Evelyn Resh, CNM/MPH

Guide to Getting it on Paul N. Joannides,2015-04-07 A fully revised and updated edition of the category leader. Includes two new chapters and 5 new illustrations.

Women, Sex, Power, And Pleasure Evelyn Resh, CNM/MPH,2013-03-01 In her new book, Women, Sex, Power & Pleasure, Evelyn Resh, a sexuality counselor and certified nurse-midwife, takes an innovative approach to helping women create the lives - and sex lives - they want. With a funny and compassionate, yet tell-it-like-it-is style, she looks at the relationship between feeling powerful in life and accessing life's pleasures, and their combined effect on sexual desire. Resh introduces six essential qualities that women must have to live healthfully, stating that when these are out of balance women seem to exist in lives devoid of pleasure, self-empowerment, and sex. These markers of emotional well-being are: • Self-confidence and self-esteem • Healthy Habits • Spiritual Satisfaction • Creativity • Self-assurance/re-assurance • Compassion and Empathy Once the six traits are laid out, Resh devotes the rest of the book to exploring how, when one or more of a woman's markers of emotional well-being are off kilter, their reasons for avoiding sex mount exponentially. She looks at some of the most common excuses she's heard over her many years as a sexuality counselor - I Feel Nothing, It's All He Thinks About, I'm Too Busy!, I'm Too Fat to Have Sex - and outlines the specific imbalances that create this void of sexual desire and activity. With practical guidance, self-assessment questions, and stories from her practice and personal life, Resh explains to modern women how to regain their emotional wellness and live a powerful life that includes a steady relationship with pleasure and sexual satisfaction. This book is a must read for all women. From housewives to sophisticated urban corporate types, from new moms to post-menopausal women - this book will help any woman who feels estranged from her sexual energy and a sense of empowerment, and deprived of pleasure, or who views sex as just another thing to tick off her overwhelming to-do list.

The Secret Lives of Teen Girls Evelyn Resh,2011-02 In The Secret Lives of Teen Girls, Evelyn Resh, the mother of a teenage daughter and a certified nurse-midwife specializing in the treatment of teenage girls, explores the mysterious world of female, adolescent sexuality and how parents-especially mothers-can help their daughters through this tumultuous time. Secrets divulged by teenage girls during consultation have made Resh realize that, with rare exception, most adolescents are left to develop a sexual identity without any adult guidance and often without the most basic knowledge of what is happening

to them physically and emotionally. She also realized that many girls are frequently subject to criticism and shaming about their normal, adolescent behavior. Resh believes these issues are what underlie many of the problems teens face during this crucial step into becoming a fully developed adult woman capable of making good, sound, safe, and independent decisions throughout life. Through compelling, frank, and sometimes humorous stories from both Resh and her patients, *The Secret Lives of Teenage Girls* explains to parents just what is going on with their teenage daughters during this essential phase of their development. She discusses many of the complicated problems she's seen in practice, including not just sexual activity but also eating disorders, substance abuse, mental illness, unplanned pregnancies, violence, and STDs. She also looks at less serious but still troubling issues like under-achievement, battles with parents, and lack of emotional and social support. In this insightful book, Resh provides parents with the tools to help their teen daughters negotiate the waters of their sexual development and emerge with their strength, their sexuality, and their self image intact.

Love Virtually Daniel Glattauer, 2011-02-03 I couldn't put it down ... like a jilted lover, when I reached the end I wanted more Danielle Goldstein, *Time Out Love Virtually* is a funny, fast-paced and utterly absorbing novel, with plenty of twists and turns, about a love affair conducted entirely by email. Write to me, Emmi. Writing is like kissing, but without lips. Writing is kissing with the mind. It begins by chance: Leo receives emails in error from an unknown woman called Emmi. Being polite he replies, and Emmi writes back. A few brief exchanges are all it takes to spark a mutual interest in each other, and soon Emmi and Leo are sharing their innermost secrets and longings. The erotic tension simmers, and it seems only a matter of time before they will meet in person. But they keep putting off the moment - the prospect both excites and unsettles them. And after all, Emmi is happily married. Will their feelings for each other survive the test of a real-life encounter? And if so, what then? Becoming Cliterate Dr. Laurie Mintz, 2018-05-15 We've been thinking about sex all wrong. Mainstream media, movies, and porn have taught us that sex = penis + vagina, and everything else is just secondary. Standard penetration is how men most reliably achieve orgasm. The problem is, women don't orgasm this way. We've separated our most reliable route to orgasm—clitoral stimulation—from how we feel we should orgasm—penetration. As a result, we've created a pleasure gap between women and men: 50% of 18-35-year-old women say they have trouble reaching orgasm with a partner 64% of women vs 91% of men said they had an orgasm at their last sexual encounter 55% of men vs. 4% of women say they usually reach orgasm during first-time hookup sex In *Becoming Cliterate*, psychology professor and human sexuality expert Dr. Laurie Mintz exposes the broader cultural problem that's perpetuating this gap, and what we can do about it. Pulling together evidence from biology, sociology, linguistics, and sex therapy into one comprehensive, accessible, and prescriptive book, *Becoming Cliterate* features: Cultural & historical analysis of female orgasm (spoiler: the problem's been going on for ages) An anatomy section (it's all custom under the hood) Proven techniques for cliterate sex (it starts with training the sex organ between your ears) A comprehensive final chapter for men (because you don't have to have a clitoris to be cliterate) By dispelling the lies, misunderstandings, and myths that have been holding us back, *Becoming Cliterate* tackles both personal and political problems and replaces them with updated outlooks and practical skills needed to change our collective perspective on sex. It's time to finally inform women and men on how to have satisfying experiences in bed that benefit both parties. The revolution is cuming—and *Becoming Cliterate* offers a radical, simple solution to progress and pleasure for all.
