

# Too Much And Never Enough

**Andrew Rannells**

**Too Much and Never Enough** Mary L. Trump, 2022-01-04 In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who occupied the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

*Always Too Much and Never Enough* Jasmin Singer, 2016-02-02 One woman's journey to find herself through juicing, veganism, and love, as she went from fat to thin and from feeding her emotions to feeding her soul. From the extra pounds and unrelenting bullies that left her eating lunch alone in a bathroom stall at school to the low self-esteem that left her both physically and emotionally vulnerable to abuse, Jasmin Singer's struggle with weight defined her life. Most people think there's no such thing as a fat vegan. Most people don't realize that deep-fried tofu tastes amazing and that Oreos are, in fact, vegan. So, even after Jasmin embraced a vegan lifestyle, having discovered her passion in advocating for the rights of animals, she defied any "skinny vegan" stereotypes by getting even heavier. More importantly, she realized that her compassion for animals didn't extend to her own body, and that her low self-esteem was affecting her health. She needed a

change. By committing to monthly juice fasts and a diet of whole, unprocessed foods, Jasmin lost almost a hundred pounds, gained an understanding of her destructive relationship with food, and finally realized what it means to be truly full. Told with humble humor and heartbreaking honesty, this is Jasmin's story of how she went from finding solace in a box of cheese crackers to finding peace within herself.

The Reckoning Mary L Trump, 2021-08-19 THE NEW YORK TIMES BESTSELLER America is suffering from PTSD. The Reckoning diagnoses its core causes and helps begin the healing process. For four years, Donald J Trump inflicted an onslaught of overlapping and interconnected traumas upon the American people, targeting anyone he perceived as being an 'other' or an enemy. Women were discounted and derided, the sick were dismissed as weak and unworthy of help, immigrants and minorities were demonised and discriminated against and money was elevated above all else. In short, he transformed America into a macro version of his malignantly dysfunctional family. How can Americans make sense of the degree to which their institutions and leaders have let them down? How can they negotiate a world in which all sense of safety and justice seems to have been destroyed? How can they - as individuals and as a nation - confront, process and overcome this loss of trust and the ways they have been forever altered by chaos, division and cruelty? And when the dust finally settles, how can they begin to heal, in the midst of ongoing health and economic crises and the greatest political divide since the Civil War? Mary L Trump is uniquely positioned to answer these difficult questions. She holds a PhD in clinical psychology specialising in trauma, has herself been diagnosed with post-traumatic stress disorder and happens to be Donald J Trump's only niece. In The Reckoning, she applies her unique expertise to the task of helping Americans confront an all-encompassing trauma, one that has taken an immense toll on their nation's health and well-being. A new leader alone cannot fix the situation. Donald J Trump is only the latest symptom of a disease that has existed within the body politic since America's inception - from the original sin of slavery through its population's unceasing, organised commitment to inequality. An enormous amount of healing must be done to rebuild the lives of Americans, their faith in leadership and their hope for their nation. It starts with The Reckoning.

**Never Enough** Michael D'Antonio, 2015-09-22 In the summer of 2015, as he vaulted to the lead among the many GOP candidates for president, Donald Trump was the only one dogged by questions about his true intentions. This most famous American businessman had played the role of provocateur so often that pundits, reporters, and voters struggled to believe that he was a serious contender. Trump stirred so much controversy that his candidacy puzzled anyone who applied ordinary political logic to the race. But as Michael D'Antonio shows in Never Enough, Trump has rarely been ordinary in his pursuit of success and his trademark method is based on a logic that begins with his firm belief that he is a singular and superior human being. As revealed in this landmark biography, Donald Trump is a man whose appetite for wealth, attention, power,

and conquest is practically insatiable. Declaring that he is still the person he was as a rascally little boy, Trump confesses that he avoids reflecting on himself because I might not like what I see and he believes most people aren't worthy of respect. A product of the media age and the Me Generation that emerged in the 1970s, Trump was a Broadway showman before he became a developer. Mentored by the scoundrel attorney Roy Cohn, Trump was a regular on the New York club scene and won press attention as a dashing young mogul before he had built his first major project. He leveraged his father's enormous fortune and political connections to get his business off the ground, and soon developed a larger-than-life persona. In time, and through many setbacks, he made himself into a living symbol of extravagance and achievement. Drawing upon extensive and exclusive interviews with Trump and many of his family members, including all his adult children, D'Antonio presents the full story of a truly American icon, from his beginnings as a businessman to his stormy romantic life and his pursuit of power in its many forms. For all those who wonder: Just who is Donald Trump?, *Never Enough* supplies the answer. He is a promoter, builder, performer and politician who pursues success with a drive that borders on obsession and yet, has given him, almost everything he ever wanted.

**SUMMARY Of Disloyal: A Memoir** OneHour Reads,2020-08-26

Truth Is Trouble Malcolm Knox,2020-11-05 Why did the sacking of rugby player Israel Folau over his social media posts become one of the nation's most polarizing controversies? How could one man's religious views activate so many people in modern Australia? And what does the sides people found themselves on tell us about the kind of country we've become? Starting with this striking incident, triple Walkley Award winning journalist Malcolm Knox paints a vivid portrait of the divisions that underlie our recent history, from marriage equality to the covid lockdown. He shows how free speech has become the new flashpoint of the 'culture wars', and how it remains our deepest national faultline.

*Always Enough, Never Too Much* Jess Connolly, Hayley Morgan,2018-04-24 Discover God's wild freedom as you find your identity in Jesus with 100 devotions that will help you target and banish lies and insecurities. Jess Connolly and Hayley Morgan, bestselling authors of *Wild and Free*, walk you through the gift of truly knowing who you are in Christ in *Always Enough, Never Too Much: 100 Devotions to Quit Comparing, Stop Hiding, and Start Living Wild and Free*. We've all been there. We know that sneaking, small voice in our heads all too well—you're too loud. Too quiet. Too young. Too old. Too unimportant. Too ugly. Too silly. Too serious. You're not as successful as she is—look at her perfect family, look at her high-powered job, look at her great hair and size 4 skinny jeans. Why can't you be more like her—be more in general? Why do you expect so much from everyone? Why can't you take up less space? Ask for less? Be less? The lies track well-worn paths in our minds and our hearts, wearing us down and making us question our role in God's kingdom. Jess Connolly and Hayley Morgan, founders of the Influence Network and bestselling authors of *Wild and Free*, reject those lies, and you can too with *Always Enough, Never Too Much: 100 Devotions to Quit Comparing, Stop Hiding, and Start Living Wild and Free*. Through

the Scripture and the devotions, find the tools you need to claim the fullness of Jesus in your own life and soak in the encouragement of two girls who will never stop cheering you on! With a unique flip-book design, these 100 devotions are topical, so you can choose what you need most every time you open the pages. This book is designed for you, the woman who feels like she can be both too much and not enough—sometimes on the same day. Always Enough, Never Too Much is the daily marching orders after the anthem cry of Wild and Free. Join Jess and Hayley on a journey toward freedom with this beautiful new devotional.

*Melania and Me* Stephanie Winston Wolkoff, 2020-09-01 What Melania wants, Melania gets. The former director of special events at Vogue and producer of nine legendary Met Galas, Stephanie Winston Wolkoff met Melania Knauss in 2003 and had a front row seat to the transformation of Donald Trump's then girlfriend from a rough-cut gem to a precious diamond. As their friendship deepened over lunches at Manhattan hot spots, black-tie parties and giggle sessions in the penthouse at Trump Tower, Wolkoff watched the newest Mrs Trump raise her son, Barron, and manage her highly scrutinised marriage. After Trump won the 2016 election, Wolkoff was recruited to help produce the 58th Presidential Inauguration and to become the First Lady's trusted advisor. Melania put Wolkoff in charge of hiring her staff, organising her events, helping her write speeches and creating her debut initiatives. Then it all fell apart when she was made the scapegoat for inauguration finance irregularities. Melania could have defended her innocent friend and confidant, but she stood by her man. The betrayal nearly destroyed Wolkoff. In this candid and emotional memoir, Stephanie Winston Wolkoff takes you into Trump Tower and the White House to tell the funny, thrilling and heartbreaking story of her intimate friendship with one of the most famous women in the world, a woman few people truly understand. How did Melania react to the Access Hollywood tape and her husband's affair with Stormy Daniels? Does she get along well with Ivanka? Why did she wear that jacket with 'I really don't care, do u?' printed on the back? Is Melania happy being First Lady? And what really happened with the inauguration's funding of \$107 million? Wolkoff has some ideas...

Disloyal: A Memoir Michael Cohen, 2020-09-08 A #1 New York Times Bestseller! I read it cover-to-cover. I did not intend to, but I started at the beginning and didn't put it down until it was over.—Rachel Maddow, MSNBC This book almost didn't see the light of day as government officials tried to bar its publication. The Inside Story of the Real President Trump, by His Former Attorney and Personal Advisor—The Man Who Helped Get Him Into the Oval Office Once Donald Trump's fiercest surrogate, closest confidant, and staunchest defender, Michael Cohen knows where the skeletons are buried. This is the most devastating business and political horror story of the century. As Trump's lawyer and "fixer," Cohen not only witnessed firsthand but was also an active participant in the inner workings of Trump's business empire, political campaign, and presidential administration. This is a story that you have not read in newspapers, or on social media, or watched on television. These are accounts that only someone who worked for Trump around the clock for over a decade—not a few

months or even a couple of years—could know. Cohen describes Trump's racist rants against President Barack Obama, Nelson Mandela, and Black and Hispanic people in general, as well as the cruelty, humiliation, and abuse he leveled at family and staff. Whether he's exposing the fact that Trump engaged in tax fraud by inflating his wealth or electronic fraud by rigging an online survey, or outing Trump's Neanderthal views towards women or his hush-money payments to clandestine lovers, Cohen pulls no punches. He shows Trump's relentless willingness to lie, exaggerate, mislead, or manipulate. Trump emerges as a man without a soul—a man who courts evangelicals and then trashes them, panders to the common man, but then rips off small business owners, a con man who will do or say absolutely anything to win, regardless of the cost to his family, his associates, or his country. At the heart of *Disloyal*, we see how Cohen came under the spell of his charismatic Boss and, as a result, lost all sense of his moral compass. The real real Donald Trump who permeates these pages—the racist, sexist, homophobic, lying, cheating President—will be discussed, written about, and analyzed for years to come.

**Megalomania** Philippe Tretiack, 2008 The excess, folly and splendor of megalomaniacs.

**A Very Stable Genius** Carol D. Leonnig, Philip Rucker, 2020-01-21 THE NUMBER ONE BESTSELLER \* UPDATED WITH NEW REPORTING \* 'It's all here in this stunning first draft of the history of the presidency of Donald Trump' Sydney Morning Herald 'An icy, Iago-like glimpse of the emotional and moral nullity that may be the source of Trump's power' Observer 'A damning, well-reported, well-sourced and clearly written haymaker' Sunday Times Drawing on nearly three years of reporting, hundreds of hours of interviews and more than two hundred sources, including some of the most senior members of the administration, friends and first-hand witnesses who have never spoken before, Philip Rucker and Carol Leonnig take us inside some of the most controversial moments of Trump's presidency. They peer deeply into Trump's White House - at the aides pressured to lie to the public, the lawyers scrambling to clear up norm-breaking disasters, and the staffers whose careers have been reduced to ashes - to paint an unparalleled group portrait of an administration driven by self-preservation and paranoia. Rucker and Leonnig reveal Trump at his most unvarnished, showing the unhinged decision-making and incompetence that has floored officials and stunned foreign leaders. They portray unscripted calls with Vladimir Putin, steak dinners with Kim Jong-un, and calls with Theresa May so hostile that they left her aides shaken. They also take a hard look at Robert Mueller, Trump's greatest antagonist to date, and how his investigation slowly unravelled an administration whose universal value is loyalty - not to country, but to the president himself. Grippingly told, *A Very Stable Genius* is a behind-the-scenes account of Trump's vainglorious pursuit of power in his first term.

**Baby Girl: Better Known as Aaliyah** Kathy Iandoli, 2021-08-17 By twenty-two years old, Aaliyah had already accomplished a staggering amount: hit records, acclaimed acting roles, and fame that was just about to cross over into superstardom. Like her song, she was already 'more than a woman,' but her shocking death in a plane crash prevented her from fully growing into one. Now, two decades later, the full story of Aaliyah's life and cultural impact is finally and lovingly

explored. *Baby Girl* features never-before-told stories, including studio anecdotes, personal tales, and eyewitness accounts on the events leading up to her untimely passing

*Too Much Is Not Enough* Andrew Rannells, 2020-03-03 From the star of Broadway's *The Book of Mormon* and Tony-nominated *Gutenberg! The Musical!*, the heartfelt and hilarious coming-of-age memoir of a Midwestern boy surviving bad auditions, bad relationships, and some really bad highlights as he chases his dreams in New York City—now with a new afterword “Candid, funny, crisp . . . honest and tender about lessons of the heart.”—Vogue ONE OF NPR'S BEST BOOKS OF THE YEAR When Andrew Rannells left Nebraska for New York City in 1997, he, like many young hopefuls, saw the city as a chance to break free. To start over. To transform the fiercely ambitious but sexually confused teenager he saw in the mirror into the Broadway leading man of his dreams. In *Too Much Is Not Enough*, Rannells takes us on the journey of a twentysomething hungry to experience everything New York has to offer: new friends, wild nights, great art, standing ovations. At the heart of his hunger lies a powerful drive to reconcile the boy he was when he left Omaha with the man he desperately wants to be. As Rannells fumbles his way towards the Great White Way, he also shares the drama of failed auditions and behind-the-curtain romances, the heartbreak of losing his father at the height of his struggle, and the exhilaration of making his Broadway debut in *Hairspray* at the age of twenty-six. Along the way, he learns that you never really leave your past—or your family—behind; that the most painful, and perversely motivating, jobs are the ones you almost get; and that sometimes the most memorable nights with friends are marked not by the trendy club you danced at but by the recap over diner food afterward. Honest and filled with charm, *Too Much Is Not Enough* is an unforgettable look at love, loss, and the powerful forces that determine who we become.

*The Global Merchants* Joseph Sassoon, 2022-02-24 The astonishing story of the Sassoons, one of the nineteenth century's preeminent commercial families and 'the Rothschilds of the East' The Sassoons were one of the great business dynasties of the nineteenth century, as eminent as traders as the Rothschilds were bankers. This book reveals the secrets behind the family's phenomenal success: how a handful of Jewish exiles from Ottoman Baghdad forged a mercantile juggernaut from their new home in colonial Bombay, the vast network of agents, informants and politicians they built, and the way they came to bridge East and West, culturally as well as commercially. As one competitor remarked, 'silver and gold, silks, gums and spices, opium and cotton, wool and wheat - whatever moves over sea or land feels the hand or bears the mark of Sassoon & Co.' Drawing for the first time on the vast family archives, Joseph Sassoon brings vividly to life a succession of remarkable characters. From a single generation: Flora, the first woman to steer a major global business, Siegfried, the poet, and Victor, the tycoon who drew the stars of Hollywood's silent era to his skyscraper in Shanghai. Through the lives these ambitious figures built for themselves in London, Bombay and beyond, the reader is drawn into a captivating world of politics and power, innovation and intrigue, high society and empire. *The Global Merchants* is thus at once an intimate portrait of a single

family and a panorama of the hundred and thirty years of their prominence: from the Opium Wars and opening of China to the American Civil War, the establishment of the British Raj to India's independence. Together these give a fresh perspective on the evolution of one of the defining forces of their age and the present: globalization. The Sassoons were variously its agents, advocates and casualties, and watching them moving through the world, we perceive the making of our own.

**Ask a Manager** Alison Green, 2018-05-01 'I'm a HUGE fan of Alison Green's Ask a Manager column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F\*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

**Mary Trump Book** University Press, 2021-08-02 University Press returns with another short and captivating portrait of one of history's most compelling figures, Mary Trump. Mary Trump is a renowned psychologist and one of the most accomplished American authors of the 21st century. She is a harsh critic of her grandfather, Fred Trump Sr, and of a toxic family ethos he inspired. Just weeks before the 2020 presidential election, her book, *Too Much and Never Enough*, sold a staggering one million copies on its first day on sale and sent shockwaves through the American political landscape. It painted a damning picture of her uncle, Donald, offered a stark warning to voters about his fitness for Presidential office, and set off a national firestorm of controversy. Born in New York City to Fred Trump Jr, a commercial pilot, and Linda Lee Clapp, a flight attendant, Mary Lea Trump lost her father to alcohol when she was just 16, studied literature at Columbia University, earned her PhD in clinical psychology, taught graduate courses, married a woman, gave birth to a daughter, founded a life coaching company, supported Hillary Clinton in the 2016 presidential election, became a best-selling author, and revealed the unique inner workings of the Trump family. This short book tells the intensely human story of a woman who is changing the world in a way that no one else can.

**Trump on the Couch** Justin A. Frank, MD, 2018-09-25 A great public service--critical for our time. --Bandy X. Lee, M.D., M.Div., Yale psychiatrist, expert on violence, and editor of *The Dangerous Case of Donald Trump* The New York Times bestselling author of *Bush on the Couch* shows that Donald Trump is mentally and emotionally unfit to execute the duties of

President. No president in the history of the United States has inspired more alarm and confusion than Donald Trump. As questions and concerns about his decisions, behavior, and qualifications for office have multiplied, they point to one primary question: Does he pose a genuine threat to our country? The American Psychiatric Association's Goldwater Rule constrains psychiatrists from offering diagnoses on public figures who are not patients and who have not endorsed such statements. But in *Trump on the Couch* Clinical Professor of Psychiatry Justin A Frank invokes the moral responsibility that compels him to speak out and present a full portrait of a man who presents us with a clear and present danger. Using observations gained from a close study of Trump's patterns of thought, action, and communication, Dr. Frank uncovers a personality riddled with mental health issues. His analysis is filled with important revelations about our nation's leader, including disturbing insights into his childhood, his family, his business dealings, and his unusual relationship with alternative facts, including how The absence of a strong maternal force during childhood has led to Trump's remarkable lack of empathy and disregard for women's boundaries; His compulsion to polarize America has grown out of the way he perceives the world as full of deceitful and destructive persecutors; His inability to tolerate the pain of frustration has triggered his belief that omnipotence will finally remove it; His idiosyncratic use of language points to larger issues than even his tweets might suggest. With our country itself at stake, Dr. Frank calls attention to the underlying narcissism, misogyny, deception, and racism that drive the President who endangers it. A penetrating examination of how we as a nation got here and, more important, where we are going, *Trump on the Couch* sounds a call to action that we cannot ignore.

**Front Row at the Trump Show** Jonathan Karl, 2020-03-31 \*The Instant New York Times Bestseller\* "A book historians will relish."—Peggy Noonan, Wall Street Journal Must read. I've read every book about the Trump presidency. This is the best.—Bill Press An account like no other, from the White House reporter who has known President Donald Trump for more than 25 years. We have never seen a president like this...norm-breaking, rule-busting, dangerously reckless to some and an overdue force for change to others. One thing is clear: We are witnessing the reshaping of the presidency. Jonathan Karl brings us into the White House in a powerful book unlike any other on the Trump administration. He's known and covered Donald Trump longer than any other White House reporter. With extraordinary access to Trump during the campaign and at 1600 Pennsylvania Avenue, Karl delivers essential new reporting and surprising insights. These are the behind-the-scenes moments that define Trump's presidency—an extraordinary look at the president, the person, and those closest to him. This is the real story of Trump's unlikely rise; of the struggles and battles of those who work in the administration and those who report on it; of the plots and schemes of a senior staff enduring stunning and unprecedented unpredictability. Karl takes us from a TV set turned campaign office to the strange quiet of Trump's White House on Inauguration Day to a high-powered reelection campaign set to change the country's course. He shows us an administration rewriting the role of the president on the fly and a press corps that has never been more vital. Above all, this book is only possible because of the surprisingly open

relationship Donald Trump has had with Jonathan Karl, a reporter he has praised, fought, and branded an enemy of the people. This is Front Row at the Trump Show.

*Snappsy the Alligator (Did Not Ask to Be in This Book)* Julie Falatko, 2016-02-02 Snappsy the alligator is having a normal day when a pesky narrator steps in to spice up the story. Is Snappsy reading a book ... or is he making CRAFTY plans? Is Snappsy on his way to the grocery store ... or is he PROWLING the forest for defenseless birds and fuzzy bunnies? Is Snappsy innocently shopping for a party ... or is he OBSESSED with snack foods that start with the letter P? What's the truth? Snappsy the Alligator (Did Not Ask to Be in This Book) is an irreverent look at storytelling, friendship, and creative differences, perfect for fans of Mo Willems.
