

# Birth Mothers In The Giver

## Carissa Bonham

**The Giver** Lois Lowry, 2014 *The Giver*, the 1994 Newbery Medal winner, has become one of the most influential novels of our time. The haunting story centers on twelve-year-old Jonas, who lives in a seemingly ideal, if colorless, world of conformity and contentment. Not until he is given his life assignment as the Receiver of Memory does he begin to understand the dark, complex secrets behind his fragile community. This movie tie-in edition features cover art from the movie and exclusive Q&A with members of the cast, including Taylor Swift, Brenton Thwaites and Cameron Monaghan.

*The Giver Quartet* Lois Lowry, 2012 Unlike the other Birthmothers in her utopian community, teenaged Claire forms an attachment to her baby and sets out to find him when he is removed from the community.

*Affirming the Birth Mother's Journey* Carmen Wittmeier, 2006-02 Counselors working with women facing crisis pregnancies have an opportunity to present a positive alternative - open adoption. This book enables CPC counselors to support women throughout the entire adoption process.

*Birth Mothers and Transnational Adoption Practice in South Korea* Hosu Kim, 2016-10-26 This book illuminates the hidden history of South Korean birth mothers involved in the 60-year-long practice of transnational adoption. The author presents a performance-based ethnography of maternity homes, a television search show, an internet forum, and an oral history collection to develop the concept of virtual mothering, a theoretical framework in which the birth mothers' experiences of separating from, and then reconnecting with, the child, as well as their painful, ambivalent narratives of adoption losses, are rendered, felt and registered. In this, the author refuses a universal notion of motherhood. Her critique of transnational adoption and its relentless effects on birth mothers' lives points to the everyday, normalized, gendered violence against working-class, poor, single mothers in South Korea's modern nation-state development and illuminates the biopolitical functions of transnational adoption in managing an excess population. Simultaneously, her creative analysis reveals a counter-public, and counter-history, proposing the collective grievances of birth mothers.

*Birthing a Mother* Elly Teman, 2010-03-04 *Birthing a Mother* is the first ethnography to probe the intimate experience of gestational surrogate motherhood. In this beautifully written and insightful book, Elly Teman shows how surrogates and intended mothers carefully negotiate their cooperative endeavor. Drawing on anthropological fieldwork among Jewish Israeli women, interspersed with cross-cultural perspectives of surrogacy in the global context, Teman traces the processes by

which surrogates relinquish any maternal claim to the baby even as intended mothers accomplish a complicated transition to motherhood. Teman's groundbreaking analysis reveals that as surrogates psychologically and emotionally disengage from the fetus they carry, they develop a profound and lasting bond with the intended mother.

*CliffsNotes on Lowry's The Giver* Suzanne Pavlos,2007-08-20 The original CliffsNotes study guides offer a look into key elements and ideas within classic works of literature. CliffsNotes on *The Giver* explores a world in which disease, hunger, poverty, war, and lasting pain simply don't exist. The members of this utopia have given up all human emotions and memories to live in a state of Sameness. Following the story of a 12-year-old boy who recognizes the hypocrisy of his community's "social order" - and who crafts a way to free everyone from the bane of Sameness, this study guide provides summaries and critical commentaries for each chapter within the novel. Other features that help you figure out this important work include Personal background on the author, Lois Lowry Introduction to and synopsis of the book Character descriptions Critical essays on the author's themes, style, language, and more Review section that features interactive questions and suggested essay topics Selected bibliography and list of critical works Classic literature or modern-day treasure — you'll understand it all with expert information and insight from CliffsNotes study guides.

*Gathering Blue (The Giver Quartet)* Lois Lowry,2014-07-31 The fascinating sequel to *THE GIVER* which inspired the dystopian genre and is soon to be a major motion picture starring Jeff Bridges, Katie Holmes and Taylor Swift.

**THE GIVER NARAYAN CHANGDER,2023-11-29 THE GIVER MCQ (MULTIPLE CHOICE QUESTIONS) SERVES AS A VALUABLE RESOURCE FOR INDIVIDUALS AIMING TO DEEPEN THEIR UNDERSTANDING OF VARIOUS COMPETITIVE EXAMS, CLASS TESTS, QUIZ COMPETITIONS, AND SIMILAR ASSESSMENTS. WITH ITS EXTENSIVE COLLECTION OF MCQS, THIS BOOK EMPOWERS YOU TO ASSESS YOUR GRASP OF THE SUBJECT MATTER AND YOUR PROFICIENCY LEVEL. BY ENGAGING WITH THESE MULTIPLE-CHOICE QUESTIONS, YOU CAN IMPROVE YOUR KNOWLEDGE OF THE SUBJECT, IDENTIFY AREAS FOR IMPROVEMENT, AND LAY A SOLID FOUNDATION. DIVE INTO THE GIVER MCQ TO EXPAND YOUR THE GIVER KNOWLEDGE AND EXCEL IN QUIZ COMPETITIONS, ACADEMIC STUDIES, OR PROFESSIONAL ENDEAVORS. THE ANSWERS TO THE QUESTIONS ARE PROVIDED AT THE END OF EACH PAGE, MAKING IT EASY FOR PARTICIPANTS TO VERIFY THEIR ANSWERS AND PREPARE EFFECTIVELY.**

*The Giver (Study Guide)* BookCaps Study Guides Staff,2012 The perfect companion to Lois Lowry's *The Giver*, this study guide contains a chapter by chapter analysis of the book, a summary of the plot, and a guide to major characters and themes. BookCap Study Guides do not contain text from the actual book, and are not meant to be purchased as alternatives to reading the book. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.

The Giver Lois Lowry,2011 At the age of twelve, Jonas, a young boy from a seemingly utopian, futuristic world, is singled out to receive special training from The Giver, who alone holds the memories of the true joys and pain of life.

**Messenger (The Giver Quartet)** Lois Lowry,2014-07-31 The fascinating third companion novel to THE GIVER which inspired the dystopian genre and is soon to be a major motion picture starring Jeff Bridges, Katie Holmes and Taylor Swift.

**Captivating** John Eldredge,Stasi Eldredge,2022-08-16 What Wild at Heart did for men, Captivating is doing for women. Setting their hearts free. This groundbreaking book shows readers the glorious design of women before the fall, describes how the feminine heart can be restored, and casts a vision for the power, freedom, and beauty of a woman released to be all she was meant to be.

Transformative Motherhood Linda Layne,1999-08 Our consumer culture sets exacting standards and norms for what constitutes an ideal child. The tough realities of life often create children and child-bearing and rearing circumstances that are outside the ideal. How do women whose experiences don't match the norm cope and adapt? How do they make sense of it to themselves and to the world? In a rich series of ethnographic case studies, Transformative Motherhood intimately conveys the experiences of women in the United States who, in each case, have reproductive encounters that do not match up to these cultural standards. From women who choose to become surrogate, foster, or adoptive mothers, to others who give birth to children with disabilities or who have had a pregnancy loss, all creatively meet the challenges posed by their particular mothering experiences. It is often the language of giving and getting, so prominent in a consumer culture, that these women use to make sense of their situation. In the process, Transformative Motherhood redefines conventional understandings of motherhood, the mother/child relationship, and the role of biology and the law in determining what constitutes a family. The contributors include Rayna Rapp, Helena Ragone, Judith A. Modell, Danielle Wozniak, Gail Landsman, and Linda L. Layne. This text opens up multiple possibilities for reading contemporary women as responsive speaking subjects involved in reconstructing and transferring meanings without consolidating or totalizing their outcomes. —Resources for Feminist Research, Winter/Spring 2001, Vol. 28, No. 3/4

*The Little Green Book of Mothers' Wisdom* Carissa Bonham,2020-04-07 “My home is green enough to be healthy but chill enough to be happy.” —Leah Segedie, Green Enough In an era of online mom-shaming, Carissa Bonham likes to keep things authentic when discussing the struggles of modern motherhood. One popular meme shared on Carissa’s website, Creative Green Living, says “Some days I make beautiful dinners from scratch. Today my kids had cereal and ice cream for dinner. At least it was organic.” This is motherhood today. Carissa’s charming mix of inspirational and aspirational quotes mixed with real-life mom moments will make *The Little Green Book of Mothers’ Wisdom* both encouraging and inspirational for moms of all ages, including millennial and Gen X mothers. Explore the journey of motherhood, the life-giving power of mothers, mom instincts, and cultural parenting through the quotes on these pages. Receive advice from crunchy moms, mothers of

differently wired kids, and mothers of teens and adult children. This charming mix of inspiration and aspirational quotes mixed with a dash of reality about modern motherhood has something for every mom. “Being a mother is an attitude, not a biological relation.” —Robert A. Heinlein, *Have Space Suit—Will Travel* “Having a child flips your concept of love upside down into new depths, otherwise unknown to the human heart.” —Julieanne O'Connor “By loving them for more than their abilities we show our children that they are much more than the sum of their accomplishments.” — Eileen Kennedy-Moore, *Smart Parenting for Smart Kids*

**Mornings with Mother Divine** Sanaaa’ Hamada, 2018-03-27 Are you wondering why you feel empty, sad, or unfulfilled in spite of prayer, charity, regular attendance at a church or temple, and a good family life? Or perhaps you believe you’ve done nothing good and find it difficult to discover hope or meaning in your daily life. *Mornings with Mother Divine* makes it clear in the midst of the craziness of the modern world or in the face of fear or weakness, the missing link to happiness and courage is Mother Divine. With both her and Father God in your life, working on your behalf, you will find immediate improvement in your spiritual life. Author Sanaaa Hamada shares her personal experiences with Mother Divine and advises readers how to build a personal relationship with her. Hamada offers answers to many of life’s questions, helpful practices for everyday situations, and prayer options for beginners. This spiritual exploration and guide provides an introduction to Mother Divine and a road map for embracing her, thereby changing your life for the better.

**The Violence of Love** Kit W. Myers, 2025-01-28 A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program. Visit [www.luminosoa.org](http://www.luminosoa.org) to learn more. *The Violence of Love* challenges the narrative that adoption is a solely loving act that benefits birth parents, adopted individuals, and adoptive parents—a narrative that is especially pervasive with transracial and transnational adoptions. Using interdisciplinary methods of archival, legal, and discursive analysis, Kit W. Myers comparatively examines the adoption of Asian, Black, and Native American children by White families in the United States. He shows how race has been constructed relationally to mark certain homes, families, and nations as spaces of love, freedom, and better futures—in contrast to others that are not—and argues that violence is attached to adoption in complex ways. Propelled by different types of love, such adoptions attempt to transgress biological, racial, cultural, and national borders established by traditional family ideals. Yet they are also linked to structural, symbolic, and traumatic forms of violence. *The Violence of Love* confronts this discomfiting reality and rethinks theories of family to offer more capacious understandings of love, kinship, and care.

**Philosophical Inquiries into Pregnancy, Childbirth, and Mothering** Sheila Lintott, Maureen Sander-Staudt, 2013-03-01 Philosophical inquiry into pregnancy, childbirth, and mothering is a growing area of interest to academic philosophers. This volume brings together a diverse group of philosophers to speak about topics in this reemerging area of philosophical inquiry, taking up new themes, such as maternal aesthetics, and pursuing old ones in new ways, such as

investigating stepmothering as it might inform and ground an ethics of care. The theoretical foci of the book include feminist, existential, ethical, aesthetic, phenomenological, social and political theories. These perspectives are then employed to consider many dimensions of pregnancy, childbirth, and mothering, which are of central importance to human existence, but are only rarely discussed in philosophical canons. Topics include pregnancy and embodiment, breast-feeding, representations - or the lack thereof - of pregnant and birthing women, adoption, and post-partum motherhood.

**Find a Stranger, Say Goodbye** Lois Lowry, 1978-04-26 Award-winning and best-selling author Lois Lowry explores issues surrounding adoption in this poignant novel. Natalie Armstrong has everything: she's smart and beautiful, has the perfect boyfriend, early acceptance to college, and a loving family. But the summer she turns seventeen, she finally decides to ask some unanswered questions: Who are her biological parents and why did they give her up when she was born? These questions take her on a journey from the deep woods of Maine to the streets of New York City, from the pages of old phone books and a tattered yearbook photo to the realization that she might actually meet her biological mother face-to-face.

Being Born Alison Stone, 2019-09-26 All human beings are born and all human beings die. In these two ways we are finite: our lives begin and our lives come to an end. Historically philosophers have concentrated attention on our mortality--and comparatively little has been said about being born and how it shapes our existence. Alison Stone sets out to overcome this oversight by providing a systematic philosophical account of how being born shapes our condition as human beings. Drawing on both feminist philosophy and existentialist concerns about the structure of meaningful human existence, Stone offers an original perspective on human existence. She explores how human existence is shaped by the way that we are born. Taking natality into account transforms our view of human existence and illuminates how many of its aspects are connected with our birth. These aspects include dependency, the relationality of the self, vulnerability, reception and inheritance of culture and history, embeddedness in social power, situatedness, and radical contingency. Considering natality also sheds new light on anxiety, mortality, and the temporality of human life. This book therefore bears on death and the meaning of life, as well as many debates in feminist and continental philosophy.

*The Influence of the Imagination on the Knowledge of God* Robert Colacurcio, 2016-01-13 Most adult believers would acknowledge that the absolute reality of God is unimaginable, and yet the ordinary mind cannot think about divinity without creating images of that reality. This book explores a variety of ways in which our imagination influences what we believe and think we know about God. Even as some theories and the methods behind them yield better results in practice, so certain forms of the imagination yield a truer connection to the divine. Curiously, cutting-edge science often viewed as inimical to engagement with the divine is itself creating new images for a conception of divinity that intimately penetrates all that is. Frontier cutting-edge science will thus become one of three interpenetrating streams that impact the influence of the imagination on the knowledge of God. The other two are the conceptual dimension of mind and what I distinguish as the

awareness dimension of mind. The application of my theory about the influence of the imagination on the knowledge of God is whether the reader can make practical connections to their experience of suffering in the world and find some diminishment of that suffering. If that does not happen, I apologize to my readers for wasting their time.

## Whispering the Strategies of Language: An Mental Quest through **Birth Mothers In The Giver**

In a digitally-driven world where screens reign supreme and immediate conversation drowns out the subtleties of language, the profound secrets and emotional subtleties concealed within words often move unheard. However, nestled within the pages of **Birth Mothers In The Giver** a captivating literary value pulsating with organic feelings, lies a fantastic quest waiting to be undertaken. Published by an experienced wordsmith, this charming opus invites visitors on an introspective journey, lightly unraveling the veiled truths and profound influence resonating within the very fabric of each word. Within the mental depths of the touching review, we shall embark upon a genuine exploration of the book is primary themes, dissect its fascinating publishing model, and yield to the effective resonance it evokes strong within the recesses of readers hearts.

## **Birth Mothers In The Giver Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than

ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Birth Mothers In The Giver PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be

stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Birth Mothers In The Giver PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Birth

Mothers In The Giver free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## FAQs About Birth Mothers In The Giver Books

1. Where can I buy Birth Mothers In The Giver books?  
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available?  
Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Birth Mothers In The Giver book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
