Arthur's Fire Drill Marc Tolon Brown,2000 D.W. is nervous about having her first school fire drill so Arthur helps her to practise for it. He shows her all the things to do in an emergency and, in turn, D.W. shows the whole family - even in the middle of the night.

Fire Drill Paul DuBois Jacobs,Jennifer Swender,2010-06-22 In this story told in brief rhyming text, students in a class follow the proper procedures during a fire drill.

The Art of Fire Daniel Hume,2017-11-02 Fire can fascinate, inspire, capture the imagination and bring families and communities together. It has the ability to amaze, energise and touch something deep inside all of us. For thousands of years, at every corner of the globe, humans have been huddling around fires: from the basic and primitive essentials of light, heat, energy and cooking, through to modern living, fire plays a central role in all of our lives. The ability to accurately and quickly light a fire is one of the most important skills anyone setting off on a wilderness adventure could possess, yet very little has been written about it. Through his narrative Hume also meditates on the wider topics surrounding fire and how it shapes the world around us.

Miss Mingo and the Fire Drill Jamie Harper,2024-09-17 Children will love the story for its charm and rollicking fun, and the salient points will make a lasting impression. A top choice for Fire Prevention Week. — School Library Journal Stop! Drop! Roll! Learning the rules of fire safety is a lot more fun (and less scary) when demonstrated by a charming and diverse group of animals. Alligator, Panda, Octopus, and the others work hard to master the rules of fire safety and perform the perfect fire drill, but thinking about fire is a bit nerve-wracking, and each of them reacts differently — often with hilarious results. Sprinkled with fascinating facts about animal behavior, this second story about the characters in Miss Mingo's one-of-a-kind class is sure to appeal to readers of all stripes.
