**How to Satisfy Your Woman** Larry Lewitan,2010-08 Why are most women unhappy with their man's performance in bed? Why do most men not have a clue how to sexually satisfy their woman? **How to Sexually Satisfy Your Woman** Peter Suenos, 2020-10-20 There are few things that can compare with the wonderful feeling of being in love. In fact, that feeling gets to the peak when it is accompanied with mind blowing sex regularly. But sometimes beyond the initial excitement, the happy relationship soon runs into troubled waters due to the actions and inactions of one or both partners. In some cases, they make up and move on; at other times, the relationship is never the same again and they both have to endure the relationship. For you to be able to win your woman's heart you have to learn how to satisfy her sexual desires. No woman wants to stay with a man who will not be able to satisfy her sexual desires because it could make her look outside the relationship for someone who can do that for her. Most men only focus on getting their satisfaction during sexual intercourse so much that once they reach orgasm they feel satisfied not even minding if their woman has reached hers or not. For you to be able to satisfy her sexual desires very well you have to know that sexual orgasm most often occurs faster in men than in women. In this book, I am going to write exclusively on the steps you need to follow to satisfy the sexual desires of your woman.
