Enemy of the State Vince Flynn, Kyle Mills, 2017-09-05 "In the world of black-op thrillers, Mitch Rapp continues to be among the best of the best" (Booklist, starred review), and he returns in the #1 New York Times bestselling series alone and targeted by a country that is supposed to be one of America's closest allies. After 9/11, the United States made one of the most secretive and dangerous deals in its history—the evidence against the powerful Saudis who coordinated the attack would be buried and in return, King Faisal would promise to keep the oil flowing and deal with the conspirators in his midst. But when the king's own nephew is discovered funding ISIS, the furious President gives Rapp his next mission: he must find out more about the high-level Saudis involved in the scheme and kill them. The catch? Rapp will get no support from the United States. Forced to make a decision that will change his life forever, Rapp quits the CIA and assembles a group of independent contractors to help him complete the mission. They've barely begun unraveling the connections between the Saudi government and ISIS when the brilliant new head of the intelligence directorate discovers their efforts. With Rapp getting too close, he threatens to go public with the details of the post-9/11 agreement between the two countries. Facing an international incident that could end his political career, the President orders America's intelligence agencies to join the Saudis' effort to hunt the former CIA man down. Rapp, supported only by a team of mercenaries with dubious allegiances, finds himself at the center of the most elaborate manhunt in history. With white-knuckled twists and turns leading to "an explosive climax" (Publishers Weekly), *Enemy of the State* is an unputdownable thrill ride that will keep you guessing until the final page.

Kill Shot Vince Flynn, 2012-02-07 THE NEW YORK TIMES NUMBER ONE BESTSELLER For months, Mitch Rapp has been steadily working his way - bullet by bullet - through a list of the men responsible for the slaughter of 270 civilians, including his own girlfriend, in the Pan Am Lockerbie bombing. His next target - a Libyan diplomat - should be easy. Prone to drink and currently in Paris without a bodyguard, Rapp quickly tracks the man down and sends a bullet into his skull while he's sleeping. But in the split second it takes the bullet to leave the silenced pistol, everything changes. The door to the hotel room is kicked open and gunfire erupts all around Rapp. When the news breaks that Libya's Oil Minister has been killed along with three innocent civilians and four unidentified men, the French authorities are certain that a wounded gunman is

still on the loose in Paris. As the finger-pointing begins, Rapp's handlers have only one choice - deny any responsibility for the incident and race to do damage control. Rapp has become a liability, and he must not be taken alive by the French authorities. But alone in Paris, on the run from the authorities and from his own employers, Mitch Rapp must prepare to fight for his life. AMERICAN ASSASSIN, book one in the series, is soon to be a MAJOR MOTION PICTURE starring Dylan O'Brien (Maze Runner), Taylor Kitsch (True Detective) and Michael Keaton. After leading a team of commandoes deep into Iraq, he has been publicly hailed by the president as the single most important person in the war against terrorism. After years of working covertly behind the scenes, Rapp is now in the glare of the public spotlight, marked by every terrorist from Jakarta to London, who now know his identity. Consequently, Rapp is resigned to leaving the front line. That is, until a platoon of Navy SEALs on a covert mission to the Philippines suffers a surprise attack. All evidence concludes that the source of the mission's leak lies in the US State Department and the Philippine embassy. But a greater threat still lurks - an unknown assassin working closely with the highest powers in the Middle East bent on igniting war. Now, with the world probing into his every move, will Rapp be able to overcome this anonymous foe and once again protect the world from the threat of international terrorism?
