## Eugene Bondurant Sledge

**With the Old Breed at Peleliu and Okinawa** E. B. Sledge, 1990 As a society, America needs from time to time to question the conduct of its foreign relations. **WITH THE OLD BREED**, by Eugene B. Sledge, provides the ultimate reality check by serving as a graphic reminder of the horrors America has periodically required its young men to endure for the higher cause of defending freedom. The battles of Peleliu (1944) and Okinawa (1945) were particularly appalling. Sledge's unassuming account of experiences in those two campaigns gives an unblinking description of all the waste, filth, and savagery of close combat.

**China Marine** E. B. Sledge, 2003 Originally published: Tuscaloosa: University of Alabama Press, c2002.

**Twenty-Two on Peleliu** George Peto, Peter Margaritis, 2017-07-19 A memoir of a tough childhood—and tough combat—by an “adventurous, lively, outspoken, opinionated” WWII Marine veteran (Columbus Dispatch). On September 15, 1944, the US First Marine Division landed on a small island in the Central Pacific called Peleliu as a prelude to the liberation of the Philippines. Among the first wave of Marines that hit the beach that day was twenty-two-year-old George Peto. Growing up on an Ohio farm, George always preferred being outdoors and exploring. This made school a challenge, but his hunting, fishing, and trapping skills helped put food on his family's table. As a poor teenager living in a rough area, he got into regular brawls, and he found holding down a job hard because of his wanderlust. After working out west with the CCC, he decided that joining the Marines offered him the opportunity for adventure, plus three square meals a day—so he and his brother joined the Corps in 1941, just a few months before Pearl Harbor. Following boot camp and training, he was initially assigned to various guard units until he was shipped out to the Pacific and assigned to the 1st Marines. His first combat experience was the landing at Finschhafen, followed by Cape Gloucester. Then as a Forward Observer, he went ashore in one of the lead amtracs at Peleliu and saw fierce fighting for a week before the regiment was relieved due to massive casualties. Six months later, his division became the immediate reserve for the initial landing on Okinawa. They encountered no resistance when they came ashore, but would go on to fight on Okinawa for over six months. This is the wild and remarkable story of an “Old Breed” Marine—his youth in the Great Depression, his training and combat in the Pacific, and his life after the war, told in his own words.

*Islands of the Damned* R.V. Burgin, Bill Marvel, 2010-03-02 A remarkable eyewitness account of the most brutal combat of

the Pacific War, from Peleliu to Okinawa, this is the true story of R.V. Burgin, the real-life World War II Marine Corps hero featured in HBO®'s *The Pacific*. "Read his story and marvel at the man...and those like him."—Tom Hanks When a young Texan named R.V. Burgin joined the Marines 1942, he never imagined what was waiting for him a world away in the Pacific. There, amid steamy jungles, he encountered a ferocious and desperate enemy in the Japanese, engaging them in some of the most grueling and deadly fights of the war. In this remarkable memoir, Burgin reveals his life as a special breed of Marine. Schooled by veterans who had endured the cauldron of Guadalcanal, Burgin's company soon confronted snipers, repulsed jungle ambushes, encountered abandoned corpses of *hara-kiri* victims, and warded off howling *banzai* attacks as they island-hopped from one bloody battle to the next. In his two years at war, Burgin rose from a green private to a seasoned sergeant, fighting from New Britain through Peleliu and on to Okinawa, where he earned a Bronze Star for valor. With unforgettable drama and an understated elegance, Burgin's gripping narrative stands alongside those of classic Pacific chroniclers like Robert Leckie and Eugene Sledge—indeed, Burgin was even Sledge's platoon sergeant. Here is a deeply moving account of World War II, bringing to life the hell that was the Pacific War.

*With the Old Breed* E.B. Sledge, 2008-12-18 NEW YORK TIMES BESTSELLER • "Eugene Sledge became more than a legend with his memoir, *With The Old Breed*. He became a chronicler, a historian, a storyteller who turns the extremes of the war in the Pacific—the terror, the camaraderie, the banal and the extraordinary—into terms we mortals can grasp."—Tom Hanks In *The Wall Street Journal*, Victor Davis Hanson named *With the Old Breed* one of the top five books on epic twentieth-century battles. Studs Terkel interviewed the author for his definitive oral history, *The Good War*. Now E. B. Sledge's acclaimed first-person account of fighting at Peleliu and Okinawa returns to thrill, edify, and inspire a new generation. An Alabama boy steeped in American history and enamored of such heroes as George Washington and Daniel Boone, Eugene B. Sledge became part of the war's famous 1st Marine Division—3rd Battalion, 5th Marines. Even after intense training, he was shocked to be thrown into the battle of Peleliu, where "the world was a nightmare of flashes, explosions, and snapping bullets." By the time Sledge hit the hell of Okinawa, he was a combat vet, still filled with fear but no longer with panic. Based on notes Sledge secretly kept in a copy of the New Testament, *With the Old Breed* captures with utter simplicity and searing honesty the experience of a soldier in the fierce Pacific Theater. Here is what saved, threatened, and changed his life. Here, too, is the story of how he learned to hate and kill—and came to love—his fellow man. "In all the literature on the Second World War, there is not a more honest, realistic or moving memoir than Eugene Sledge's. This is the real deal, the real war: unvarnished, brutal, without a shred of sentimentality or false patriotism, a profound primer on what it actually was like to be in that war. It is a classic that will outlive all the armchair generals' safe accounts of—not the 'good war'—but the worst war ever."—Ken Burns

*With the Old Breed* Eugene B Sledge, 2010-07-07 The inspiration behind the HBO series *THE PACIFIC* This was a brutish,

primitive hatred, as characteristic of the horror of war in the Pacific as the palm trees and the islands... Landing on the beach at Peleliu in 1944 as a twenty-year-old new recruit to the US Marines, Eugene Sledge can only try desperately to survive. At Peleliu and Okinawa - two of the fiercest and filthiest Pacific battles of WWII - he witnesses the dehumanising brutality displayed by both sides and the animal hatred that each soldier has for his enemy. During temporary lapses in the fighting, conditions on the islands mean that the Marines often can't wash, stay dry, dig latrines, or even find time to eat. Suffering from constant fear, fatigue, and filth, the struggle of simply living in a combat zone is utterly debilitating. Yet despite horrendous conditions Sledge finds time to keep notes that he would later turn into a book. Described as one of the finest memoirs to emerge from any war, *With the Old Breed* tells with compassion and honesty of the cruelty, bravery and deaths of the men he fought alongside, and of his own journey from patriotic innocence to battle-scarred veteran. 'Eugene Sledge became more than a legend with his memoir, *With The Old Breed*. He became a chronicler, a historian, a storyteller who turns the extremes of the war in the Pacific - the terror, the camaraderie, the banal and the extraordinary - into terms we mortals can grasp' Tom Hanks

**Red Blood, Black Sand** Chuck Tatum, 2012-05-01 A story of heroism, friendship, and courage in World War 2—as seen in the award-winning HBO miniseries *The Pacific*. In 1944, the U.S. Marines were building the 5th Marine Division—also known as “The Spearhead”—in preparation for the invasion of the small, Japanese-held island of Iwo Jima... When Chuck Tatum began Marine boot camp, he was just a smart-aleck teenager eager to serve his country. Little did he know that he would be training under a living legend of the Corps—Medal of Honor recipient John Basilone, who had almost single-handedly fought off a Japanese force of three thousand on Guadalcanal. It was from Basilone and other sergeants that Tatum would learn how to fight like a Marine and act like a man—skills he would need when he hit the black sand of Iwo Jima with thirty thousand other Marines. *Red Blood, Black Sand* is the story of Chuck’s two weeks in hell, where he would watch his hero, Basilone, fall, where the enemy stalked the night, where snipers haunted the day, and where Chuck would see his friends whittled away in an eardrum-shattering, earth-shaking, meat grinder of a battle. This is the island, the heroes, and the tragedy of Iwo Jima—through the eyes of one who survived it.

*Battleground Pacific* Sterling Mace, Nick Allen, 2012-05-08 A powerfully wrought military memoir by a member of World War II’s fabled 1st Marine division. “Engrossing account of the vicious combat encountered by US Marines in the Pacific theater of World War II. . . . Will appeal to fans of *The Pacific* or *Band of Brothers*.” —Kirkus Reviews Sterling Mace’s unit was the legendary “K-3-5” (for Company K, 3rd Battalion, 5th Regiment of the 1st Marine Division), and his story takes readers through some of the most intense action of the Pacific War, from the seldom-seen perspective of a rifleman at the point of attack. *Battleground Pacific* is filled with indelible moments that begin with his childhood growing up in Queens, New York, and his run-in with the law that eventually led to his enlistment. But this is ultimately a combat tale—as violent

and harrowing as any that has come before. From fighting through the fiery hell that was Peleliu to the deadly battleground of Okinawa, Mace traces his path from the fear of combat to understanding that killing another human comes just as easily as staying alive. Battleground Pacific is one of the most important and entertaining memoirs about the Pacific theater in World War II. “Another great tribute to “The Greatest Generation.” Mace’s tale is written in the language of a grunt speaking for all the unsung heroes who lived and died in the Pacific. A good read from this Marine’s perspective.” —Jerry Cutter, former Marine, nephew of Sgt. John Basilone, USMC, and author of the authorized biography of Basilone, *I’m Staying with My Boys*

Helmet for My Pillow Robert Leckie, 2014-05-10 *Helmet for My Pillow* is a gripping memoir that transports readers to the frontlines of World War II through the eyes of Robert Leckie, a young Marine who fought in some of the most brutal battles of the Pacific Theater. With raw honesty and vivid prose, Leckie recounts his experiences from boot camp to the bloody battles of Guadalcanal, Cape Gloucester, and Peleliu, offering a deeply personal perspective on the sacrifices, camaraderie, and horrors of war. This powerful narrative serves as a testament to the courage and resilience of the men who fought and died in the Pacific, making it an essential read for anyone seeking to understand the realities of combat and the human cost of war.

**A Constitution in Full** Peter Augustine Lawler, Richard M. Reinsch II, 2019-05-13 When political debates devolve, as they often do these days, into a contest between big-government progressivism and natural rights individualism, Americans tend to appeal to the “self-evident” truths inscribed in the Declaration of Independence and the Constitution. But Peter Lawler and Richard Reinsch remind us that these truths understood in the abstract are untethered from a prior, unwritten constitution presupposed by the Framers—one found in culture, customs, traditions, experiences, and beliefs. *A Constitution in Full* is Lawler and Reinsch’s attempt to return this critical context to US constitutionalism—to recover a political sense of individualism in relation to country, family, religious community, and nature. Power, the authors suggest, is a public trust, not a form of obedience to either majoritarian suppression of particular liberties or the endless rights-claims lodged by autonomous individuals against society. Instead, power is ordered to the demands of a shared political enterprise that emerges from man’s social nature. Building on political insights from Alexis de Tocqueville, Orestes Brownson, John Courtney Murray, and others Lawler and Reinsch seek to restore the relational person—the individual grounded in family, work, faith, and community—to a central place in our understanding of republican constitutionalism. Their work promotes the ongoing development of constitutional self-government rooted in our historical, legal, and religious foundations. The shared middle-class values that once united almost all Americans as well as any confidence in democratic deliberation or political liberty are

rapidly atrophying. This book aims to rebuild this confidence by helping us think seriously about the complex interplay between political and economic liberties and the relational life of creatures and citizens.

Last Man Standing Dick Camp, 2011-12-11 One of the bloodiest battles in Marine Corps history, Operation Stalemate, as Peleliu was called, was overshadowed by the Normandy landings. It was also, in time, judged by most historians to have been unnecessary; though it had been conceived to protect MacArthur's flank in the Philippines, the U.S. fleet's carrier raids had eliminated Japanese airpower, rendering Peleliu irrelevant. Nevertheless, the horrifying number of casualties sustained there (71% in one battalion) foreshadowed for the rest of the war: rather than fight to the death on the beach, the Japanese would now defend in depth and bleed the Americans white. Drawing extensively on personal interviews, the Marine Corps History Division's vast oral history and photographic collection, and many never-before-published sources, this book gives us a new and harrowing vision of what really happened at Peleliu--and what it meant. Working closely with two of the 1st Regiment's battalion commanders--Ray Davis and Russ Honsowetz--Marine Corps veteran and military historian Dick Camp recreates the battle as it was experienced by the men and their officers. Soldiers who survived the terrible slaughter recall the brutality of combat against an implacable foe; they describe the legendary "Chesty" Puller, leading his decimated regiment against enemy fortifications; they tell of Davis, wounded but refusing evacuation while his men were under fire; and of a division commander who rejects Army reinforcements. Most of all, their richly detailed, deeply moving story is one of desperate combat in the face of almost certain failure, of valor among comrades joined against impossible odds.

*And No Birds Sang* Farley Mowat, 2012-04-16 Mowat's gripping account of how a young man, excited by the prospect of battle, is transformed into a war-weary veteran.

*Battle of Peleliu, 1944* Jim Moran, 2021-10-30 After the Allies had defeated the Japanese in the Solomons and the Dutch East Indies, the capture of the Philippines became General MacArthur's next objective. For this offensive to succeed, MacArthur felt compelled to secure his eastern flank by seizing control of the Palau Islands, one of which was Peleliu. The task of capturing this island, and the enemy airfield on it, was initially handed to Admiral Nimitz. The Palau Islands, however, formed part of Japan's second defensive line, and Peleliu's garrison amounted to more than 10,000 men. Consequently, when the US preliminary bombardment began on 12 September 1944, it was devastating. For two days the island was pounded relentlessly. Such was the scale of the destruction that the commander of the 1st Marine Division, Major General William H. Rupertus, told his men: 'We're going to have some casualties, but let me assure you this is going to be a fast one, rough but fast. We'll be through in three days - it may only take two.' At 08.32 hours on 15 September 1944, the Marines went ashore. Despite bitter fighting, and a ferocious Japanese defence, by the end of the day the Marines had a firm hold on Peleliu. But

rather than Japanese resistance crumbling during the following days as had been expected, it stiffened, as they withdrew to their prepared defensive positions. The woods, swamps, caves and mountains inland had been turned into a veritable fortress – it was there where the real battle for possession of Peleliu was fought. Day after day the Americans battled forward, gradually wresting control of Peleliu from the Japanese. Despite Major General Rupertus' prediction, it was not until 27 November, after two months, one week and five days of appalling fighting, and a final, futile last sacrificial charge by the remaining enemy troops, that the Battle of Peleliu came to an end.

**Commanding the Pacific** Stephen R. Taaffe, 2021-09-15 The Marine Corps covered itself in glory in World War Two with victories over the Japanese at Guadalcanal, Tarawa, Iwo Jima, and elsewhere. Despite its success, the Corps' high-ranking combat commanders remain virtually unknown to both historians and the general public. Stephen R. Taaffe explains that marine division and corps chiefs played a vital role in organizing, training, and leading their units in the American counteroffensive across the Pacific. Marine combat generals had to overcome both bureaucratic obstacles and enemy opposition to fulfill their amphibious missions--
