*The Great Controversy Between Christ and Satan: From the Destruction of Jerusalem to the End of the Controversy* Ellen G. White,2020-02-20 The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God.-Ellen G White

**Father Miller's Daughter** Donald Edward Casebolt,2022-09-16 The crisis in Adventist eschatology is due to its reliance on Millerism's faulty methodology and falsified prophetic predictions. Ellen White taught that Father Miller's sole authority was Scripture and a concordance; that his interpretations were literal commonsense; and most importantly, that God had originated his date-setting conclusions by repeated angelic guidance. She announced that Miller was typological of John the Baptist; that Miller was a forerunner to Christ's Second Advent as the Baptist was to his First. This book will document that these three misconceptions are falsified by primary sources from roughly 1835 to 1851. Miller was highly dependent on disconfirmed, centuries-old, historicist speculations; his interpretations were allegorical and arbitrary not literal; his falsified proofs obviously not of angelic origin. For example, Miller initially predicted the Parousia and fall of the Ottoman Empire for 1839. White also endorsed Snow, Joseph Turner, and Crozier, whom, she said, God had given true light. Post-Disappointment, these men continued using Miller's allegorical-typological-historicist methods, and Ellen Harmon was taught by these men. About two centuries after The Midnight Cry and the end-times signs of 1755, 1780, and 1833, the SDA church's tenacious reliance on Millerite proofs makes its eschatology increasingly implausible.
