## Scarlett Steele

*CrossDressing Husband Caught & Punished* Angelica Marie Gossett, 2019-09-30 It was shortly after they were married. Diane began to suspect that her husband Stephen was a crossdresser who was wearing her clothes. Well, if he had a secret, he would no doubt deny it. She decided to document his secret escapades first. If he wanted to dress as a girl, he should have sex as a girl. But given his being secretly recorded in her pretty pink bridal nightgown, it gave Diane an idea. Her husband had some traditional ideas. So his 1st time being made to have sex as a girl should be special. Special occasions should have a special dress. What better than a long formal feminine bridal gown for her husband to wear before his 1st time? So Diane developed an elaborate plan to force feminize her husband, publically expose him dressed as a girl, and then prepare him for his bridal gown. Warning: Don't let your wife or girlfriend learn of Diane's plan because it was perfect. Stephen truly had no option but to be dressed in public as a girl to begin the day, You also will wind up having no choice either if anybody does to you what Diane did to Stephen. Brides need to have their makeup done. They need to have help dressing in their bridal gown. They need to have bridesmaid and maids of honor. They need to have their pictures taken. They need to have a new name. All of this prior to the formal presentation and introduction to their spouse. Diane was going to make sure Stephen got the full complete total treatment. Then, of course, the bridal night. The mythical first time she has sex. Well, Stephen was going to get the full treatment here also. Punishment enema, plus punishment oral sex, punishment anal sex, forced consumption, bondage, whips, and cock torture. But the psychological punishment would be equally as bad with suggestions and elements of cuckolding and forced-bi to demean and shame her husband. As the evening progressed, Diane and her family learned even more of Stephen's secrets. Diane already had a plan to make Stephen's mother an unwilling participant in the bridal weekend. But, now, those plans would change. His mother would have a much more expanded and permanent role. Stephen's crossdressing was always a family affair from the very beginning. Now, it would be a much larger family affair. It was time to complete what had been started years before he met Diane. Of course, your author on her cover image is wearing a dress that matches the story.

*The Diary of Jewel Delacroix Transgender and Crossdressers Stories* paulo transy,osm,2020-01-12 This story began as fan fiction inspired by Rik581s intriguing story, The Marriage of Martin Hastings series. I found this intriguing as this was my first introduction to forced feminization as an erotic plot device and what I found especially intriguing was the legal aspects that were introduced as central to the story. That all the frightening and terrible things that were being done to the protagonist were social, culturally, and legally acceptable in the framework of the story made me question how? To make suspension of disbelief, the story had to have a plausible reason that these were allowed and I found that using reason and the slippery slope argument would allow a creative writer to explore the unintended consequences of those actions. It was this concept I found fascinating and have tried to incorporate into an erotic forced feminization story, set in the original stories universe. I have also communicated with the author, Rikki and received permission to use some of his characters in my

story, but that being said, these are still fan-fiction and not cannon to that story. So now, the usual disclaimers. This is porn. You must be over 18 to read this. If not, go away and come back when you are old enough. If you are old enough and this style of erotica isn't to your liking, then go find some erotica that is. You are an adult, life is short, find porn you like and read that instead, but if this is a style you enjoy, then feel free to comment and provide constructive criticism and feedback. I need to grow as an author and honest constructive criticism is always welcome.

Once his hair and makeup are complete, Riley locks himself in a chastity cage and inserts a remote controlled vibrating plug. To complete his fantasy, he secures his hands and feet into cuffs and locks them behind his back. As he waits for his girlfriend to arrive home while he is tied up and gagged on his knees in the living room, his phone begins to ring every few minutes. With his phone out of reach in the other room, he is forced to wait while his girlfriend's arrival is delayed deep into the night. As the sissy crossdresser begins to question whether he had made a mistake, his girlfriend returns home and surprises Riley with three of her friends who had all been drinking heavily. After discovering Riley tied up and gagged while crossdressed and painted with makeup, the women decide to give Riley a night he will never forget. This steamy story will have you on the edge as Riley experiences a wide range of feelings while the four women completely dominate the submissive sissy crossdresser. Enjoy a taste of the story in this small excerpt below. Emily opened the door and stepped inside our apartment while her three friends stood behind her. Their laughing stopped in an instant as they all brought their attention to me and stared at me for several seconds without blinking or saying a word. All the women were wearing dresses in bright colors that accentuated their figures, along with varying types of high heels. After a few of the longest seconds of my life, Emily's friend, Taylor, broke the silence. Is that...Riley? Taylor asked before hiccuping. What the hell happened to him? Amanda said while swaying in her high heels. Riley, did you do this to yourself? Emily asked. Her face was bright red, as it was apparent they had all been drinking heavily. Unable to speak with the gag in my mouth, I nodded my head yes in response. Was this the surprise that you told me about yesterday? Emily followed up. Putting my head down, I nodded my head again. I had never felt more embarrassed in my life as I knelt on the floor before them, feeling smaller than a mouse. Emily glanced over to the kitchen table where she could see my phone as well as some items I had left out for her. I guess that's why you weren't answering my calls? Emily said with her hand on her hip. I know this isn't the right moment...but you promised me that I could pee first...so... Melissa waddled past me and made her way to the bathroom, where she shut the door aggressively. Amanda smacked Taylor in the shoulder before hissing at her, Close the door so the neighbors don't see. After shutting the door, Amanda took Taylor's hand and walked her to the kitchen, where they sat at the table. Emily stood in front of me at a loss for words.

Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
