Mere Christianity (Annotated) C. S. Lewis, 2025-02-11

The Misquotable C.S. Lewis William O'Flaherty, 2018-03-16 C.S. Lewis wrote many great words, but not everything you see with his name on it is from the famed author of the Narnia books. Seventy-five quotations are presented that have an association in one way or another with a host of names, including: Ryan Seacrest, Anthony Hopkins, Max Lucado, Rick Warren, and Tim Allen! Learn the three most common ways Lewis is misrepresented: 1. Falsely Attributed Quotes: Expressions that are NOT by him. 2. Paraphrased: Words that are ALMOST what he said. 3. Out of Context: Material he wrote, but are NOT QUITE what he believed. This book doesn't stop there. Also discover what Lewis actually said that is related to the presented misquotes. Those new to Lewis and the more serious reader of his works will grow in their appreciation of a writer that is not only quotable, but obviously misquotable!

Weight of Glory C. S. Lewis, 2009-06-16 The classic *Weight of Glory* by C.S. Lewis, the most important Christian writer of the 20th century, contains nine sermons delivered by Lewis during World War Two. The nine addresses in *Weight of Glory* offer guidance, inspiration, and a compassionate apologetic for the Christian faith during a time of great doubt.

Freedom of Self Forgetfulness Timothy J. Keller, 2012-05-04 What are the marks of a supernaturally changed heart? This is one of the questions the Apostle Paul addresses as he writes to the church in Corinth. He's not after some superficial outward tinkering, but instead a deep rooted, life altering change that takes place on the inside. In an age where pleasing people, puffing up your ego and building your resume are seen as the methods to make it, the Apostle Paul calls us to find true rest in blessed self forgetfulness. In this short and punchy book, best selling author Timothy Keller, shows that gospel humility means we can stop connecting every experience, every conversation with ourselves and can thus be free from self condemnation. A truly gospel humble person is not a self hating person or a self loving person, but a self forgetful person. This freedom can be yours...

convinced him of the truth and reality of Christianity, in his famous autobiography.

Contend Aaron Armstrong,2012-10 Every generation must contend for the faith in its own way. Jesus said, I am the way, and the truth, and the life. No one comes to the Father except through me (John 14:6). With the entire Christian faith standing or falling on the validity of such an utterly exclusive and uncompromising claim, doctrine that truly aligns with Jesus will cause division. When we represent our faith honestly, it is simply inevitable: at times we will be at odds with others--friends, relatives, perhaps even other Christians. Yet we are called to contend, in obedience to and for the sake of the most divisive person in history. And the challenge is to do it in the way Jude describes: as an act of mercy toward those who doubt and those who have been deceived, regardless of whether they claim faith in Christ.

Letters to an American Lady C. S. Lewis, 2014-10-22 When Lewis was 51 years old and long established at Magdalen College, Oxford, he wrote the first of this collection of letters to an American widow. She was described as a very charming, gracious, southern aristocratic lady who loved to talk and speak well. In them are his antipathy to journalism, advertising, snobbery, psychoanalysis, and the petty practices that sap freedoms. They identify events in his life after 1950 including his marriage to Joy Davidman and her death three years later.

Hard to Believe John F. MacArthur, 2006-01-08 Jesus Christ did not die on the cross so you and I could have a nice day. Ministers and teachers who water down the gospel of Christ in order to make it more popular and appealing may be leading their fun-loving audiences down the road to eternal punishment. This book is John MacArthur's unflinching, unapologetic treatise on the modern tendency to alter the true message of Christianity in order to meet the whims and desires of a culture hoping for nonconfrontational messages, easy answers, and superficial commitments. Too many people just want a Madison Avenue Jesus to make them well, make them happy, and make them prosperous. But Jesus Christ isn't a personal genie. He is the Savior. He died in agony to satisfy the wrath of a holy God and to forgive the sins of humankind. Faith in Him demands a willingness to make any sacrifice He asks. The hard truth about Christianity is that the cost is high, but the rewards are priceless: abundant and eternal life that comes only from faithfully following Christ.

With knowledge, skills, and Holy Spirit guidance, we encourage believers to dig in and learn how to navigate this online world together—and give Christ a voice in the online world. The book also includes personal testimonies. Most are from everyday people impacting others' lives and culture online for Christ. These are real people and ministries (about a dozen) making a difference because they walk, talk and connect differently online. They are living out their faith before others unashamed.
