## Fiona Harari

**A Tragedy in Two Acts** Fiona Harari, 2011 This was not the ending either of them expected. Marcus Einfeld, former Federal Court judge and human rights champion, and his old friend Teresa Brennan, an exuberant, sometimes controversial US-based academic, had each spent years establishing demanding careers and international reputations, to create two lives that, on paper at least, exuded success. Then Einfeld was caught speeding. But rather than pay a small fine, the former judge told a court that Brennan had been driving his car. In reality she had been dead for three years. Through a chain of events that at times seemed exceedingly unlikely, Einfeld's lie was exposed, with once unimaginable consequences. His world, and virtually every honour he had earned, rapidly disappeared. And his old friend Brennan, who had died in suspicious circumstances, was suddenly, posthumously, attracting attention for all the wrong reasons. This is the remarkable story of two outstanding Australians whose lives have been lived large, and who, ultimately, have been bound by tragedy.

So say Gayden Metcalfe and Charlotte Hays, authors of the bestseller *Being Dead Is No Excuse: The Official Southern Ladies' Guide to Hosting the Perfect Funeral*, who turn their keen eyes and sharp wit from the end of the life cycle to the all-important midpoint. For anyone planning, participating in, or attending a wedding (Southern or not), this book will amuse, entertain, and provide advice for marital bliss, including: It's OK to peek at an etiquette book, but if you rely too heavily on it, people will think that you are not fully acquainted with what is right and wrong. Summer of the Guns Justin Daniel Herman,2017-09-01 In the desolate cityscape of Depression-era Phoenix, twelve-year old Billie Jean Moran has journeyed west to flee a troubled past with her deaf sister, Sara. But they find themselves in the midst of another catastrophe—this time involving a scandal that implicates even the Arizona governor. When political crooks peg Billie’s African-American father as an unsuspecting fall guy, Billie and Sara are forced to go into hiding. In the course of their ordeal, the sisters find unlikely allies in the form of a broken-down ex-insurance salesman, a juvenile delinquent, and a prison nurse. Through bravery and cunning, Billie, Sara, and their friends bring the real criminals to justice and triumph over fear, discrimination, and injustice.

Wash Lynn and Glenn Smith,2022-06-21 A lot of adventures begin in the minds of children rambling around dark corners of an old camel-back trunk. Hidden deep in the corners of the musty old treasure chest were secrets of vast proportions about things kids should not question. For a child to get in the trunk was a death-defying act. But the curious minds of children pushed that thought aside for another day. Hidden in the trunk were strange relics of years gone by. An old paper umbrella from the orient tucked safely away was someone’s souvenir. A pair of old wire-rimmed glasses rested on the tray. On the bottom of the old trunk, a woman’s black hat laid with a veil stretched across the front to be pulled down over the eyes. Women wore black hats at a funeral or at church on Sunday. There were notepads for the farm and lists of the cotton crop sold and livestock bought. Old black and white photos of people not smiling and awkwardly poised stashed away in the trunk's tray protected in plastic. Envelopes of newspaper clippings contained articles about someone who had died, and the names were vague about who they were. Everybody just assumed it was a past relative. Most of the articles had already turned brown from age. A more recent relative clipped the articles from the newspaper and stashed them away to read at a later time less difficult about the departed loved one. Four old newspaper clippings from years and years ago captivated the minds of everyone. Being in the trunk was risky enough as it was, but to ask who the articles were about was a death sentence. It would be almost a century before anyone would go back to piece together those articles and finally learn just who Wash Smith was. After careful research, his story unfolded before our very eyes. A story of youth, love, and adventure came together, and it all started at the bottom of an old musty trunk.

*Rescued Not Arrested* H. Roger Munchian,2023-07-01 With chains binding him to the edge of insanity, his cry echoes off the jail cell walls: God help me! Armenian immigrant Roger Munchian grew up among the violence and hopelessness of Los

Angeles. Despite the surrounding violence, Munchian was a model student. No one would have suspected the hidden life of drugs, thievery, and violence bubbling behind that facade. His unquenchable thirst for money and power led him to build a multi-million dollar empire on drugs and violence. He ran fast. He ran hard. It took highway death and carnage to finally stop him. The high-speed collision with a highway median wall left twelve-time felon Munchian strapped to the crazy chair in a Maricopa County jail. Booked on two counts of vehicular homicide, he was certain to face death row. His road to wealth and power was bloody, as was his road to salvation. God heard his cry for help and arrived at his jail cell that night with a miracle. For the first time in Munchian's life, God was real. But his past caught up to him and his luck - bought by slick, high-priced lawyers and easy money - ran out. Munchian faced a lifetime of incarceration. His only hope was in the grace of God and the only way out of the mess was by turning his life completely over to Him. Based on a true story. *Rescued Not Arrested* is a story of how God shows Himself in our deepest depths of hopelessness - and how His love rescues us from our own paths of destruction.

Or of fear? It was stolen from a New Orleans grave—the centuries-old bust of an evil man, a demonic man. One day its current owner shows up at Danni Cafferty's antiques shop on Royal Street, but before Danni can buy the statue, it disappears... Michael Quinn, former cop and now private investigator, is determined to find and destroy this object with its long history of evil. But Cafferty and Quinn know that their story won't end, even when this case is closed and the dead rest in peace once again. **WAKING THE DEAD** They say a painting can have a life of its own. In the case of *Ghosts in the Mind*, painted by Henry Sebastian Hubert, that's more than just an expression. The characters are reputed to come to life—and to kill. Wherever it goes, death seems to follow. Danielle Cafferty and Michael Quinn, occasional partners in solving crime, are drawn into the case. They have to discover what brings this work of art—and evil—to life. And they have to destroy it. Before it destroys them... **THE DEAD PLAY ON** Play a song for me... Musicians are being murdered in New Orleans, but Arnie Watson apparently died by his own hand. When Tyler Anderson plays the saxophone he inherited from Arnie, he believes he sees visions of his friend's life—and death. He becomes convinced Arnie was murdered and that the instrument

had something to do with it, and with whatever's happening all over the city... Tyler knows his theory sounds crazy, so he approaches Danni Cafferty, hoping she and Michael Quinn will find out what the cops couldn't.

**Code to Zero** Ken Follett,2001-11-01 In this classic Cold War thriller, #1 New York Times bestselling author Ken Follett puts his own electrifying twist on the space race between the U.S. and the Soviet Union. As the clock counts down to a shocking climax, Code to Zero's split-second suspense proves that . . . [Follett is] still a hell of a storyteller (Entertainment Weekly). January, 1958—the darkest hour of the Cold War and the early dawn of the space race. On the launch pad at Cape Canaveral sits America's best hope to catch up with the Russians: the Explorer I satellite. But at the last moment, the launch is delayed due to weather, even though everyone can see it is a perfectly sunny day. The real reason for the delay rests deep in the mind of a NASA scientist who has awoken that morning to find his memory completely erased. Knowing only that he's being followed and watched at every turn, he must find the clues to his own identity before he can discover who is responsible. But even more terrible is the dark secret that they want him to forget. A secret that can destroy the Explorer I—and America's future. . . .

*I Saw the Light* William MacEwen,George Merritt,Colin Escott,2015-11-10 The book that inspired the major motion picture I Saw the Light. In his brief life, Hank Williams created one of the defining bodies of American music. Songs such as

Your Cheatin' Heart, Hey, Good Lookin', and Jambalaya sold millions of records and became the model for virtually all country music that followed. But by the time of his death at age twenty-nine, Williams had drunk and drugged and philandered his way through two messy marriages and out of his headline spot on the Grand Ole Opry. Even though he was country music's top seller, toward the end he was so famously unreliable that he was lucky to get a booking in a beer hall. Colin Escott's enthralling, definitive biography -- now the basis of the major motion picture I Saw the Light -- vividly details the singer's stunning rise and his spectacular decline, revealing much that was previously unknown or hidden about the life of this country music legend. Originally published as Hank William: The Biography.
