*Den of Vipers* K. A. Knight,2020-07-10 The world ended and with it so did the rules. I was stolen from my family and raised in the Wastelands to the North. I did what I had to ensure my survival. I became The Champion, with my history carved into my skin for all to see. Now I spend my days drinking and hiding from my past until four newcomers offer me a job I can't refuse. When my past and future mix I must once again rise and fight. This time it's not for my freedom, it's for my happiness. Contains mature themes.

**Rage** K. A Knight,2019-06-17 My husband killed me. Then he screwed his way through the city, the only problem? I didn't stay dead. It seems killing me woke something deep inside, something so dark and buried so deep I never knew it was there. I don't know what I am, I don't really care. All I can think about is revenge, even as the monsters in the dark start to surround me. Their horns and black eyes, mouths filled with fangs claiming I am theirs. My monsters will have to wait, he will regret the day he crossed me.Are you scared of the dark? You should be.\*18+ Reverse Harem Romance. Warning this book contains scenes and references of abuse/assault that some readers may find triggering. Along with graphic sex scenes and violence. This is a dark book\*

*The Enemy Within* robert firth,2013-02 For the very worst kind of liberals, they long ago, beginning with guys like Bertram Russell, Woodrow Wilson and the Fabian Society, understood that the greatest flaw in democracy was the one man one vote concept and, if they could corrupt this system, they could hugely benefit and, in the process, gain enormous power and riches. It is this second kind of scoundrel we have to thank for the terrible situation we in America find ourselves in today. We will show, step by bloody step, how these miserable creatures have crippled our lovely, free and once great country- how they originated, hatched and engineered nefarious plots to bring us down and themselves up. We will show, with no chance of the guilty escaping our scrutiny, who these swine are and how they did what they have done. Once you have read and comprehended the contents of this book, your view of liberals, progressives, democrats, socialists, communists and fellow travelers will never again be the same. You will hate them with every fiber of your being! You will fight them at

every turn, to the death, if that is what it will take. Robert J. Firth January 2011

The Defeat of Youth Aldous Huxley,2011-02-01 By all accounts, Aldous Huxley was a brilliant and voracious thinker and artist whose creative output knew no literary bounds. This volume gathers some of his best-remembered verse, including the memorable title poem, which is a sequence of 22 thematically interwoven sonnets.

Team of Vipers Cliff Sims,2019-01-29 THE INSTANT NEW YORK TIMES BESTSELLER Sims’s vivid portrait of Trump shrewdly balances admiration with misgivings, and his intricate, engrossing accounts of White House vendettas and power plays have a good mix of immersion and perspective. The result is one of the best of the recent flood of Trump tell-alls. —Publishers Weekly The first honest insider’s account of the Trump administration. If you hate Trump you need the truth; if you love Trump you need the truth. After standing at Donald Trump’s side on Election Night, Cliff Sims joined him in the West Wing as Special Assistant to the President and Director of White House Message Strategy. He soon found himself pulled into the President’s inner circle as a confidante, an errand boy, an advisor, a punching bag, and a friend. Sometimes all in the same conversation. As a result, Sims gained unprecedented access to the President, sitting in on private meetings with key Congressional officials, world leaders, and top White House advisors. He saw how Trump handled the challenges of the office, and he learned from Trump himself how he saw the world. For five hundred days, Sims also witnessed first-hand the infighting and leaking, the anger, joy, and recriminations. He had a role in some of the President’s biggest successes, and he shared the blame for some of his administration’s worst disasters. He gained key, often surprising insights into the players of the Trump West Wing, from Jared Kushner and John Kelly to Steve Bannon and Kellyanne Conway. He even helped Trump craft his enemies list, knowing who was loyal and who was not. And he took notes. Hundreds of pages of notes. In real-time. Sims stood with the President in the eye of the storm raging around him, and now he tells the story that no one else has written—because no one else could. The story of what it was really like in the West Wing as a member of the President’s team. The story of power and palace intrigue, backstabbing and bold victories, as well as painful moral compromises, occasionally with yourself. Team of Vipers tells the full story, as only a true insider could.

**Blindsight** Peter Watts, 2006-10-03 Hugo and Shirley Jackson award-winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel, *Blindsight* Two months since the stars fell... Two months of silence, while a world held its breath. Now some half-derelict space probe, sparking fitfully past Neptune's orbit, hears a whisper from the edge of the solar system: a faint signal sweeping the cosmos like a lighthouse beam. Whatever's out there isn't talking to us. It's talking to some distant star, perhaps. Or perhaps to something closer, something en route. So who do you send to force introductions with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate, sentient processing cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist—an informational topologist with half his mind gone—as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Aurora's Coven** K.A Knight,2018-10-21 I have a secret. Darkness exists. I try to hide, but where can I go when it lives inside me? On the run from those who want to kill me, I've made an uneasy alliance and found a new home. Everything is going just fine until a coven of witches walk into the pub where I work. Broody, sexy, and scary as hell, I'm determined to avoid them, no matter how much attraction sizzles between us. But Ezra, Alexander, Jason, and Benjamin have no intention of leaving me alone. They're the council's finest hunters, and they recognize the darkness that lives inside me, even if they don't know what it is. They're in town on a mission and agree to hold off turning me in. Which means I have limited time to convince them I'm not a bad person. The darkness inside me is growing, though, and when it breaks free in public, I'll be forced to face the consequence. The only question is, can I trust these men who I feel a bond with, or will it lead to my destruction? p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Helvetica} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Helvetica; min-height: 14.0px}

*Serpent & Dove* Shelby Mahurin,2019-09-03 New York Times Bestseller \* Indiebound Bestseller \* An Amazon Best Book of 2019 \* B&N's YA Book Club Pick A brilliant debut, full of everything I love: a sparkling and fully realized heroine, an intricate and deadly system of magic, and a searing romance that kept me reading long into the night. *Serpent & Dove* is an absolute gem of a book. —Sarah J. Maas, #1 New York Times bestselling author of *A Court of Thorns and Roses* series Bound as one, to love, honor, or burn. Book one of a stunning fantasy trilogy, this tale of witchcraft and forbidden love is perfect for

fans of Kendare Blake and Sara Holland. Two years ago, Louise le Blanc fled her coven and took shelter in the city of Cesarine, forsaking all magic and living off whatever she could steal. There, witches like Lou are hunted. They are feared. And they are burned. As a huntsman of the Church, Reid Diggory has lived his life by one principle: Thou shalt not suffer a witch to live. But when Lou pulls a wicked stunt, the two are forced into an impossible situation—marriage. Lou, unable to ignore her growing feelings, yet powerless to change what she is, must make a choice. And love makes fools of us all. Don't miss *Gods & Monsters*, the spellbinding conclusion of this epic trilogy!

**Melmoth the Wanderer** Charles Robert Maturin, 1892

[The Poisonwood Bible](#) Barbara Kingsolver, 2009-10-13 New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection “Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty.” —Los Angeles Times Book Review *The Poisonwood Bible*, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleanna Price reconstructs the story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.

*Before They Are Hanged* Joe Abercrombie, 2015-09-08 The second novel in the wildly popular First Law Trilogy from New York Times bestseller Joe Abercrombie. Superior Glokta has a problem. How do you defend a city surrounded by enemies and riddled with traitors, when your allies can by no means be trusted, and your predecessor vanished without a trace? It's enough to make a torturer want to run -- if he could even walk without a stick. Northmen have spilled over the border of Angland and are spreading fire and death across the frozen country. Crown Prince Ladisla is poised to drive them back and

win undying glory. There is only one problem -- he commands the worst-armed, worst-trained, worst-led army in the world. And Bayaz, the First of the Magi, is leading a party of bold adventurers on a perilous mission through the ruins of the past. The most hated woman in the South, the most feared man in the North, and the most selfish boy in the Union make a strange alliance, but a deadly one. They might even stand a chance of saving mankind from the Eaters -- if they didn't hate each other quite so much. Ancient secrets will be uncovered. Bloody battles will be won and lost. Bitter enemies will be forgiven -- but not before they are hanged.
