THE GOSPEL of JOHN, ONE DAY at a TIME Timothy C. McKeown,2019-03-27 In the beginning was the Word, and the Word was with God, and the Word was God... And the Word became flesh and dwelt among us (John 1:1, 14). With those simple yet majestic words, the Apostle John began his gospel. The purpose of the final of the four gospels is found in John 20:31, "These (things) are written that you may believe that Jesus is the Christ, the Son of God, and that believing you may have life in His name."

Come and see was the first of many invitations that Jesus gave to the young fisherman from Galilee. The gospel invites the readers likewise to "come and see" the Light of the World ... to taste the Bread of Life ... to drink the thirst-quenching Living Water ... to enter the Door to the sheepfold ... to see an empty tomb ... to believe that Jesus rose from the dead. The Gospel of John is the deepest of the gospels and the most contemplative of all of the books in the New Testament. For seven weeks, come and see every morning and evening that Jesus is the Christ by reading through this dynamic study. In *The Gospel of John, One Day at a Time*, author Timothy McKeown offers a devotional designed for everyone, but especially new believers, to dig deeply into John's account of the life of Christ.

What I Talk About When I Talk About Running Haruki Murakami,2011-10-10 'Pain is inevitable, suffering is optional' A compelling meditation on the power of running and a fascinating insight into the life of this internationally bestselling writer. A perfect reading companion for runners. In 1982, having sold his jazz bar to devote himself to writing, Murakami began running to keep fit. A year later, he'd completed a solo course from Athens to Marathon, and now, after dozens of such races, he reflects upon the influence the sport has had on his life and on his writing. Equal parts travelogue, training log and reminiscence, this revealing memoir covers his four-month preparation for the 2005 New York City Marathon and settings ranging from Tokyo's Jingu Gaien gardens, where he once shared the course with an Olympian, to the Charles River in Boston. By turns funny and sobering, playful and philosophical, this is a must-read for fans of this masterful yet private writer as well as for the exploding population of athletes who find similar satisfaction in distance running. *Murakami's new book

Novelist as a Vocation is available now* 'There can never have been a book quite like this memoir of running and writing before. In its self-contained way, it's nothing less than an inspiration' Evening Standard 'Hugely enjoyable...You don't have to have run a marathon to be captivated' Sunday Telegraph 'Comical, charming and philosophical...an excellent memoir' GQ

A Room at a Time Jo Freeman,2002 In this important volume, Jo Freeman brings us the very full, rich story of how American women entered into political life and party politics-well before suffrage and, in many cases, completely separate from it. She shows how women carefully and methodically learned about the issues, the candidates, and the institutions, put themselves to work, and made themselves indispensable not only to the men running for office, but to the political system overall.

A Long Walk to Water Linda Sue Park,2010 The New York Times bestseller A Long Walk to Water begins as two stories, told in alternating sections, about two eleven-year-olds in Sudan, a girl in 2008 and a boy in 1985. The girl, Nya, is fetching water from a pond that is two hours' walk from her home: she makes two trips to the pond every day. The boy, Salva, becomes one of the lost boys of Sudan, refugees who cover the African continent on foot as they search for their families and

for a safe place to stay. Enduring every hardship from loneliness to attack by armed rebels to contact with killer lions and crocodiles, Salva is a survivor, and his story goes on to intersect with Nya's in an astonishing and moving way.

Happiness 365 Deena Chopra, K. C. Harry, 2014-09-13 We know this to be true: It's a given that life is not about rainbows and sunshine all of the time. There will be days that it is going to be hard to hold your head high and put a smile on your face. However, happiness is a choice; and sometimes, you just occasionally need a boost to remind yourself of that fact. It is intuitive that people who smile and cut out negativity from their life will live longer, healthier lives. You hear it in TED talks, read it on blogs, and physicians (and psychologists) use it as a mantra. Stress and anger cause health complications that make life harder than it needs to be. It will also leave you with higher medical bills, which will cause more stress if you are struggling financially. This book is designed to help give you that small happiness boost you may require at any time. It provides a variety of quotes, new and older, to help you put perspective on your mood, regardless of where you are at in your life. It is organized for quotes to be consumed once per day, however we welcome you to peruse through the pages until you find one that resonates with you at that specific moment. No matter who you are, be it a teenager or in later stages of life, whether you are married or divorced, an entrepreneur or a career professional, or even unemployed, choosing to be happy helps you in all facets of your life. Take it a day at a time, and find the quotes that speak to your needs for the day. Read, reflect and refocus when the stress and trials of the day attempt to derail your mood. You deserve to be happy so find it in your mind. PS: This is a simple paperback version of the eBook. It has an additional journaling feature, which that allows you to journal each morning by drawing inspiration from the quote you select for that day. You can also follow along with Deena and KC as they share each day's quote by email and on social media, and turn this journey into an inspirational worldwide community discussion. Join us! My Year of Rest and Relaxation Ottessa Moshfegh, 2018-07-10 From one of our boldest, most celebrated new literary voices, a novel about a young woman's efforts to duck the ills of the world by embarking on an extended hibernation with the help of one of the worst psychiatrists in the annals of literature and the battery of medicines she prescribes Our narrator should be happy, shouldn't she? She's young, thin, pretty, a recent Columbia graduate, works an easy job at a hip art gallery, lives in an apartment on the Upper East Side of Manhattan paid for, like the rest of her needs, by her inheritance. But there is a dark and vacuous hole in her heart, and it isn't just the loss of her parents, or the way her Wall Street boyfriend treats her, or her sadomasochistic relationship with her best friend, Reva. It's the year 2000 in a city aglitter with wealth and possibility; what could be so terribly wrong? My Year of Rest and Relaxation is a powerful answer to that question. Through the story of a year spent under the influence of a truly mad combination of drugs designed to heal our heroine from her alienation from this world, Moshfegh shows us how reasonable, even necessary, alienation can be. Both tender and blackly

funny, merciless and compassionate, it is a showcase for the gifts of one of our major writers working at the height of her powers.

Love & Misadventure Lang Leav, 2013-09-17 The journey from love to heartbreak to finding love again is personal yet universal. Lang Leav's evocative love poetry speaks to the soul of anyone who is on this journey. Leav has an unnerving ability to see inside the hearts and minds of her readers. Her talent for translating complex emotions with astonishing simplicity has won her a cult following of devoted modern poetry fans from all over the world. Forget the dainty, delicate love poems of yore; these little poems pack a mighty punch. Lang Leav is a poet and internationally exhibiting artist. Her work expresses the intricacies of love and loss. Love & Misadventure is her first poetry collection.

Legend Marie Lu, 2012-02-02 Legend is the much-anticipated dystopian thriller debut from US author, Marie Lu. THE must-read dystopian thriller fiction for all teen fans of The Hunger Games by Suzanne Collins and Divergent by Veronica Roth. A brilliant re-imagining of Les Miserables, the series is set to be a global film sensation as CBS films have acquired rights to the trilogy. The Twilight Saga producers, Marty Bowen and Wyck Godfrey, will produce. Los Angeles, California Republic of America He is Day. The boy who walks in the light. She is June. The girl who seeks her brother's killer. On the run and undercover, they meet by chance. Irresistably drawn together, neither knows the other's past. But Day murdered June's brother. And she has sworn to avenge his death. Dystopian fiction at its very best in this thrilling instalment in the Legend trilogy. Praise for Legend: 'If you loved The Hunger Games, you'll love this.' - Sarah Rees-Brennan, author of The Demon's Lexicon 'A fine example of commercial fiction with razor-sharp plotting, depth of character and emotional arc, 'Legend' doesn't merely survive the hype, it deserves it.' - New York Times 'Marie Lu's dystopian novel is a 'Legend' in the making.' - USA Today 'Legend is impossible to put down and even harder to forget.' - Kami Garcia, author of New York Times bestselling author of film sensation, Beautiful Creatures
