Radically Whole David Gibson, 2022-06-16 Complete. Undivided. Whole. This is how we are meant to be, but in today's world we often find ourselves pulled in two directions: between God and the world, good and bad, between who we really are and what we allow other people to see. In *Radically Whole*, award-winning author David Gibson explores how we can learn from the New Testament Letter of James to overcome that divide and live the complete lives that God intends for us. Though its teaching on Christian living can be hard-hitting, the letter to James can help us find our way to a better kind of discipleship, where we live a fully integrated and honest life before God and other people. Full of gospel healing and practical insight, *Radically Whole* shows us that we don't have to be divided - that by keeping our lives centred around Christ's teaching, you can become who you were always meant to be, displaying God's goodness and glory to the world. The world may pull us apart, but through God we can all be rebuilt to become *Radically Whole*.

Fat Boy Joseph Cobb, 2019-04-22 ** 2020 Foreword INDIES Gold Award Winner ** The innocence of a child can sometimes be mistaken. Way out west, in the tumbling greens of England, something's going down... *Fat Boy* is a treacherously fictitious rhapsody, taking a tongue-in-cheek look at the best and the worst of humanity and treating it with the disrespect it deserves - love and hate, corruption and extortion, car chases, gunfights and high jinks, all set against the green and pleasant landscapes of the English countryside. It's a circus - a raucous ride into the unknown. *Fat Boy* really was something else; refreshing, different and quintessentially British. I will certainly be following this author with some interest in the future. - Grant Leishman, Readers' Favorite The best thing about this book is the descriptions the author employs to create character and scene. It is so scrumptious that I found myself lost in its delicacy and sad when it had gone. - Nicole Howard, *Writer's Digest*

To The People Who Will Listen Sabene Rizvi ,2021-07-01 This book is a compilation of short stories, poems, and other works by Sabene Rizvi. She wrote these during the Covid-19 pandemic as a way of expressing herself when many others could not. The book sheds light on her coping knacks, touching upon peer pressures, joyful and sad experiences of growing up, and emotional makeup. It points to the time flying by in her lines: One day I was five, And the next I was 15. Silent Screams is about her gendered experience in puberty, and My Dreams Are My Own about her mettle to bout any evil. In My Greatest Fear is Never Meeting you, she dreads losing her desired other as her peers point out her flaws. In her Home poems, she emphasizes her innate learning: a woman forever desiring a home sweet home. Don't Judge a Book by its Cover is in memory of the one who deserved no memory. Short Lives uncovers the story of her second life from dying first during WWII and dying again during the pandemic. Love Equally is about the pain she feels in the solution the death brought for the surviving Matthew, a black man's baby, and the adopting parent: Henry James Charles the VIII who despised his ex-wife for cheating upon him with Matthew's father but adopted his very baby when the little one had no one else. Numb, Nothing But A Fading Memory, It Was The Joy of Giving Unconditional Love, and My Mother's Shawl is her personal reflections on the dear ones living and dead. Sabene hopes that the book will bring light to those who have forgotten how it looks, and she wants her readers to know that it always gets better and that even the simplest things in life can bring joy.

The Messianic Aleph Tav Scriptures Paleo-Hebrew Study Bible ,2014-05-20 *The Messianic Aleph Tav Scriptures (MATS)* is a study bible which focuses on the study of the Aleph Tav character symbol used throughout the old testament (Tanakh) by both Moses and the Prophets and is the most exhaustive and unique rendition of its kind in the world. Over 5 years in the making, this English rendition reveals every place the Hebrew Aleph Tav symbol was used as a free standing character symbol believed to express the strength of the covenant in its original meaning. The Aleph Tav was believed also to be the mark of the divine hand for thousands of years by such famous rabbis as Nahum of Gimzo, Akiva, and R. S. Hirsch as well as the Apostle John. Also revealed in MATS is the use of the Aleph Tav as it is incorporated into the creation of hundreds of Hebrew words used thousands of times throughout the Tanakh and how the mark incorporates Y'shua haMashiach (Jesus the messiah), as well as all mankind and creation, which substantiates and expresses its divinity, thus taking our understanding of the scriptures to a whole new level. MATS comes in your choice of either Paleo or Modern Hebrew editions in a trim size of the regular 6x9 or the large print edition 8.5x11.
