

Finding Your Own North Star Summary

Hyrum W. Smith

Finding Your Own North Star Martha Beck, 2002-01-29 New York Times bestselling author and Life Designs, Inc. creator Martha Beck shares her step-by-step program that will guide you to fulfill your own potential and create a joyful life. In this book, you'll start by learning how to read the internal compasses already built into your brain and body--and why you may have spent your life ignoring their signals. As you become reacquainted with your own deepest desires, you'll identify and repair any unconscious beliefs or unhealed emotional wounds that may be blocking your progress. This will change your life, but don't worry--although every life is unique, major transformations have common elements, and Beck provides a map that will guide you through your own life changes. You'll learn how to navigate every stage, from the first flickering appearance of a new dream to the planning and implementation of your own ideal life. Based on Dr. Beck's work as a Harvard-trained sociologist, research associate at Harvard Business School, instructor at Thunderbird Business School, and especially on her experiences with her clients over the last six years, *Finding Your Own North Star* offers thoroughly tested case studies, questionnaires, and exercises to help you articulate your core desires and act on them to build a more satisfying life. "Explorers depend on the North Star when there are no other landmarks in sight. The same relationship exists between you and your right life, the ultimate realization of your potential for happiness. I believe that a knowledge of that perfect life sits inside you just as the North Star sits in its unaltering spot." -- Martha Beck

The Joy Diet Martha Beck, 2008-06-03 Discover a menu of ten behaviors you can add to your way of living and thinking to enhance every day's journey through the unpredictable terrain of your existence. Add these behaviors gradually and watch your life become steadily more vivid and satisfying. Or you can go on a "crash Joy Diet" to help you navigate life's emergencies. The ten menu items are:

- Nothing: Do nothing for fifteen minutes a day. Stop mindlessly chasing goals and figure out which goals are worth going after.
- Truth: Create a moment of truth to help you unmask what you're hiding—from others and from yourself.
- Desire: Identify, articulate, and explore at least one of your heart's desires—and learn how to let yourself want what you want.
- Creativity: Learn six new ways to develop at least one new idea to help you obtain your heart's desire.
- Risk: Take one baby step toward reaching your goal. The only rule is it has to scare the pants off you.
- Treats: Give yourself a treat for every risk you take and two treats just because you're you. No exceptions. No excuses.
- Play: Take a moment to remember your real life's work and differentiate it from the games you play to achieve it. Then play

wholeheartedly. • Laughter: Laugh at least thirty times a day. Props encouraged. • Connection: Use your Joy Diet skills to interact with someone who matters to you. • Feasting: Enjoy at least three square feasts a day, with or without food. No matter what your long-term goals are, The Joy Diet, written with Martha Beck's inimitable blend of wisdom, practical guidance, and humor, will help you achieve the immediate gift of joyful living in the here and now. Begin your journey today.

Finding Your Way in a Wild New World Martha Beck, 2013-01-01 Author of Oprah's Book Club Pick—The Way of Integrity: Finding the Path to Your True Self "The best known life coach in America" (Psychology Today) and bestselling author of Finding Your Own North Star provides a new transformational program for creating an unconventional life path to a sustainable way of life. Martha Beck's program has been practiced by Oprah and featured on Super Soul Sunday! Finding Your Way in a Wild New World reveals a remarkable path to the most important discovery you can make: the knowledge of what you should be doing with your one wild and precious life. It's the thing that so fulfills you that, if you knew what it was, you'd run straight toward it through brambles and fire. Life coach and bestselling author of Finding Your Own North Star Martha Beck guides you to find out how you got to where you are now and what you should do next, with clear instructions on tapping into the deep, wordless knowledge you carry in your body and soul. You probably have sensed that you have a higher calling and a quiet power that could change the world—you lack only the tools. With her sparkling prose, Beck draws from ancient wisdom and modern science to help you consciously tap into that power and develop those tools for transformation. You'll also find your inner identity and your external "tribe" of like-minded people, experience the spark of inspiration, and take action to make a lasting impact on the world. Compassionate and inspirational, Finding Your Way in a Wild New World is a revolutionary journey of self-discovery that leads to miraculous change.

The Way of Integrity Martha Beck, 2021-04-13 OPRAH'S BOOK CLUB PICK A NEW YORK TIMES BESTSELLER 'A roadmap on the journey to truth and authenticity... [The Way of Integrity] is filled with aha moments and practical exercises that can guide us as we seek enlightenment' Oprah Winfrey 'This radiant book will not only change your life, but perhaps even save it' Elizabeth Gilbert 'Martha Beck's genius is that her writing is equal parts comforting and challenging. A teacher, a mother, a sage, she holds our hand as she leads us back home to ourselves' Glennon Doyle _____ Bestselling author, life coach and sociologist Martha Beck explains why 'integrity' - being in harmony with ourselves - is the key to a meaningful and joyful life In The Way of Integrity, Beck presents a four-stage process that anyone can use to find integrity, and with it, a sense of purpose, emotional healing, and a life free of mental suffering. Much of what plagues us-people pleasing, staying in stale relationships, negative habits-all point to what happens when we are out of touch with what truly makes us feel whole. Inspired by The Divine Comedy, Beck uses Dante's classic hero's journey as a framework to break down the process of attaining personal integrity into small, manageable steps. She shows how to read our internal signals that lead us towards our true path, and to recognize what we actually yearn for versus what our culture sells us. With techniques

tested on hundreds of her clients, Beck brings her expertise as a social scientist, life coach and human being to help readers to uncover what integrity looks like in their own lives. She takes us on a spiritual adventure that not only will change the direction of our lives, but bring us to a place of genuine happiness.

Steering by Starlight Martha Beck, 2009-06-09 In *Steering by Starlight*, renowned life coach Martha Beck, Ph.D., describes the step-by-step process she uses with her private clients to help them navigate the terrain of their best lives. Bringing together cutting-edge research in psychiatry, neurology, and related fields in an accessible, substantive, original way, Dr. Beck offers powerful methods for solving the problems that beset ordinary people. Using her trademark wisdom, empathy, and engaging style, she connects you with proven, effective strategies that have worked for the hundreds of people she has coached. For those who have found your North Stars, this book will be an invaluable tool to stay the course and overcome obstacles. For those who still feel adrift, it will provide a way to find true North and follow the path of best destiny. Dr. Beck identifies three stages along the path to recapturing a satisfying life: • The Stargazer helps you understand why it is so easy to lose yourself and offers strategies for sighting your North Star • The Mapmaker uses this newly clarified perspective to evaluate your situation and plot a course for upcoming years • The Pathfinder discusses the adventures that may be encountered as you travel along this new life course Whether you are seeking better relationships, a more focused career direction, a more harmonious lifestyle, or the achievement of specific fitness goals, the colorful anecdotes, case studies, and exercises in *Steering by Starlight* will point the way.

The Four-Day Win Martha Beck, 2008-03-18 A life coach columnist for *O* magazine challenges opinions about will power being a key element in weight loss, introducing an unconventional program that incorporates a series of four-day habit-changing steps that culminate in an overall healthier lifestyle. Reprint.

The North Star Peter H. Reynolds, 2024-10-15 Ideal for graduates! A gorgeous edition of the universal fable that has inspired seekers of all ages to follow their heart's desire. Ask yourself where it is you want to go. . . . It is often said that life is a journey, and it's true. But sometimes it's hard to know which path to follow, when signs point in so many directions. In this beautifully illustrated book, Peter H. Reynolds once again encourages readers to observe, to wonder, and to consider diverging from the well-worn path—to pursue their dreams. Originally published ten years ago, *The North Star* has had a profound effect on its many readers. This edition celebrates the book's own decade-long voyage connecting people around the world. It has inspired classroom activities, a musical, and thousands more thoughtful journeys.

Finding Your True North Bill George, Andrew McLean, Nick Craig, 2011-01-07 Based on Bill George's bestselling book *True North*, this personal guide offers leaders a comprehensive method for identifying their unique "True North." The book offers methods for personal reflection and includes targeted exercises that help leaders hone in on the purpose of their leadership and developing their authentic leadership skills.

Chasing the North Star Robert Morgan,2017-04-04 In his latest historical novel, bestselling author Robert Morgan brings to full and vivid life the story of Jonah Williams, who, in 1850, on his eighteenth birthday, flees the South Carolina plantation on which he was born a slave. He takes with him only a few stolen coins, a knife, and the clothes on his back--no shoes, no map, no clear idea of where to head, except north, following a star that he prays will be his guide. Hiding during the day and running through the night, Jonah must elude the men sent to capture him and the bounty hunters out to claim the reward on his head. There is one person, however, who, once on his trail, never lets him fully out of sight: Angel, herself a slave, yet with a remarkably free spirit. In Jonah, she sees her own way to freedom, and so sets out to follow him. Bristling with breathtaking adventure, *Chasing the North Star* is deftly grounded in historical fact yet always gripping and poignant as the story follows Jonah and Angel through the close calls and narrow escapes of a fearsome world. It is a celebration of the power of the human spirit to persevere in the face of great adversity. And it is Robert Morgan at his considerable best.

True North Bill George,2010-06-10 True North shows how anyone who follows their internal compass can become an authentic leader. This leadership tour de force is based on research and first-person interviews with 125 of today's top

leaders—with some surprising results. In this important book, acclaimed former Medtronic CEO Bill George and coauthor Peter Sims share the wisdom of these outstanding leaders and describe how you can develop as an authentic leader. True North presents a concrete and comprehensive program for leadership success and shows how to create your own Personal Leadership Development Plan centered on five key areas: Knowing your authentic self Defining your values and leadership principles Understanding your motivations Building your support team Staying grounded by integrating all aspects of your life True North offers an opportunity for anyone to transform their leadership path and become the authentic leader they were born to be. Personal, original, and illuminating stories from Warren Bennis, Sir Adrian Cadbury, George Shultz (former U.S. secretary of state), Charles Schwab, John Whitehead (Cochairman, Goldman Sachs), Anne Mulcahy (CEO, Xerox), Howard Schultz (CEO, Starbucks), Dan Vasella (CEO, Novartis), John Brennan (Chairman, Vanguard), Carol Tome (CFO, Home Depot), Donna Dubinsky (CEO/cofounder, Palm), Alan Horn (President, Warner Brothers), Ann Moore (CEO, Time, Inc.) and many others illustrate the transitions that shape the type of leaders who will thrive in the 21st century. Bill George (Cambridge, MA) has spent over 30 years in executive leadership positions at Litton, Honeywell, and Medtronic. As CEO of Medtronic, he built the company into the world's leading medical technology company as its market capitalization increased from \$1.1 billion to \$60 billion. Since 2004, he has been a professor at the Harvard Business School. His 2004 book *Authentic Leadership* (0-7879-7528-1) was a BusinessWeek bestseller. Peter Sims (San Francisco, CA) established "Leadership Perspectives," a course on leadership development at the Stanford Graduate School of Business and cofounded the London office of Summit Partners, a leading investment firm. All We Have Is Now Lisa Schroeder, 2015-07-28 From the author of *THE BRIDGE FROM ME TO YOU*, a groundbreaking novel about what matters most -- when time is running out. What do you do with your last day on earth? There are 27 hours and fifteen minutes left until an asteroid strikes North America, and, for Emerson and everyone else who didn't leave, the world will end. But Emerson's world already ended when she ran away from home last year. Since then she has lived on the streets, relying on her wits and her friend Vince to help her find places to sleep and food to eat. The city's quieter now that most people are gone, and no one seems to know what to do as the end approaches. But then Emerson and Vince meet Carl, who tells them that he has been granting people's wishes. He gave his car away so a woman could take her son to see the ocean for the first time, and he gives Emerson and Vince all the money he has in his wallet. Suddenly this last day seems full of possibility. Emerson and Vince can grant a lot of wishes in 27 hours -- maybe even their own.

The Fault in Our Stars John Green, 2012-01-10 The beloved, #1 global bestseller by John Green, author of *The Anthropocene* Reviewed and Turtles All the Way Down "John Green is one of the best writers alive." -E. Lockhart, #1

bestselling author of *We Were Liars* “The greatest romance story of this decade.” –Entertainment Weekly #1 New York Times Bestseller • #1 Wall Street Journal Bestseller • #1 USA Today Bestseller • #1 International Bestseller Despite the tumor-shrinking medical miracle that has bought her a few years, Hazel has never been anything but terminal, her final chapter inscribed upon diagnosis. But when a gorgeous plot twist named Augustus Waters suddenly appears at Cancer Kid Support Group, Hazel’s story is about to be completely rewritten. From John Green, #1 bestselling author of *The Anthropocene Reviewed* and *Turtles All the Way Down*, *The Fault in Our Stars* is insightful, bold, irreverent, and raw. It brilliantly explores the funny, thrilling, and tragic business of being alive and in love.

How to Navigate Life Belle Liang, PhD, Timothy Klein, 2022-08-02 An essential guide to tackling what students, families, and educators can do now to cut through stress and performance pressure, and find a path to purpose. Today’s college-bound kids are stressed, anxious, and navigating demands in their lives unimaginable to a previous generation. They’re performance machines, hitting the benchmarks they’re “supposed” to in order to reach the next tier of a relentless ladder. Then, their mental and physical exhaustion carries over right into first jobs. What have traditionally been considered the best years of life have become the beaten-down years of life. Belle Liang and Timothy Klein devote their careers both to counseling individual students and to cutting through the daily pressures to show a better way, a framework, and set of questions to find kids’ “true north”: what really turns them on in life, and how to harness the core qualities that reveal, allowing them to choose a course of study, a college, and a career. Even the gentlest parents and teachers tend to play into pervasive societal pressure for students to PERFORM. And when we take the foot off the gas, we beg the kids to just figure out what their PASSION is. Neither is a recipe for mental or physical health, or, ironically, for performance or passion. *How to Navigate Life* shows that successful human beings instead tap into their PURPOSE—the why behind the what and how. Best of all, purpose is a completely translatable quality to every aspect of life, from first jobs to last jobs and everything in between.

Every Falling Star Sungju Lee, Susan Elizabeth McClelland, 2016-09-13 Written for a young audience, this intense memoir explores the harsh realities of life on the streets in contemporary North Korea. *Every Falling Star* is the memoir of Sungju Lee, who at the age of twelve was forced to live on the streets of North Korea and fend for himself. To survive, Sungju creates a gang and lives by thieving, fighting, begging, and stealing rides on cargo trains. Sungju richly recreates his scabrous story, depicting what it was like for a boy alone to create a new family with his gang, “his brothers,” to daily be hungry and to fear arrest, imprisonment, and even execution. This riveting memoir allows young readers to learn about other cultures where freedoms they take for granted do not exist.

No Rules Rules Reed Hastings, Erin Meyer, 2020-09-08 *** Shortlisted for the 2020 Financial Times & McKinsey Business Book of the Year *** It's time to do things differently. Trust your team. Be radically honest. And never, ever try to please your boss. These are some of the ground rules if you work at Netflix. They are part of a unique cultural experiment

that explains how the company has transformed itself at lightning speed from a DVD mail order service into a streaming superpower - with 190 million fervent subscribers and a market capitalisation that rivals the likes of Disney. Finally Reed Hastings, Netflix Chairman and CEO, is sharing the secrets that have revolutionised the entertainment and tech industries. With INSEAD business school professor Erin Meyer, he will explore his leadership philosophy - which begins by rejecting the accepted beliefs under which most companies operate - and how it plays out in practice at Netflix. From unlimited holidays to abolishing approvals, Netflix offers a fundamentally different way to run any organisation, one far more in tune with an ever-changing fast-paced world. For anyone interested in creativity, productivity and innovation, the Netflix culture is something close to a holy grail. This book will make it, and its creator, fully accessible for the first time.

Surfing Uncertainty Andy Clark, 2016 Exciting new theories in neuroscience, psychology, and artificial intelligence are revealing minds like ours as predictive minds, forever trying to guess the incoming streams of sensory stimulation before they arrive. In this up-to-the-minute treatment, philosopher and cognitive scientist Andy Clark explores new ways of thinking about perception, action, and the embodied mind.
