Annual Report of the Director of the Bureau of American Republics ,1894

Annual report...for the year[s] 1891-[1896] 1892-1897. (Bulletin, no. 30, 72-74, 80, 81). Columbia. 1892. (Bulletin, no. 33). The Republic of Guatemala. 1897. (Bulletin no. 68) International Bureau of the American Republics,1892

From Conquest to Colony Kirsten Schultz,2023-01-01 A new history of Brazil's eighteenth century that foregrounds debates about wealth, difference, and governance Transformations in Portugal and Brazil followed the discovery of gold in Brazil's hinterland and the hinterland's subsequent settlement. Although earlier conquests and evangelizations had incorporated new lands and peoples into the monarchy, royal officials now argued that the extraction of gold and the imperatives of rivalry and commerce demanded new approaches to governance to ensure that Brazil's wealth flowed to Portugal and into imperial networks of exchange. Using archival records of royal and local administrations, as well as contemporary print culture, Kirsten Schultz shows how the eighteenth-century Portuguese crown came to define and defend Brazil as a colony that would reinvigorate Portuguese power. Making Brazil a colony entailed reckoning with dynamic societies that encompassed Indigenous peoples, Africans, and Europeans; the free and the enslaved; the wealthy and the poor. It also involved regulating social relations defined by legal status, ancestry, labor, and wealth to ensure that Portuguese America complemented and supported, rather than reproduced, metropolitan ways of producing and consuming wealth.

Attitudes of the Chilean Right toward Jews Gustavo Guzmán,2022-08-01 This is the first book in English to discuss the changing attitudes of the Chilean Right toward Jewish immigrants and the State of Israel from the 1930s onwards. Jewish

Chileans have ascended rapidly from the status of undesirable immigrants to middle and upper-middle class, facing less obstacles than their Argentine coreligionists. Particular emphasis is given to the failed struggle to extradite war criminal Walther Rauff and to the years of the military dictatorship headed by General Augusto Pinochet. By the 1970s, Israel seemed a strong pro-Western barrier to the expansion of communism and Islamic fundamentalism.

Ruling But Not Governing Steven A. Cook,2007-05 Ruling, but not governing : a logic of regime stability -- The Egyptian, Algerian, and Turkish military enclaves : the contours of the officers' autonomy -- The *pouvoir militaire* and the failure to achieve a just mean -- Institutionalizing a military-founded system -- Turkish paradox : Islamist political power and the Kemalist political order -- Toward a democratic transition? : weakening the patterns of political inclusion and exclusion.

The Cuban Counterrevolution Jesús Arboleya,2000 Arboleya also analyzes the role played by Cuban immigrants to the United States and the perspectives for improvement in relations between the two nations as a result of the generational and social changes that have been occurring in the Cuban-American community.--BOOK JACKET.

The Directory for Confessors, 1585 ,2018-03-15 In the late sixteenth century, after the Council of Trent and the Catholic Reformation, the confessional became a key means to improve morals and religious life—and, for the Catholic clergy of New Spain, a new avenue through which they might reach the consciences of Spaniards and improve their treatment of indigenous peoples. To this end, the bishops of the province of Mexico drafted a directorio in 1585 to guide the priesthood in fulfilling its duty according to current ecclesiastical ideals and social realities. That document, published here in English for the first time, offers an unrivaled view of the religious, social, and economic history of colonial Mexico. Though never widely circulated, the Directorio para confesores (Directory for Confessors) contains an encyclopedic description of life in Mexico three generations after the European invasion. In addition to summarizing sixteenth-century Spanish concerns in the provinces, the Directory offers insight into the Catholic Church's moral judgments on many aspects of colonial life. Translated by distinguished scholar Stafford Poole, the document embodies a remarkable knowledge of scripture and law and reflects the concerns of the Spanish crown and what was happening in New Spain. The Directory instructs its clergy audience in the proper methods to combat superstition among the Spaniards, helps them navigate the variety of business contracts used in Creole society at the time, and details the obligations of those in various social stations, from viceroys to tavern keepers. It also condemns the forced labor of native people under the repartimiento system, especially in the mines. Rendered in clear prose and illuminated with helpful introductory chapters by Poole and John F. Schwaller, extensive annotations, and a glossary of terms, this volume offers unparalleled insights into life and thought in sixteenth-century New Spain.

Report of the Secretary of War, which Accompanied the Annual Message of the President of the United States, to Both Houses of the ... Congress ,1900

Sacerdotes para siempre Carlos Miguel Buela,2014-01-10 «Reflexiones sobre el sacerdocio bajo sus aspectos teológicos, filosóficos, pastorales, morales y litúrgicos, podría ser un subtítulo de la erudita obra: SACERDOTES PARA SIEMPRE del Padre CARLOS MIGUEL BUELA, Fundador del “Instituto del Verbo Encarnado” para misioneros ad Gentes y de las “Servidoras del Señor y de la Virgen de Matará”. Y con decir esto, ya tenemos sobrada presentación para acreditar al autor, como experto en vocaciones sacerdotales y religiosas. Al respetable volumen de la obra, con más de 800 páginas, se agrega la fluidez y calidad de su escritura, constituyendo un arsenal de citas de textos escogidos de la Biblia, los Santos Padres, Mensajes Pontificios y Documentos Conciliares, especialmente de Trento y Vaticano II, síntesis este último Concilio Pastoral, de toda la doctrina católica, compendiada a su vez en el Catecismo de la Iglesia Católica» (Pbro. Victorino Ortego. Tomado del prólogo del libro).

Güia del Español en Londres. With a map E. PRIETO,1862

Los mecanismos fraudulentos de hacer fortuna Hugo Fazio,2016 Hoy las noticias de cada día nos muestran que los vínculos entre los grupos económicos y el poder político se acrecientan, redundando en una sociedad cada vez más segmentada y desigual. Es por ello que resulta conveniente ver, con datos de 2015 y comienzos de 2016, la continuidad y las modificaciones producidas en este Mapa de la extrema riqueza en Chile, así como también las manifestaciones del accionar de grandes intereses económicos para acrecentar sus fortunas utilizando procedimientos que han dado lugar a una sucesión de escándalos.
