**If You Could See the Sun** Ann Liang, 2022-11-01 In this genre-bending YA debut, a Chinese American girl monetises her strange new invisibility powers by discovering and selling her wealthy classmates' most scandalous secrets. No secret is safe. Alice Sun has always felt invisible at her elite Beijing international boarding school, where she's the only scholarship student in a sea of uber-wealthy classmates. But she has a plan: be top in the class, attend a prestigious university, secure a killer job, and finally lift her family out of poverty. Then her parents drop a bomb — they can no longer afford her tuition, even with the scholarship. But that's the least of Alice's problems, because she has started uncontrollably turning invisible. As in completely, physically invisible. Alice realises there's an upside to her strange new power — unparalleled access to the secrets of China's most rich and influential teens. Soon, Alice has a new plan: offer her invisibility services to find out what her classmates want to know — for a price. But between balancing schoolwork, a growing relationship with academic-rival-turned-business-partner Henry, and stealing secrets, things start to fall through the cracks. As the tasks escalate from petty scandals to actual crimes, Alice must decide if helping her family is worth losing her conscience — or even her life. Utterly unique, thought-provoking, and wonderfully written...a thrilling ride that hooked me from start to finish. — Gloria Chao, author of *American Panda* and *Rent a Boyfriend*.

In real life, she works in a thankless job surrounded by screaming children, blocked toilets and work frenemies who pity her, whilst trying not to think too hard about her absent mother and doing her best to deal with debilitating panic attacks. So, when Maybell inherits a stately old manor from her eccentric Great Aunt Violet, it's as though a piece of her dreams has finally come true . . . But when she arrives at her new home, nothing is as she'd hoped. Not only is the magical manor she remembers falling apart, but Great Aunt Violet had plans. Enter Wesley Koehler, the handsome-yet-surly groundskeeper. Wesley turns out to be the co-inheritor of the property - and seems determined to avoid speaking to Maybell completely, which is just fine with Maybell. Yet, as the pair begin to tackle Violet's long list of demands, it becomes clear that Wesley's brooding exterior hides a shy, kind nature that has also found the real world a difficult place to be - in fact, could it be that Wesley and Maybell are better matched than even Maybell could ever have dreamed? Then I can go back to salvaging the family name and forget all about the dancing, beer-slugging brunette. Ally: Ha. Hold my beer, Grumpy Grump Face.

Think Like a Monk Jay Shetty,2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing

tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.
