Progress Over Perfection Emma Norris,2020-05-05 Emma Norris guides you in setting purposeful plans that are right for you and nurturing a healthier approach to prioritizing, so you can live a more value-based life. She'll guide you through mono-tasking, batch working, productivity, and resting—not quitting. Being busy or constantly on the go doesn't always mean we are being productive. Sometimes, it can feel like we are doing too much and accomplishing too little. Or we can have lots of plans and not know exactly where to start achieving what we want. This can make us feel overwhelmed and burned out, leaving little room to figure out what we want to do and lots of room to doubt ourselves. Having more mindful productivity habits can combat these challenges by helping you keep track of your goals and accomplish them. You can pick the right methods to achieve things without feeling stress, anxiety, or the pressure of external factors while also improving your focus and living a purposeful life. Life doesn't always go as planned, and when that happens we want to be prepared to be our most productive selves. Each chapter of this book is tailored to help you achieve mindful productivity. You'll learn to: Pursue progress over perfection Embrace the chaos Set boundaries Create realistic objectives Practice mindfulness And much more You'll not only nurture a more stress-free lifestyle, but also learn to embrace the unexpected challenges that may come your way. You will learn how to cultivate productivity into your everyday routine, so you are able to achieve anything you set your mind to without the pressure of doing everything. With Progress Over Perfection, you'll find the courage and the resolve to do what you want to do without having to compromise your plans to fit the pressures of everyday society. It's possible to be your true self and achieve anything you want, even among the chaos.

Progress Not Perfection Alison Ashby,2025-01-24 Alcoholism is complicated and often misunderstood; recovery is complex and often not linear. The testimony of recovering alcoholics, such as Progress not Perfection, is a comfort in knowing one is not alone in their own recovery. Author Alison shares her lived experience with alcoholism, addiction, and relapse—the devastating consequences, to herself and her family—as well as the determination to achieve lasting sobriety. Progress not Perfection chronicles her experiences including jail, civil commitment, relapse, alcohol poisoning, treatment, recovery, personal injuries, DWIs, and motherhood. Alison details the multiple resources she uses to maintain sobriety such as personal spirituality, Alcoholics Anonymous, sponsorship, managing co-occurring symptoms, the twelve steps, recovery literature, and working towards a work/life balance.

That One Should Disdain Hardships - the Teachings of a Roman Stoic Musonius Rufus, Cora E. Lutz, 2020-02-18 Perennial wisdom from one of history's most important but lesser-known Stoic teachers He knew that all a philosopher could do was respond well--bravely, boldly, patiently--to what life threw at us. That's what we should be doing now.--Ryan Holiday, Reading List email The Stoic philosopher Musonius Rufus was one of the most influential teachers of his era, imperial Rome, and his message still resonates with startling clarity today. Alongside Stoics like Seneca, Epictetus, and Marcus Aurelius, he emphasized ethics in action, displayed in all aspects of life. Merely learning philosophical doctrine and listening to lectures, they believed, will not do one any good unless one manages to interiorize the teachings and apply them to daily life. In Musonius Rufus's words, Philosophy is nothing else than to search out by reason what is right and proper and by deeds to put it into practice. At a time of renewed interest in Stoicism, this collection of Musonius Rufus's lectures and sayings, beautifully translated by Cora E. Lutz with an introduction by Gretchen Reydam-Schils, offers readers access to the thought of one of history's most influential and remarkable Stoic thinkers.

Ten years and three children later, they discovered the learning deficits and behavioral issues they must navigate. With mutual trust and respect, they were able to commit the time necessary moving their children toward being productive adults. Watching marriages around them fail reinforced their commitment to stay healthy, positive and resilient. This is their story of persistence and tenacity to cement their relationship giving their children a basis to thrive. It is a story to give you hope raising more challenging children in a society that loves perfection.

A Beautiful Work in Progress Mirna Valerio, 2017 Runners' vocabulary is full of acronyms like DNS for Did Not Start and DNF for Did Not Finish, but when Mirna Valerio stepped up to the starting line, she needed a new one: DNQ for Did Not Quit. Valerio has tied on her running shoes all across the country, from the dusty back roads of central New Jersey to the busy Route 222 corridor in Pennsylvania to the sweltering deserts of Arizona. When you meet her on the trail, you might be surprised to see she doesn't quite fit the typical image of a long-distance runner. She's neither skinny nor white, and she's here to show just how misguided these stereotypes can be. In this prejudice-busting, body-positive memoir told with raw honesty, an adventurous spirit, and a sharp sense of humor, Valerio takes readers along on her journey from first-time racer to ultramarathoner and proves that anyone can become a successful athlete.

Destiny of Liberty Mwanandeke Kindembo, 2022-02-01 In this book, author Mwanandeke Kindembo presented the reader

with his manifesto, or a shared reality that exemplifies his ultimate mission. Which is based on finding within himself the motivation, or the correct vision to improve the world around him. He showed us the geography of his passions and how he is ready to step in to lead people to the promised land of liberty. The author delved into his own hidden agendas to find a more realistic worldview based on direct experience, rather than imaginary subjects. He placed more emphasis on land reform, the history of the D.R.Congo, the social and cultural influence, economic and political struggles of Africa. The book is filled with drastic, yet beautiful transformations that will change the course of the lives of many. Change for the better, thereby enabling citizens to live according to their fullest desires and potentials. The author has demonstrated an ideal view that will progress over time to developing his own unique understanding of his process, rather than relying on socially accepted belief systems. Dedication (in the author's own words): I want to take this precious time to dedicate this book to my continent mama Africa, and especially to my compatriots in the Democratic Republic of Congo and any believer in the destiny of liberty. I am truly one of you. I come to you in the name of peace and love. Oh Africa! My love for you will never cease or end until I see that day that you get your full freedom; with your children. I ask this in the name of democracy and all the attributes that are associated with the redemption and freedom of nations.

Peernovation Second Edition Leo Bottary, 2025-03-25 Peer•no•va•tion (pir-n-v-shn) combines the words peer (people of equal standing) and innovation (creativity realized). It is the act of working together to create something larger than ourselves. This second edition of Peernovation stands on the shoulders of Leo Bottary's award-winning books, *The Power of Peers* (2016), *What Anyone Can Do* (2018), and *Peernovation* (2020). It is informed by the wisdom and experiences of dedicated forum leaders, group members, and team leaders during more than 700 facilitated programs. Beyond that, the content leans heavily on the disciplines of social learning theory, psychological safety, group dynamics, accountability, organizational culture, and systems thinking - building a bridge between the proven practices that have emerged from CEO Forums and what it will take to lead higher-performing, happier teams in today's workplace. Whether you are a team leader or team member, learn how to: • select the right people for your team • create psychological safety and inspire greater productivity • build a positive culture of accountability • become a better team leader • foster a culture of continuous improvement You'll find updates to the original narrative and six new chapters - all of which will help you leverage the power of Peernovation among the several generations who comprise your workforce. We are at the forefront of leading through unprecedented change. Doing so successfully will require relying on each other like never before. Let's get started.

Don't Be an Average Joe Direction Joseph Simmons, 2015-11-10 Have you ever wondered why are you here? Have you ever wanted to know so desperately why everyone else seems to understand life, and why you just couldn't seem to get it? It may just seem like everyone else finds their purpose(s), and you can't. Does it sometimes feel like you are trying everything you possibly can, and no matter how perfect a situation, in your life-experience, seems to be, there is always something

missing? If these questions have ever crossed your mind, this book is for you. This book explains how you can obtain everything you have EVER DESIRED. Better still, it teaches you application and execution of these tools, as well. Applied in everything from your business or personal life- experience, this guide is the first in a series to break ground for self-expansion in a way that you never knew were available to you. For example, picture yourself as you have always desired yourself to be. If you are ready to do whatever it takes to obtain that reality, look no further! This universe is your canvas, this guide is the road map to your Mona Lisa that is your life. As the author I can tell you, the life lessons, experiences, and transformations that ARE taking place inside you, even as you are currently reading this passage, cannot be taught in a textbook. This series IS my life-experience, and how I changed it, to be exactly what I have always DREAMED, and had no idea was truly possible from whence I came! I ASSURE you, I couldnt have been further from the truth! So Ill see you in there!

Multisensory God Connections Linda Van Soest Tintle,2022-12-27 In this book, the author shares the story of her personal spiritual learning quest and the specific strategies that were effective for her spiritual growth. During a particularly demanding time of her life, Linda felt a longing for peace and spiritual connectedness. In those very busy days, she questioned whether she was following the Great Commandment to love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength (Luke 10:27). She was dissatisfied with the lack of spiritual growth she experienced in the habits of praying silently and passively reading devotionals. Learning to love God with heart, soul, mind, and strength became a focus of private study and journaling, which led to this book. Linda began integrating short, practical routines throughout her days, creating several brief periods of daily spiritual connectedness. Utilizing multisensory learning strategies that she used with her students, she discovered more meaning in her spiritual life. She concluded that part of loving God fully means loving him more actively as opposed to having a passive and lukewarm relationship with God. Linda feels passionate about sharing these multisensory teaching methods for personal spiritual growth-evidence-based effective strategies that are widely used in academic settings but are rarely used in spiritual learning. The author suggests practical ideas for connecting with God throughout busy days, ways requiring more involvement and more mental focus. Also, Linda offers spiritual learning ideas, which address individual differences in learning styles and types of intelligence as opposed to the same methods for everyone. Following the ideas in this book will keep your mind more focused on your relationship with God throughout the routines of your day while bringing more passion to your spiritual learning.

Art & Fear David Bayles,Ted Orland,2023-02-09 'I always keep a copy of Art & Fear on my bookshelf' JAMES CLEAR, author of the #1 best-seller Atomic Habits 'A book for anyone and everyone who wants to face their fears and get to work' DEBBIE MILLMAN, author and host of the podcast Design Matters 'I've stolen tons of inspiration from this book ... and so will you' AUSTIN KLEON, NYTimes bestselling author of Steal Like an Artist 'The ultimate pep talk for artists' WENDY

MACNAUGHTON, *illustrator Art & Fear* is about the way art gets made, the reasons it often doesn't get made, and the nature of the difficulties that cause so many creatives to give up along the way. Drawing on the authors' own experiences as two working artists, the book delves into the internal and external challenges to making creative work, and shows how they can be overcome every day. First published in 1994, *Art & Fear* quickly became an underground classic, and word-of-mouth has placed it among the best-selling books on artmaking and creativity. It offers generous and wise insight into what pushes us to sit down at an easel or desk, go to a studio or performance space, and try to create new work to put into the world. Every creative and artist, whether a beginner or a prizewinner, a student or a teacher, faces the same fears - and this book illuminates the way through them.

The Miracle Equation Hal Elrod, 2021-01-05 The bestselling author of *The Miracle Morning* shares the secret to unlocking your full potential—all day, every day. “A simple, proven formula for creating extraordinary results in your life.”—Lewis Howes, New York Times bestselling author of *The School of Greatness* Even after the incredible success of his book *The Miracle Morning*, Hal Elrod realized that he still had more to share with the world. What he had discovered was a timeless but overlooked formula for success. The world’s top achievers have used it for centuries. He used it to thrive against seemingly insurmountable odds, from overcoming life-threatening health challenges to near financial collapse. That formula is *The Miracle Equation*, and it couldn’t be any simpler: Unwavering Faith + Extraordinary Effort = Miracles By establishing and maintaining Unwavering Faith that you can achieve anything you desire, and then putting forth Extraordinary Effort until you do, you’ll create results beyond what you believe to be possible. In *The Miracle Equation*, you’ll learn how to • Replace fear with faith • Move from resistance to acceptance • Let go of negative emotions • Turn off your stress response • Overcome your limitations to unlock your limitless potential • Develop emotional invincibility • Grow from happiness, which is fleeting, to inner peace, which is lasting And with the *Miracle Equation 30-Day Challenge* to guide your way, you’ll create a step-by-step plan to actualize your miracles and become the person you need to be in order to succeed. No goal is out of reach! Praise for *The Miracle Equation* “The *Miracle Equation* isn’t just a book, it’s the formula that I myself have used to achieve greatness beyond what I ever believed was possible. Hal Elrod has taken the mystery out of miracles and gives you a simple, proven formula for creating extraordinary results in your life. Highly recommended.”—Lewis Howes, New York Times bestselling author of *The School of Greatness* You're only two decisions away from achieving everything you want. And my friend, Hal Elrod, has simplified these two decisions into a simple equation for achieving results. Follow it, and your success is virtually guaranteed. If you want your biggest goals to move from possible, to probable, to inevitable, you better read *The*

Miracle Equation.—Mel Robbins, bestselling author of The 5-Second Rule

The Hole in Our Holiness Kevin DeYoung, 2014 Given the lack of holiness in our culture today, DeYoung presents a popular-level treatment of sanctification and union with Christ, helping readers to see what matters most--being like Jesus.

How to Be an Imperfectionist Stephen Guise, 2015-06-04 From an early age, kids are taught to color inside the lines, and any color that strays outside the lines is considered to be a mistake that must be avoided. Perfectionism is a naturally limiting mindset. Imperfectionism, however, frees us to live outside the lines, where possibilities are infinite, mistakes are allowed, and self-judgment is minimal. The old way to approach perfectionism was to inspire people to let go of their need for perfection and hope they could do it. The new way is to show people how simple but highly strategic mini actions can empower them to gradually and effortlessly let go of perfectionism. This book applies the science of behavior modification directly to the roots of perfectionism, resulting in a new and superior method for change. Imperfectionists aren't so ironic as to have perfect lives: they're just happier, healthier, and more productive at doing what matters.
