The Bible Knowledge Commentary Major Prophets John F. Walvoord,Roy B. Zuck,2018-03-01 Hard Truths and Amazing Grace Isaiah, Jeremiah, Ezekiel, and Daniel spoke words of warning, comfort, and punishment to the people of Israel in Judah and during the Babylonian Captivity. In this highly respected commentary, Dallas Theological Seminary scholars explore the historical and cultural background of the prophets, the literary devices they used, and what these books teach us about God's call to us to follow Him today.

Theological Wordbook John F. Walvoord,Donald Campbell,John A. Witmer,2000-10-17 Stimulating theology is an oxymoron

for most people. Theology sounds like something for the severely intellectual, full of complicated ideas that escape the typical Christian reader. In reality, theology is meant to enhance our understanding of God. Most of the words that make up the Christian vocabulary are common words, drawn from the realities of life, and therefore are easily applicable to real life. Based on this premise four leading authors have come together to create this excellent volume. The Theological Wordbook tackles tough words, such as propitiation, regeneration, righteousness, and predestination, but it does so in a natural, plain-spoken manner designed to be enlightening rather than evasive. Also literally dozens of words you are likely to use every day, such as forgiveness, mind, peace, rest, family, truth, and guilt, have profound biblical value. Using The Theological Wordbook can enable you to more fully appreciate what the Bible teaches on these crucial topics and how each of these terms is relevant for life today. As this happens, your understanding of God will expand. And as the words you use, speak, and hear in the community of faith become more familiar, you will become more connected to your own spiritual heritage. The Theological Wordbook is the link between understanding God's Word in your head and accepting it in your heart.

South Asia Bible Commentary Zondervan, 2015-10-06 A one-volume commentary, written and edited by South Asian Biblical scholars on all the books of the Bible. For the purposes of this commentary South Asia was defined as the SAARC countries, namely India, Sri Lanka, Nepal, Bangladesh, Pakistan, Bhutan and the Maldives. The contributing scholars from these countries—addressing these countries' specific concerns—have adopted the following key principles: Integrity: Articles are written within the confines of the Lausanne Covenant and all contributions are in line with and support the confessional direction of the Lausanne Covenant. Interpretation: The commentary offers readers a contextual and readable guide, interpreting the biblical text section by section rather than delving too deeply into critical and exegetical details. South Asian: All authors are scholars writing from within their own contexts for the people of South Asia. The focus of this commentary is three-fold: exegetical, contextual, and applied. Articles explain the meaning of the text, relate that meaning to the context, and apply it to wider life and ministry. Understanding what the Bible teaches book by book. The following features are specifically designed to help you as you study each book of the Bible: Introduction to each book sketches the context and main themes of the book and its relevance to South Asia. Outline shows the structure of the book and can help to identify preaching topics. Subheadings break the book up into manageable portions. Bold references highlight verses being discussed and help you find your place quickly. Italics identify quoted verses being discussed at that point in the commentary. Applications are built into the text in many places. Further reading: each of the authors suggest other commentaries you could consult.

1-3 John Robert W. Yarbrough, 2008-11 A respected New Testament scholar offers a substantive commentary on the letters of John in the award-winning BECNT series.

The Theology of the Old Testament Edmond Jacob, 1904

The Bible Knowledge Commentary Gospels John F. Walvoord, Roy B. Zuck, 2018-03-01 Walk with Those Who Walked with Jesus In the Gospels we witness the most crucial turning point in world history and the reason we believe what we do. The New Testament begins with four accounts of the “good news” of the Son of God. Drawing on the research of Dallas Theological Seminary scholars, The Bible Knowledge Commentary: Gospels explores similarities and differences among Matthew, Mark, Luke, and John. The authors also look at difficult or confusing passages, apologetic evidence for these eyewitness accounts, and what we can learn about Christ-like living from observing the life of Jesus. With dozens of visuals and Old Testament cross-references, this commentary is one of the most thorough and theologically sound studies of the Gospels. Journey with Jesus as if for the first time in this detailed look at His life on earth.

The Bible Knowledge Commentary Acts and Epistles John F. Walvoord, Roy B. Zuck, 2018-03-01 Grace and peace to you from God our Father and the Lord Jesus Christ... This verse-by-verse commentary takes us from the early church in Acts through Paul’s letters, helping us understand more deeply our salvation, God’s call to relationship, and why grace is the cornerstone of our life in Christ. In the book of Acts, Luke portrays the tensions, persecutions, and hopes of the early church. This detailed commentary digs deep into the zeal and joy of Christ’s earliest followers and what these men and women teach us about community in Christ. Once an enemy of Christianity, Paul became a follower of Christ who helped the early church grow in obedience and love. His letters include some of the most beloved words of Scripture, as well as profound challenges to be more like Christ in our words and actions. Be inspired as you learn more about how the early church spread from Jerusalem to the ends of the earth.

The Bible Knowledge Commentary Epistles and Prophecy John F. Walvoord, Roy B. Zuck, 2018-03-01 Teachings of God’s Grace, His Character, and Christ’s Coming Return Letters to the early church have inspired Christians for thousands of years. From the relationship between the New Covenant and the Old Covenant in Hebrews, to the practical wisdom of James, to the warnings of Jude, each of these epistles has much to tell us about following Christ today. This exposition looks at what these letters teach us about God’s character, His relationship with His people, and His call for our commitment. The authors also help us better understand the book of Revelation—one of the most misunderstood books of the Bible. Though Revelation is often daunting to laypeople and scholars alike, The Bible Knowledge Commentary gives life-changing insight into the interpretation, purpose, and application of this profound book. Together, the later epistles and the book of Revelation offer explanations of God’s ancient truths and hope for a world to come.

The Bible Knowledge Commentary Minor Prophets John F. Walvoord, Roy B. Zuck, 2018-03-01 God’s Love and Justice on Display What do we know about the date of Joel’s ministry? How do the warnings of Malachi relate to the Book of Revelation? How did Amos’s profession as a rancher influence his prophetic voice? Drawing on the research of internationally known Bible scholars, this detailed commentary looks at each verse of the final books of the Old Testament. The words of the minor

prophets draw us closer to God by teaching us about His enduring love, His judgment to the unfaithful and mercy to the repentant, and His call to restoration for people who have suffered. Covering every book from Hosea through Malachi, this commentary shows the meaning behind these powerful prophecies while reminding us how ordinary people spoke extraordinary truth on behalf of a loving and just God.

New Testament Christianity J. B. Phillips, 2012-06-13 About the Contributor(s): John Bertram Phillips (1906-1982) was a Bible translator, writer, and clergyman. His work translating the New Testament made him one of Britain's most famous Bible communicators. He talked of the revelation received as he translated the New Testament, describing it as extraordinarily alive--unlike any experience he had had with non-scriptural ancient texts. He referred to Scripture speaking to his condition in an uncanny way. Phillips was a masterful apologist and defender of the Christian faith. He upheld the basic tenets of the faith, and was able to present them as fresh to the modern reader and hearer, much as he had done with his translation of the New Testament.
