

Northwest Passage Kenneth Roberts

Jack Bales

Northwest Passage Kenneth Roberts, 1939

Northwest Passage Kenneth Lewis Roberts, 1937 American ranger leads expedition against Indian town and dreams of finding overland passage to the Pacific.

Boon Island Kenneth Lewis Roberts, 1996 A bestseller when published in 1956, Boon Island is a story of the ways that crisis can inspire the best - and worst - in human nature.

Lydia Bailey Kenneth Roberts, 2012-08-01 A fascinating, thoroughly researched historical novel of Haiti and Africa, and the early United States, outlining Haitians battle for freedom seen through the eyes of one man. This 1947 outing features Albion Hamlin, who comes to Boston in 1800 to defend a man accused of violating the Alien and Sedition Act. In a whirlwind of action, Hamlin is jailed, then escapes to Haiti in search of his client's daughter, Lydia Bailey, with whom he has fallen in love simply by gazing at her portrait. Roberts is known for his historical accuracy, so this should please fans of the genre.

The lively lady Kenneth Roberts, 1945

Rabble in Arms Kenneth Roberts, 1969

Arundel Kenneth Lewis Roberts, 1995 A young innkeeper in Maine tells of the terrible journey made by Colonial Benedict Arnold and his soldiers through the wilderness to Quebec, many months before the Declaration of Independence, in a vain-attempt to dislodge the British.

Moreau de St. Mery's American Journey, 1793-1798 M. L. E. Moreau de Saint-Méry, 1985-07

The Kenneth Roberts Reader Kenneth Lewis Roberts, 1945 Here is a generous helping of Kenneth Roberts selected from his novels and essays ... Included in these twenty-six excerpts are vivid scenes and episodes from those great novels Northwest passage, Oliver Wiswell, and Arundel, each complete in itself--Dust jacket.

Arundel Kenneth Lewis Roberts, 1945 A chronicle of the province of Maine and of the secret expedition led by Benedict Arnold against Quebec.

White Devil Stephen Brumwell, 2009-04-30 A fast-moving tale of courage, cruelty, hardship, and savagery.--Pittsburgh Post-Gazette In North America's first major conflict, known today as the French and Indian War, France and England--both in alliance with Native American tribes--fought each other in a series of bloody battles and terrifying raids. No confrontation

was more brutal and notorious than the massacre of the British garrison of Fort William Henry--an incident memorably depicted in James Fenimore Cooper's *The Last of the Mohicans*. That atrocity stoked calls for revenge, and the tough young Major Robert Rogers and his Rangers were ordered north into enemy territory to exact it. On the morning of October 4, 1759, Rogers and his men surprised the Abenaki Indian village of St. Francis, slaughtering its sleeping inhabitants without mercy. A nightmarish retreat followed. When, after terrible hardships, the raiders finally returned to safety, they were hailed as heroes by the colonists, and their leader was immortalized as the brave Major Rogers. But the Abenakis remembered Rogers differently: To them he was Wobomagonda--White Devil.

Caravans James A. Michener, 2014-02-18 First published in 1963, James A. Michener's gripping chronicle of the social and political landscape of Afghanistan is more relevant now than ever. Combining fact with riveting adventure and intrigue, Michener follows a military man tasked, in the years after World War II, with a dangerous assignment: finding and returning a young American woman living in Afghanistan to her distraught family after she suddenly and mysteriously disappears. A timeless tale of love and emotional drama set against the backdrop of one of the most important countries in the world today, *Caravans* captures the tension of the postwar period, the sweep of Afghanistan's remarkable history, and the inescapable allure of the past. BONUS: This edition includes an excerpt from James A. Michener's *Hawaii*. Praise for *Caravans* "Brilliant . . . an extraordinary novel . . . The old nomadic trails across the mountains spring into existence."—The New York Times "Romantic and adventurous . . . [Michener] has a wonderful empathy for the wild and free and an understanding of the reasons behind the kind of cruelty that goes with it."—Newsday "Michener has done for Afghanistan what . . . his first [book] did for the South Pacific."—The New York Herald Tribune

Kenneth Roberts Jack Bales, 1993 Readers who enjoy American history dramatized as rousing adventure fiction have always been the ideal audience for the novels of Kenneth Roberts, who, from the late 1930s to his death in 1957, was one of the most popular historical novelists in the United States. A globe-trotting journalist for the *Saturday Evening Post* and many other popular periodicals, Roberts channeled his enthusiasm for American history into eight novels, including *Arundel* (1930), *Oliver Wiswell* (1940), and his most famous work, *Northwest Passage* (1937). Acknowledging a lifetime of literary homage to all that is American - from vivid depictions of some of the grimmest moments in Revolutionary battle to a staunch defense of the merits of Maine all the way down to its cooking - the Pulitzer Committee presented Roberts with a special prize in 1957. In this first book-length account of Roberts's life and letters, Jack Bales thoroughly reviews and analyzes the author's enormous literary output, which has for the most part been ignored by scholarly critics and historians. Following Roberts's career chronologically - and offering a lively assortment of his comments along the way - Bales identifies Roberts's storytelling ability as that which places him at the apex of the genre. The first-person narration Roberts used in most of his novels has, Bales contends, made the fictionalized events of two or three centuries ago seem more real to modern readers.

Aside from his interest in the Revolutionary War, sailors and seafaring men of the 1700s and 1800s, and wilderness explorers, Roberts had his passions, which Bales identifies as Benedict Arnold, whom Roberts believed the most famously wronged man in American history (Arundel and Rabble in Arms [1933]), and the strange science of water dowsing (Henry Gross and His Dowsing Rod [1951]). Bales explores Roberts's meticulous method of researching his novels and speculates that this constant research and adherence to facts may well have stemmed from Roberts's uncertainty about his abilities as a creative artist. In this vein Bales discusses Roberts's close association with Booth Tarkington, who became somewhat of a mentor to the younger novelist, offering him stylistic advice and constructive critiques for many years. Bales's balanced appraisal notes Roberts's weaknesses as a novelist - primarily in characterization and especially that of women - and some of his gaps in judgment (colleagues and friends have cited his too absolutist championship of both Benedict Arnold and water dowsing). Ultimately, though, Bales's portrait is as affectionate as it is well-reasoned, as much a personality profile as a comprehensive literary analysis - a work that will no doubt spark further interest in Roberts's writing and life.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

War on the Run John F. Ross, 2011-04-26 Often hailed as the godfather of today's elite special forces, Robert Rogers trained and led an unorthodox unit of green provincials, raw woodsmen, farmers, and Indian scouts on "impossible" missions in colonial America that are still the stuff of soldiers' legend. The child of marginalized Scots-Irish immigrants, Rogers learned to survive in New England's dark and deadly forests, grasping, as did few others, that a new world required new forms of warfare. John F. Ross not only re-creates Rogers's life and his spectacular battles with breathtaking immediacy and meticulous accuracy, but brings a new and provocative perspective on Rogers's unique vision of a unified continent, one that would influence Thomas Jefferson and inspire the Lewis and Clark expedition. Rogers's principles of unconventional war-making would lay the groundwork for the colonial strategy later used in the War of Independence—and prove so compelling that army rangers still study them today. Robert Rogers, a backwoods founding father, was heroic, admirable, brutal, canny, ambitious, duplicitous, visionary, and much more—like America itself.

Why American History Is Not What They Say Jeff Rigenbach, 2009 Americans have been warring with each other for more than a century over the contents of the American history textbooks used in the nation's high schools and colleges--Page 4 of cover.

Mollyockett Pat Stewart, 2003-01-01 Mollyockett is a fictionalized reconstruction of the life of a remarkable Abenaki Indian woman, the last of her tribe, the Pequawkets. She lived in New England, primarily Western Maine, and in Canada from about 1740 to 1816. Mollyockett lies on her deathbed, cared for by Sarah Bragg, a fictitious niece of Andover, Maine's Bragg family. To make Sarah's job easier, Mollyockett decides to tell the girl the story of her life.

Caribbean James A. Michener, 2014-02-18 In this acclaimed classic novel, James A. Michener sweeps readers off to the

Caribbean, bringing to life the eternal allure and tumultuous history of this glittering string of islands. From the 1310 conquest of the Arawaks by cannibals to the decline of the Mayan empire, from Columbus's arrival to buccaneer Henry Morgan's notorious reign, from the bloody slave revolt on Haiti to the rise of Cuba's Fidel Castro, Caribbean packs seven hundred dramatic years into a tale teeming with revolution and romance, authentic characters and thunderous destinies. Through absorbing, magnificent prose, Michener captures the essence of the islands in all of their awe-inspiring scope and wonder. BONUS: This edition includes an excerpt from James A. Michener's *Hawaii*. Praise for Caribbean "Michener is a master."—Boston Herald "A grand epic . . . [James A. Michener] sympathizes with the struggles of the region's most oppressed, and succeeds in presenting the Caribbean in its rich diversity."—The Plain Dealer "Remarkable and praiseworthy . . . utterly engaging."—The Washington Post Book World "Even American tourists familiar with some of the serene islands will find themselves enlightened. . . . In Caribbean, there appears to be a strong aura of truth behind the storytelling."—The New York Times

Master and Commander (Vol. Book 1) (Aubrey/Maturin Novels) Patrick O'Brian, 1990-08-17 The beginning of the sweeping Aubrey-Maturin series. The best sea story I have ever read.—Sir Francis Chichester This, the first in the splendid series of Jack Aubrey novels, establishes the friendship between Captain Aubrey, R.N., and Stephen Maturin, ship's surgeon and intelligence agent, against a thrilling backdrop of the Napoleonic wars. Details of a life aboard a man-of-war in Nelson's navy are faultlessly rendered: the conversational idiom of the officers in the ward room and the men on the lower deck, the food, the floggings, the mysteries of the wind and the rigging, and the roar of broadsides as the great ships close in battle.

Sin Killer Larry McMurtry, 2003-04-01 Journeying up the Missouri River in 1830, the wealthy Berrybenders encounter the challenges of the untamed American West before Tasmin Berrybender falls in love with frontiersman and part-time preacher Jim Snow.

LIFE, 1940-03-18 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today's people and events. They have free access to share, print and post images for personal use.
