»Rotznasen«. *Filmkinder - aus längst vergangenen Tagen* Jens Rübner, 2013-01-18

Youth Without God Odon Von Horvath, 2012-10-30 Written in exile while in flight from the Nazis, this dark, bizarre evocation of everyday life under fascism is available for the first time in thirty years. This last book by Ödön von Horváth, one of the 20th-century's great but forgotten writers, is a dark fable about guilt, fate, and the individual conscience. An unnamed narrator in an unnamed country is a schoolteacher with "a safe job with a pension at the end of it." But, when he reprimands a student for a racist comment, he is accused of "sabotage of the Fatherland," and his students revolt. A murder follows, and the teacher must face his role in it, even if it costs him everything. Horváth's book both points to its immediate context—the brutalizing conformity of a totalitarian state, the emptiness of faith in the time of the National Socialists—and beyond, to the struggles of individuals everywhere against societies that offer material security in exchange for the abandonment of one's convictions. Reminiscent of Camus' *The Stranger* in its themes and its style, *Youth Without God* portrays a world of individual ruthlessness and collective numbness to the appeals of faith or morality. And yet, a commitment to the truth lifts the teacher and a small band of like-minded students out of this deepening abyss. It's a reminder that such commitment did exist in those troubled times—indeed, they're what led the author to flee Germany, first for Austria, and then France, where he met his death in a tragic accident, just two years after the publication of *Youth Without God*. Long out of print, this new edition resurrects a bracing and still-disturbing vision. "Horváth was telling the truth. Furiously." —Shalom Auslander

The Wonderful Years Reiner Kunze, Joachim Neugroschel, 1977-04-01 In an English seaside village just after the Second World War, a seemingly ordinary family in a state of claustrophobic tension seethes with the violence that lies beneath so much of the surface of life

In the Congo Urs Widmer, 2015 Kuno, a male nurse in an old people's home in Switzerland, has a new inmate: his father. In the isolation of the home, they finally start talking. Kuno had always regarded his father as boring, a man without a history and without a destiny until one day he realizes that he had once risked his life in the war. His ageing father had a destiny, and what a destiny it was! This realization changes Kuno's life, and he embarks on a journey into his own psyche which takes him to the depths of the Congo. Longings awaken and dreams come true rays of light in the darkness, meetings with kings, seductive women and the songs of the jungle: the alluring far-away places which he once regarded as the heart of darkness

become an adventurous, exciting scene of lunacy, wildness and a test of his own inner strength. In his characteristic manner, Urs Widmer spins yet another riveting yarn, but this time he threads through the many aspects of the relationship between Europe and Africa an always timely tale.

Die irische Helden- und Königssage bis zum siebzehnten Jahrhundert Rudolf Thurneysen, 1921

On the accuracy of economic observations, 1950

The Art of The Matrix Lana Wachowski, Larry Wachowski, Andy Wachowski, Geof Darrow, 2000 The art was the best thing about the movie. This book provides an opportunity to appreciate it without the blight of Keanu Reeves' acting. Serving as a pre-production archive of the work related to The Matrix, this coffee table edition includes the complete script, along with stills from the movie, four double-sided gatefolds featuring conceptual drawings, and commentary by the artists. Some in color, some in black and white, approximately 700 storyboards (including three cut from the final film) tell the story with a comic book sensibility. Author William Gibson provides an afterword. c. Book News Inc.

German Romanticism and Its Institutions Theodore Ziolkowski, 1992-05-05 Using an illuminating method that challenges the popular notion of Romanticism as aesthetic escapism, Theodore Ziolkowski explores five institutions--mining, law, madhouses, universities, and museums--that provide the socio-historical context for German Romantic culture. He shows how German writers and thinkers helped to shape these five institutions, all of which assumed their modern form during the Romantic period, and how these social structures in turn contributed to major literary works through image, plot, character, and theme. Ziolkowski cannot fail to impress the reader with a breadth of erudition that reveals fascinating intersections in the life and works of an artist.... He conveys the sense of energy and idealism that fueled Schiller and Goethe, Fichte and Hegel, Hoffmann and Novalis....--Emily Grosholz, *The Hudson Review* [This book] should be put in the hands of every student who is seriously interested in the subject, and I cannot imagine a scholar in the field who will not learn from it and be delighted with it.--Hans Eichner, *Journal of English and Germanic Philology* Ziolkowski is among those who go beyond lip-service to the historical and are able to show concretely the ways in which generic and thematic intentions are inextricably enmeshed with local and specific institutional circumstances.--Virgil Nemoianu, *MLN*

The Rise of the Gothic Novel Maggie Kilgour, 2013-11-19 One of the central images conjured up by the gothic novel is that of a shadowy spectre slowly rising from a mysterious abyss. In *The Rise of the Gothic Novel*, Maggie Kilgour argues that the ghost of the gothic is now resurrected in the critical methodologies which investigate it for the revelation of buried cultural secrets. In this cogent analysis of the rise and fall of the gothic as a popular form, Kilgour juxtaposes the writings of William Godwin with Mary Wollstonecraft, and Ann Radcliffe with Matthew Lewis. She concludes with a close reading of the quintessential gothic novel, Mary Shelley's *Frankenstein*. An impressive and highly original study, *The Rise of the Gothic Novel* is an invaluable contribution to the continuing literary debates which surround this influential genre.

Maintenance and Loss of Minority Languages Willem Fase, Koen Jaspaert, Sjaak Kroon, 1992 The papers in this volume describe a wide variety of language contact settings in which one or more languages are in a process of shift. In the first part of the book theoretical perspectives are presented, followed by linguistic, sociological and descriptive studies of languages and countries that have attracted the interest of researchers before, as well as less well known examples. Data are presented from: the Philippines, Korea, Japan, Israel, The Netherlands, Belgium, Canada, Sweden, Spain, Denmark, Morocco, Finland, Malaysia, Germany, USA, Ireland, India, Tanzania and Australia.

Annie's Wild Ride A Adams, Alina Sivorinovsky, 1998-08-01 Despite their many differences, Annie and Paul find a love like no other, leading to a tempestuous marriage that they think would last forever, until Annie and their daughter are lost in a snowstorm after a plane crash, and Paul will do anything to find his precious family. Original.

DownBeat - The Great Jazz Interviews Frank Alkyer, 2009-11-01 (Book). Culled from the DownBeat archives includes in-depth interviews with literally every great jazz artist and personality that ever lived! In honor of its 75th anniversary, DownBeat 's editors have brought together in this one volume the best interviews, insights, and photographs from the illustrious history of the world's top jazz magazine, DownBeat . This anthology includes the greatest of DownBeat 's Jazz Hall of Famers: from early legends like Jelly Roll Morton, Louis Armstrong, Count Basie, Duke Ellington, and Benny Goodman; to bebop heroes like Charlie Parker, Dizzy Gillespie, John Coltrane, Sonny Rollins, and Miles Davis; to truly unique voices like Ornette Coleman, Cecil Taylor, Thelonious Monk, and Rahsaan Roland Kirk; to the pioneers of the electric scene like Chick Corea, Herbie Hancock, Pat Metheny, and Joe Zawinul. The Great Jazz Interviews delivers the legends of jazz, talking about America's music and America itself, in their own words. Features classic photos and magazine covers from Downbeat 's vast archive.

The World Don't Owe Me Nothing David Honeyboy Edwards, 2000-03 This vivid oral snapshot of an America that planted the blues is full of rhythmic grace. From the son of a sharecropper to an itinerant bluesman, Honeyboy's stories of good friends Charlie Patton, Big Walter Horton, Little Walter Jacobs, and Robert Johnson are a godsend to blues fans. History buffs will marvel at his unique perspective and firsthand accounts of the 1927 Mississippi River flood, vagrancy laws, makeshift courts in the back of seed stores, plantation life, and the Depression.
