Stig of the Dump Clive King, 2010-06-03 A Puffin Book - stories that last a lifetime. Puffin Modern Classics are relaunched under a new logo: A Puffin Book. There are 20 titles to collect in the series, listed below, all with exciting new covers and fun-filled endnotes. Clive King's Stig of the Dump is a much-loved modern classic. It is the story of Barney and his best friend, cave-man Stig. Barney is a solitary little boy, given to wandering off by himself. One day he is lying on the edge of a disused chalk-pit when it gives way and he lands in a sort of cave. Here he meets 'somebody with a lot of shaggy hair and two bright black eyes' wearing a rabbit skin and speaking in grunts. He names him Stig. Of course nobody believes Barney when he tells his family all about Stig, but for Barney cave-man Stig is totally real. They become great friends, learning each others ways and embarking on a series of unforgettable adventures. Clive King was born in Richmond, Surrey, in 1924. When he was young his family moved to a village called Ash, near Sevenoaks in Kent, which is the setting for Stig of the Dump. He went to Downing College, Cambridge, and the School of Oriental and African Studies in London. He then served in the Royal Naval Volunteer Reserve. His service as a sailor and his work as a language teacher took him all over the world. Clive King lives with his family in Norfolk and is a full-time writer. Other titles by Clive King: Hamid of Aleppo; The Town that Went South; The 22 Letters; The Night the Water Came; Snakes and Snakes; Me and My Million; The Inner Ring series; The Devil's Cut; Ninny's Boat; The Sound of propellers; The Seashore People; A Touch of Class

English - One Tongue, Many Voices Jan Svartvik,Geoffrey Leech,2016-06-21 This is the fully revised and expanded second edition of English - One Tongue, Many Voices, a book by three internationally distinguished English language scholars who tell the fascinating, improbable saga of English in time and space. Chapters trace the history of the language from its obscure beginnings over 1500 years ago as a collection of dialects spoken by marauding, illiterate tribes. They show how the geographical spread of the language in its increasing diversity has made English into an international language of unprecedented range and variety. The authors examine the present state of English as a global language and the problems, pressures and uncertainties of its future, online and offline. They argue that, in spite of the amazing variety and plurality of English, it remains a single language.

Memories of My Town Åström Anna-Maria,Korkiakangas Pirjo,Olsson Pia,2018-06-15 The volume Memories of my Town is an exploration into how town dwellers experience their environment in a complicated way .As people in urban milieus relate themselves to the environment, this takes place on many levels, where especially the time level becomes problematic. The urban buildings and settings can be looked upon as a kind of collective history, as carriers or witnesses of times past. But it is only the town dwellers that experience urban time itself, the time they live in, but through their memories also times past. In this past some elements take symbolically dense expressions. Through reliving and narrating their experiences the symbolically important factors in the this urban relationship will be outlined for investigations concerning three towns, Helsinki, the capital, Viborg, the ceded and lost Carelian town, and Jyväskylä, a town with dense commercial and civilisatory dimensions in the middle of Finland. The symbolic aspects are the kern in all the articles of the book Memories of my Town. The aim of the book and its articles has been to use different theoretical concepts as guidelines in analysing the different narrative texts. Thus the articles are to be seen as independent contributions to the scientific discussion about places, urbanism, memories and narratives. The ethnological outlook is on the other hand an outcome of the joint project Town Dwellers and their Places., whereby the articles substancially relate to one another. Thus the book can also be seen as a joint result of this urban project, which was sponsored by the Finnish Academy.

Sherlock Holmes Mark Campbell, 2012-02-02 Who is Holmes? The world's most famous detective? A drug addict with a heart as cold as ice? A millstone around the neck of his creator? He's all of these things and much, much more. Sherlock

Holmes was the brainchild of Portsmouth GP Arthur Conan Doyle. A writer of historical romantic fiction, Doyle became unhappy that the detective's enormous success eclipsed his more serious offerings. But after attempting to wipe him out at the Reichenbach Falls in Switzerland, Doyle was faced with a vociferous backlash from the general public and eventually he had no choice but to bring his sleuth back from the grave to face more puzzling mysteries. While not strictly speaking 'canonical', Holmes' deerstalker, curved pipe and cries of 'Elementary, my dear Watson!' have been immortalised in countless stage, film, television and radio productions. An iconic fictional creation, inseparable from his partner-in-crime Dr John Watson, Sherlock Holmes has charmed and fascinated millions of people around the world since his first appearance over a century ago. He is one of English literature's finest creations.

The Swallows' Flight Hilary McKay, 2021-05-27 From the Costa Award-winning author Hilary McKay, comes a moving World War II story of family and friendship on opposite sides of a devastating conflict. *The Swallows' Flight* is the stunning companion novel to *The Skylarks' War*. 'It's not necessary to have read *The Skylarks' War* (though many beloved characters make reappearances) to be instantly and joyfully lost in this evocative, moving novel, showing McKay at the very top of her game.' - Imogen Russell-Williams, *The Guardian* 'Funny, poignant, wise and emotional. Full of achingly real characters (and also an excellent dog) . . . I eked out the final pages, not wanting it to end.' - Fiona Noble, *The Bookseller* Erik and Hans are German boys. Ruby and Kate are English girls. They grow up in worlds that would never meet, until war tumbles their lives together. Then one September afternoon there are choices to be made. How is courage lost, and found? Who is really the enemy? And what does friendship truly mean, in the middle of a war? Meanwhile Rupert and Clarry work secretly for peace - and a brighter future for them all . . . ' . . . a resounding success. . . McKay refuses to dumb down the history, writing with such clarity and understanding that you can't fail to be caught up in the cares of her loveable cast.' - Alex O'Connell, *The Times Book of the Week* 'McKay is a glutinously atmospheric writer, and this dense, action-packed saga - written during lockdown - is every bit as satisfying as its predecessor.' Emily Bearn, *The Telegraph* 'Separately and together, *The Skylarks' War* and *The Swallows' Flight* are pinnacles of children's literature.' - Nicolette Jones, *The Sunday Times Book of the Week* 'Meticulously researched, intelligent, warm and witty - this is McKay at her peerless peak.' Sally Morris, *The Daily Mail*

Music and Levels of Narration in Film Guido Heldt, 2013 *Music and Levels of Narration in Film* is the first book-length study to synthesize scholarly contributions toward a narrative theory of film music. Moving beyond the distinction between diegetic and nondiegetic music--or music that is not understood as part of a film's story world--Guido Heldt systematically discusses music at different levels of narration, from the extrafictional to focalizations of subjectivity. Heldt then applies this conceptual toolkit to study the narrative strategies of music in individual films, as well as genres, including musicals and horror films. The resulting volume will be an indispensable resource for anyone researching or studying film music or film narratology.
