

No Longer Human Osamu Dazai

Chūya Nakahara

No Longer Human 人間失格, 1958 A young man describes his torment as he struggles to reconcile the diverse influences of Western culture and the traditions of his own Japanese heritage.

No Longer Human Osamu Dazai, 1973-01-17 The poignant and fascinating story of a young man who is caught between the breakup of the traditions of a northern Japanese aristocratic family and the impact of Western ideas. Mine has been a life of much shame. I can't even guess myself what it must be to live the life of a human being. Portraying himself as a failure, the protagonist of Osamu Dazai's *No Longer Human* narrates a seemingly normal life even while he feels himself incapable of understanding human beings. His attempts to reconcile himself to the world around him begin in early childhood, continue through high school, where he becomes a "clown" to mask his alienation, and eventually lead to a failed suicide attempt as an adult. Without sentimentality, he records the casual cruelties of life and its fleeting moments of human connection and tenderness. Still one of the ten bestselling books in Japan, *No Longer Human* is an important and unforgettable modern classic: "The struggle of the individual to fit into a normalizing society remains just as relevant today as it was at the time of writing." (The Japan Times)

THE SETTING SUN Osamu Dazai, 2024-03-16 The post-war period in Japan was one of immense social change as Japanese society adjusted to the shock of defeat and to the occupation of Japan by American forces and their allies. Osamu Dazai's *The Setting Sun* takes this milieu as its background to tell the story of the decline of a minor aristocratic family. The story is told through the eyes of Kazuko, the unmarried daughter of a widowed aristocrat. Her search for self meaning in a society devoid of use for her forms the crux of Dazai's novel. It is a sad story, and structurally is a novel very much within the confines of the Japanese take on the novel in a way reminiscent of authors such as Nobel Prize winner Yasunari Kawabata - the social interactions are peripheral and understated, nuances must be drawn, and for readers more used to Western novelistic forms this comes across as being rather wishy-washy. Kazuko's mother falls ill, and due to their financial circumstances they are forced to take a cottage in the countryside. Her brother, who became addicted to opium during the war is missing. When he returns, Kazuko attempts to form a liaison with the novelist Uehara. This romantic displacement only furthers to deepen her alienation from society.

Remina Junji Ito, Ichiro Nakayama, Hirokatsu Kihara, 2020-12-15 An unknown planet emerges from inside a wormhole, and

its discoverer, Dr. Oguro, christens the body “Remina” after his own daughter. His finding is met with great fanfare, and Remina herself rises to fame. However, the object picks up speed as it moves along in its curious course, eliminating planets and stars one after another, until finally Earth itself faces extinction... Is the girl Remina the true cause of the catastrophe? A masterpiece of horror from Junji Ito, unfolding on a universal scale. -- VIZ Media

NO LONGER HUMAN Osamu Dazai,2024-03-16 Osamu Dazai's No Longer Human, this leading postwar Japanese writer's second novel, tells the poignant and fascinating story of a young man who is caught between the breakup of the traditions of a northern Japanese aristocratic family and the impact of Western ideas. In consequence, he feels himself disqualified from being human (a literal translation of the Japanese title). Donald Keene, who translated this and Dazai's first novel, *The Setting Sun*, has said of the author's work: His world ... suggests Chekhov or possibly postwar France, ... but there is a Japanese sensibility in the choice and presentation of the material. A Dazai novel is at once immediately intelligible in Western terms and quite unlike any Western book. His writing is in some ways reminiscent of Rimbaud, while he himself has often been called a forerunner of Yukio Mishima.

No Longer Human Usamaru Furuya,Osamu Dazai,2012 This final volume of the critically acclaimed series, reveals Yozo Ohba's quick and tragic demise. After what appears to be a brief period of marital bliss from the budding cartoonist, a shocking revelation reopens deep emotional wounds leading him towards reclusion and eventual self destruction. A modern classic which explores the mind of an alienated man who feels he is a spectator in his own life. Based on the novel by Osamu Dazai, Usamaru Furuya has breathed new life into the classic with his beautiful graphic art.

Starlight Hannah Kidder,2020-10 A collection of fantasy and horror short stories.

Frame by Frame Hannah Frank,2019-05-07 At publication date, a free ebook version of this title will be available through Luminos, University of California Press's Open Access publishing program. Visit www.luminosoa.org to learn more. In this beautifully written and deeply researched study, Hannah Frank provides an original way to understand American animated cartoons from the Golden Age of animation (1920–1960). In the pre-digital age of the twentieth century, the making of cartoons was mechanized and standardized: thousands of drawings were inked and painted onto individual transparent celluloid sheets (called “cels”) and then photographed in succession, a labor-intensive process that was divided across scores of artists and technicians. In order to see the art, labor, and technology of cel animation, Frank slows cartoons down to look frame by frame, finding hitherto unseen aspects of the animated image. What emerges is both a methodology and a highly original account of an art formed on the assembly line.

It Ends With Us Colleen Hoover,2024-07-23 THE RUNAWAY GLOBAL BESTSELLING NOVEL BY COLLEEN HOOVER - SOON TO BE A MAJOR MOTION PICTURE STARRING BLAKE LIVELY. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up--she

graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his no dating rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan--her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. With this bold and deeply personal novel, *It Ends with Us* is a heart-wrenching story and an unforgettable tale of love that comes at the ultimate price.

Self Portraits Dazai Osamu, 2024-10-28 *Self Portraits* by Dazai Osamu is a collection of short stories, essays, and personal reflections that offer insight into the mind and struggles of the author. These pieces blend fiction and autobiography, reflecting Dazai's inner conflicts, including his lifelong battle with depression, addiction, and a sense of alienation. The stories in this collection often present characters that mirror Dazai himself—outsiders grappling with societal expectations, guilt, and shame. Themes of human imperfection, self-destruction, and existential despair are common throughout. Dazai's writing style is deeply introspective, marked by irony and dark humor, as he explores the contradictions of the human spirit. *Self Portraits* provides a raw and intimate look into the author's life, making it an essential read for those interested in understanding Dazai's psyche and the experiences that shaped his literary voice. The collection complements his other major works, such as *No Longer Human* and *The Setting Sun*, by revealing more personal aspects of his worldview.

Stones To Abbigale Onision,2015-03-29 I want to be direct, my name is Greg. I go by "Onision" online. This book is made up of events that occurred in my own life mixed with fiction from the made up life of James. James is essentially a better version of myself. His home, his school & his life all resemble my own at his age. The people James analyzes and is surrounded by are not so unlike those I've known as well. I have experienced much of the loss James has however his happier moments are more often than not also mine. I want to share my story without it being purely non-fiction. I simply felt this approach would make for a far better book. *Stones to Abbigale* is not just my book, it is a piece of who I am.

No Longer Human Junji Ito,2019-12-17 Nothing can surpass the terror of the human psyche. Mine has been a life of much shame. I can't even guess myself what it must be to live the life of a human being. Plagued by a maddening anxiety, the terrible disconnect between his own concept of happiness and the joy of the rest of the world, Yozo Oba plays the clown in his dissolute life, holding up a mask for those around him as he spirals ever downward, locked arm-in-arm with death. Osamu Dazai's immortal—and supposedly autobiographical—work of Japanese literature, is perfectly adapted here into a manga by Junji Ito. The imagery wrenches open the text of the novel one line at a time to sublimate Yozo's mental landscape into something even more delicate and grotesque. This is the ultimate in art by Ito, proof that nothing can surpass the terror of the human psyche.

Crackling Mountain and Other Stories Osamu Dazai,2012-04-10 *Crackling Mountain and Other Stories* features eleven outstanding works by Osamu Dazai, widely regarded as one of the 20th century Japan's most gifted writers. Dazai experimented with a wide variety of short story styles and brought to each a sophisticated sense of humor, a broad empathy for the human condition, and a tremendous literary talent. The eleven stories in this collection of Japanese literature present the most fully rounded portrait available of a tragic, multifaceted genius of modern Japanese letters.

Early Light Dazai Osamu,2024-10-28 *Early Light* (Shinjitsu Ichiro / 真実集) by Dazai Osamu is a collection of short stories that highlights the author's characteristic blend of personal reflection, melancholy, and humor. The stories in this collection often focus on ordinary moments or mundane interactions, revealing deeper emotional and psychological undercurrents.

Dazai uses a deceptively simple narrative style to explore themes like human frailty, social alienation, and personal failure. Some of the stories convey a sense of nostalgia, reflecting on fleeting moments of happiness amid life's struggles. Others delve into darker aspects of human nature, consistent with Dazai's broader body of work. Though less well-known than his major novels (*No Longer Human* or *The Setting Sun*), *Early Light* provides valuable insight into Dazai's talent for transforming everyday experiences into profound literary reflections. It captures the contradictions of life—joy and sorrow, light and darkness—in ways that resonate deeply with readers.

Confessions of a Mask Yukio Mishima, 2024-05-09 'There is in this world a kind of desire like stinging pain' A Japanese teenager is overcome with longing for his male classmate. He imagines his body punctured with arrows, like the body of St Sebastian in the painting that obsesses him. Over and over again, each night in his private fantasies, the objects of his lust are tortured, killed and maimed. But, in the rigid world of imperial wartime Japan there is no place for such transgressive desires. He must wear a false mask and hide his true nature, whatever the cost. 'A terrific and astringent work of beauty' *The Times Literary Supplement* 'Mishima is lucid in the midst of emotional confusion, funny in the midst of despair' Christopher Isherwood 'Never has a confession been freer from self-pity' *Sunday Times*
