Stuart Gibbs

Spy School Goes South Stuart Gibbs,2019-09-03 Thirteen-year-old spy in training Ben Ripley is sent to Mexico to try to thwart the evil organization, SPYDER--the CIA's main enemy.

Spy School Stuart Gibbs,2013-03-07 Like many kids, Ben Ripley imagines life as a secret agent would be pretty amazing - so when he learns he's been recruited to the CIA's top secret Academy of Espionage, it sounds too good to be true. And it is. From the moment he arrives - and ends up in the middle of an enemy attack - Ben finds Spy School is going to be far more difficult, dastardly and dangerous than he expected. Even worse, he soon discovers that he hasn't been recruited to become a top agent; instead, he's been brought in as bait to catch a devious double agent. Now Ben needs a crash course in espionage so that he can catch the mole, prove his worth - and get the girl. It won't be easy, but it'll be a very fun - and very funny - ride.

Spy School British Invasion Stuart Gibbs,2020-05-05 Follows the spies-in-training on a hunt to find the leader of the evil organization SPYDER and take them down once and for all--

Spy Camp Stuart Gibbs,2014-04-08 As 13-year-old Ben, a student at the CIA's academy for future intelligence agents, prepares to go to spy summer camp, he receives a death threat from the evil organization SPYDER, in this companion novel to Spy School.

Spy Ski School Stuart Gibbs,2017-10-10 Ben Ripley enrolls in ski school, where the slopes, and the stakes, get really steep in this bestselling follow-up to the Edgar Award-nominated Spy School, Spy Camp, and Evil Spy School. Thirteen-year-old Ben Ripley is not exactly the best student spy school has ever seen--he keeps flunking Advanced Self Preservation. But outside of class, Ben is pretty great at staying alive. His enemies have kidnapped him, shot at him, locked him in a room with a ticking time bomb, and even tried to blow him up with missiles. And he's survived every time. After all that unexpected success, the CIA has decided to activate Ben for real. The Mission: Become friends with Jessica Shang, the daughter of a suspected Chinese crime boss, and find out all of her father's secrets. Jessica wants to go to ski school in the Rocky Mountains, so a select few spy school students are going skiing too--under cover, of course. Ben might not be able to handle a weapon (or a pair of skis), but he can make friends easy peasy. That is, until his best friend from home drops in on the trip and jeopardizes the entire mission...

Spy School at Sea Stuart Gibbs,2022-09-06 In the ninth addition to the New York Times bestselling Spy School series, Ben Ripley faces his nemesis, Murray Hill, on the high seas. Thanks to the evidence Ben uncovered in his investigation of the Croatoan, the CIA has tracked his nemesis, Murray Hill, to Central America, where they believe he is boarding the world's biggest cruise ship, The Emperor of the Seas, on its maiden voyage around the world. His mission: Pose as part of a family, with Alexander and Catherine Hale as his parents, Erica as his sister, and his best friend Mike as his brother, to find out what Murray is plotting. At first, it sounds exciting to have a mission on the most glamorous ocean liner on earth, but as usual, nothing goes according to plan. There is action, danger, and plenty of surprises as Ben and his team quickly find themselves in hot water.

Evil Spy School Stuart Gibbs,2015-04-21 In the third book in the New York Times bestselling Spy School series, Ben gets kicked out of the CIA's spy school and enrolls with the enemy. During a spy school game of Capture the Flag, twelve-year-old Ben Ripley accidentally shoots a live mortar into the principal's office—and immediately gets himself expelled. Not long after going back to the boring real world, Ben gets an offer to join evil crime organization SPYDER. And he accepts. Ben can tell he's a key part of their sinister plan, but he's not quite sure what the plan is. Can Ben figure out what SPYDER is up to—and get word to the good guys without getting caught—before it's too late?

Spy School Secret Service Stuart Gibbs,2018-10-02 Ben goes undercover in the White House to take on a SPYDER operative determined to assassinate the president in this latest addition to the New York Times bestselling Spy School series. Thirteen-year-old Ben Ripley has had a lot of field success despite only just beginning his second year at Spy School, something even graduates rarely experience. But he'd never have survived without the help from experienced agents and his friends. Now he's been called in on a solo mission--and the fate of the United States of America is on his shoulders alone. The Mission: Prevent a presidential assassination by infiltrating the White House, and locating the enemy operative. But when the president's son is as helpful as a hamster, and a trained SPYDER agent would never appear to be up to something (they're far too clever for that), Ben may be in over his head this time. And when everything goes wrong, Ben must rely on his Spy School friends to save his reputation...but even friends can double-cross or be swayed to the enemy's side.

Spy School Revolution Stuart Gibbs,2021-08-31 With SPYDER defeated, Ben Ripley is looking forward to his life getting back to normal, or as normal as possible when you're a superspy in training. For once, everything seems to be right in Ben's world...until someone bombs the CIA conference room next door. To Ben's astonishment, the attacker is none other than Erica Hale, the spy-in-training he respects more than any other. Ben refuses to believe Erica is working for the enemy...even if the rest of the CIA does. His mission: prove Erica is not a double agent working against the US, locate the fabled colonial-era insurgent group that's blackmailing her, figure out what their devious plot is, and thwart it. But this time, Ben finds himself up against opponents he has never encountered before: his own friends. They're not as ready to trust in Erica as he

is, and Ben is forced to rely on his own wits and skills more than ever before. How can he succeed when he doesn't even know who he can trust?--

When someone takes aim at Rhonda Rhino, FunJungle's pregnant (and endangered) Asian greater one-horned rhinoceros, the zoo steps up security measures in order to protect this rare animal and her baby. But the extra security isn't enough—someone is still getting too close for comfort. Teddy and company start to suspect that whoever is after Rhonda is really after her horn, which is worth a lot of money on the black market. For the first time ever, the head of the zoo enlists Teddy for help—for once, he doesn't have to sneak around in order to investigate—and the results are even more wacky, and even more dangerous, than ever before.
