## Deepak Chopra

**The Book of Secrets** Deepak Chopra, M.D.,2004-09-28 The Book of Secrets is the finest and most profound of Deepak Chopra's books to date. Want the answers to the secrets of life? Let me recommend that you start right here. —Ken Wilber, author of A Brief History of Everything We all want to know how to find a soul mate, what career would be most fulfilling, how to live a life with meaning, and how to teach our children well. We are looking for a personal breakthrough, a turning point, a revelation that brings with it new meaning. The Book of Secrets—a crystalline distillation of insights and wisdom accumulated over the lifetime of one of the great spiritual thinkers of our time—provides an exquisite new tool for achieving just that. Every life is a book of secrets, ready to be opened. The secret of perfect love is found there, along with the secrets of healing, compassion, faith, and the most elusive one of all: who we really are. We are still mysteries to ourselves, despite the proximity of these answers, and what we most long to know remains lodged deep inside. Because answers to the questions at the center of life are counterintuitive, they are often hidden from view, sequestered from our everyday gaze. In his ongoing quest to elevate our experience, bestselling author Deepak Chopra has isolated fifteen secrets that drive the narrative of this inspiring book—and of our lives. From *The World Is in You and What You Seek, You Already Are* to *Evil Is Not Your Enemy* and *You Are Truly Free When You Are Not a Person*, The Book of Secrets is rich with insights. It is a priceless treasure that can transport us beyond change to transformation, and from there to a sacred place where we can savor the nectar of enlightenment.

El camino de la abundancia Deepak Chopra,2010-06-03 En esta notable libro se halla el secreto de El camino de la abundancia. Según el autor, la abundancia es nuestro estado natural, y el universo material, con toda su abundancia, es la fuente de un campo ilimitado de todas las posibilidades. Deepak Chopra revela simple y claramente el verdadero significado de la conciencia de la riqueza, y presenta uno por uno los pasos del camino de la abundancia para colmar todos los deseos en todos los niveles de la vida. Cada día por medio de una serie de pasos y acciones, El camino de la abundancia te brinda la conciencia de la riqueza necesaria para aprovecharte de este campo para crear todo lo que deseas.

Jesus Deepak Chopra,2009-10-06 “Deepak Chopra's story is an inspiring gift for those who truly care and have the courage to seek.” —Michael Baigent, author of *The Jesus Papers* The founder of The Chopra Center and the preeminent teacher of Eastern philosophy to the Western World, Deepak Chopra gives us the story of the man who became Messiah in

his phenomenal New York Times bestseller *Jesus*. The author who illuminated the life of Buddha now offers readers an unparalleled portrait of Jesus Christ, from carpenter's son to revolutionary leader, that is fresh and inspiring—a remarkable retelling of the greatest story ever told.

**Golf for Enlightenment** Deepak Chopra, M.D., 2003-03-04 Deepak Chopra has discovered the delights—and frustrations—of golf, and he is passionate about the game. Confronted by the wild ups and downs of his own play, he consulted with golf professionals and developed a new approach to the game that any golfer can follow—from the novice to the expert. The results can be measured not only in increased enjoyment and skill, but also in greater wisdom about life beyond the 18th hole. Chopra's own game has improved dramatically since incorporating the elements of his program. Instead of focusing on the mechanics of a “perfect” swing, Chopra reveals how golf can be mastered through mindfulness, a form of awareness that combines sharp focus and relaxation at the same time. Expanded awareness, he tells us, can accomplish much more than external mechanics to improve one's game. But *Golf for Enlightenment* is also an engrossing story about Adam, an Everyman who is playing a terrible round of golf when he meets a mysterious young teaching pro named Leela. In seven short but profound lessons detailing spiritual strategies, she teaches Adam the essence of a game that has much to explain about life itself. Chopra has spent the last year taking the unique message in *Golf for Enlightenment* nationwide, teaching the essential tenets of his program at lectures and seminars to golfers everywhere. His message continues to help players turn an obsession into a positive life path.

**How to Know God Discussion Guides** M D Deepak Chopra, M D, 2001-02-01 Deepak Chopra has written his most ambitious and important work yet -- an exploration of the idea that everyone can have the direct experience of divinity. According to Chopra, the brain is hardwired to know God. The human nervous system has seven biological responses that correspond to seven levels of divine experience. These are shaped not by any one religion, but by the brain's need to take an infinite, chaotic universe and find meaning in it. As we make sense of the swirling quantum soup, we inevitably find the face of God. In this remarkable book Chopra shows us how. *How to Know God* is Chopra's writing at its very best, an internationally celebrated blend of philosophy and science applied to the greatest subject of all. This is what each of us quests for, whether we realize it or not. For, as Chopra writes, God is our highest instinct to know ourselves.

**The Ultimate Happiness Prescription** Deepak Chopra, M.D., 2009-11-17 New York Times bestselling author Deepak Chopra shares the spiritual practices that will help us to uncover the true secrets of joy in the most difficult times. Happiness is something everyone desires. Yet how to find happiness—or even if we deserve to—remains a mystery. The goal of life is the expansion of happiness, but today's society reinforces the belief that fulfillment comes from achieving success, wealth, and good relationships. Chopra tells us that the opposite is true: All success in life is the by-product of happiness, not the cause. In this book, Chopra shows us seven keys for a life based on a sense of your “true self” lying beyond the ebb and flow of daily

living. Simple daily exercises can lead to eliminating the root causes of unhappiness and help you to:

- Recognize real happiness and not settle for less
- Find true self-esteem, which doesn't depend on anything outside you
- Return to the state of joy, peace, and spontaneous fulfillment that is your natural birthright
- Focus on the present and learn to live it fully
- Experience enlightenment

After all avenues to happiness have been explored, only one path is left: the journey to enlightenment. In *The Ultimate Happiness Prescription*, we are taken on an inspiring journey to learn the secrets for living mindfully and with effortless spontaneity for the true self, the only place untouched by trouble and misfortune.

*The Healing Self* Deepak Chopra, Rudolph E. Tanzi, 2018-02-01 Heal yourself from the inside out Our immune systems can no longer be taken for granted. Current trends in public healthcare are disturbing: our increased air travel allows newly mutated bacteria and viruses to spread across the globe, antibiotic-resistant strains of bacteria outstrip the new drugs that are meant to fight them, deaths due to hospital-acquired infections are increasing, and the childhood vaccinations of our aging population are losing their effectiveness. Now more than ever, our well-being is at a dangerous crossroad. But there is hope, and the solution lies within ourselves. *The Healing Self* is the new breakthrough book in self-care by bestselling author and leader in integrative medicine Deepak Chopra and Harvard neuroscientist Rudolph E Tanzi. They argue that the brain possesses its own lymphatic system, meaning it is also tied into the body's general immune system. Based on this brand new discovery, they offer new ways of increasing the body's immune system by stimulating the brain and our genes, and through this they help us fight off illness and disease. Combined with new facts about the gut microbiome and lifestyle changes, diet and stress reduction, there is no doubt that this ground-breaking work will have an important effect on your immune system.

**Creating Affluence** Deepak Chopra, 2010-08-12 In this remarkable book lies the secret to fulfillment on all levels of our lives... From becoming Aware of all possibilities to experiencing Zest and joy in life, these uncommon insights gently foster the wealth consciousness needed to create wealth effortlessly and joyfully.

**How To Know God** Deepak Chopra, 2008-09-04 The bestselling author of *Ageless Body, Timeless Mind* has written his most ambitious and important work yet - an exploration of the seven ways we experience God. These are shaped, not by any one religion, but by an instinct that is hardwired into the brain. In this remarkable book, Chopra takes us step by step from the first stage, where the brain's 'fight or flight' response leads us to a God who is an all-powerful and sometimes unpredictable parent, to the seventh stage, where the brain experiences God as pure being, beyond thought, a sacred presence. It is at this seventh stage that we attain a true, life-changing spiritual understanding of the world and our place in

it; it is the level at which saints and sages dwell. All seven stages are available to each of us, all the time. Deepak Chopra explores mysticism, religious ecstasy, genius, telepathy, multiple personality and clairvoyance, drawing insights from psychology, neurology and physics, as well as from the great religions. The result is vintage Chopra applied to the ultimate quest.

**The Spontaneous Fulfillment of Desire** Deepak Chopra, M.D.,2003-10-21 As elegant as his bestselling How to Know God and as practical as his phenomenal The Seven Spiritual Laws of Success, this groundbreaking new book from Deepak Chopra contains a dramatic premise: Not only are everyday coincidences meaningful, they actually provide us with glimpses of the field of infinite possibilities that lies at the heart of all things. By gaining access to this wellspring of creation, we can literally rewrite our destinies in any way we wish. From this realm of pure potential we are connected to everything that exists and everything that is yet to come. "Coincidences" can then be recognized as containing precious clues about particular facets of our lives that require our attention. As you become more aware of coincidences and their meanings, you begin to connect more and more with the underlying field of infinite possibilities. This is when the magic begins. This is when you achieve the spontaneous fulfillment of desire. The result, in effect, is a practical and accessible guide to one of life's shortest but most rewarding journeys: the one into the realm of boundless possibilities that exist within and all around us. THE WAY OF THE WIZARD is a natural outgrowth of Dr Chopra's work on the themes and metaphysics of the medieval Merlin myth and a development of his work on the philosophy and

application of magic. THE WAY OF THE WIZARD is for the seeker in all of us.

*Freedom from Addiction* Deepak Chopra, David Simon, 2010-01-01 Millions of people have embarked on a Twelve-Step Program, whether it's Alcoholics Anonymous, Nicotine Anonymous, or Alateen. However, there are millions of others who are unable or unwilling to accept these programs because of religious overtones or a rigid approach to recovery. Deepak Chopra and David Simon contend that Twelve-Step methods don't work for everyone because they emphasize personal powerlessness; it's this admission of powerlessness that keeps many people from ever truly healing. In *Freedom from Addiction*, Chopra and Simon offer a new way—a proven method based on the program at the renowned Chopra Center in Carlsbad, California. Combining the best of eastern and western medicine, they teach readers how to cleanse their bodies and minds through nutrition, supplements, and meditations, and they walk readers through their 7-Step Framework: 1. Commit to transformation 2. Commit to ending repeat mistakes 3. Face the harsh reality of the past 4. See the infinite possibilities available in the present moment 5. Envision where you want to be 6. Ask yourself what choices need to be made to actualize vision 7. Create an action plan

**The 13th Disciple** Deepak Chopra,2015-03-31 The New York Times bestselling author of Buddha and Jesus weaves together historical narrative, mystery, exciting adventure, and intrigue in this masterfully told novel that reveals surprising discoveries about the unknown last disciple of Christ, and a new understanding of who Jesus was in his final days. When a solid gold reliquary missing from a church in Belgium suddenly resurfaces in America, a young newspaperman begins to investigate the story. At first, it seems like just another case of a treasure stolen during World War II that has resurfaced. But it soon becomes apparent that much more is at stake. Hidden within the medieval reliquary is a gold box that holds a sacred relic—a single finger bone—from an anonymous saint. Why would the remains of someone unknown to the Church be considered holy? The search for answers leads to a shocking discovery—a dangerous secret known only to a small band of people. If one touches the reliquary, a sacred vision is received—a vision involving a young girl who had a chance encounter with Jesus just before he was crucified. The few people who have been blessed with these miraculous messages have banded together into a mysterious school, a closed society that preserves this venerated wisdom. But their knowledge of the young girl and Jesus is at once so fascinating yet so highly controversial that it cannot be shared with the world. This young girl, curious about the charismatic man named Jesus, embarks on a quest to find out who he really was. What she finds—the knowledge the society protects—is at times far different from the accepted gospels. Could this unknown girl be the 13th Disciple—the last and truest apostle of Christ?
