Middle English Marian Lyrics Karen Saupe,1999-01-01 Through its contextualizing introduction, notes, and gloss, this classroom-friendly edition of Middle English lyric poetry makes the wide variety of Marian poems available to students of all levels. The poems selected for this volume provide a sampling of the rich tradition of Marian devotion as expressed in Middle English. They range widely in form, tone, and aesthetic quality in how they relate the iconic moments from Mary's life-the Annunciation, Nativity, and her experience of Christ's passion, for instance-as well as in their variety of praises for the Queen of Heaven. Taken together, the poems express the full range of a people's effort to voice anxieties and joys through Mary. This collection will spark an excellent discussion on English spirituality, Marian devotion, and Middle English lyrical poetry.

The Middle English Lyric and Short Poem Rosemary Greentree,2001 This Bibliography assembles annotation of collections and criticism of lyrics of religious and secular love, carols and songs, and rhymes of everyday life.

The Translation of Religious Texts in the Middle Ages Domenico Pezzini,2008 The transition from Latin to vernacular languages in the late Middle Ages and the dramatic rise of a new readership produced a huge bulk of translations, particularly of religious literature in its various genres. The solutions are so multifarious that they defy any attempt to outline general theories. This is particularly visible when the same text is translated or rewritten at different times and in different languages or genres. Through a minute analysis of texts this book aims at highlighting lexical, syntactic and stylistic choices dictated not only by the source but also by new readers and patrons, or by new destinations of the works. Established categories such as 'literalness' and 'fidelity' are thus questioned and integrated with these other factors which, while being more 'external', do nonetheless impinge on the very idea of 'translation', and consequently on its assessment. Far from being a mere transfer from one language to another, a medieval translation verges on a form of creative writing, and as such its study becomes a fascinating investigation into the very process of textual production.

Memory and the English Reformation Alexandra Walsham, Bronwyn Wallace, Ceri Law, Brian Cummings, 2020-11-12 Recasts the Reformation as a battleground over memory, in which new identities were formed through acts of commemoration, invention and repression.

A Companion to the Middle English Lyric Thomas Gibson Duncan, 2005 Aims to provide both background information on and assessments of the lyric. This work includes features of formal and thematic importance: they are rhyme scheme, stanzaic form, the carol genre, love poetry in the manner of the troubadour poets, and devotional poems focusing on the love, and suffering and compassion of Christ and the Virgin Mary.

The glories of Mary Alfonso Maria de' Saint Liguori, 2025-03-02 In *The Glories of Mary*, Alfonso Maria de' Saint Liguori presents a profound exploration of Marian devotion, intertwining theological reflection with a rich tapestry of prayer and meditation. Written in an accessible yet eloquent style, the book stands as a monumental work of Catholic spirituality, infused with a baroque sensibility that echoes the artistic trends of the 18th century. This devotional classic delves into the virtues and intercessory power of the Virgin Mary, offering the faithful a deepened understanding of her role in salvation history, and invites readers into an intimate relationship with the divine through Marian devotion. Alfonso Maria de' Saint Liguori, a prominent figure in the development of Catholic moral theology, was deeply influenced by both the Counter-Reformation and the burgeoning Baroque spirituality of his time. As a bishop and a founder of the Redemptorist

Congregation, Liguori's approach to spirituality emphasizes engagement with ordinary life and the search for holiness, stemming from his pastoral experiences and passionate advocacy for the marginalized. His background in law and theology enriches this work, allowing him to elegantly blend intellectual rigor with heartfelt piety. This work is highly recommended for anyone seeking to deepen their understanding of Marian devotion or to enhance their spiritual practice. Liguori's engaging prose and profound insights make this book a vital resource for both personal reflection and communal worship, serving as a guiding light for the faithful on their spiritual journey.

Reading in the Wilderness Jessica Brantley,2008-09-15 Just as twenty-first-century technologies like blogs and wikis have transformed the once private act of reading into a public enterprise, devotional reading experiences in the Middle Ages were dependent upon an oscillation between the solitary and the communal. In *Reading in the Wilderness*, Jessica Brantley uses tools from both literary criticism and art history to illuminate Additional MS 37049, an illustrated Carthusian miscellany housed in the British Library. This revealing artifact, Brantley argues, closes the gap between group spectatorship and private study in late medieval England. Drawing on the work of W. J. T. Mitchell, Michael Camille, and others working at the image-text crossroads, *Reading in the Wilderness* addresses the manuscript's texts and illustrations to examine connections between reading and performance within the solitary monk's cell and also outside. Brantley reimagines the medieval codex as a site where the meanings of images and words are performed, both publicly and privately, in the act of reading.

Conversations with Dana Gioia John Zheng,2020-12-28 *Conversations with Dana Gioia* is the first collection of interviews with the internationally known poet and public intellectual, covering every stage of his busy, polymathic career. Dana Gioia (b. 1950) has made many contributions to contemporary American literature and culture, including but not limited to crafting a personal poetic style suited to the age; leading the revival of rhyme, meter, and narrative through New Formalism; walloping the "intellectual ghetto" of American poetry through his epochal article "Can Poetry Matter?"; helping American poetry move forward by organizing influential conferences; providing public service and initiating nationwide arts projects such as Poetry Out Loud through his leadership of the National Endowment for the Arts; and editing twenty best-selling literary anthologies widely used in American classrooms. Taken together, the twenty-two collected interviews increase

our understanding of Gioia's poetry and poetics, offer aesthetic pleasure in themselves, and provide a personal encounter with a writer who has made poetry matter. The book presents the actual voice of Dana Gioia, who speaks of his personal and creative life and articulates his unique vision of American culture and poetry.

Gregorian Chant for Church and School Mary Antonine Goodchild, 2013-10 This is a new release of the original 1944 edition.

Themes and Images in the Medieval English Religious Lyric Douglas Gray, 2019-07-05 Originally published in 1972, *Themes and Images in the Medieval English Religious Lyric* discusses themes and images in religious lyric poetry in Medieval English poetry. The book looks at the affect that tradition and convention had on the religious poetry of the medieval period. It examines the background of the lyrics, including the Latin tradition which was inherited by medieval vernacular and shows how religious lyric poetry presents, through a rich variety of images, the significant incidents in the scheme of Christ's redemption, such as the Annunciation, the Nativity, the Passion and the Resurrection. It also considers the lyrics which were designed to assist humanity in the task of living in a Christian life, as well as those which prepared them for death.
