Worthy is the Lamb ,1982-12-01

Rejoice and Sing United Reformed Church,1991-11-28 *Rejoice and Sing* is a completely new collection of hymns and songs for the United Reformed Church. It is the first major hymnbook to draw together the three traditions within the URC and as such represents a significant landmark in the history of the denomination. The editors and compilers have aimed to offer a worship tool or use by today's Church. The material included ranges from the traditional and familiar to those pieces with a more contemporary feel. In addition to hymns and psalms *Rejoice and Sing* contains a number of liturgical items, including responses and prayers for congregational use. Although intended primarily to reflect the distinctive character of the URC, *Rejoice and Sing* is also offered to Christians in wider ecumenical circles as an important new resource for sung worship.
