Top Five Regrets of the Dying Bronnie Ware,2019-08-13 Revised edition of the best-selling memoir that has been read by over a million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, *The Top Five Regrets of the Dying*, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively address these issues while we still have the time. *The Top Five Regrets of the Dying* gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.

Your Year for Change Bronnie Ware,2014-10-14 Having spent several years listening to, and then writing about, the regrets of dying people, Bronnie Ware understands the importance of acknowledging death and finding the courage to live a happy and authentic life in the meantime. In this tender yet influential collection, Bronnie Ware shares 52 inspiring stories, woven among observations from her daily life, strengthening you with the values needed for regret-free living. You can read one story a week or read them all right through. Either way, Bronnie's ability to open your eyes to new perspectives will also open your heart to new strengths and dreams. *Your Year for Change* is a gentle and powerful book that will leave you determined to embrace your life, forgive your past, honor your heart, and create a regret-free future of happiness and wonder.

Bloom Bronnie Ware,2017-03-28 As a free-spirited, independent woman, Bronnie Ware was used to donning a variety of

hats: singer, songwriter, author, speaker, traveler, and adventurer. And as her soul would have it in her mid-forties, she felt the urge to add one more, mother. Ware, author of *The Top Five Regrets of the Dying*, had learned many lessons as a palliative-care giver, and she began to absorb even more from the opposite end of the spectrum as a giver of life. Only a few moments into motherhood, however, Ware's body had a different idea, when chronic crippling pain from an auto-immune disease took hold. In this inspiring memoir, Ware reminds us that whether life's lessons arrive through illness, trauma, or any other unexpected upheaval, life really does love us. By finding the courage to confront her upper limits, surrender to life's blessings, and have gratitude every step of the way, Ware discovered how to bloom in a field of formidable challenges.

This extraordinary book shows that a deep relationship is possible even when all hope seems to be lost. What ever the problem is, the solution lies in finding love for yourself. Eva-Maria's powerful techniques and ideas will change the way you look at your relationships and yourself forever.

5 Dinge, die Sterbende am meisten bereuen Bronnie Ware, 2013-03-11 5 Dinge, die im Leben wirklich zählen. Was zählt am Ende wirklich? Auf dem Sterbebett, wenn klar wird, dass das Leben sich dem Ende zuneigt? Nach vielen Reisen durch die ganze Welt, auf der Suche nach dem, was dem Leben Sinn gibt, findet die Australierin Bronnie Ware eine neue Aufgabe. Sie begleitet Sterbende in den letzten Wochen ihres Lebens. In ihrem Buch erzählt sie von wunderbaren Begegnungen und berührenden Gesprächen, die ihr Leben tiefgreifend verändert haben. Die Menschen, die sie trifft, stellen viel zu oft fest, dass sie ihre eigenen Wünsche hinten angestellt und zu viel gearbeitet haben, dass sie sich zu wenig Zeit für Familie und Freunde genommen und - vor allem - sich nicht erlaubt haben, glücklich zu sein. Es sind Erkenntnisse, die nachdenklich machen und in Erinnerung rufen, worauf es wirklich ankommt, wenn wir mit einem Lächeln aus dem Leben treten wollen. Für sich selbst hat Bronnie Ware nach diesen Erfahrungen entschieden, dass sie nur noch das macht, was sie wirklich will. Ihr ermutigendes Buch hat die Kraft, Veränderungen anzustoßen, um wirklich das Leben zu führen, das wir wollen.

The Five Secrets You Must Discover Before You Die John Izzo, 2008-01-01 “What brought you the greatest joy? What do you wish you had learned sooner? What ultimately mattered and what didn't?” asks Dr. John Izzo. Based on a highly acclaimed public television series, this book takes the reader on a heartwarming and profound journey to find lasting happiness. Imagine for a moment that you are about to take a foreign vacation to an exotic destination. You have saved your entire life to travel there. It is a destination with almost unlimited choices of how to spend your time and you know you will not have enough time to explore every opportunity. You are fairly certain that you will never get to take a second trip to this destination; this will be your one opportunity. Now imagine that someone informs you that there are several people in your neighborhood who have been to that country, explored every corner. Some of them enjoyed the journey and have few regrets, but others wish they could take the trip again knowing what they know now. Would you not invite them over for dinner, ask them to bring their photographs, listen to their stories, and hear their advice? This is precisely the journey explored in this book. Dr. John Izzo and his colleagues interviewed over 200 people, ages 60-106, who were identified by friends and acquaintances as “the one person they knew who had found happiness and meaning.” From town barbers to Holocaust survivors, from aboriginal chiefs to CEOs, these people had over 18,000 years of life experience between them. He asked them questions like, “What brought you the greatest joy? What do you wish you had learned sooner? What ultimately mattered and what didn't?” Here Izzo shares their stories—funny, moving, and thought-provoking—and the Five Secrets he learned from listening to them. This book will make you laugh, bring you to tears, and inspire you to discover what matters long before you die.

YEAR BY MARIE CLAIRE Everything changes in a single moment for Dawn Edelstein. She's on a plane when the flight attendant makes an announcement: Prepare for a crash landing. She braces herself as thoughts flash through her mind. The shocking thing is, the thoughts are not of her husband but of a man she last saw fifteen years ago: Wyatt Armstrong. Dawn, miraculously, survives the crash, but so do all the doubts that have suddenly been raised. She has led a good life. Back in Boston, there is her husband, Brian, their beloved daughter, and her work as a death doula, in which she helps ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a career Dawn once studied for but was forced to abandon when life suddenly intervened. And now, when it seems that fate is offering her second chances, she is not as sure of the choice she once made. After the crash landing, the airline ensures that the survivors are seen by a doctor, then offers transportation to wherever they want to go. The obvious destination is to fly home, but she could take another path: return to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on The Book of Two Ways—the first known map of the afterlife. As the story unfolds, Dawn's two possible futures unspool side by side, as do the secrets and doubts long buried with them. Dawn must confront the questions she's never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our choices make us? And who would you be if you hadn't turned out to be the person you are right now?
