It's Forrest Gump as you've never seen him before, but just as lovable as ever. At 6'6, 240 pounds, Forrest Gump is a difficult man to ignore, so follow Forrest from the football dynasties of Bear Bryant to the Vietnam War, from encounters with Presidents Johnson and Nixon to powwows with Chairman Mao. Go with Forrest to Harvard University, to a Hollywood movie set, on a professional wrestling tour, and into space on the oddest NASA mission ever. The wonderfully warm, savagely barbed, and hilariously funny novel that inspired iconic film starring Tom Hanks.

What readers are saying: 'A brilliant read' 'Loved the book just as much as I loved the film' 'Very well written and thoroughly enjoyable from start to finish'

Gump & Co. Winston Groom, 2013-05-31 Take my word for it - don't never let nobody make a movie of your life's story... Forrest Gump is back! The lovable man for all ages captured America's heart in the No.1 bestselling novel Forrest Gump and in the blockbuster film, winner of six Academy Awards® including Best Picture and Best Actor. Now he returns in the long-awaited sequel to the book hailed by Larry King as 'the funniest novel I have ever read'. A little older, and wiser in his own unique way, he is still running through the kaleidoscopic events of our times - and straight into the age of greed and instant gratification known as the 1980s. Whenever I really get stumped, I go visit Jenny's grave. She tells me she's always rooting for me. The Bubba Gump Shrimp Co. has gone bust and Forrest is flat broke, sweeping floors in a New Orleans strip joint when Gump & Co. begins. As always in Forrest's easy-come-easy-go life, a change in the weather is never far off...and when the opportunity to play championship football comes his way once more, Forrest is back in the limelight and in the money. But fate is a fickle lady, and he's soon out on the road selling phony encyclopedias and trying to raise his son, little Forrest, who needs his father more than ever. Forrest's remarkable, touching, and utterly comic odyssey has just begun: in store for him is an explosive attempt at hog farming; his own dubious recipe for adding life to New Coke; an encounter with Ollie North; and a chance yet again to unwittingly twist the nose of history. One of the most phenomenally successful books of our time, Forrest Gump was praised as 'a wacky and funny nuthouse of a book' (George Plimpton) and 'superbly controlled satire' (Florence King, Washington Post Book World); Forrest himself 'should enter the annals of fiction as a great American hero'

(Rima Firrone, Ocala Star-Banner). Winston Groom continues to delight us with Gump's hilarious and heartwarming adventures. 'At least,' Forrest would agree, 'I ain't led no humdrum life'.

Forrest Gump Winston Groom, 1994-07 Meet Forrest Gump, the lovable, hurculean, and surprisingly savy hero of this remarkable comic odyssey. After accidentally becoming the star of Univerity of Alabama's football team, Forrest goes on to become a Vietnam War hero, a worl-class Ping-Pong player, a villainous wrestler, and a business tycoon -- as he wonders with cildlike wisdome at the insanity all around him. In between misadentures, he manages to compare battle scars with Lyndon Johnson, discover the truth about Richard Nixon, and survive the ups and downs of remaining true to his only love, Jenny, on an extraordinary journey through three decades of the American cultural landscape. Forrest gump has one heck of a story to tell -- and you've got to read it to believe it....

Gumpisms: The Wit & Wisdom Of Forrest Gump Winston Groom, 2013-05-31 With an Introduction by P.J. O'Rourke THE WORLD WILL NEVER BE THE SAME ONCE YOU'VE SEEN IT THROUGH THE EYES OF FORREST GUMP America's most lovable new hero is winning smiles and hearts everywhere these days - in the Paramount motion picture, Forrest Gump, starring Tom Hanks, and in the novel by Winston Groom (available in Black Swan paperback), hailed by critics as one of the funniest books they've ever read. Now the fun continues in this delightful confection of wit and wisdom from the world according to Gump... 'ALWAYS BE ABLE TO LOOK BACK AND SAY AT LEAST I DIDN'TLEAD NO HUMDRUM LIFE'

Forrest Gump, My Favorite Chocolate Recipes, 1995 Forrest Gump always said that the most wonderful scent there ever was comin' from the kitchen was somethin' chocolate cookin' in the oven. He said it from the time he was a small boy in braces, 'cause I knew I was gonna get to lick the spoon. The smell of chocolate cookin' puts Forrest in mind of his Mama. And nothin' is as important to Forrest as his Mama and what she taught him about life and love. You can take a chocolate, Forrest learned, and when you bite down, it may not be the one you wanted. But it's yours from then on. And you need to remember to enjoy it. Life ain't so much different, says Forrest. And his Mama never let him forget it. If Forrest wasn't lovin' his Mama's shrimp, he was lovin' her chocolate. Forrest already said grace over The Bubba Gump Shrimp Co. Cookbook. So now he's takin' time to give his blessing to his Mama's chocolate recipes. His Mama always knew the place to go for great recipes was her favorite magazine, Southern Living, which practically invented the best-ever chocolate desserts. Each one of these recipes was tested in their own kitchens for extra goodness. You talk about chocolates! Wait'll you taste Forrest's Fudge Cake or Real Good Chocolate Caramels or Mighty Nice Chocolate Pastry Cake or Chocolate-Pecan Torte or (if you're gonna get fancy) Chocolate-Mint Truffles or plain old Candy Bar Brownies or Alabama Ice Cream Squares or, oh goodness!, an Almond-Macaroon Tart. You may have to put this book down and go cook somethin' before you get a faintin' spell. Just remember what Forrest learned from his Mama: You never know what you're gonna get when you pick up a chocolate. But you do know

this - if it comes from this book, it's gonna be plenty good.

Facts About 'Forrest Gump' Janet Mitchell, 2020-12-16 A countdown of great '90s movies won't be complete without mentioning Forrest Gump. Do you remember this film? Partially based on the novel penned by Winston Groom, Tom Hanks played the titular role of a very simple man who ended up achieving great things in life. Many of his encounters with public figures and celebrities were merely coincidental. But the way the story wove him into important social and political events was as amusing as it was amazing. For one, this film is recognized for the great visual effects used to help tell this simple man's tale. He met iconic musicians and U.S. presidents whom he conversed with, thanks to the magic of computer-aided cinema. Through recreations, Forrest found himself in the middle or within the periphery of pivotal political scandals or social movements. All of these great moments may have just flown above his head, with him thinking nothing of it. But it's a great way to entertain audiences familiar with these historical details. It wasn't such an easy journey for someone like Forrest, born in the 1950s without much medical or psychosocial help available for someone like him. But still, the goodness in his heart and the kindness of his spirit guided him into becoming someone important, someone with integrity and someone who's endearing. Roll out the red carpet and take this Forrest Gump facts!

Groom, Winston - Forrest Gump as an Example of the Transformation from a Novel into a Movie Tim Horz, 2001-06-21
Facharbeit (Schule) aus dem Jahr 1998 im Fachbereich Didaktik für das Fach Englisch - Literatur, Werke, Note: 1, Priv.
Gymnasium Marienstatt, Veranstaltung: Leistungskurs Englisch, Sprache: Deutsch, Abstract: "Hello - My name is Forrest, Forrest Gump!" Everyone who knows the movie Forrest Gump remembers this first sentence, the beginning of Forrest's story. This sentence is an introduction as well as the foundation for a story that describes Forrest's life in a very detailed way. In the film Forrest is a narrow-minded, naive and completely innocent boy from the Deep South who lives in a very strange way through a decisive period of America's immediate past. His participation in this period is so strange because he

is actively making history without realising that; he only lives from day to day - and his most immediate goal is to finally reach his one and only love - Jenny. Therefore, his life can be described as "accidental-like on a breeze", and at the same time he has a "destiny" as well - and in the end Forrest is smart enough to understand this paradox of his life. Forrest Gump is basically a mirror of the sixties and seventies of our century. Through his eyes we can see our immediate past. "We" includes the older audience - who lived through that period themselves - as well as the younger audience who can learn a lot about the era of their parents. The movie touched the souls of many Americans who can identify certain parts of their own life (or the life of their parents) in that of Forrest, but those feelings were shared throughout the world by many nations as well. But the movie itself is based on a novel written by Winston Groom. Here the author describes a different Forrest Gump - and yet the same. This other Forrest Gump had a different life, but the key elements are still the same in his modified "counterpart". Therefore it will be my goal to find out by what means and how well Groom's original novel Forrest Gump was transformed into the movie version Forrest Gump. There will be a detailed comparison between the two characterisations of Forrest Gump, a look at the "minor" characters, different views on the "visual conversion" and a final decision whether the transformation itself can be called appropriate or not.

Forrest Gump Winston Groom,2017-10-06 Publicado pela primeira vez em 1986, Forrest Gump não só está entre os clássicos da literatura e do cinema mundial, como representa um marco na cultura pop do século 20. Trinta anos depois de seu lançamento, a encantadora trajetória do jovem que só queria fazer as coisas certas - e acabou sendo um dos homens mais notáveis da história - continua fascinando e comovendo leitores em todo o mundo. O romance chega ao leitor com acabamento em capa dura, 13 ilustrações de Rafael Coutinho - ilustrador, quadrinista e fã da obra - e um ensaio comparando o livro à sua adaptação cinematográfica, feito pela francesa Isabelle Roblin - professora da Université du Littoral-Côte d'Opale. Também merece destaque a capa dupla-face: uma sobrecapa de papel com impressão em ambos os lados, que permite ao leitor escolher o seu design favorito. A capa é de Pedro Inoue, o mesmo artista de 2001: Uma Odisseia no Espaço e a da edição comemorativa de 50 anos de Laranja Mecânica.. Essa é a obra que apresenta a história original de Forrest, o excepcional e sincero protagonista de um dos mais memoráveis romances norte-americanos. Foi dele que saíram as principais situações que ganharam o público nos cinemas: desde o sucesso com o futebol americano até a viagem à China comunista. Com direção de Robert Zemeckis, o filme homônimo fez bastante sucesso entre o público e a crítica e conquistou 6 Oscars, incluindo a categoria de Melhor Filme. O protagonista, que ganhou vida no cinema com a cativante interpretação de Tom Hanks, é ainda mais inusitado e peculiar no livro, com um espírito questionador da cultura norte-americana que não

foi transposto para as telas. Além disso, a obra de Groom traz ainda mais aventuras inusitadas de Forrest, sendo um grande acréscimo para aqueles que apenas viram o filme.
