Dreams of Gods and Monsters Laini Taylor, 2014-04-17 *An Amazon Best Book of the Year* The final book in the gripping Sunday Times bestselling series. By way of a staggering deception, Karou has taken control of the chimaera rebellion and is intent on steering its course away from dead-end vengeance. The future rests on her, if there can even be a future for the chimaera in war-ravaged Eretz. Common enemy, common cause. When Jael's brutal seraph army trespasses into the human world, the unthinkable becomes essential, and Karou and Akiva must ally their enemy armies against the threat. It is a twisted version of their long-ago dream, and they begin to hope that it might forge a way forward for their people. And, perhaps, for themselves. Toward a new way of living, and maybe even love. But there are bigger threats than Jael in the offing. A vicious queen is hunting Akiva, and, in the skies of Eretz ... something is happening. Massive stains are spreading like bruises from horizon to horizon; the great winged stormhunters are gathering as if summoned, ceaselessly circling, and a deep sense of wrong pervades the world. What power can bruise the sky From the streets of Rome to the caves of the Kirin and beyond, humans, chimaera and seraphim will fight, strive, love, and die in an epic theater that transcends good and evil, right and wrong, friend and enemy. At the very barriers of space and time, what do gods and monsters dream of? And does anything else matter

Daughter of Smoke & Bone Laini Taylor, 2011-09-27 The first book in the New York Times bestselling epic fantasy trilogy by award-winning author Laini Taylor Around the world, black handprints are appearing on doorways, scorched there by winged strangers who have crept through a slit in the sky. In a dark and dusty shop, a devil's supply of human teeth grown dangerously low. And in the tangled lanes of Prague, a young art student is about to be caught up in a brutal otherworldly war. Meet Karou. She fills her sketchbooks with monsters that may or may not be real; she's prone to disappearing on mysterious errands; she speaks many languages--not all of them human; and her bright blue hair actually grows out of her head that color. Who is she? That is the question that haunts her, and she's about to find out. When one of the strangers--beautiful, haunted Akiva--fixes his fire-colored eyes on her in an alley in Marrakesh, the result is blood and starlight, secrets unveiled, and a star-crossed love whose roots drink deep of a violent past. But will Karou live to regret learning the truth about herself?

City of Gods and Monsters Kayla Edwards, 2024-03-19 The City of Gods and Monsters Special Edition Hardcover:

featuring all-new case laminate art, a map of Angelthene, interior art, and an exclusive bonus scene. Welcome to the city of Angelthene. We hope you survive. Loren Calla has only ever been ordinary. As a human struggling to survive in a city that caters to the needs of vampires, werewolves, witches, and other supernatural creatures, she always assumed her life would remain simple, predictable, and as safe as her world would allow. Until she barely escapes abduction at the hands of Darkslayers-supernatural bounty hunters that possess the Sight, a magical tracking ability that allows them to see a person's aura-and one of her friends is taken in her place. The abductors are demanding a ransom: Loren's life in exchange for her friend's safe return. Loren will do whatever it takes to get her friend back-even if it means accepting help from Darien Cassel, the leader of the Seven Devils, the most feared Darkslaying circle in the city. Darien specializes in tracking down demons and criminals that are better off dead than alive, so when he takes a job to track down Loren and finds out she is human-and couldn't hurt a fly if her life depended on it-he decides to protect her instead of turn her in for a reward. As much as Loren doesn't want to admit it, Darien is her best and only chance at finding her friend alive, if she can somehow manage to get along with him-and not fall head-over-heels in love with him in the process, which is far easier said than done. When more women start disappearing, and some of them slowly turn up dead, Loren and Darien's search for answers takes them deep into Angelthene's corrupt underbelly, where they discover a dark secret that threatens to unravel their world. And when tragedy strikes, Loren learns that love can make an ordinary person do extraordinary things.

Lord of Embers C. N. Crawford,2022-01-12 Once, I was a broke college student. Now, it seems I'm destined to rule as the Lightbringer--queen of the demon realm. Except I have competition in the form of Orion, the Lord of Chaos. Like me, he

has been marked as a leader. We can't keep our hands off each other, even if he swore an oath to kill me. It seems we both want the same thing--the crown. And in this battle of wills, only one of us will be left standing.

Rupert Wong, Cannibal Chef Cassandra Khaw,2015-10-23 It's not unusual to work two jobs in this day and age, but sorcerer and former triad soldier Rupert Wong's life is more complicated than most. By day, he makes human hors d'oeuvres for a dynasty of ghouls; by night, he pushes pencils for the Ten Chinese Hells. Of course, it never seems to be enough to buy him a new car—or his restless, flesh-eating-ghost girlfriend passage from the reincarnation cycle—until opportunity comes smashing through his window. In Kuala Lumpur, where deities from a handful of major faiths tip-toe around each other and damned souls number in the millions, it's important to tread carefully. Now the Dragon King of the South wants to throw Rupert right in it. The ocean god's daughter and her once-mortal husband have been murdered, leaving a single clue: bloodied feathers from the Greek furies. It's a clue that could start a war between pantheons, and Rupert's stuck in the middle. Success promises wealth, power and freedom, and failure... doesn't.

One Man Harry Connolly,2019-11-26 One Cursed City. Two Dead Gods. Ten Thousand Murderers and Thieves. One Orphaned Girl. As a child, Kyrioc was groomed to be the head of one of the most powerful noble families in Koh-Salash, a city built inside the skeletons of two murdered gods. Kyrioc himself dreamed of becoming head of the High Watch, the highest political position in the land. Those dreams have turned to dust. Presumed dead after a disastrous overseas quest, Kyrioc now lives in a downcity slum under a false name, hiding behind the bars of a pawnshop window. Riliska, a nine-year-old pickpocket who sells stolen trinkets to his shop, is the closest thing he has to a friend. When a criminal gang kills Riliska's mother and kidnaps the little girl, Kyrioc goes hunting for her. He doesn't care about the forbidden magic the gangs are fighting over--the severed ear of a glitterkind, a creature whose flesh contains astonishing healing powers. He doesn't care about the bloody, escalating gang violence. He doesn't care about the schemes of power-hungry nobles. In a raging city on the verge of civil war, Kyrioc only wants to save his friend. He will risk anything for her, even awakening the powers that murdered the gods so long ago.

Gods & Monsters Saffron A. Kent,2021-08-05 He was an artist. She was his muse. To everyone in town, Abel Adams was the devil's spawn, a boy who never should have been born. A monster. To twelve-year-old Evie Hart, he was just a boy with golden hair, soft t-shirts and a camera. A boy who loved taking her picture and sneaking her chocolates before dinner. A boy who made her feel special. Despite her family's warnings, she loved him in secret for six years. They met in empty classrooms and kissed in darkened church closets. Until they couldn't. Until the time came to choose between love and family, and Evie chose Abel. Because their love was worth the risk. Their love was the stuff of legend. But the thing about legends is that they are cautionary tales. They are made of choices and mistakes. And for Abel and Evie, the artist and the muse, those mistakes come in the form of lights, camera, sex.

Of Gods and Monsters: Hades Wulf Godgluck,2016-01-22 This is not a story about a hero, or some bad boy-badass-antihero. This is a love story of two monstrous villains and one valiant kid, held together by their entwined heartstrings. It won't be pretty. It won't be pleasant. There's no fluffy good feelings about it. It will rip out your heart and never give it back. Breno Hades el Oscuro was never a man that took bullshit from anyone. He ruled the crime world of the United States. But the King fell. What was left in the ashes was not the small boy that grew up without his father, not the same kid that chose a life of crime at seventeen, or for that matter the King that clawed through a river of blood to stand at the top. When the King was dragged from his throne of bones into deep dark pit, it was only the raw flesh of a savage monster that remained and crawled out of Hell. One that knew love, but didn't want it again. Kemono Orochi was the one destined to inherit the legacy of his father, known as The Dragon's Tongue. He never wanted it, never desired the power that went along with the title of Dragon. Kemono ended it all by tearing off the Dragon's head and watching the serpent's remains go up in hellfire. Now tormented by the scars of his past and those inflicted by his father, he is struggling to come to terms with the Akuma he has become. One that wants to devour everyone in his path to get the only one that matters to him. The only person that had ever made his icy heart beat. His heart. His love. His beautiful pride. Rex Hunter had a dream to become the principal ballerino...all fierce like a Phoenix. But this Phoenix has lost his wings and fell into the clutched claws and callus hands of two vicious beasts with the blackest of hearts. Where he would be kept safe, cherished and be loved unconditionally. Or was Rex just destined to be the goo that would stick two shattered souls together and prevent them from forever falling to pieces? There's going to be blood, gore and nasty shit. There's going to be watersports, crude, angry, sometimes sensual and other times just down right dirty and dysfunctional sex. BUT... There will always be LOVE. Because even villains understand the tortured scars love leaves in her wake.

Of Gods & Monsters Zavi James,2021-11-16 I don't think getting to know me that intimately is part of the job description, I whispered in her ear, amused by the salacious thoughts. Who'd have guessed the stiff in the lab coat would have such a dirty mind? Let me make this clear. I would never touch a filthy mortal like you in such a way. Dr Quentin Scott doesn't believe in the Gods. Forsaken at every turn of her life, she refuses to kneel before them and beg for scraps. But when she is recruited to the E.L.I. project, Quen is forced to come face to face with the Gods she detests. Grayson, God of Chaos, never wanted to be part of the project. He would happily spend his days in Upper Elysia, watching the madness he created unfold amongst the mortals, but he's outnumbered. When he's paired with a disrespectful nonbeliever, Gray's temper leads his every action. And then he senses the chaos that lies beneath the pretty façade, and he vows to break her. As Grayson and Quentin lock horns over the smallest things, something sparks between them. But a spark can become a raging inferno in the blink of an eye and the damage done may be irreparable. When secrets emerge that could shift the balance of powers in Elysia, decisions must be made and there's no such thing as an easy choice. The Gods have come to play, but it's a dangerous

game. Who can you trust? *This book contains sexually explicit scenes, mature language, discussion of deceased parents and a train accident and OM/OW drama. Not intended for readers below 18. Reader discretion is advised.*

Lorelei must prove herself not only beautiful, but talented, poised, and deadly as the king. However, the closer she gets to saving her kingdom, the more she realizes a singular problem stands in her way. The dragon. The King's bodyguard is more than a slathering beast. He's a man. And the longer she's near him, the more she realizes that perhaps the king isn't the most dangerous person in the kingdom. Perhaps she had to guard not only her body, but her heart. Coming Attractions Lisa Kernan,2009-07-21 Movie trailers—those previews of coming attractions before the start of a feature film—are routinely praised and reviled by moviegoers and film critics alike: They give away too much of the movie. They're better than the films. They only show the spectacular parts. They lie. They're the best part of going to the movies. But whether you love them or hate them, trailers always serve their purpose of offering free samples of a film to influence moviegoing decision-making. Indeed, with their inclusion on videotapes, DVDs, and on the Internet, trailers are more widely

seen and influential now than at any time in their history. Starting from the premise that movie trailers can be considered a film genre, this pioneering book explores the genre's conventions and offers a primer for reading the rhetoric of movie trailers. Lisa Kernan identifies three principal rhetorical strategies that structure trailers: appeals to audience interest in film genres, stories, and/or stars. She also analyzes the trailers for twenty-seven popular Hollywood films from the classical, transitional, and contemporary eras, exploring what the rhetorical appeals within these trailers reveal about Hollywood's changing conceptions of the moviegoing audience. Kernan argues that movie trailers constitute a long-standing hybrid of advertising and cinema and, as such, are precursors to today's heavily commercialized cultural forms in which art and marketing become increasingly indistinguishable.
