**Sherrilyn Kenyon,Dianna Love**

**Verdad silenciada (Agentes secretos 4)** Sherrilyn Kenyon,Dianna Love,2014-03-30 Cuarta entrega de la serie «Agentes secretos». Hunter Thornton Payne III ha perfeccionado el rol de playboy aburrido, lo que le permite operar como agente encubierto de la agencia B.A.D. y moverse silenciosamente en los círculos sociales llenos de los ricos de siempre, los nuevos ricos y criminales desesperados por unirse a cualquiera de los dos grupos anteriores. Habiendo crecido en una familia que convirtió el ser disfuncional en un arte, Hunter protege su soltería más que a una amante y desprecia a los medios que se alimentan de la debilidad de los otros para proporcionar carnaza a los chacales sedientos de sangre. Actualmente se ocupa del Centro de Mujeres Renacentistas, una fundación auspiciada por la élite de Chicago con la intención de conseguir información de un topo que está dentro de la peligrosa organización de los Fratelli De Il Sovrano. Entonces la noche le trae una agradable sorpresa cuando localiza al hombre que podría ser la llave para cumplir su venganza personal. Pero primero tiene que encontrar y exterminar a un asesino que está matando a inocentes americanos conectado con un acuerdo armamentístico. La agencia cree que el asesino podría ser un oficial del MI6 (servicio de inteligencia secreto británico) que se ha vuelto un traidor, aunque luego se preguntan si en realidad lo que está haciendo es seguir órdenes de alguien más alto. La misión de Hunter da un giro inesperado cuando entra en escena una mujer con la que compartió una memorable noche en el pasado y se coloca en la línea de fuego impidiendo que Hunter pueda cumplir la misión de proteger a su país y a su familia para salvar a la única mujer que ha conseguido derribar sus defensas.

*Secrets of the Millionaire Mind* T. Harv Eker, 2009-10-13 #1 New York Times, Wall Street Journal, and USA Today Bestseller! *Secrets of the Millionaire Mind* reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking *Secrets of the Millionaire Mind*, T. Harv Eker states: Give me five minutes, and I can predict your financial future for the rest of your life! Eker does this by identifying your money and success blueprint. We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. *Secrets of the Millionaire Mind* is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and revise it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen Wealth Files, which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!
