*Instant Bible Plays, Just Add Kids!* Sarah V Tinsley, 2008-04-24 INSTANT BIBLE PLAYS makes learning fun! Children easily learn Bible stories through play acting. No practice is needed! Each Bible play lasts approximately ten to fifteen minutes. Included with each lesson are a list of characters, optional prop suggestions, a diagram, discussion questions, memory verse(s), and a closing prayer. Written in story-telling paragraph style, the script is read aloud as the children simply act out their parts. Plays accommodate any number of children. These 52 ready-made Bible plays are ideal for: children's Bible classes, vacation Bible schools, youth missions trips, children's church, adult worship presentations, home schools, and family devotions. Enjoy the children's imaginations and challenge your own creativity!

*The Touch of the Sacred* Gerrit Immink, 2014-08-03 All over the world Christian communities meet on Sunday morning for worship. But what really happens during a worship service? How do worshipers participate in the service? What does it mean to sing, pray, and celebrate the Lord's Supper together? What do worshipers do when they listen to a sermon? In *The Touch of the Sacred* Gerrit Immink offers thoughtful theological reflection on the religious practice of worship services in the Protestant tradition. He develops a theology of worship with a clear focus on the death and resurrection of Jesus Christ as he explores the meaning of worship, the mystery of Christ, the sacraments, prayer, and preaching. Ultimately, he says, something dynamic happens when a church congregation speaks and acts: it is touched by the sacred, by a very encounter with the living God.

*Child of War* Curtis Whitfield Tong, 2010-09-30 Hours after attacking Pearl Harbor on December 7, 1941, Japanese bombers stormed across the Philippine city of Baguio, where seven-year-old Curt Tong, the son of American missionaries, hid with his classmates in the woods near his school. Three weeks later, Curt, his mother, and two sisters were among the nearly five hundred Americans who surrendered to the Japanese army in Baguio. *Child of War* is Tong's touching story of the next three years of his childhood as he endured fear, starvation, sickness, and separation from his father while interned in three different Japanese prison camps on the island of Luzon. Written by the adult Tong looking back on his wartime ordeal, it offers a rich trove of memories about internment life and camp experiences. Relegated first to the men's barracks at Camp John Hay, Curt is taken under the wing of a close family friend who is also the camp's civilian leader. From this vantage point, he is able to observe the running of the camp firsthand as the war continues and increasing numbers of Americans are

imprisoned. Curt's days are occupied with work detail, baseball, and childhood adventures. Along with his mother and sisters, he experiences daily life under a series of camp commandants, some ruling with intimidation and cruelty but one, memorably, with compassion. In the last months of the war the entire family is finally reunited, and their ordeal ends when they are liberated from Manila's Bilibid Prison by American troops. *Child of War* is an engaging and thoughtful memoir that presents an unusual view of life as a World War II internee—that of a young boy. It is a valuable addition to existing wartime autobiographies and diaries and contributes significantly to a greater understanding of the Pacific War and its impact on American civilians in Asia.

*A Children's Play of the Stations of the Cross* Heather Cleaver, 2011-03-17 In this play, The Stations of the Cross become meaningful for children as they reenact Jesus' story and depict His suffering, sacrifice, and love. This book includes the script for A Children's Play of the Stations of the Cross, personal writing sections, directing notes annotated along the side of the script (for the young actor's ease of reading), pictures and directions for costumes/props, suggestions on how to tweak the play to make it suitable for your needs, and sample letters. If you are unable to put this play together at this time, it still serves as a fantastic read. Reading through this is a great way to introduce young children to the Stations of the Cross, and it is also helpful for anyone, regardless of age, to reflect on Jesus' Passion. I have had the honor of viewing this play as written and directed by Heather Cleaver, and I have also been honored to have co-directed this play three times . . . What makes this play spectacular is how the characters come alive so that the audience feels both the characters pain and their joy. Karen Plichta, Primary School Teacher

**The Crucified** Kamila Baraniecka-Olszewska, 2017-08-07 The book is an anthropological study of a phenomenon observed within the range of contemporary Polish Catholic religiosity. *The Crucified* focuses on two fundamental issues: passion plays and performance theory. It presents an analysis of material collected during five years of field research, which sheds light on the varied world of religious performances. The phenomenon of passion plays is extremely complex and to some extent heterogeneous, hence its in-depth analysis reveals much not only about its own nature, but also about the entire modern religiosity. As a result, the book is constructed in such a way as to focus on a single phenomenon, but with conclusions extending to a much wider range of contemporary religious practices. The book reveals the need for self-expression of one's own attitudes observable in contemporary spirituality, as well as the increasing participation of believers in the development of their religious life and thus in the formation of their own religious identity. All these processes are interpreted in terms of performance theory. Applying this approach makes it possible to capture the believers' need for activity and creativity in the field of practices alternative to the liturgy.

**The Family Story Bible** Ralph Milton, 1996 With characteristic warmth and humour, Ralph Milton retells Bible stories in

an engaging, contemporary way for kids and adults. 'The Family Story Bible' meets the expectations of today's values-oriented parents by using inclusive language for God, and including stories of both men and women in the Bible. Readers will find old favourite stories and they will discover stories often overlooked in children's Bibles, such as the stories of the prophets, wisdom literature, and the letters of the early church. A delight to read and hear. Margaret Kyle's illustrations brim with energy, curiosity, and joy, capturing in full colour the setting and the spirit of the stories.

*Reading Texts for Performance and Performances as Texts* Pamela M. King, 2020-11-22 This volume brings together nineteen important articles by Pamela M. King, one of the foremost British scholars working on Early English Drama. Unique to this collection are five articles on the 'living' traditions of performances in Spain, discussing their origins and the modes of production that are used. Several articles use modern literary theory on aspects of early drama, whilst others consider drama in the context of late medieval poetry. The volume also includes a rich collection of articles on English scriptural plays from surviving manuscripts.

*Eucharist Family Guide* Brown-Roa Publishing, 2000-07 Celebrating Our Faith is an exciting new series for sacramental preparation. Following the Order of the Mass and the communal Rite of Reconciliation, each chapter incorporates a major movement of the rite, a Scripture story, an activity, and prayer. The Family Guides were created for parishes where children are prepared for First Eucharist and First Reconciliation in neighborhood clusters or at home by adult family members. Each Family Guide contains: -- family preparation pages that offer instruction on teaching the material in the Child's Book -- a scope and sequence for the complete series -- information on preparing a child for the other Sacraments of Initiation -- ways to use the resources at the back of the Child's Book -- Sharing Pages for an ongoing project to summarize each chapter's theme and additional at-home prayer and activities

**Doctor Faustus** Sara Munson Deats, 2015-04-06 Doctor Faustus, is Christopher Marlowe's most popular play and is often seen as one of the overwhelming triumphs of the English Renaissance. It has had a rich and varied critical history often arousing violent critical controversy. This guide offers students an introduction to its critical and performance history, surveying notable stage productions from its initial performance in 1594 to the present and including TV, audio and cinematic versions. It includes a keynote chapter outlining major areas of current research on the play and four new critical essays. Finally, a guide to critical, web-based and production-related resources and an annotated biography provide a basis for further individual research.

The Oberammergau Passion Play Kevin J. Wetmore, Jr., 2017-02-06 Every ten years since 1634, the Bavarian village of Oberammergau has performed the world's most famous Passion Play, recounting the last days of Jesus Christ. In 2010, presenting the play for the 41st time, the village broke with tradition to offer a new interpretation for a post-millennial, international audience. Drawing on interviews with villagers and international responses, this collection of new essays

provides an analysis of the play by scholars who attended. Topics include changes in response to charges of anti-Semitism, how the play defines the village, how the performance changes the audience, and a comparison of Oberammergau 2010 with American Passion Plays, Indian pilgrimage drama and other German Passion Plays.

*31 Days to Becoming a Better Religious Educator* Jared Dees, 2013-05-21 Creator of the popular website The Religion Teacher, Jared Dees shares practical, easy-to-use teaching strategies and exercises for spiritual growth in his book *31 Days to Becoming a Better Religious Educator*. Each of the thirty-one days includes a clear title that gives the lesson theme, a quotation from Scripture, an introduction to the exercise, step-by-step actions to take for the day, and spiritual enrichment ideas for the educator.

**Chainsaws, Slackers, and Spy Kids** Alison Macor, 2010-03-01 During the 1990s, Austin achieved "overnight" success and celebrity as a vital place for independent filmmaking. Directors Richard Linklater and Robert Rodriguez proved that locally made films with regional themes such as *Slacker* and *El Mariachi* could capture a national audience. Their success helped transform Austin's homegrown film community into a professional film industry staffed with talented, experienced filmmakers and equipped with state-of-the-art production facilities. Today, Austin struggles to balance the growth and expansion of its film community with an ongoing commitment to nurture the next generation of independent filmmakers. *Chainsaws, Slackers, and Spy Kids* chronicles the evolution of this struggle by re-creating Austin's colorful movie history. Based on revealing interviews with Richard Linklater, Robert Rodriguez, Mike Judge, Quentin Tarantino, Matthew McConaughey, George Lucas, and more than one hundred other players in the local and national film industries, Alison Macor explores how Austin has become a proving ground for contemporary independent cinema. She begins in the early 1970s with Tobe Hooper's horror classic, *The Texas Chainsaw Massacre*, and follows the development of the Austin film

scene through 2001 with the production and release of Rodriguez's \$100-million blockbuster, *Spy Kids*. Each chapter explores the behind-the-scenes story of a specific movie, such as Linklater's *Dazed and Confused* and Judge's *Office Space*, against the backdrop of Austin's ever-expanding film community.

*Bridges to Freedom* Don Straub M.A CCC,2020-07-28 A theme that threads its way throughout this book is the law of love and freedom. Simply put, "There is no love without freedom." God, therefore, is not only God of love but God of freedom. He gave everything through Jesus to restore our freedom. This helps us make sense of our experiences of suffering and death Don Straub, a counselor who has also been a teacher and pastor, shares his life experiences in his work in Canada and Africa, being married three times, losing two wives to death, and being a father. He also shares his analysis of Scripture and scientific research to help readers move closer to God, enjoy spiritual growth, manage emotions, and cultivate healthy relationships. The "bridges to freedom" he highlights include authenticity, grace, healthy self-love, healthy self-talk, self-awareness, gratitude, assertiveness, and forgiveness. Move closer to the Lord, get past your mistakes, and learn life lessons with the essential bridges described in this book.

*Christ in the Classroom* Jared Dees,2018-09-07 If the goal of catechesis is to cultivate an encounter with Christ, why do religious educators spend so much time focused almost exclusively on ideas and not experiences? The reason is that many have never been shown a method that inspires the heart while also instructing the mind. Jared Dees, creator of the popular website *The Religion Teacher*, shows how applying the steps of *lectio divina* to teaching can reorient religious education toward encountering the person of Christ rather than merely sharing information about him. In *Christ in the Classroom*, Catholic author and speaker Jared Dees applies the five steps of *lectio divina*—reading/learning, meditation, prayer, contemplation, and action—to the ministry of catechesis. He offers teachers and catechists a practical framework for preparing lessons that broaden the focus of teaching from mostly intellectual learning to also encountering Christ in prayer, reflection, and action. Using this method, students and catechists come to know intimately the person of Christ at the same time that they are learning the tenets and traditions of the Church. Dees shares stories of success and failure from his own teaching experience and he offers dozens of field-tested strategies, tactics, and teaching methods to effectively integrate the steps of *lectio divina* into the classroom or other catechetical setting. Outfitted with these tools, both experienced and new religious educators will feel confident in their ability to teach effectively and lead their students to a life-changing encounter with Jesus.
