President The Secret Mmp Vol 1 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading My Mister President The Secret Mmp Vol 1. Maybe you have knowledge that, people have search numerous times for their favorite readings like this My Mister President The Secret Mmp Vol 1, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. My Mister President The Secret Mmp Vol 1 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, My Mister President The Secret Mmp Vol 1 is universally compatible with any devices to read.
