

# Educación Con Inteligencia Emocional

**John Mordechai Gottman, Joan DeClaire**

Educación con inteligencia emocional Maurice J. Elias, Steven E. Tobias, Brian S. Friedlander, 2014-09-04 Sugerencias, actividades y consejos prácticos para que los padres ayuden a sus hijos a utilizar las emociones del modo más positivo. En las páginas de este libro, los padres aprenderán a comunicarse con sus hijos en el nivel más profundo y gratificante, y a asistirles a la hora de sortear con éxito el intrincado laberinto de las relaciones con los demás. Tomando los cinco principios básicos del gran éxito de Daniel Goleman, *Inteligencia emocional*, los autores explican cómo aplicarlos para obtener buenos resultados en la educación de los niños. Con este fin ofrecen sugerencias, actividades y consejos prácticos, que ayudarán a los padres a utilizar sus emociones como la rivalidad entre hermanos, conflictos con los amigos, situaciones escolares o la presión ejercida por los compañeros.

*The Educator's Guide to Emotional Intelligence and Academic Achievement* Maurice J. Elias, Harriett Arnold, 2006-01-13 Tap the power of emotional intelligence and watch school-wide achievement soar Bringing all this information together in one spot is quite a contribution. There isn't too much research or theory here, but lots

**Educación con Inteligencia Emocional (Educate with Emotional Intelligence)** Maurice J. Elias, Steven E. Tobias, Brian S. Friedlander, 1999

*Emotionally Intelligent Parenting* Maurice J. Elias Ph.D., Steven E. Tobias, Psy.D., Brian S. Friedlander, Ph.D., 2011-05-18 Have you, as a parent, ever found yourself treating your children in a way you would never tolerate from someone else? The authors of *Emotionally Intelligent Parenting* call for a new Golden Rule: Do unto your children as you would have other people do unto your children. And most important, they show us how to live by it. Based upon extensive research, firsthand experience, and case studies, *Emotionally Intelligent Parenting* breaks the mold of traditional parenting books by taking into account the strong role of emotions -- those of parents and children -- in psychological development. With this book, parents will learn how to communicate with children on a deeper, more gratifying level and how to help them successfully navigate the intricacies of relating to others. The authors take the five basic principles of Daniel Goleman's best-seller, *Emotional Intelligence*, and explain how they can be applied to successful parenting. To this end, the book offers suggestions, stories, dialogues, activities, and a special section of Sound EQ Parenting Bites to help parents use their emotions in the most constructive ways, focusing on such everyday issues as sibling rivalry, fights with friends, school situations, homework, and

peer pressure. In the authors' extensive experience, children respond quickly to these strategies, their self-confidence is strengthened, their curiosity is piqued, and they learn to assert their independence while developing their ability to make responsible choices.

Cómo educar con inteligencia emocional Lola Rodríguez-Brenner, 2022-05-10 Este libro reúne una serie de herramientas y sugerencias sencillas y fáciles de poner en marcha, tanto en casa como en la escuela. Son propuestas multidisciplinares y ampliamente probadas para que los niños de ahora -adultos en poco tiempo- afronten la vida con equilibrio, humor, perseverancia y, sobre todo, con capacidad para motivarse y encarar con entusiasmo cualquier iniciativa. • Cómo hablar para que el niño comparta, piense y reflexione. • Gestión del estrés. Pantallas y redes sociales. • Habilidades comunicativas. Saber escuchar. Asertividad. • Ejercicios para reconocer las emociones. • Frases, cuentos y relatos para trabajar las emociones. Sabemos por experiencia que los niños con una educación emocional positiva y estable muestran una capacidad intelectual más abierta y adecuada, sobre todo si tenemos en cuenta que, muy a menudo, nuestras emociones pueden llegar a desbordar y hacernos actuar de manera irracional. El proceso de educar emocionalmente a los niños es en estos momentos una de las tareas más apasionantes en pedagogía... y en el entorno familiar. Está comprobado que los individuos que gobiernan adecuadamente sus emociones y que también saben interpretar y relacionarse efectivamente con las de los demás, disfrutan de una situación ventajosa en todos los dominios de la vida: son personas más satisfechas, más eficaces y más capaces de dominar los hábitos mentales que determinan la productividad. Por el contrario, quienes no pueden controlar su vida emocional, se debaten en constantes conflictos internos que socavan su capacidad de trabajo y les impiden pensar con suficiente claridad. Con las habilidades necesarias, cualquier niño o niña puede llegar a percibir e identificar, comprender y manejar las emociones en uno mismo y en los demás, siendo esa la base de la competencia emocional, nada menos que poner a los más pequeños en la rampa de salida de un camino positivo y constructivo.

**Daniel Goleman Omnibus** Daniel Goleman, 2004 Emotional Intelligence Does IQ define our destiny? Daniel Goleman argues that our view of human intelligence is far too narrow, and that our emotions play a major role in thought, decision making and individual success. Self-awareness, impulse control, persistence, motivation, empathy and social deftness are all qualities that mark people who excel: whose relationships flourish, who are stars in the workplace. With new insights into the brain architecture underlying emotion and rationality, Goleman shows precisely how emotional intelligence can be nurtured and strengthened in all of us. Working with Emotional Intelligence Do you want to be more successful at work? Do you want to improve your chances of promotion? Do you want to get on better with your colleagues? Daniel Goleman draws on unparalleled access to business leaders around the world and the thorough research that is his trademark. He demonstrates that emotional intelligence at work matters twice as much as cognitive abilities such as IQ or technical expertise in this inspiring sequel.

Cuentos para educar con inteligencia emocional Clara Peñalver,2017

Cómo Educar con Inteligencia Emocional Lola Rodríguez-Brenner,Laura Bishop,2023-04 This book brings together a series of simple and easy-to-implement tools and suggestions, both at home and at school. They are multidisciplinary and widely tested proposals so that today's children -soon to be adults- face life with balance, humor, perseverance and, above all, have the ability to motivate themselves and enthusiastically face any initiative.

*Educación a los hijos con inteligencia emocional* María Josefa Gallego Alarcón,2006 La educación emocional, que se lleva a cabo en el seno familiar desde el momento en que nace un nuevo ser, es especialmente importante porque es la que comienza de forma más temprana, es la que más huella deja en nosotros y es la que más vamos a utilizar a lo largo de nuestra vida. Este libro ofrece un conjunto de ideas y propuestas para ayudar a los padres a educar con cierta eficacia a sus hijos sirviéndose especialmente de la inteligencia emocional. Así los hijos podrán desarrollar unas habilidades altamente provechosas para enfrentarse a la vida de forma positiva.

Cuentos y relatos para educar la inteligencia emocional Alfonso Barreto,2011-11-16 El presente texto representa una creativa, práctica y valiosa aportación a la didáctica de la inteligencia emocional, usando las bondades de la literatura, representada en cuentos y relatos cuidadosamente seleccionados. El texto puede ser disfrutado por el lector común, deseoso de buenas antologías para excelentes momentos de lectura, pero también plantea preguntas para la reflexión y el debate grupal. Docentes, estudiantes, facilitadores de grupo y terapeutas, específicamente, contarán con un material adecuado para la meditación en torno al tema de las emociones y los sentimientos, y claro, del carácter y la personalidad, que enriquecerán indudablemente su vida personal.

**Guía práctica para educar las emociones** Paloma Hornos,2022-10-15 Alegría, tristeza, ira, miedo... son algunas de las emociones que los niños y niñas deben aprender a reconocer y gestionar. Basado en los principios de la educación emocional, este libro destinado a padres y educadores está repleto de actividades, juegos y recursos para que niños y niñas a partir de 3 años puedan adquirir, de manera divertida y atractiva, una mayor competencia en la gestión de sus emociones. Aprenderán a identificarlas y la forma en la que nuestro cuerpo nos avisa de su presencia plasmándolo en un «mapa emocional», así como elaborando su propio «diario de emociones» y llevando un registro de ellas. Juegos como Abrazos gratis o Mi caja de sonrisas los ayudarán a desarrollar el pensamiento positivo y la resiliencia; El fantasma come-miedos o El globo del enfado les harán ver que los miedos «no son para tanto» y a reconocer y aprender a expresar emociones como el enfado, así hasta 40 propuestas diferentes para enseñar a los más pequeños a conectar con sus emociones y desarrollar estrategias para gestionarlas. Encontrarás también información muy valiosa para ayudarlo a manejar sus celos, qué hacer cuando siente envidia o vergüenza, por qué es importante favorecer la capacidad de sorpresa en el niño o cómo crear un Rincón de la calma, un espacio para ayudarlo a regular emociones como la rabia y a recuperar la serenidad. Juega, disfruta, sueña,

comparte y ¡EMOCIÓNATE! de la mano de quien mejor sabe hacerlo: un niño.

**Cuentos para educar con inteligencia emocional** Clara Peñalver, Sara Sánchez, 2014-12-04 ¿Qué son las emociones? ¿Qué significa realmente inteligencia emocional? ¿Por qué emoción y sentimiento no son sinónimos? Este libro enfocado a los niños es un manual perfecto para comprender y gestionar las dudas que generan en nosotros estas cuestiones. A través de un método sencillo, rápido y divertido, los padres y madres despistados lograrán entender mejor las emociones de sus hijos y las suyas propias para educar, por fin, con inteligencia emocional. Los niños de colores Conoce y aprende a distinguir las pequeñas mentes de colores. Lee los cuentos adaptados a cada tipo de niño y descubre la fábrica de cuentos, donde podrás crear historias adecuadas a las necesidades de tus hijos.

Educar los sentimientos Alfonso Aguiló, 2013-05-23 Este libro no pretende sustituir la razón por los sentimientos, sino mostrar el modo de armonizar mente y corazón. En definitiva: unir lo que quiero y lo que debo. Resulta patente que muchas personas con un alto coeficiente intelectual (CI), pero con escasas aptitudes emocionales, se manejan en la vida mucho peor que otras de modesto CI pero que han sabido educar bien sus sentimientos. Parece claro que un elevado CI no constituye, por sí solo, una garantía de éxito profesional, y mucho menos de una vida acertada y feliz. La educación de los sentimientos comprende habilidades como el conocimiento propio, el autocontrol y equilibrio emocional, la capacidad de motivarse a uno mismo y a otros, el talento social, el optimismo, la constancia, la capacidad para reconocer y comprender los sentimientos de los demás, etc. Las personas que gozan de una buena educación afectiva son personas que suelen sentirse más satisfechas, son más eficaces y hacen rendir mucho mejor su talento natural. Quienes, por el contrario, no logran dominar bien su vida emocional, se debaten en constantes luchas internas que socavan su capacidad de pensar, de trabajar y de relacionarse con los demás. Como es lógico, no se trata de sustituir la razón por los sentimientos, ni tampoco lo contrario. Se trata de descubrir el modo inteligente de armonizar mente y corazón, razón y sentimientos. El gran logro de la educación afectiva es conseguir, en lo posible, unir el querer y el deber, porque así se alcanza siempre un grado de felicidad -y de libertad- mucho mayor.

**Creating Tomorrow's Schools Today** Richard Gerver, 2010-04-08 Drawing on the incredible story of Grange Primary School, Gerver argues that our education system no longer works for today's generation of learners.

The Heart of Parenting John Mordechai Gottman, Joan DeClaire, 1997 A professor of psychology details a five-step process called motion coaching that allows parents to raise a child better able to cope with his or her emotions. 35,000 first printing.

La inteligencia emocional en el aula Patricia Gaxiola, 2015-09-15 Los maestros buscamos la formación integral de nuestros alumnos. Para ello nos apoyamos en los programas educativos oficiales y los de cada escuela; estamos atentos a las innovaciones educativas y tenemos el reto permanente de lograr las metas propuestas. Sin embargo, cada vez que concluye un ciclo escolar nos interrogamos acerca de qué determina el que un alumno sea o no exitoso en su vida actual y futura.

Comúnmente los resultados académicos pretenden hablar por sí solos, pero no siempre el mejor promedio de calificaciones es sinónimo de éxito. ¿Qué será lo determinante? En este libro se propone que es la estabilidad emocional, producto del equilibrio entre las diferentes inteligencias de cada alumno, es decir, el llevar a los alumnos a sentir inteligentemente y pensar emocionalmente.

**First Feelings** Stanley I. Greenspan, Nancy Thorndike Greenspan, 1989 Greenspan outlines the six stages of emotional growth in early childhood and explores the ways in which they are communicated, emphasizing parental interaction as the key to a child's healthy, emotional maturation.

**Inteligencia emocional** Beatriz Serrano Garrido, 2009-12-11 El conocimiento propio, el autocontrol, el equilibrio emocional, etc., tienen una importancia decisiva en el desarrollo integral de la persona. Sin embargo, nadie se ocupa de introducirlas en ningún currículum, y es el desarrollo de estas habilidades el común denominador que deberían tener en estos momentos las familias. Precisamente a las familias se dirigen estas páginas, a todas aquellas familias que por causas que desconocen no consiguen disfrutar de la compañía de sus miembros, a aquellas familias sometidas a situaciones a las que no saben cómo enfrentarse, a aquellas familias que soñaron con una convivencia fundamentada en el amor y sin embargo no ven el momento de demostrarlo con una caricia o un beso. Este libro quiere ser para ellas una herramienta que les ayude a educar la inteligencia emocional o, lo que es lo mismo, un manual de sentido común.

Kevin's Big Book of Emotions Liesbet Slegers, 2013 Feelings and emotions are part of everyone's life. We feel different things all day long as different things happen to us. Emotions and feelings play an important part of Kevin's daily life. Sometimes Kevin feels angry, sad, or afraid. And sometimes Kevin feels happy...--Back cover.

**Emotional intelligence in school** Juan Moisés De La Serna, 2018-12-07 When we talk about emotional intelligence we are actually referring to the development of the person. This topic has been on the rise for a few decades and it has proven to be useful not only on a personal level but also in the workplace. Research on the benefits of a proper development of Emotional Intelligence is on the increase, advising on the training of it as early as possible. Therefore, school is the most suitable environment for young children and even adolescents to get to know and to develop Emotional Intelligence.
