Pot Farm Matthew Gavin Frank,2012-03-01 After eight months in his childhood home helping his mother through her bout with cancer, Matthew Frank and his wife were themselves desperate for comfort. They found sanctuary in the most unlikely place—amid a collection of outcasts and eccentrics on a plot of land miles outside their comfort zone: a “mostly medical” marijuana farm in California. Pot Farm details the strange, sublime, and sometimes dangerous goings-on at Weckman Farm, a place with hidden politics and social hierarchies, populated by recovering drug addicts, alternative healers, pseudo-hippie kids, and medical marijuana users looking to give back. There is also Lady Wanda, the massive, elusive, wealthy, and heavily armed businesswoman who owns the farm and runs it from beneath a housedress and a hat of peacock feathers. Frank explores the various roles that allow this industry to work—from field pickers to tractor drivers, cooks to yoga instructors, managers to snipers, illegal immigrants to legal revisionists, and the delivery crew to the hospice workers on the other end. His book also looks at the blurry legislation regulating the marijuana industry as well as the day-to-day logistics of running such an operation and all the relationships that brings into play. Through firsthand observations and

experiences (some influenced by the farm's cash crop), interviews, and research, Pot Farm exposes a thriving but unsung faction of contemporary American culture.

Memoirs of A Professional Cad George Sanders, 2015-03-02 What might we dare to expect from an actor's autobiography, even one from a star as personable as George Sanders? In the case of *Memoirs of a Professional Cad*, we possibly get more than we deserve. George Sanders undoubtedly led a colourful, glamorous and even action-packed life, spanning the peak years of Hollywood's golden age. But the greatest joy of his memoirs is how funny they are, and how penetrating their author's wit. Endlessly quotable, every chapter shows that the sardonic charm and intelligence he lent to the silver screen were not merely implied. George's early childhood was spent in Tsarist Russia, before he was obliged to flee with his family to England on the eve of the Russian Revolution. He survived two English boarding schools before seeking adventure in Chile and Argentina where he sold cigarettes and kept a pet ostrich in his apartment. We can only be grateful that George was eventually asked to leave South America following a duel of honour (very nearly to the death), and was forced to take up acting for a living instead. *Memoirs of A Professional Cad* has much to say about Hollywood and the stars George Sanders worked with and befriended, not to mention the irreplaceable Tsa Tsa Gabor who became his wife. But at heart it is less a conventional autobiography, and more a Machiavellian guide to life, and the art of living, from a man who knew a thing or two on the subject. So we are invited to share George's thought-provoking views on women, friendship, the pros and cons of therapy, ageing, possessions, and the necessity of contrasts (Sanders' maxim: 'the more extreme the contrast, the fuller the life'). Previously out of print for many decades, *Memoirs of A Professional Cad* stands today as one of the classic Hollywood memoirs, from one of its most original, enduring and inimitable stars. This edition also features a new afterword by George Sanders' niece, Ulla Watson. 'Even when asking a hatcheck girl for his coat, he conveyed the impression of a malevolent cat fastidiously licking its chops over the prospect of a particularly toothsome mouse.' Salon

Different Seasons Stephen King,2016-01-01 Includes the stories “The Body” and “Rita Hayworth and Shawshank Redemption”—set in the fictional town of Castle Rock, Maine A “hypnotic” (The New York Times Book Review) collection of four novellas—including the inspirations behind the films *Stand By Me* and *The Shawshank Redemption*—from Stephen King, bound together by the changing of seasons, each taking on the theme of a journey with strikingly different tones and characters. This gripping collection begins with “Rita Hayworth and the Shawshank Redemption,” in which an unjustly imprisoned convict seeks a strange and startling revenge—the basis for the Best Picture Academy Award-nominee *The Shawshank Redemption*. Next is “Apt Pupil,” the inspiration for the film of the same name about top high school student Todd Bowden and his obsession with the dark and deadly past of an older man in town. In “The Body,” four rambunctious young boys plunge through the façade of a small town and come face-to-face with life, death, and intimations of their own mortality. This novella became the movie *Stand By Me*. Finally, a disgraced woman is determined to triumph over death in “The Breathing Method.” “The wondrous readability of his work, as well as the instant sense of communication with his characters, are what make Stephen King the consummate storyteller that he is,” hailed the *Houston Chronicle* about *Different Seasons*.

Good Economics for Hard Times Abhijit V. Banerjee, Esther Duflo, 2019-11-12 FROM THE WINNERS OF THE 2019 NOBEL PRIZE IN ECONOMICS 'Wonderfully refreshing . . . A must read' Thomas Piketty In this revolutionary book, prize-winning economists Abhijit V. Banerjee and Esther Duflo show how economics, when done right, can help us solve the thorniest social and political problems of our day. From immigration to inequality, slowing growth to accelerating climate change, we have the resources to address the challenges we face but we are so often blinded by ideology. Original, provocative and urgent, Good Economics for Hard Times offers the new thinking that we need. It builds on cutting-edge research in economics - and years of exploring the most effective solutions to alleviate extreme poverty - to make a persuasive case for an intelligent interventionism and a society built on compassion and respect. A much-needed antidote to polarized discourse, this book shines a light to help us appreciate and understand our precariously balanced world.

The Bible Salesman Clyde Edgerton, 2008-08-11 Preston Clearwater has been a criminal since stealing two chain saws and 1600 pairs of aviator sunglasses from the Army during the Second World War. Back on the road in post-war North Carolina, a member of a car-theft ring, he picks up hitch-hiking Henry Dampier, an innocent nineteen-year-old Bible salesman. Clearwater immediately recognizes Henry as just the associate he needs -- one who will believe is working as an F.B.I. spy; one who will drive the cars Clearwater steals as Clearwater follows along in another car at a safe distance. Henry joyfully sees a chance to lead a dual life as Bible salesman and a G-man. During his hilarious and scary adventures we learn of Henry's fundamentalist youth, an upbringing that doesn't prepare him for his new life. As he falls in love and questions his religious training, Henry begins to see he's being used -- that the fun and games are over, that he is on his own in a way he never imagined.
