My Secret Garden Nancy Friday, 2013-11-18 The #1 New York Times–bestselling author’s “groundbreaking” work on women’s sexual fantasies (Publishers Weekly). First published in 1973, *My Secret Garden* ignited a firestorm of reactions across the nation—from outrage to enthusiastic support. Collected from detailed personal interviews with hundreds of women from diverse backgrounds, this book presents a bracingly honest account of women’s inner sexual fantasy lives. In its time, this book shattered taboos and opened up a conversation about the landscape of feminine desire in a way that was unprecedented. Today, *My Secret Garden* remains one of the most iconic works of feminist literature of our time—and is still relevant to millions of women throughout the world. “The author whose books about gender politics helped redefine American women’s sexuality.” —The New York Times

Women on Top Nancy Friday, 2012-10-30 In a post-50 *Shades of Grey* world, a new audience is ready for Nancy Friday’s groundbreaking work on female sexual fantasies. *Women on Top* explores the changing face of sex and power dynamics through over 150 collected fantasies from real women. More than ever before, women everywhere are devouring the hottest stories from behind closed doors, tales of sexual encounters designed to create new frissons of excitement with each turn of the page. But the fantasies in this book aren’t fiction. They are the real erotic imaginings of real women . . . and nothing is more exciting than that. Nancy Friday, whose collections of women’s sexual fantasies include *My Secret Garden* and *Forbidden Flowers*, offers up “a smorgasbord of sensual scenarios” (New Women) in this explicit New York Times bestseller that puts women in control of their sexual destinies. Nearly two hundred women contributed, in their own uncensored words and through interviews with the author, the shocking, daring, amusing, untamed, and pulse-pounding imaginings that turn them on the most. “The fantasies are fascinating,” raves *Esquire* magazine, no doubt because unlike anything any novel could ever truly capture, they allow open access to what women really desire.

Forbidden Flowers Nancy Friday, 2014-02-06 A collection of women’s intimate erotic thoughts by the #1 New York Times–bestselling author of *The Secret Garden* and “liberator of the female libido” (Newsday). The publication of the groundbreaking expose on women’s sexual fantasies, *My Secret Garden*, ushered in a revolution in women’s sexual freedom of expression. In *Forbidden Flowers*, Nancy Friday reveals even more erotic, wild, and explicit fantasies expressed by women all over the world, from all ethnic and socioeconomic backgrounds. Like *My Secret Garden* before it, *Forbidden Flowers* is a

celebration of the depth, potency, and imaginative breadth of women's inner erotic lives. By giving female readers a glimpse into the ordinary and often extraordinary fantasies of other women, it offers to some an exhilarating freedom from the guilt and shame so often associated with sexual fantasy—and to others, provides fascinating insight into the psychology of female sexual response. “The author whose books about gender politics helped redefine American women's sexuality.” —The New York Times

Beyond My Control Nancy Friday, 2009-04-01 The bestselling author of *My Secret Garden* exposes the wild and sexy fantasies that many of us have but are afraid to share. For over thirty years, Nancy Friday has written about eros, love, beauty, and seduction. Now she returns to the territory she pioneered during the sexual revolution—exploring our most taboo sexual desires. Fans of *Fifty Shades of Grey* will love this provocative collection of real fantasies from dozens of women—and for the first time, men. Friday knows that forbidden sex gets us higher faster and explores love, lust and power through erotic tales of domination, masturbation, S&M, threesomes, and more. *Beyond My Control: Forbidden Fantasies in an Uncensored Age* shows that our forbidden fantasies are not compensation for a lackluster sex life, but are a critical component of our fullest selves—and how our secret desires can lead to exhilarating and satisfying sexual freedom. Praise for Nancy Friday *YOU'LL BLUSH, YOUR PULSE WILL RACE*.—The New York Times *Delicious... women can share in their sisters' secrets and not feel that they are alone.*—Los Angeles Times *Nancy Friday's work... demonstrate[s] beyond doubt that the emancipation of women's bodies begins with the emancipation of our minds.* —Faye Wattleton, former president, Planned Parenthood Federation of America

Men in Love Nancy Friday, 2010-09-01 An extraordinary, explicitly masculine journey, *Men In Love* develops a startlingly honest portrayal of what it means to be a man in contemporary America. Here are the unexpurgated dreams, fantasies and fetishes that excite and obsess men today. In creating this historic study, Nancy Friday listened--without disapproval, apology or censorship--to the candid responses of thousands of men aged fourteen through sixty. She gave them a legitimate arena where they could share their secret gardens--the hidden and forbidden but nonetheless real and true. Much more than a litany of erotica, this unique volume doesn't tell us how men should love. It tells us how men do love--a stunning insight into the desires that dwell within men's psyches... and their hearts.

Garden of Desires Emily Dubberley, 2013-09-12 Female sexual fantasy began in 1973 with Nancy Friday's multi-million-selling collection of real women's fantasies, *My Secret Garden*. Until that book was published, female sexual fantasy did not exist; not even within the pages of *Cosmopolitan*, their opinion at the time being: 'Women do not have sexual fantasies, period. Men do.' Friday's book changed all that. Now, exactly forty years on from Friday's masterpiece, leading sex writer Emily Dubberley is curating a brand new female fantasy classic for the modern era. It's a post-*Fifty Shades*, post-*Sex and the City* world and in *Garden of Desires*, hundreds of real women share details of their most private thoughts. This is an

exploration of the meaning of desire. Dare to read, dare to dream, and dare to discover the new truths of female sexuality. The stories are red hot and completely original. And they're going to make your heart beat faster - and make headlines nationwide.

The best diaries ever written' ADAM KAY, GUARDIAN 'Every child in the country should receive a copy on their thirteenth birthday' CAITLIN MORAN 'One of literature's most endearing figures. Mole is an excellent guide for all of us' OBSERVER **In 2022 Sue Townsend was awarded the Legacy Achievement Award by the Comedy Women in Print prize** AS SEEN IN THE TIMES _____ Friday January 2nd I felt rotten today. It's my mother's fault for singing 'My Way' at two o'clock in the morning at the top of the stairs. Just my luck to have a mother like her. There is a chance my parents could be alcoholics. Next year I could be in a children's home. Meet Adrian Mole, a hapless teenager providing an unabashed, pimples-and-all glimpse into adolescent life as he writes candidly about the dog, his parents' marital troubles and life as a tortured poet and 'misunderstood intellectual.' Forty years after it first appeared, Sue Townsend's comic masterpiece continues to be rediscovered by new generations of readers. _____ 'The UK's bestselling fiction book of the eighties and one of the great comic creations of the past half-century. Impeccable comic timing, evergreen comic writing. Arousal Michael J. Bader,2003-01-18 Sexual fantasies. Everyone has them, but no one knows what they mean. People are curious about and often confused by the things that arouse them, yet they are often too ashamed to reveal their most private fantasies to their partners or even their therapists. In this fascinating and provocative book, Dr. Michael J. Bader offers a groundbreaking new theory of sexual desire, one that will liberate men and women and enable them to better understand

their sexual preferences. Drawing on his twenty-five years as a psychotherapist and psychoanalyst, Dr. Bader demonstrates that rather than being programmed by biology or society, sexual fantasies and preferences are really psychological antidotes to unconscious dangers. Armed with this novel theory, men and women will no longer need to feel ashamed about what arouses them or confused about what arouses others. Dr. Bader sensitively tells the stories of his patients and explains the meaning of their sexual fantasies. In terms refreshingly free of jargon, he reveals how his profound new theory can be used to decipher a wide variety of sexual fantasies and behavior, ranging from ordinary preferences about positions in bed to flamboyant scenarios worthy of the Marquis de Sade. And yet, Dr. Bader's exciting new theory transcends the realm of individual psychology. Readers will come away with a radically new understanding of such issues as sexual chemistry and boredom, cybersex, pornography, and the differences in how men and women get excited. Both erudite and accessible, *Arousal: The Secret Logic of Sexual Fantasies* is an important landmark in the literature of sexuality.

Who's Been Sleeping in Your Head Brett Kahr, 2009-01-27 Presents and analyzes the results of a study of the sexual fantasies of over 23,000 men and women of all ages, discussing stories of specific individuals, the role of fantasy in waking life, and the functions of these fantasies.
