Joyce Dennys

Provincial Daughter R. M. Dashwood, 1961

Are We Having Fun Yet? Lucy Mangan, 2021-10-14 Shortlisted for the 2022 Bollinger Everyman Wodehouse Prize for Comic Fiction 'Utterly, utterly perfect and brilliant - I think it is, simply, a new classic, and the book every woman will be able to trust to make her happy when she picks it up' - Caitlin Moran 'Utterly wonderful ... full of love. Enormously uplifting, funny and witty and wry' - Marian Keyes 'A glorious, outrageously funny retelling of E.M. Delafield's Diary of a Provincial Lady. At once, a celebration of the joy of family life and a cry of anguish at the utter hell of it. Laugh out loud, compulsive reading' - Nina Stibbe Meet Liz: all she wants is some peace and quiet so she can read a book with her cat Henry, love of her life, by her side. But trampling all over this dream is a group of wild things also known as Liz's family. Namely: Richard - a man, a husband, no serious rival to Henry. Thomas - their sensitive seven year old son, for whom life is a bed of pain already. Evie - five year old acrobat, gangster, anarchist, daughter. And as if her family's demands (Where are the door keys? Are we made of plastic? Do 'ghost poos' really count?) weren't enough, Liz must also contend with the madness of parents, friends, bosses, and at least one hovering nemesis. *Are We Having Fun Yet?* is a year with one woman as she faces all the storms of modern life (babysitters, death, threadworms) on her epic quest for that holy grail: a moment to herself.

Consequences E. M. Delafield, 2022-09-15 In 'Consequences' by E. M. Delafield, readers are transported to early 20th-century England, where the novel explores the life of Alex Clare, a young woman navigating societal expectations and personal desires. Delafield's writing style is characterized by its incisive wit and astute observations of the human condition, making 'Consequences' both a social commentary and a compelling story of self-discovery. The novel is set against the backdrop of a rapidly changing world, reflecting the shifting dynamics of gender roles and class distinctions in the interwar period. Delafield's nuanced exploration of Alex's journey offers readers a poignant glimpse into the complexities of womanhood and autonomy in a restrictive society. E. M. Delafield, herself a prolific writer and social commentator, drew inspiration for 'Consequences' from her own experiences as a woman navigating the expectations of her time. Her keen insight into the challenges faced by women in a patriarchal society lends authenticity and depth to the novel's themes. Delafield's unique perspective shines through in the vivid portrayal of Alex's struggles and triumphs, leaving a lasting impact on readers. I highly recommend 'Consequences' to readers interested in nuanced character studies, feminist literature, and

historical novels that offer a glimpse into the complexities of early 20th-century society. Delafield's insightful storytelling and compelling narrative make this novel a must-read for those seeking both intellectual stimulation and emotional depth.

Henrietta's War Joyce Denny, 2011-07-01 Spirited Henrietta wishes she was the kind of doctor's wife who knew exactly how to deal with the daily upheavals of war. But then, everyone in her close-knit Devonshire village seems to find different ways to cope: there's the indomitable Lady B, who writes to Hitler every night to tell him precisely what she thinks of him; the terrifyingly efficient Mrs Savernack, who relishes the opportunity to sit on umpteen committees and boss everyone around; flighty, flirtatious Faith who is utterly preoccupied with the latest hats and flashing her shapely legs; and then there's Charles, Henrietta's hard-working husband who manages to sleep through a bomb landing in their neighbour's garden. With life turned upside down under the shadow of war, Henrietta chronicles the dramas, squabbles and loyal friendships that unfold in her affectionate letters to her 'dear childhood friend' Robert. Warm, witty and perfectly observed, *Henrietta's War* brings to life a sparkling community of determined troupers who pull together to fight the good fight with patriotic fervour and good humour. *Henrietta's War* is part of The Bloomsbury Group, a new library of books from the early twentieth-century chosen by readers for readers.

The Way Things Are E. M. Delafield, 2011-09-28 'You've never told me about your marriage, Laura?' said Duke Ayland. . . 'Yes. It's only - I'm very fond of Alfred,' said Laura, taking the plunge and temporarily unaware that almost all wives begin conversations about almost all husbands in precisely the same way Laura has been married for seven years. On those occasions when an after-dinner snooze behind *The Times* seems preferable to her riveting conversation about their two small sons, Laura dismisses the notion that Alfred does not understand her, reflecting instead that they are what is called happily married. At thirty-four, Laura wonders if she's ever been in love - a ridiculous thing to ask oneself. Then Duke Ayland enters her life and that vexing question refuses to remain unanswered . . . With Laura, beset by perplexing decisions about the supper menu, the difficulties of appeasing Nurse, and the necessity of maintaining face within the small village of Quinerton, E.M. Delafield created her first Provincial Lady. And in the poignancy of Laura's doubts about her marriage, she presents a dilemma which many women will recognise.

The heel of Achilles E. M. Delafield, 2024-10-28 I am an orphan, reflected Lydia Raymond, with immense satisfaction. She was a very intelligent little girl of twelve years old, and she remembered very well that when her father had died out in China, three years ago, it was her mother who had been the centre of attention and compassion. People had spoken about her poor dead father, and had praised him and pitied him, but their real attention had all been for the widow, who was there under their eyes, pathetic and sorrow-stricken. Lydia herself had been poor little thing, but Grandpapa and her aunts and uncle had all told her that it was her mother who must be thought of now, and she knew that they kept on saying to one another that the child will be a comfort to poor Mary. Her own individuality, which she felt so strongly, did not seem to count

at all, and Lydia had, quite silently, resented that intensely, ever since she could remember anything at all.

The Diary of a Provincial Lesbian V. G. Lee,2006-01-01 'Diary of a Provincial Lesbian' juggles funny encounters with next-door neighbours, Dierdre and Martin, work colleagues like Tom, who's thinking of coming out, and Miriam a 'semi-retired' lesbian.

The Messalina of the Suburbs (Based on a Real-Life Murder Case) E. M. Delafield,2024-01-08 In 'The Messalina of the Suburbs (Based on a Real-Life Murder Case)', E. M. Delafield delves into the realm of psychological suspense, combining elements of true crime with keen observations of human nature in the suburban setting. Delafield's narrative style is characterized by a precise prose that captures the nuances of societal norms and the complexities of the human mind. The book serves as a fascinating exploration of the darker side of domestic life and the lengths to which individuals may go to protect their secrets, making it a compelling read for fans of both crime fiction and social commentary. Delafield skillfully weaves together a gripping tale that keeps readers on the edge of their seats, unveiling layers of deception and betrayal with each turn of the page. 'The Messalina of the Suburbs' stands out as an intriguing blend of literary fiction and crime thriller, offering a thought-provoking take on suburban life and the hidden motives that drive human behavior.

Thank Heaven Fasting E. M. Delafield,2011-09-28 She could never, looking backwards, remember a time when she had not known that a woman's failure or success in life depended entirely upon whether or not she succeeded in getting a husband When in the company of a young man a dutiful daughter should immediately assume an air of fresh, sparkling enjoyment. She should not speak of being friends with him-a young man is either eligible or he is not-and never, but never, should she get herself talked about, for a young girl who does so is doomed. Men may dance with her, or flirt with her, but they don't propose. It would be quite a coup for a girl to find a husband during her first season, but if, God forbid, three seasons pass without success, she must join the ranks of those sad women who are a great embarrassment to society and, above all, to their disappointed mothers . . . With such thoughts in mind, how can Monica fail to look forward to her first ball?

Nothing Is Safe E. M. Delafield,2009-01 Im at a bit of an impasse here. I dont have spare copies of the books, so I cant be specific (ie delete pages xi, xii etc)! I simply cant do that. With regards to the prelim pages, thats rather similar. I sent two prelim pages for each title, which I can set out again if needed. One is a title page, and one is a copyright page. All I want is for premedia to delete the scored out pages, and insert my two in title page, copyright page order at the start of the book. Can you advise on how I can set this out so that they will accept this?

The Provincial Lady in America E. M. Delafield,2017 Following the success of her literary efforts, The Provincial Lady abandons the daily domestic grind of leaking ceilings and dead rodents in the bathroom for a publicity trip to America. Though initially nervous - as Miss S. of the Post-Office sagely advises, the country is, after all, A Long Way Off - she takes the plunge and sets off. From mixing with the literati to negotiating an unaccustomed number of bath-taps, rebuffing

assumptions about England's perpetual fog to visiting her first night-club, our heroine determinedly immerses herself in both living, and providing wry commentary upon, the American Way.

Tension (1920) by E. M. Delafield (Classics) E. M. Delafield,2016-03-11 Edmee Elizabeth Monica Dashwood, nee de la Pasture (9 June 1890 - 2 December 1943), commonly known as E. M. Delafield, was a prolific English author. She is best known for her largely autobiographical *Diary of a Provincial Lady*, which took the form of a journal of the life of an upper-middle class Englishwoman living mostly in a Devon village of the 1930s. Dinner with Edward Isabel Vincent,2016-05-24 "I loved every moment of this book . . . Everyone deserves their own Edward--and everyone deserves to read this book." —Susannah Cahalan, bestselling author of *Brain on Fire* When Isabel meets Edward, both are at a crossroads: he wants to follow his late wife to the grave, and she is ready to give up on love. Thinking she is merely helping Edward's daughter--who lives far away and has asked her to check in on her nonagenarian dad in New York--Isabel has no idea that the man in the kitchen baking the sublime roast chicken and light-as-air apricot soufflé will end up changing her life. As Edward and Isabel meet weekly for the glorious dinners that Edward prepares, he shares so much more than his recipes for apple galette or the perfect martini, or even his tips for deboning poultry. Edward is teaching Isabel the luxury of slowing down and taking the time to think through everything she does, to deconstruct her own life, cutting it back to the bone and examining the guts, no matter how messy that proves to be. *Dinner with Edward* is a book about love and nourishment, and about how dinner with a friend can, in the words of M. F. K. Fisher, "sustain us against the hungers of the world." "A rare, beautifully crafted memoir that leaves you exhilarated and wanting to live this way. Edward is a marvel of resilience and dignity, and Vincent shows us that the ceremony of food is really a metaphor for love. The key is to live your life generously." —Rosemary Sullivan, author of *Stalin's Daughter* "Isabel Vincent delves deeply into matters of the kitchen and the heart with equal and unabashed passion . . . Rich with description of meals savored, losses grieved, and moments cherished, it's at once tender, revealing, and utterly enchanting!" —*Gail Simmons, judge on

Bravo's Top Chef and author of Talking with My Mouth Full "One of the most stylish and emotional works of nonfiction I have ever read. I savored every page." —Bob Colacello, author Holy Terror: Andy Warhol Close Up "Although the food (I am partial to the roast chicken, lovingly described) is excellent, it is the charming and effortlessly wise company that makes this sweet read a charming way to pass a day." —George Hodgman, New York Times bestselling author of Bettyville "Delightfully combining the warm-heartedness of Tuesdays with Morrie with the sensual splendor of Julie and Julia. This is a memoir to treasure." —Booklist, starred review
