Snow Place Like Home Lacey Baker, 2023-10-10 From the author of *Christmas in Evergreen: The Bells Are Ringing* (adapted from the Hallmark Countdown to Christmas original movie) comes another heartwarming, small-town romance where two childhood sweethearts find their way back to each other while planning the town's Christmas tree auction. On a rare trip home for the holidays, Ella may have finally uncovered the secret to a joy-filled future by getting lost in her past. Ella Wilson has avoided home and the holidays for nearly a decade. For her, the season is plagued by a jinx that's brought nothing but painful memories: her mother's death nearly two decades ago, her fiancé's abandonment last year, and now the loss of her job as an art curator. But without work to occupy her, home is exactly where Ella has ended up. And somehow, she's also been roped into planning the town's Christmas tree auction--side by side with her first love. Seth Hamil knows that home is where the heart is, and for him, it's always been the sleepy community of Bellepoint, Pennsylvania . . . and for a while in high school that included Ella Wilson. Since then, he's been married and widowed and has spent the year throwing himself into his career as a music teacher and trying to keep his wife's memory alive, starting with the church fundraiser she launched to support local kids. So, despite their history, Seth isn't about to let his wife's vision for the event be easily dismissed by Ella's temporary presence and big-city ideas. To find a way to work together, the two strike a deal: Ella can incorporate her splashy ideas into the auction if she will allow Seth to show her why Christmas is about more than decorations. Soon both begin to wonder whether fate has brought them together for a fresh start--and if Christmas wishes really can come true. The book includes a set of discussion questions, perfect for book clubs or personal reflection. This uplifting tale of love rediscovered, interwoven with the joy of the holiday season, is the perfect fireside read this Christmas.

Sanguine Sierra Simone, 2021-05-18 Bastien is a vampire on vacation, and like any other vampire on vacation, all he wants to do is sleep all day and drink lots of wine. (And maybe some blood too. You know. If the opportunity arises.) Which makes it very irritating when a vampire-hunting priest wakes him up at a super bright and sunny hour to kill him. But it turns out that this vampire hunter happens to be very handsome. And Bastien happens to be so very thirsty... This edition includes a sneak peek of the upcoming novel *Saint*, coming everywhere this fall! *Sanguine* was originally published in the *Australia* anthology in 2020.

Sherwood Sierra Simone, Robin Loxley came back to *Sherwood* on a Thursday—the same Thursday that I knelt on a

polished concrete floor and kissed the hand-stitched toebox of Rafe de Lacy's shoe. I suppose it wouldn't have made a difference if I'd known she was back. It had been five years, after all, and she'd been the one to leave Sherwood in the first place. And I was many, many things—young, submissive, obsessive—but the one thing I'd never been, not even as a smitten teenage girl, was foolish. And I had no interest in chasing heartbreak with humiliation. No thief is good enough to steal the same heart twice. ...right?

American King Sierra Simone,2017-10-31 They say that every tragic hero has a fatal flaw, a secret sin, a tiny stitch sewn into his future since birth. And here I am. My sins are no longer secret. My flaws have never been more fatal. And I've never been closer to tragedy than I am now. I am a man who loves, a man whose love demands much in return. I am a king, a king who was foolish enough to build a kingdom on the bones of the past. I am a husband and a lover and a soldier and a father and a president. And I will survive this. Long live the king.

The Conquering of Tate the Pious Sierra Simone,2024-01-23 England is burning with Norman fires, and Tate—the youngest ever abbess of Far Hope Abbey—is determined to guard the abbey's ancient secrets with her very life. Her life may be what it takes, however, for a Norman warlord known only as The Wolf is pillaging his way right to the abbey's doors. But when The Wolf arrives, Tate finds not the brutal man she was expecting, but instead a cruel and beautiful woman who leads her men with a ferocity to rival that of her Viking ancestors. And after she sets eyes on Tate, it becomes clear that gold and silver aren't the only things The Wolf wants to carry off into the night...

Saint Sierra Simone,2021-09-07 I can't have Elijah Iverson. I can't have him because he's my older brother's best friend. I can't have him because I broke his heart five years ago; because he's now engaged to someone else—someone kind and dependable who deserves his whiskey eyes, his soft mouth, his fierce intellect. I can't have Elijah because I've chosen God instead. The Bell brothers, though . . . well, we don't exactly have the greatest track record with vows. But I'm determined to do this monk thing right—to pledge myself to a cloistered life and spend the rest of my years in chastity and prayer. But now Elijah's here. He's here and he's coming with me on my European monastery road trip, and between the whispered confessions and the stolen kisses and the moments bent over an ancient altar, my vows are feeling flimsier by the day. And vows or not, I know in my heart that it would take more than a good and holy monk to resist Elijah Iverson right now. It would take a saint. And we all know that I'm no saint. (This is the third full-length standalone in the Priest Collection, featuring Father Bell's brother, Aiden Bell. You do not have to read Priest or Sinner to read Saint.)

The Awakening of Ivy Leavold Sierra Simone,2015-01-12 Yorkshire, 1879 I am alone. When Ivy Leavold is left destitute by her brother's death, she is taken in by her cousin's brooding, tortured widower-Julian Markham. Handsome and possessive, it's not long before Ivy falls for him. But Mr. Markham has dark secrets, secrets that may put Ivy in danger... I am afraid. As Ivy unravels the mystery surrounding her cousin's death, she falls deeper and deeper in love with Julian, who opens her body

and her mind to his indomitable will. But even as he draws pleasure and desire from her night after night, Ivy can't shake the feeling that their passionate affair may end in violence... And I am completely his. The first book in the Markham Hall series.

Toasted Snow John P Boswell,2010-05-14 According to Orhan Pamuk there is a saying in Turkey that the child who cannot stop crying needs some toasted snow to soothe their distress. This is one of a number of proverbs across cultures that recognise our need, our desire and our ongoing search for that which is well nigh impossible to achieve. This book follows a number of different protagonists who knowingly, or not, are engaged on such journeys and how they connect, disconnect and re-connect, or not, as they stumble to or from the explosive beginning in a Paris restaurant in the 1980s. The main story concerns the journeys of Tantan and Noizzie as they explore whether they are right for each other, as well as the friendships of Jay, Bo, Bruce and Jean from their different worlds of music, travel and art. Their lives are partly intertwined with that of two academics Marie Therese and Angeliqne, as well as the typically Parisians Emilie and her mother Cecille. Tantan's father, Daniel, appears to be invisible to all but it is he who is instrumental to the unfolding drama - drawn, as is Pierre, one of Tantan's fellow waiters in a Paris caf, to Draa, a dry river bed of a man, who has escaped to France. The experience of the characters in trying to comprehend what is important in learning how to live, to love, to understand and to die combines with the instances when inconsequential happenings change destinies. The Marais, the oldest part of Paris, with its potent mix of immigrant cultures over the centuries, features strongly and hidden gems, in and under its streets are exposed in the book.

Cards of Love: The Moon Sierra Simone,2018-10-05 She's angry that I left. I'm angry that I died. It's the trouble with our two lives: we don't only have one past to work through, but two. Double the pain, twice the betrayal. A million times the tragedy. ***The Moon is the story of Merlin and Nimue from the New Camelot trilogy. It's recommended that you read the trilogy first, as there are American King spoilers in The Moon.***

A Lesson in Thorns Sierra Simone,2019-03-21 When librarian Poe Markham takes the job at Thornchapel, she only wants two things: to stay away from Thornchapel's tortured owner, Auden Guest, and to find out what happened to her mother twelve years ago. It should be easy enough—keep her head down while she works in the house's crumbling private library and while she hunts down any information as to why this remote manor tucked into the fog-shrouded moors would be the last place her mother was seen alive. But Thornchapel has other plans for her... As Poe begins uncovering the house's secrets, both new and old, she's also pulled into the seductive, elegant world of Auden and his friends—and drawn to Auden's worst enemy, the beautiful and brooding St. Sebastian. And as Thornchapel slowly tightens its coil of truths and lies around them, Poe, Auden and St. Sebastian start unravelling into filthy, holy pleasure and pain. Together, they awaken a fate that will either anoint them or leave them in ashes... From the author of the USA Today bestselling New Camelot series comes an original fairy tale full of ancient mysteries, lantern-lit rituals, jealousy, money, murder, sacred torment, and obsessions that last for lifetimes... ***A Lesson in Thorns is the first of four books in the Thornchapel series.*** Content warnings can be

American Squire Sierra Simone, 2019-08-24 Former presidential aide Ryan Belvedere has been drifting in a fog of misery ever since his president was killed, but he reluctantly agrees to do a favor for a friend—fetching a rare book from a crumbling manor house in England. There he meets Sidney Blount—cold, sophisticated, Dominant—who’s at the same house to appraise the family art. It doesn’t take Sidney long to appraise Ryan too, and decide exactly what Ryan needs. Which just so happens to be the one thing Sidney wants to give...

Salt in the Wound Sierra Simone, 2023-08-08 The first time I meet the devil, he knows my name. The second time I meet him, the truth becomes clear: Mark Trevena is to be my husband. No matter that we don't know each other. No matter that he's older than me; shameless and sinful; the owner of a secret club where the powerful come to play. My father has spoken, and I'll be the devil's bride the minute I graduate from college. Except my future husband has one condition for this arranged marriage: we have to pretend it's real. He'll teach me, he says. How to pretend to be his in pain and pleasure both. How to pretend to arch and writhe under his touch. But his lessons are teaching me something else entirely... ..that Mark Trevena wants me in a way that's not pretend at all. And no matter how I might fight it, the devil will have his due.

Door of Bruises Sierra Simone, 2020-11-30 Twelve years ago, our fates were sealed with a kiss. We are all, for better or worse, doomed to love each other until death do us part. My heart belongs to Proserpina and St. Sebastian—even if he no longer wants it. Even if she has left it behind to follow him. Delphine’s fled back home, and Becket’s holy calling is in peril. And now only Rebecca and I remain at Thornchapel to face the unknown. The door is open. The door that shouldn’t exist; the door that people have died to close. I don’t feel like the lord of the manor. I don’t feel like a king or a wild god. I am a friend and a boyfriend and a brother—and a failure at being all of these things. But the door doesn’t care about my guilt. It only cares about the sacrifice I’ll make to close it. As the bruising dark of Samhain approaches, so does the fate of our circle, of Thornchapel and the village and the valley beyond it. And I must don the crown, because one thing is still true, even if I must face it alone. Here at Thornchapel, the kings must go to the door. Here at Thornchapel, all kings must die. Door of Bruises is Book Four of the Thornchapel series. Content warnings can be found at thesierrasimone.com/contentnotes

A Few Acres of Snow Paul Simpson-Housley, Glen Norcliffe, 1992-09-01 In 1759, Voltaire in *Candide* referred to Canada as *quelques arpents de neige*. For several centuries, the image prevailed and was the one most frequently used by poets, writers, and illustrators. Canada was perceived and portrayed as a cold, hard, and unforgiving land. This was not a land for the fainthearted. Canada has yielded its wealth only reluctantly, while periodically threatening life itself with its displays of fury. Discovering its beauty and hidden resources requires patience and perseverance. *A Few Acres of Snow* is a collection of twenty-two essays that explore, from the geographer's perspective, how poets, artists, and writers have addressed the physical essence of Canada, both landscape and cityscape. Sense of place is clearly critical in the works examined in this volume. Included among the book's many subjects are Hugh MacLennan, Gabrielle Roy, Lucius O'Brien, the art of the Inuit, Lawren Harris, Malcolm Lowry, C.W. Jefferys, L.M. Montgomery, Elizabeth Bishop, Marmaduke Matthews, Antonine Maillet, and the poetry of Japanese Canadians.

Honey Cut Sierra Simone, 2024-06-18 I have one job in this arranged marriage, and that's to seduce my husband. It should be easy; I'm the heiress to a transatlantic fortune, bred and raised to make a good match. I've spent a lifetime building up my endurance, my discipline, my dedication to my god and my church. The danger lies in falling for the devil who put his ring on my finger—a mistake I made years ago, and can't afford to make again. There is one more danger: handsome and green-eyed, emotionally wounded. Tristan Thomas, former soldier and my new husband's bodyguard. A hero who stole my heart with salt-soaked kisses on the sea. But Lyonesse is not like other places, and this isn't like other marriages. Soon Tristan, Mark, and I are tangled in a knot of vicious jealousy and gorgeous wickedness, where suspicion is an aphrodisiac and secrets and vows are one and the same. And there is something far darker at play than my real purpose, than the machinations of the Church I serve. Darker even than the twisted longings of my own heart. Because my husband has secrets

of his own, and the reason he'll stop at nothing to possess me could slice my soul deeper than the honeysuckle-hilted knife he gave me once upon a time. Because when it comes to Mark Trevena and his games, the first cut is more than the deepest—it's the sweetest. And he always leaves you begging for more... Honey Cut is the second book in the Lyonesse Trilogy.

American Prince Sierra Simone,2017-03-07 As a young soldier, Vice President Embry Moore learned the bittersweet truth about loving a hero: it can never last. Having made sacrifice after silent sacrifice to protect the best man he's ever known, he's only just now found his way back into Ash's arms--and into the heart of Ash's wife, Greer. But when Greer is taken from Ash and Embry's bed, it sets in motion a series of painful revelations that threaten to turn their years of tortured love against them... From the USA Today bestselling author of American Queen comes the second installment in the New Camelot trilogy, a contemporary fairy tale of power, pain, and an all-consuming love that won't be denied.

Dragons in the Snow Ed Power,2020-08-12 Edward Power sets the reader down in the midst of a February 2017 blizzard that raked Utah's Uinta Range as nine snowboarders made their way into the backcountry for a day of intense adventure. As the boarders were taking their first turns, expert avalanche forecaster Craig Gordon was tracking the storm and its impact, posting one of the most dire avalanche forecasts and warnings in his career. In *Dragons in the Snow*, Power delves into the research and science behind avalanche forecasting and rescue, weaving in the art of backcountry skiing as well as dramatic tales of avalanche accidents, rescues, and recoveries. And he paints compelling portraits of the men and women who have made the study of avalanches their life's work. The tales told by these avalanche forecasters, as well as the stories of the backcountry riders who may wake the dragon make for not just a compelling read, but also a powerful tool for raising avalanche awareness in everyone who plays in the winter backcountry.
