

John Wayne Shootist Quotes

James P. Owen

John Wayne: The Life and Legend Scott Eyman,2015-04-21 The celebrated Hollywood icon comes fully to life in this complex portrait by noted film historian and master biographer Scott Eyman. Exploring Wayne's early life with a difficult mother and a feckless father, Eyman gets at the details that the bean-counters and myth-spinners miss ... Wayne's intimates have told things here that they've never told anyone else (Los Angeles Times). Eyman makes startling connections to Wayne's later days as an anti-Communist conservative, his stormy marriages to Latina women, and his notorious--and surprisingly long-lived--passionate affair with Marlene Dietrich.

John Wayne Speaks Mark Orwoll,2021-11-09 With more than 1,100 impeccably sourced quotes from throughout John Wayne's 172-film career, *John Wayne Speaks: The Ultimate John Wayne Quote Book* provides what has often been missing from other Duke Wayne reference books: accuracy, context, and comprehensiveness. These quotations offer a deep dive into Wayne's films and acting persona—the iconic American man of action whose sense of values and decency are a veneer covering a boiling pot of determination, courage, outrage, and even violence. The quotes in *John Wayne Speaks* are at once inspirational, humorous, touching, and revealing. Author and veteran journalist Mark Orwoll has created an overlay of categories into which each quote fits, making the manuscript easy for readers to find the type of quote—or even the exact quote, footnoted to identify its film—they may be searching for. But *John Wayne Speaks* is more than just a collection of the actor's movie lines. Orwoll has researched and written an in-depth introduction to Wayne's film career to put the quotes in a broader context. Movie-lovers will also appreciate the author's opinionated capsule reviews and production notes from Wayne's complete filmography. *John Wayne Speaks* is the quote book that every fan of the Duke needs and a delightful addition to any cinephile's library.

The Bladerunner Alan E Nourse,2013-04-12 Billy Gimp was a bladerunner . . . one of the shadowy procurers of illegal medical supplies for the rapidly expanding, nightmare world of the medical black market. Doc was a skilled surgeon at a government-operated hospital by day . . . and an underground physician by night, providing health care for the multitudes who could not - or would not - qualify for legal medical assistance. Trapped by Health Control Police, Billy Gimp knew he had to warn Doc that they were closing in on him. But something even more deadly than the law had already made its first move . . . a new plague that Health Control could not handle!

The Quotable John Wayne ,2019-08-09 Perhaps best known for his classic movie lines, such as Fill your hands, you sons-of-bitches! from True Grit, the late actor John Wayne often displayed a spontaneous and biting wit when away from the screen as well. When a reporter from the Harvard Crimson sarcastically asked Wayne if he looked at himself as an American Legend, for example, the Duke replied: Well, not being a Harvard man, I don't look at myself any more than necessary.

The Shootist Glendon Swarthout,1998

Blade Runner William S. Burroughs,1979 In this futuristic screenplay vision of a strife-and-disease-plagued America in 1999, Burroughs finds the cure for a decaying civilization in the medicine practiced by underground physicians and surgeons. These heroic healers, in turn, are aided by 'blade runners, ' teenagers who smuggle banned surgical instruments past the watchful eyes of fascistic police. The novel-cum-screenplay follows one of these runners during the course of a race riot and the transfer of instruments between embattled doctors. Above the drama in the streets of New York is a world 'taken over by hang-glider and autogyro gangs, mountaineers and steeplejacks. A sky boy steps off his penthouse into a parachute on guide wires that drop him to a street-level landing ... Meanwhile, released animals and reptiles from the zoo and freed fish from the aquarium have control of the rovers and subways. The prose flashes with Burrough's own brand of outrageousness and fantasy.

In Search of Manhood Don H. Corrigan,2024-08-15 American men began an earnest search for the meaning of manhood in the latter half of the 20th century and enlisted in such groups as Promise Keepers, Million Man March, National Congress of Men, and fathers' rights groups. This study chronicles those movements, as well as the more visible male activism of today in such groups as Proud Boys, Three Percenters, and Oath Keepers. The book explores the misogyny and militancy embodied in these new quests for manhood. The first section covers pop culture influences on conceptions of masculinity and moves from celebrity iconography to the institutional and organizational influences that men have relied on in the effort to make themselves masculine. The second section describes masculinity and men's movements in the 20th century, and the third section covers the 21st. The final chapters analyze the contrast between the more thoughtful men's movements before the turn of the century and the more militant and physical movements after 2000, posing and addressing critical questions about the relationship between prevailing ideals of masculinity and events like the January 6th insurrection.

Cowboy Ethics James P. Owen,2015-03-03 A new approach to business ethics is quietly taking hold in executive suites and corporate boardrooms across America. Frustrated by an epidemic of misbehavior at all employee levels, management teams are getting back to basics—back to the idea that personal character and individual responsibility are the ultimate keys to integrity, just as they were back in the days of the Open Range. A decade ago, the book *Cowboy Ethics* first inspired businesspeople to look to the Code of the West. Once they did, they discovered that its simple, common-sense principles can be more effective guides to business leadership than a truckload of corporate mission statements, rules, and ethics manuals.

“Cowboys are role models because they live by a code,” says author James P. Owen. “They show us what it means to stand for something, and to strive every day to make your actions line up with your beliefs. And isn’t that as good a definition of integrity as you can find?” In the years since, the book’s “Ten Principles to Live By” have been embraced by scores of companies, universities, and even a state government. This updated Tenth Anniversary hardcover edition traces the evolution of this grassroots business movement in brand-new chapters while preserving the inspirational lessons and stunning photography of the original. It’s ideal for corporate gifts, the new graduate, business students, or any career person who cares about doing the right thing.

The John Wayne Filmography Fred Landesman, 2015-08-13 Decades after his death, annual Gallop polls reveal that Marion Morrison is still firmly implanted among the top-ten favorite motion picture celebrities and American heroes. Most of us know this box office star as John Wayne. This comprehensive volume covers his expansive film career, from 1926 to 1976. Listed in alphabetical order are entries on films such as *Angel and the Badman* and *Noah's Ark* that exemplify the more than 170 films that the actor worked on. Each entry includes the film's date, run time, cast and crew credits, reviews, and a synopsis. Also under each entry is a special section devoted to rare information and interesting details such as where the productions were shot, budgets, costs, salaries, box-office performance, alternate casting and what competition existed for the moviegoer audience. Also included in this reference work are over 650 capsule biographies of the talent that shared the screen with the actor and worked on the productions, and over 800 contemporary reviews and commentary from such diverse sources as *The New York Times*, *Hollywood Reporter*, and *Life Magazine*. There is a series of five helpful Appendices: Appendix A lists films by order of their release dates; Appendix B lists Wayne's fellow actors and colleagues and tells under which entry the relevant capsule biography may be located; Appendix C offers specific review information for the films; Appendix D provides facts on the biggest box office films; and Appendix E details the most popular films on television.

The Searchers Arthur M. Eckstein, Peter Lehman, 2004 A series of in-depth examinations of the motion picture many consider to be Hollywood's finest western film.

The Last Shootist Miles Swarthout, 2014-10-14 Young Gillom Rogers has just given the coup de grace to a famous gunfighter involved in a bloody saloon shootout in 1901 El Paso, Texas. After swiping J.B. Books's matched Remington pistols off his body, Gillom thinks he may be able to ride this spectacle to fame and glory as the last shootist. But Gillom is an eighteen-year-old with lots of growing up to do, and showing off his new pistols quickly gets him into a gunfight he didn't bargain for. Gillom sets out for adventure, determined to become a shootist like his hero, John Bernard Books. On his dangerous journey into manhood, he runs into yellow journalists, a New Mexican horse breaker, and a train robber. When he meets a Hispanic saloon dancer named Anel in the booming copper mining town of Bisbee, Arizona, Gillom Rogers is forced to reconsider what kind of man he really wants to be. Miles Swarthout's *The Last Shootist* is the sequel to one of the most

famous Westerns ever written, and concludes the tale of a junior shootist's coming-of-age in a dazzling gunfight in a deadly pimp's whorehouse, as a trio of fiery teenagers ride hard into a new twentieth century. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

John Wayne Michael Munn,2005-03-01 A rare behind-the-scenes look at John Wayne: the legend, hero, and Hollywood icon of numerous epic Western films, including an Academy Award-winning performance in True Grit. No legend ever walked taller than “The Duke.” Now, author Michael Munn’s startling new biography of John Wayne sets the record straight on why Wayne didn’t serve in World War II, on director John Ford’s contribution to Wayne’s career, and the mega-star’s highs and lows: three failed marriages, and two desperate battles with cancer. Munn also discloses publicly, for the first time, Soviet dictator Josef Stalin’s plot to assassinate Wayne because of his outspoken, potentially influential anti-Communist views. Drawing on time spent with Wayne on the set of Brannigan—and almost 100 interviews with those who knew him—Munn’s rare, behind-the-scenes look proves this “absolute all-time movie star” was as much a hero in real life as he ever was on-screen.

Pappy Dan Ford,1979 Here is an overview of Ford's life & work, by his grandson.

John Carradine Tom Weaver,2024-10-15 Over more than six decades and 200 films, supreme movie villain John Carradine defined the job of the character actor, running the gamut from preacher Casey of The Grapes of Wrath to his classic Count Dracula of House of Frankenstein and House of Dracula. But for every Prisoner of Shark Island or Jesse James, Carradine—who also did great work on Broadway and the classical theater (he produced, directed and starred in Hamlet)--hammed it up in scores of B and C horror and exploitation films, developing the while quite a reputation for scandal. Through it all, though, he remained a survivor and a true professional. This is the first ever work devoted exclusively to the films of John Carradine. In addition to the comprehensive filmography, there is a biography of Carradine (contributed by Gregory Mank), commentary on the man by indie film director Fred Olen Ray (who helmed many latter-day Carradine movies), and an interesting piece by director Joe Dante, who writes about Carradine's involvement in Dante's 1981 werewolf movie The Howling.

Words That Shaped Our World Volume Two Jim Stovall,Kathy Johnson,2024-04-02 The fastest way to success in any endeavor of life is to study the wisdom of people who have been where you want to go—this collective wisdom is stored between quotation marks and offered to you in Words That Shaped Our World Volume Two. Beau John Buddy Atkinson,1979-08-01

The John Wayne Code ,

Raised by Turtles Tom Lambert,2021-01-06 A collection of essays, some funny, some not written between 1992 and 2020.

By Myself and Then Some Lauren Bacall,2013-02-28 Lauren Bacall was barely 20 when she made her Hollywood debut with Humphrey Bogart and became an overnight sex symbol. Their romance on and off screen made them Hollywood's most celebrated couple and together they produced some of the most electric scenes in movie history. But when Bogart died of cancer in 1957, Bacall had to find a way of living beyond the fairytale. In a time of post war communism, Hollywood blacklisting and revolutionary politics she moved with the legends: Hemingway, the Oliviers, Katharine Hepburn, Bobby Kennedy, an engagement to Frank Sinatra and a second turbulent marriage to Jason Robards. Now in her eighties, BY MYSELF AND THEN SOME brings her story up to date including her recent films and Broadway runs, fond memories of her many close lifelong friendships, not least the greatest love of her life, Humphrey Bogart.
