El huésped Guadalupe Nettel, 2006-01-01 La extraña historia de una niña habitada interiormente por un ser inquietante, quizás imaginario, quizás no. Ana sostiene una lucha silenciosa contra esa hermana siamesa, hasta que el huésped comienza a manifestarse en su entorno familiar de una manera devastadora. Alrededor de esa presencia se fraguan los acontecimientos de una vida, entre ellos las tragedias familiares, y su existencia como adulta. Ana sabe que, tarde o temprano, ocurrirá en ella un desdoblamiento. Esta novela describe un largo adiós al mundo de la vista y un encuentro con el universo de los ciegos, pero también con la cara subterránea y más recóndita de la ciudad de México. Los personajes, incluida la ciudad, se desdoblán en una confusión de reflejos, se mueven entre lo superficial y lo profundo, lo consciente y lo inconsciente, lo oscuro y lo luminoso, sin que sepamos nunca el territorio que pisamos. Son personas que, por una tara física o psicológica, no encuentran un lugar en el mundo y se organizan en grupos paralelos que imponen sus propios valores y que comprenden su rara belleza. La autora explora estos universos guiada por una intuición: en los aspectos que nos negamos a ver del mundo –o de nosotros mismos– se esconden las pautas que nos ayudan a sobrellevar la existencia. El huésped fue la primera e inquietante novela de la que, con el correr de los libros y de los premios, se ha convertido en una de las voces con más presente –y futuro– de la narrativa en español. El huésped silencioso y otras historias Susana Corcuera,2021 Las historias en “El huésped silencioso.....” de Susana Corcuera (segundo lugar del Premio Azorín de Novela 2005) nos provocan un estremecimiento, la calma del desastre, el irreductible miedo de hechos consumados, como la muerte y las pesadillas, con su escalofrío y estertor. Three Messages and a Warning Eduardo Mayo,Chris Brown,2012-02-14 A radical combination of emerging and established Mexican authors of original tales of the fantastic.

The Host Stephenie Meyer,2009-02-26 Melanie Stryder refuses to fade away. The earth has been invaded by a species that takes over the minds of their human hosts while leaving their bodies intact, and most of humanity has succumbed. Wanderer, the invading 'soul' who has been given Melanie's body, knew about the challenges of living inside a human: the overwhelming emotions, the too-vivid memories. But there was one difficulty Wanderer didn't expect: the former tenant of her body refusing to relinquish possession of her mind. Melanie fills Wanderer's thoughts with visions of the man Melanie loves - Jared, a human who still lives in hiding. Unable to separate herself from her body's desires, Wanderer yearns for a man she's never met. As outside forces make Wanderer and Melanie unwilling allies, they set off to search for the man they both love.

The Doubtful Guest Edward Gorey,1998 Being a tale--perhaps an allegory--of deceptive simplicity, with universal meaning for all civilized men and women, Gorey's *The Doubtful Guest* is republished here in a deluxe hardcover edition at an eerily low price.

El huésped Isaac Bashevis Singer,Andrés Catalán,2020-09-21 Descubierto en 2018 por *The New Yorker*, este relato maravilloso describe sin complejos el destino, los traumas y las actitudes de los supervivientes del Holocausto. Reb Berish experimentó las dificultades de un inmigrante con una carretilla en el Lower East Side. Sobrevivió e incluso se retiró con una pequeña pensión, pero no triunfó en Estados Unidos como otros judíos de su generación. Morris Melnik, por otro lado, vivió una trayectoria histórica completamente diferente. Llegó a Estados Unidos en la era posterior a la Segunda Guerra Mundial, roto, sin esperanzas ni sueños, habiendo perdido a todos los que estaban cerca de él y experimentado las expresiones más bajas de la vida humana en la Tierra.

The House of the Spirits Isabel Allende,2025-02-06 As a girl, Clara del Valle can read fortunes, make objects move as if they had lives of their own, and predict the future. Following the mysterious death of her sister, Rosa the Beautiful, Clara is mute for nine years. When she breaks her silence, it is to announce that she will be married soon to the stern and volatile landowner Esteban Trueba. Set in an unnamed Latin American country over three generations, The House of the Spirits is a magnificent epic of a proud and passionate family, secret loves and violent revolution. 'Extraordinary... Powerful... Sharply observant, witty and eloquent' New York Times 'Intensely moving. Both entertaining and deeply serious' Evening Standard 'The only cause The House of the Spirits embraces is that of humanity, and it does so with such passion, humor, and wisdom that in the end it transcends politics...The result is a novel of force and charm, spaciousness and vigor' Washington Post

After the Winter Guadalupe Nettel,2018-03-08 I envy how naturally she makes use of language; her resistance to ornamentation and artifice; and the almost stoic fortitude with which she dispenses her profound and penetrating knowledge of human nature. What's more, in this novel, she has impeccable syntactic control, and her ear is sharper than ever before Valeria Luiselli, Guernica A shy young Mexican woman moves to Paris to study literature. Cecilia has few friends, and a morbid fascination with watching the funerals taking place in Père-Lachaise cemetery outside her apartment. She suddenly strikes up a close relationship with her neighbour, a sickly young man who shares her interest in death and believes we can communicate with the dead. After coming to entirely depend on him for company and routine, Cecilia is left devastated by his decision to go to Sicily for his health, and is left alone in an unfriendly city once more. Claudio, meanwhile, lives in New York with the submissive, quiet, but very wealthy Ruth. She makes few demands of him, while acquiescing to all his desires and indulging his obsessive, misogynistic nature. He meets Cecilia by chance when visiting a friend in Paris and their two very different worlds collide with transformative consequences. With startling intensity, humour and insight, Nettel conjures a dark fable about obsession, denial and our modern ability to reach out across the globe in search of love. Translated from the Spanish by Rosalind Harvey

The Masque of the Red Death Edgar Allan Poe,2024-12-12 The Masque of the Red Death (originally published as The Mask of the Red Death: A Fantasy) is a short story by American writer Edgar Allan Poe, first published in 1842. The story follows Prince Prospero's attempts to avoid a dangerous plague, known as the Red Death, by hiding in his abbey. He, along with many other wealthy nobles, hosts a masquerade ball in seven rooms of the abbey, each decorated with a different color. In the midst of their revelry, a mysterious figure disguised as a Red Death victim enters and makes his way through each of the rooms. Prospero dies after confronting this stranger, whose costume proves to contain nothing tangible inside it; the guests also die in turn. Poe's story follows many traditions of Gothic fiction and is often analyzed as an allegory about the inevitability of death, though some critics advise against an allegorical reading. Many different interpretations have been

presented, as well as attempts to identify the true nature of the eponymous disease. The story was first published in May 1842 in Graham's Magazine and has since been adapted in many different forms, including a 1964 film starring Vincent Price. Poe's short story has also been alluded to by other works in many types of media.

The Decameron Giovanni Boccaccio,2023-07-07 In the time of a devastating pandemic, seven women and three men withdraw to a country estate outside Florence to give themselves a diversion from the death around them. Once there, they decide to spend some time each day telling stories, each of the ten to tell one story each day. They do this for ten days, with a few other days of rest in between, resulting in the 100 stories of the Decameron. The Decameron was written after the Black Plague spread through Italy in 1348. Most of the tales did not originate with Boccaccio; some of them were centuries old already in his time, but Boccaccio imbued them all with his distinctive style. The stories run the gamut from tragedy to comedy, from lewd to inspiring, and sometimes all of those at once. They also provide a detailed picture of daily life in fourteenth-century Italy.

Animals at the End of the World Gloria Susana Esquivel,2020-03-17 Animals at the End of the World begins with an explosion, which six-year-old Inés mistakes for the end of the world that she has long feared. In the midst of the chaos, she meets the maid's granddaughter, Mariá, who becomes her best friend and with whom she navigates the adult world in her grandparents' confined house. Together, they escape the house and confront the "animals" that populate Bogotá in the 1980s. But Inés soon realizes she cannot count on either María or her preoccupied and conflicted parents. Alone, she must learn to decipher her outer and inner worlds, confronting both armies of beasts and episodes of domestic chaos. In the process, she also learns what it means to test boundaries, break rules, and cope with the consequences. The first novel by Colombian author Gloria Susana Esquivel, Animals at the End of the World is a poetic and moving coming-of-age story that lingers long after its final page.

El huésped inquietante Umberto Galimberti,2019-03-04 He aquí un libro sobre los jóvenes, jóvenes que atraviesan dificultades, aunque no siempre son conscientes de ello. Y no por las habituales crisis existenciales que afectan a la juventud, sino porque un invitado inquietante, el nihilismo, está entre ellos, penetra en sus sentimientos, confunde sus pensamientos, elimina perspectivas y horizontes, socava su alma, entristece sus pasiones y las debilita. Las familias se alarman, la escuela

no sabe qué hacer, solo el mercado está interesado en ellos para conducirlos por los caminos del entretenimiento y el consumo, donde aquello que se consume no son tanto los objetos que cada año se vuelven obsoletos, sino sus vidas, que no pueden proyectarse hacia un futuro capaz de entrever promesa alguna. No hace falta decir que, si el trastorno no es del individuo, el origen no es psicológico sino cultural. Por eso los remedios elaborados por nuestra cultura resultan ineficaces, tanto en la versión religiosa porque Dios está realmente muerto, como en la versión ilustrada porque no parece que la razón sea hoy en día la reguladora de las relaciones entre los seres humanos. Queda solo la razón instrumental, que garantiza el progreso técnico, pero no una expansión del horizonte de significado debido a la inacción del pensamiento y la aridez de los sentimientos. ¿Existe una vía de salida? ¿Se puede expulsar al huésped inquietante? Sí, si sabemos enseñar a los jóvenes el arte de vivir, como decían los griegos, que consiste en reconocer las propias capacidades, explicitarlas y verlas florecer. Si precisamente a través del nihilismo los jóvenes, adecuadamente apoyados, supieran dar este primer paso capaz de despertar su curiosidad y el amor por sí mismos, ese huésped inquietante no habría pasado en vano.
