God Conversations Tania Harris, 2017 How do I know it's God? is one of the most commonly asked questions of new and mature Christians alike, and the aim of God Conversations is to both equip and inspire the reader and show them that hearing the voice of the Spirit is accessible to everyone who chooses to follow Jesus. Most Christians know that God speaks, yet struggle with how to recognise his voice in their everyday lives. What does God's voice sound like? How do we know if what we're hearing is from God? Stories of God talking to his people abound throughout the Bible, but we usually only get the highlights. We read; And God said to Joseph; 'Go to Egypt', and then; Mary and Joseph left for Egypt. We don't get a blow-

by-blow description of how God spoke. We don't receive a detailed explanation of how they knew it was God, and we don't get to see what was going on inside their heads as they acted on what they'd heard. In *God Conversations*, international speaker and pastor Tania Harris shares insights from her own journey about hearing God's voice. You'll get to eavesdrop on some contemporary conversations with God in the light of his communication with the ancient characters of the Bible. Part memoir, part teaching, this unique and creative collection of stories will help you to recognise God's voice when he speaks and how to respond when you do.

In *How to Hear from God*, Joyce Meyer shows readers that God reaches out to people every day, seeking a partnership with them to offer guidance and love. Receive Your Miracle Now Bob Sawvelle, 2017-04-11 I encourage anyone who wants to have a better grounding in the biblical, historical, and theological basis for believing in the continuation of the gifts-especially gift of healing-to make this a part of his or her library. This book is not milk; it is meat. —Randy Clark Jesus brought people into direct contact with the power and authority of God. Every healing and miracle revealed the glory of God and the reality of His kingdom. Jesus gave the disciples authority to proclaim the gospel of the kingdom, to heal the sick, and to deliver the oppressed. *Receive Your Miracle Now* presents a strong argument for the legitimacy of a Christian healing ministry in today's church. By studying key passages of Scripture in both the Old and New Testaments, examining the thread of healing throughout church history, and presenting a theological basis for healing and deliverance ministry, Bob Sawvelle demonstrates that through the healing gifts Jesus is still glorified, the sick are still healed, the oppressed are still freed, and God's kingdom advances in the earth, as it ever has.

You Can Hear the Voice of God Steve Sampson, 2015-03-17 When you talk to God, do you ever feel as if you are not getting through? You're not alone. At some point, most believers find themselves grappling with difficult questions like Would God really talk to me personally? and How do I know it's truly God talking, and not my own thoughts? But here's the good news: Hearing God is simpler than you think. It's possible to have a relationship with God that involves both speaking and listening. In fact, it's God's desire; He wants to talk to you. In this revised and expanded edition of a classic work, author and teacher Steve Sampson shows you how to pray not just wishing you'd hear God's voice--but expecting to hear it. Sampson's uncomplicated, practical perspective will help you cultivate the two-way conversation with God you've always longed for. Before long, you'll hear Him speaking into your circumstances and relationships, expressing His love for you and showing you the next steps to take in your life. Don't settle for a one-sided conversation with God. Break through this barrier and develop a sensitive heart that hears--and responds to--God's still, small voice. With clarity and humor, Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing.--Bishop Mark J. Chironna, M.A., Ph.D., Church on the Living Edge, Orlando, Florida

Hearing the Voice of God: The Supernatural Phenomenon of Interior Locution Cometan, 2025-05-20 Hearing a divine voice is a type of supernatural experience recognised in religions the world over. In Catholicism, a handful of saints and blessed have reported experiencing locutions while some mystics have conducted theological inquiry into these divine communications. Locutions are not confined to the history books but continue as private revelation, a recent example being the locutions of Derrick Taylor which acted as the case study in this research. An English convert and post-conciliar traditionalist, Mr Taylor claimed to experience two sessions of locution during his lifetime (first in 1971 and again in 1978), both addressing his disillusionment with the Church hierarchy during the implementation of reforms to the Tridentine liturgy after the Second Vatican Council. The first was a locution brought about by the intermediation of the Sacred Heart while the second was spoken by the voice of a deceased priest who had been Mr Taylor's confessor. Deconstructing each of Mr Taylor's locutionary accounts and comparing them to past reports of locution tested them according to criteria established by mystics to help ascertain their authenticity.
