

La Poetica Di Manzoni

Carlo Antonio Melchiorre Filippo Porta

Alessandro Manzoni Augustus Pallotta, 2007

Alessandro Manzoni's The Count of Carmagnola and Adelchis Alessandro Manzoni, 2004-09-07 Now, translator Federica Brunori Deigan presents lyrical English-language versions of these two tragedies which, taken together, dramatize the first two epochs in Manzoni's history of Italy. (The Betrothed completes the triptych, illustrating the period of Spanish domination.) Long unavailable in English, The Count of Carmagnola and Adelchis are distinguished by their dramatic power and thematic gravity. Manzoni considers the interactions of Christian morals and Machiavellian politics through deft psychological portraiture, ultimately revealing the course of history as a fabric woven by individuals free will according to a logical pattern of actions and reactions, within the vaster providential plan, that human eyes can only dimly perceive.--BOOK JACKET.

Fancy's Dream. A Poem. With a Translation of Manzoni's Ode Il Cinque Maggio Herbert BROOM, 1840

A History of Modern Criticism 1750-1950: Volume 2, The Romantic Age René Wellek, 1981-08-13

The Revolt of the Scribe in Modern Italian Literature Thomas Erling Peterson, 2010-01-01 The Revolt of the Scribe in Modern Italian Literature offers a perceptive re-assessment of Italian literary culture, focusing on the nature of modernity through the literature of those who revolt against established norms and expectations. By exploring selected works from authors such as Deledda, Foscolo, Ungaretti, Bertolucci, and Valeri, Thomas E. Peterson considers the categories of vatic poetry, the feminine voice, and the writings of those situated on Italy's cultural periphery. As practitioners of literary Italian, Peterson argues that these authors are conscious of their role in preserving both language and tradition during a period of great upheaval and national transformation. At the same time, they use their writings to move towards change, combat alienation, and reconfigure the self in relation to the community. In treating the act of authorship in terms of its cultural and didactic significance, Peterson successfully bridges the gap between traditional literary critical monographs and the trend toward cultural studies.

Alessandro Manzoni Joseph Francis De Simone, 1946

Manzoni and the Aesthetics of the Lombard Seicento Glenn Palen Pierce, 1998 Aligning these historical treatises with what little Manzoni said about art in his critical treatises, justifies a methodology that combines elements of ekphrasis

and a comparison of the variants from the first to the final version of the novel. Such methodology allows us to identify how both dramatic and pictorial influences common in seventeenth-century Lombard art manifest themselves in Manzoni's narrative constructs.

Nuova antologia di scienze, lettere ed arti, 1878

The National Idea in Italian Literature Edmund G. Gardner,

The Reasonable Romantic Sante Matteo, Larry H. Peer, 1986 The great European writer Alessandro Manzoni, 1785-1873, known primarily for his masterful novel *I promessi sposi* (*The Betrothed*), remains relatively unknown and insufficiently appreciated outside the rather narrow confines of Italian studies. Yet, his artistic and theoretical contributions to the Romantic debate and to Western literature were important ones, and influential throughout Europe. The seventeen studies collected in this book analyze and assess Manzoni's diverse literary roles: poet, dramatist, novelist, linguist, historian, religious thinker, aesthetic theorist. The articles are written in English, and all quoted Italian passages are also given in English translation. Thus, the book offers the English reader who may not be acquainted with this very important writer an introduction to the beauty, the richness, and the complexity of his wide-ranging writings. And yet, all the articles are original, never-before-published contributions on specific aspects of Manzoni studies which will be of interest to Manzoni scholars everywhere. The contributors (Jean-Pierre Barricelli, Larry H. Peer, Sante Matteo, Murray R. Low, Roberto Severino, Robert A. Hall, Jr., Gregory Lucente, Alfonso Procaccini, Stelio Cro, Clareece Godt, Steven C. Hughes, Massimo Verdicchio, S.B. Chandler, Franco Triolo, and Steven Sondrup) hail from different disciplines - Italian studies, comparative literature, history, linguistics - and include widely recognized experts on Manzoni as well as new voices in the field.

Alessandro Manzoni Jean-Pierre Barricelli, 1976

Manzoni's Christian Realism Ernesto G. Caserta, 1977

Critical Survey of Poetry Frank Northen Magill, 1984

Twentieth-Century Poetic Translation Daniela Caselli, Daniela La Penna, 2008-05-01 *Twentieth Century Poetic Translation* analyses translations of Italian and English poetry and their roles in shaping national identities by merging historical, cultural and theoretical perspectives. Focusing on specific case studies within the Italian, English and North American literary communities, spanning from 'authoritative' translations of poets by poets to the role of dialect poetry and anthologies of poetry, the book looks at the role of translation in the development of poetic languages and in the construction of poetic canons. It brings together leading scholars in the history of the Italian language, literary historians and translators, specialists in theory of translation and history of publishing to explore the cultural dynamics between poetic traditions in Italian and English in the twentieth century.

Lo spettacolo dell'uomo interiore Carlo Annoni,1997

Brill's Companion to the Reception of Classics in International Modernism and the Avant-Garde ,2016-12-08

Brill's Companion to the Reception of Classics in International Modernism and the Avant-Garde examines how the writers and artists who lived from roughly the last quarter of the nineteenth century to the middle of the twentieth sought to build a new world from the ashes of one marked by two world wars, global economic depression, the rise of nationalism, and the collapse of empires. By surveying the modernist appropriation of Ancient Greece and Rome, the fourteen chapters in this volume demonstrate how the Classics, as foundational texts of the old order, were nevertheless adapted to suit the stylistic innovation and formal experimentation that characterized modernist and avant-garde literature and art.

Poesie di Carlo Porta Carlo Antonio Melchiorre Filippo Porta,1887

Digression Olivia Santovetti,2007 This volume examines the workings of digression in the novels of five major Italian authors - Manzoni, Dossi, Pirandello, Gadda and Calvino - from the birth of the modern novel in the early 19th century to the era of postmodernist experimentation.
